PROXY STATEMENT FOR
ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Getty Realty Corp. (hereinafter called the "Company" or "Getty"), to be voted at the Annual Meeting of Stockholders to be held at 270 Park Avenue, 11th Floor, New York, New York, on May 15, 2003 at 3:30 p.m., and at any adjournments thereof, for the purpose of electing a Board of Directors, ratifying the appointment of independent auditors and transacting such other business as may properly come before the meeting.

On the March 21, 2003 record date for securities entitled to vote at the meeting, 21,442,339 shares of Getty Common Stock and 2,865,768 shares of Getty Preferred Stock (described below) were outstanding. Each outstanding common share is entitled to one vote and each outstanding preferred share is entitled to 1.1312 votes. The common and preferred shares vote together as a single class. In order to constitute a quorum at the meeting, there must be present or voting by proxy, holders of common and preferred shares holding a majority of the outstanding common shares (including common shares issuable upon conversion of the Getty Preferred Stock). In conformity with Maryland law, shares abstaining from voting or not voted on certain matters will not be treated as votes cast with respect to those matters and, therefore, will not affect the outcome of any such matter.

This Proxy Statement and form of proxy will be sent to stockholders in an initial mailing on or about April 4, 2003. We must receive stockholder proposals that are intended to be presented at the 2004 annual meeting no earlier than

Edgar Filing: GETTY REALTY CORP /MD/ - Form DEF 14A

February 14, 2004 and no later than March 16, 2004, in accordance with our by-laws. Stockholder proposals to be considered for inclusion in next year's proxy statement must be received by December 5, 2003.

GENERAL

The Company was incorporated in Maryland on December 23, 1997 in order to acquire Power Test Investors Limited Partnership ("PTI"), which occurred on January 30, 1998 (the "Merger"). As a result of the Merger, each share of common stock of Getty Realty Corp., a Delaware corporation formerly known as Getty Petroleum Corp. ("Old Getty"), was converted into the right to receive one share of common stock of the Company ("Getty Common Stock") and PTI unitholders received shares of the Company's Series A Participating Convertible Redeemable Preferred Stock ("Getty Preferred Stock"). When we refer to the Company prior to January 30, 1998, we mean Old Getty.

In December 2000, we changed our fiscal year from a January 31 to a December 31 year end. Information for the fiscal year ended December 31, 2000 is for the eleven month period from February 1 to December 31, 2000.

1

OTHER EXECUTIVE COMPENSATION

In December 1994, we entered into agreements (collectively, the "Change of Control Agreements") with non-director officers and certain key employees in which Getty agreed (i) to make payments under certain circumstances upon a "change of control" of Getty, and (ii) that all Getty stock options granted to such officer or key employee would immediately vest. In March 1996, we amended the Change of Control Agreements to treat a spinoff or similar transaction involving a substantial portion of Getty's marketing or real estate business or assets as a "change of control". Accordingly, a "change of control" for purposes of the Change of Control Agreements occurred on March 21, 1997, when Marketing was spun off to Getty shareholders. On April 8, 1997, we formally confirmed to each covered employee our obligations under the Change of Control Agreements, including a minimum guaranteed annual compensation (the "Guaranteed Salary"). On March 9, 1998, we further amended the Change of Control Agreements to provide that in the event of the termination of an officer or covered employee by Getty for other than cause or by either party following the assignment to such officer or covered employee of materially less favorable job responsibilities or duties, for the 24-month period after the date of termination for officers and a 12-month period after the date of termination for covered employees, Getty will make payments to each such individual over the applicable period at an annual rate of not less than the Guaranteed Salary, reduced by the amount of compensation, if any, the officer or key employee receives from any other employer during the covered period. In addition, Getty will continue to pay at least the Guaranteed Salary to each covered employee as long as he or she remains a Getty employee. Ms. Young Filip and Mr. Stirnweis are currently covered by these arrangements with a 12-month benefit period.

