EXPLANATORY NOTE

This document was previously filed on April 26, 2001. Please note that the only changes to this document were made to (i) add the section captioned "Recent Developments-Offer To Purchase Morton's For \$28.25 Per Share In Cash", (ii) update the section captioned "Background and Recent Events" and (iii) supplement Schedule I with the information set forth under the section captioned "Information Concerning Directors and Executive Officers of Icahn".

RECENT DEVELOPMENTS- OFFER TO PURCHASE MORTON'S FOR \$28.25 PER
SHARE IN CASH

By letter dated May 1, 2001, BFMA made a fully-financed offer to acquire all of the outstanding shares of common stock of Morton's for \$28.25 per Share in cash (the "Offer"). See "Background & Recent Events" for details of communications between BFMA and Morton's leading up to the Offer. To finance the Offer, BFMA has committed to provide no less than \$20 million of equity and has received a commitment from Icahn Associates Corp., an affiliated entity of Carl C. Icahn, to provide \$240 million in bridge financing in the form of \$120 million of senior financing and at least \$120 million of subordinated bridge notes. These commitments provide for aggregate capital in excess of \$260 million, more than enough to consummate the purchase of Morton's at \$28.25 per Share, refinance any debt as necessary and pay the fees and expenses of the acquisition.

Edgar Filing: MORTONS RESTAURANT GROUP INC - Form DFRN14A

BFMA's Offer of \$28.25 per Share represents a premium of approximately 36% over the weighted average closing price of Morton's common stock over the last twenty (20) trading days prior to BFMA's delivery of the Offer.

BFMA is soliciting proxies because it believes that the election of the BFMA Nominees represents the best means for the Stockholders to communicate to Morton's directors (the "Directors") their desire to explore strategic alternatives, including a possible sale of Morton's to BFMA or a third party, as a way to maximize value for all of the Stockholders. If elected, the BFMA Nominees have indicated that, subject to their fiduciary duties to the Stockholders, they will seek to convince the other Directors to form a Special Committee of Directors and hire independent financial and legal advisors to arrange a prompt sale of Morton's to the highest bidder and on the most favorable terms available to Morton's. Prior to consummating a transaction between BFMA and Morton's, BFMA and Morton's will each be required to comply with the requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

If elected, the BFMA Nominees will constitute a minority of the current nine (9) members of the Board. Under Morton's Amended and Restated Bylaws, a majority of the whole Board constitutes a quorum, and action may be taken by a vote of a majority of the directors when a quorum is present. Accordingly, the BFMA Nominees would not be in a position, without the support of at least two or more of the incumbent members of the Board, to effect any action, including a sale of Morton's. There can be no assurance that the incumbent members of the Board will vote with the BFMA Nominees to sell

1

Morton's. BFMA believes, however, that Stockholder support for the BFMA Nominees set forth in this proxy statement may encourage the Board to maximize stockholder value through the sale of Morton's to the highest bidder.

This proxy statement is not an offer for the purchase of Shares. There can be no assurance that, if the BFMA Nominees are elected, a sale of Morton's, through the Offer or otherwise, will occur.

BACKGROUND AND RECENT EVENTS

BFMA has been following Morton's progress for the last few years and on January 25, 2001 increased its holdings of Morton's common stock to over five percent (5%). As one of Morton's largest stockholders, BFMA attempted to arrange a meeting between its Chairman and President, Barry Florescue, and Morton's Chairman and Chief Executive Officer, Allen Bernstein, to discuss Morton's and the restaurant industry in general and to make some friendly and informal suggestions regarding freeing up what BFMA perceived to be the trapped value in the Shares. Mr. Bernstein refused to meet with BFMA. Ultimately, on March 15, 2001, Mr. Florescue met with the Chief Financial Officer of Morton's, Tom Baldwin. Mr. Florescue shared BFMA's thoughts regarding Morton's and the restaurant industry in general. He also expressed BFMA's concerns regarding the lack of stockholder representation on the Board and BFMA's belief that the share

Edgar Filing: MORTONS RESTAURANT GROUP INC - Form DFRN14A

repurchases made by Morton's over the last two years, buying back over thirty-eight percent (38%) of the then outstanding Shares, have served to reduce the already limited liquidity in the Shares. Mr. Florescue informally requested that Morton's consider expanding the Board to include stockholder representatives. BFMA was informed that the Nominating Committee had already made its selections for the Board seats and it was not prepared to expand the number of the Board seats. BFMA then believed that the only way to obtain Stockholder representation on the Board was to take its case directly to the Stockholders. On March 20, 2001, BFMA sent a letter to Morton's nominating the BFMA Nominees for election as Class 3 Directors at the Annual Meeting.

Morton's has stated in its definitive proxy statement that the Board is committed to maximizing long-term value for all of the Stockholders and that it is actively pursuing this goal. However, this commitment has not been reflected in the Board's recent actions. The Board has recently provided Morton's management with what BFMA believes to be very lucrative employment agreements and change of control agreements that serve only to entrench Morton's management. The Board has also provided Morton's management with generous salaries, bonuses and stock option grants that serve to hurt the earning power and long-term value of the Shares. BFMA believes that the election of the BFMA Nominees will cause the Board to refocus on maximizing current Stockholder value for ALL of the Stockholders.

On April 23, 2001, Allen Bernstein sent a letter to the Stockholders attacking BFMA, the BFMA Nominees and Mr. Florescue. On May 1, 2001, BFMA made the Offer, which is a fully-financed offer to acquire all of the outstanding Shares it does not already own for \$28.25 per Share in cash. On May 3, 2001,

2

Barry Florescue filed a fight letter with the SEC in connection with the Offer and the proxy contest relating to the election of the BFMA Nominees as Class 3 Directors at the Annual Meeting.

THE BFMA NOMINEES ARE COMMITTED, SUBJECT TO THEIR FIDUCIARY DUTIES TO THE STOCKHOLDERS, TO GIVING ALL THE STOCKHOLDERS THE OPPORTUNITY TO RECEIVE THE MAXIMUM VALUE FOR THEIR SHARES. A VOTE FOR THE BFMA NOMINEES WILL ENABLE YOU -- AS THE OWNERS OF MORTON'S -- TO SEND A STRONG MESSAGE TO THE BOARD THAT YOU ARE COMMITTED TO MAXIMIZING THE VALUE OF YOUR SHARES.
