**Item 4.01 Change in Registrant's Certifying Accountant.**

On December 19, 2006 (the Termination Date), our board of directors approved the dismissal of Marcum & Kliegman LLP as our independent registered accounting firm and the retention of Burr, Pilger and Mayer LLP as our new independent registered accounting firm. The report of Marcum & Kliegman LLP on our financial statements for the fiscal years ended December 31, 2004 and December 31, 2005 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles.

Through the Termination Date, there were no disagreements with Marcum & Kliegman LLP on any matter of accounting principals or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of Marcum & Kliegman LLP would have caused Marcum & Kliegman LLP to make reference to the subject matter of the disagreement in connection with its reports.

Through the Termination Date, we did not consult with Burr, Pilger and Mayer LLP regarding either: (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on our financial statements; or (ii) any matter that was the subject of a disagreement or event identified in response to Item 304(a)(1)(iv) of Regulation S-B.

We have furnished Marcum & Kliegman LLP with the disclosures contained in this Item 4.01 and requested that Marcum & Kliegman LLP furnish us with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements made in this Item 4.01. A copy of Marcum & Kliegman LLP's letter dated December 20, 2006 is included as Exhibit 16.1 hereto.

As of September 30, 2006, Marcum & Kliegman LLP advised us that a deficiency was identified in our internal controls over financial reporting that constitutes a material weakness. The material weakness was the result of an insufficient number of personnel having adequate knowledge, experience and training to provide effective oversight

and review over our financial close and reporting process. This was the result of limited financial resources. These control deficiencies have not resulted in any misstatements in our financial statements. As of this date, management has remedied this by employing the appropriate number of skilled personnel to address our ongoing accounting and finance needs. We have authorized Marcum & Kliegman LLP to respond fully to any inquiries of Burr, Pilger and Mayer LLP concerning the material weakness described above.