STOCK OPTIONS

The following table sets forth additional information as to the Named Executive Officers with respect to stock options granted during the fiscal year ended December 31, 2002, including the potential realizable value from the stock options, assuming they are exercised at the end of the option term and assuming 5% and 10% annual rates of stock price appreciation during the option term.

OPTION GRANTS IN LAST FISCAL YEAR

NAME	NUMBER OF SHARES OF COMMON STOCK UNDERLYING OPTIONS GRANTED (#)	INDIVIDUAL GRANTS % OF TOTAL OPTIONS GRANTED TO			EXPIRATION DATE	POTENTIAL AT ASSUMED APPR C 5% (\$
		EMPLOYEES IN FISCAL YEAR ENDED 12-31-02	EXERCISE OR BASE PRICE (\$/SHARE)

Kevin C. Shea	10,000	14.4%	18.30	11/12/12	115,200	
Thomas Stirnweis	10,000	14.4%	18.30	11/12/12	115,200	

(1) The dollar amounts under the potential realizable value column are the result of calculations of assumed annual compound rates of appreciation over the ten-year life of the options, in accordance with the rules of the SEC, and are not intended to forecast possible future appreciation, if any, of the Company's Common Stock. The actual value, if any, an executive may

Edgar Filing: GETTY REALTY CORP /MD/ - Form DEF 14A

realize will depend on the excess of the market price of the shares over the exercise price on the date the option is exercised. The Company did not use an alternative formula for a grant date valuation, as the Company is not aware of any formula which will determine with reasonable accuracy a present value based on unknown or volatile factors. If

7

the price of Getty Common Stock appreciates, the value of Getty Common Stock held by the Company's stockholders will also increase. For example, the aggregate market value of Getty Common Stock on December 31, 2002 was approximately \$406,332,000, based upon the market price on that date. If the share price of Getty's Common Stock increases by 5% per year, the aggregate market value on December 31, 2012 of the same number of shares would be approximately \$661,871,000. If the price of Getty's Common Stock increases by 10% per year, the aggregate market value on December 31, 2012 would be approximately \$1,053,919,000.

The following table provides information as to options exercised by each of the Named Executive Officers of Getty during the fiscal year ended December 31, 2002 and the value of options held by such officers at year end measured in terms of the closing price of Getty Common Stock on December 31, 2002.

STOCK OPTION PLAN

Our 1998 Stock Option Plan, as amended (the "Stock Option Plan"), which has been approved by our stockholders, authorizes the grant of long-term incentive share awards in the form of options ("Options") to purchase shares of Getty Common Stock to directors, officers and other key employees of Getty and its subsidiaries. The Stock Option Plan is administered by the Compensation Committee. The maximum number of shares which may be the subject of outstanding Options under the Stock Option Plan is 1,100,000, subject to adjustments for stock dividends and stock splits. As of December 31, 2002, 324,798 shares of Getty Common Stock were issuable upon the exercise of Options outstanding under the Stock Option Plan. No grants may be made under the Stock Option Plan after January 30, 2008. The number of remaining shares available for grant under the Stock Option Plan was 662,580 as of March 15, 2003.

The recipients, terms (including price and exercise period) and type of Option to be granted under the Stock Option Plan are determined by the Compensation Committee; however, the Option price per share under the Stock Option Plan generally must be at least equal to the fair market value of a share of Getty Common Stock (110% of that amount in the case of Incentive Stock

Edgar Filing: GETTY REALTY CORP /MD/ - Form DEF 14A

Options granted to any individual who owns stock representing more than 10% of the voting power of Getty Common Stock) on the date the Option is granted. Subject to certain limitations, Options granted under the Stock Option Plan may be either Incentive Stock Options (within the meaning of Section 422(b) of the Internal Revenue Code of 1986, as amended (the "Code")) or Non-Qualified Stock Options. With certain limited exceptions, Options may not be exercised for a period of twelve months following the grant of the Option and are exercisable in installments as specified in the Stock Option Plan or the terms of each Option. The exercise period of an Option may not extend more than 10 years beyond its grant date.

