Item 5. Other Events

Yellow Corporation (NASDAQ: YELL) announced today that its board of directors has approved a stock repurchase program that authorizes the company to repurchase up to \$25 million of common stock.

"The repurchase program reiterates our confidence in the growth strategy for Yellow," said Bill Zollars, Chairman, President and CEO of Yellow Corporation. "Through the disciplined execution of our strategy, we believe we will deliver long-term value to shareholders."

Item 9. Regulation FD Disclosure

Yellow also reconfirmed previously issued first quarter 2003 earnings guidance of \$.15 to \$.20 per share and full year 2003 guidance of \$2.25 to \$2.35 per share. "First quarter results have been significantly impacted by bad weather," said Zollars. "So far this year, there have only been 9 days when all of our facilities have been open at the same time. These weather disruptions will have a one-time effect on the first quarter and consequently our results are likely to be at the lower end of our guidance range."

"However, the first quarter represents only a small portion of our annual earnings and we remain comfortable with our full year earnings guidance," Zollars continued. "Yellow Transportation and Meridian IQ are performing very well and we are effectively executing our one-stop shopping strategy."