RETIREMENT PLANS

Getty has a retirement profit-sharing plan with deferred 401(k) savings plan provisions (the "Retirement Plan") for employees meeting certain service requirements. Under the terms of the Retirement Plan, the annual discretionary contribution portion of the Retirement Plan is determined by the Board of Directors. For the 401(k) portion of the Retirement Plan, the Board of Directors has elected to contribute to the Retirement Plan for each participating employee an amount equal to 50% of the employee's contribution to the Retirement Plan, but in no event more than 3% of the employee's compensation.

Getty also has a Supplemental Retirement Plan for Executives (the "Supplemental Plan"). Under the Supplemental Plan, which is not qualified for purposes of Section 401(a) of the Code, a participating executive may receive in his trust account an amount equal to 10% of his compensation, reduced by the amount of any contributions allocated to the executive under the Retirement Plan. The amounts paid to the trustee under the Supplemental Plan may be used to satisfy claims of general creditors in the event of Getty's or any of its subsidiaries' bankruptcy. The trustee may not cause the Supplemental Plan to be other than "unfunded" for purposes of the Employee Retirement Income Security Act of 1974, as amended. An executive's account vests in the same manner as under the Retirement Plan and is paid upon termination of employment. Under the Supplemental Plan, during any fiscal year the Board of Directors may elect not to make any payment to the account of any or all executives.

Edgar Filing: GETTY REALTY CORP /MD/ - Form DEF 14A

Pursuant to a long-standing arrangement, in the event of the death of Mr. Liebowitz, benefits in an amount equal to twelve months' salary will be paid to his estate. In the event of termination of Mr. Liebowitz' employment due to illness or incapacity for a period of one year or longer, benefits equal to twenty-four months' salary will be payable to Mr. Liebowitz.

Mr. Liebowitz receives an annual pension of \$3,500 from a subsidiary's defined benefit retirement plan which was terminated effective October 1, 1985.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee are Messrs. Cooper, Liebowitz, Safenowitz and Wintrub. Mr. Liebowitz is President and Chief Executive Officer. Mr. Cooper was a vice president of Getty until June 1992.

REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE

To Our Stockholders:

This report addresses our compensation policies with respect to the compensation of the Chief Executive Officer and the other executive officers during fiscal 2002. The Compensation and Stock Option Committee of the Board of Directors (the "Compensation Committee") is responsible for setting the policies which govern base salary compensation, bonuses, the Retirement Plan, the Supplemental Retirement Plan, and the Stock Option Plan, and for determining amounts payable under these plans.

Compensation of Getty's executive officers (with the exception of the Chief Executive Officer) is recommended by the Chief Executive Officer to the Compensation Committee and is discussed, reviewed and approved by the full Board of Directors. The compensation of the Chief Executive Officer is also discussed, reviewed and approved by the full Board of Directors.

EXECUTIVE OFFICER COMPENSATION

Getty's compensation program for executive officers is designed to provide each officer with a total compensation package competitive with amounts paid for similar positions in similar companies. With its objective being to attract and retain capable people, Getty endeavors to ensure that each officer's compensation is based on his or her ability, effort and achievement. In addition to the base salary program, Getty has a discretionary bonus plan that is administered by the Compensation Committee in light of Getty's focus on managing its portfolio of gasoline service stations, terminals and related properties while minimizing expenses. Executive officers' base salaries increased modestly at the end of the fiscal year.

STOCK OPTIONS

Stock options are granted to encourage and facilitate personal stock ownership by the directors, executives and certain other key employees and thus strengthen their personal commitment to Getty and provide a longer-term perspective to their managerial responsibilities. The stock option portion of the compensation program directly links the executive's interests with those of the stockholders. The Compensation Committee's policy is to grant stock option awards based on individual performance and the potential to contribute to the future success of Getty. In November 2002, stock options were awarded to certain employees and directors. No options were granted to Mr. Liebowitz, who has not, to date, participated in the Stock Option Plan.

Edgar Filing: GETTY REALTY CORP /MD/ - Form DEF 14A

The Compensation Committee believes that the three components described above provide compensation that is competitive with that offered by other corporations, and effectively links executive and stockholder interests through varied plans that are structured to coincide with the long-term vision of Getty.

Section 162(m) of the Code denies publicly-held corporations the federal income tax deduction for compensation in excess of \$1.0 million paid to its chief executive officer and four other most highly compensated officers during a fiscal year unless the compensation is "performance-based". It is our policy to take this rule into account in setting the compensation of such executives. In addition to salaries and bonuses, compensation income recognized upon the exercise of stock options may represent compensation subject to the Section 162(m) limitation. Although it is possible that in any given year some portion of the compensation paid to an executive will not be tax deductible under Section 162(m), the Stock Option Plan has been designed so that option grants may be performance-based and thus exempt from the Section 162(m) deduction limits. At this time the salaries and bonuses paid to our executives and officers are not otherwise affected by the Section 162(m) limitations on deductibility. In the event that the compensation of our executives were to approach the Section 162(m) limitations in the future, the Compensation Committee will consider such limitations in determining an executive's total compensation.

REPORT OF THE AUDIT COMMITTEE

To Our Stockholders:

This report addresses Getty's compliance with existing SEC and the New York Stock Exchange rules designed to enhance audit committee effectiveness, to improve public disclosure about the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies.

INDEPENDENCE

The Board of Directors has determined that each of the Audit Committee members are "independent" as such term is presently defined in the NYSE Rules.

AUDIT COMMITTEE CHARTER

At the Audit Committee Meeting held on March 23, 2000, the Audit Committee adopted a written Charter, which was approved by Getty's Board of Directors. The Charter is annexed to this Proxy Statement as Appendix A.

Edgar Filing: GETTY REALTY CORP /MD/ - Form DEF 14A

FINANCIAL STATEMENTS

With regard to our audited financial statements, the Audit Committee has:

(1) reviewed and discussed the audited financial statements with management and with PricewaterhouseCoopers L.L.P.;

(2) discussed with PricewaterhouseCoopers L.L.P., our independent auditors, the matters required by SAS 61, as may be modified or supplemented;

(3) (a) received the written disclosures and the letter from PricewaterhouseCoopers L.L.P. required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as modified or supplemented, (b) discussed with PricewaterhouseCoopers L.L.P. their independence, and (c) concluded that the provision of those services other than audit services by PricewaterhouseCoopers L.L.P. is compatible with maintaining their independence; and

(4) based upon the review and discussions set forth in paragraphs (1) through (3) above, recommended to Getty's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

The Audit Committee Chairman and one or more of the other Audit Committee members, prior to filing with the SEC each of the Company's quarterly reports on Form 10-Q for the quarters ended March 31, June 30 and September 30, 2002, reviewed with the Company's management and PricewaterhouseCoopers L.L.P. the Company's interim financial results to be included in such report and the matters required to be discussed by SAS 61.

The report of the Audit Committee should not be deemed incorporated by reference by any general statement incorporating this Proxy Statement by reference into any filing under the Securities Act or under the Exchange Act, except to the extent that Getty specifically incorporates this information by reference, and should not otherwise be deemed filed under such Acts.

(Performance results through 12/31/02)

Set forth below is a line graph comparing the yearly percentage change in the cumulative total shareholder return on Getty Common Stock against the cumulative total return of the Standard & Poor's 500 Stock Index and the Peer Group for the period of five years ended December 31, 2002.

[PERFORMANCE GRAPH]

Edgar Filing: GETTY REALTY CORP /MD/ - Form DEF 14A

	1997	1998	1999	2000	2001
Getty Realty Corp.	\$100.00	67.71	53.45	75.77	125.70
Standard & Poor's 500	\$100.00	128.40	154.44	138.78	120.68
Peer Group	\$100.00	90.93	76.06	91.63	129.23

Assumes \$100 invested at the close of trading on 12/31/97 in Getty Common Stock, Standard & Poor's 500, and Peer Group.

*Cumulative total return assumes reinvestment of dividends, and in the case of Getty includes (i) a special dividend relating to the Marketing spin-off and (ii) the special one-time earnings and profits distribution made in August 2001.

Getty has chosen as its Peer Group the following companies: Commercial Net Lease Realty, Inc., U.S. Restaurant Properties, Inc., Realty Income Corp. and Hospitality Property Trust. We have chosen these companies as our Peer Group because a substantial segment of each of their businesses is as a real estate company that owns and leases commercial properties. For 2002, we have included Hospitality Property Trust in our Peer Group in lieu of FFP Partners, LP because FFP Partners, LP was delisted from the American Stock Exchange in October 2002 and its market capitalization is not comparable.

The Stock Performance Graph should not be deemed incorporated by reference by any general statement incorporating this Proxy Statement by reference into any filing under the Securities Act or under the Exchange Act, except to the extent that Getty specifically incorporates this graph by reference, and should not otherwise be deemed filed under such Acts.

We cannot assure you that Getty stock performance will continue in the future with the same or similar trends depicted in the graph above. We do not make or endorse any predictions as to future stock performance.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Pursuant to the direction of the Board of Directors, on February 20, 2003, the Audit Committee recommended the appointment of the firm of PricewaterhouseCoopers L.L.P., subject to ratification by the stockholders at the Annual Meeting, to audit the accounts of Getty with respect to our operations for the fiscal year ending December 31, 2003 and to perform such other services as may be required. Should this firm of auditors be unable to perform these services for any reason, the Board of Directors will appoint other independent auditors to perform these services. A majority of votes cast at the meeting is necessary to ratify the appointment of the independent auditors.

The fees paid to PricewaterhouseCoopers L.L.P., our principal auditors, during fiscal 2002 were as follows:

Audit Fees(1)	\$113,560
Financial Information Systems Design and Implementation Fees	None
All Other Fees(2)	\$116,890

Edgar Filing: GETTY REALTY CORP /MD/ - Form DEF 14A

- (1) Includes the aggregate fees billed for professional services rendered by PricewaterhouseCoopers L.L.P. for the audit of the Company's annual financial statements for fiscal 2002 and the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for fiscal 2002.
- (2) Includes the aggregate fees billed during fiscal 2002 for all services rendered by PricewaterhouseCoopers L.L.P., other than fees for the services which must be reported under "Audit Fees" and "Financial Information Systems Design and Implementation Fees," including \$92,320 in fees for corporate tax return preparation and tax consulting regarding REIT compliance and \$24,570 in fees for due diligence review and tax consulting regarding potential acquisitions.

Representatives of the firm of PricewaterhouseCoopers L.L.P. are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote "FOR" the proposal to ratify the selection of PricewaterhouseCoopers L.L.P. as Getty's independent public auditors for the fiscal year ending December 31, 2003.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Pursuant to Section 16(a) of the Exchange Act and the rules issued thereunder, Getty's executive officers and directors are required to file reports of ownership and changes in ownership of Getty equity securities with the SEC and the New York Stock Exchange. Copies of these reports are required to be furnished to us. Based on our review of the Forms 3 and 4 that we received during fiscal 2002 and of the Forms 5 that we received with respect to fiscal 2002, Getty believes that during fiscal 2002 all of our executive officers and directors complied with the Section 16(a) requirements.

OTHER MATTERS

Management does not know of any matters, other than those referred to above, to be presented at the meeting for action by the stockholders. However, if any other matters are properly brought before the meeting, or any adjournment or adjournments thereof, we intend to cast votes pursuant to the proxies with respect to such matters in accordance with the best judgment of the persons acting under the proxies.

The proxy may be revoked at any time prior to its exercise. Brokerage houses and other custodians will be requested to forward solicitation material to beneficial owners of stock that they hold of record. We will reimburse brokerage houses, banks and custodians for their out-of-pocket expenses in forwarding proxy material to the beneficial owners. The cost of this solicitation, which will be effected by mail, will be borne by us.
