EX-99 Press Release

Table of Contents

Item 12. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On November 13, 2003, the Company announced its earnings for the fourth quarter and fiscal year ended September 30, 2003. This announcement is more fully described in the press release filed as Exhibit 99 to this Current Report on Form 8-K. The contents of such Exhibit are incorporated herein by reference.

This information is also intended to be furnished under Item 9. Regulation FD Disclosure and shall not be deemed filed for purposes of Section 18 of the Securities and Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.

The Company uses non-GAAP financial measures, such as adjusted net income and diluted earnings per share. Non-GAAP financial measures differ from financial statements reported in conformity with U.S. generally accepted accounting principles (GAAP). Non-GAAP financial measures were used in comparing earnings and earnings per share for the fourth quarter and fiscal year ended September 30, 2003, to comparable periods in 2002.

Investors should consider these non-GAAP measures in addition to, not as a substitute for, or as superior to, measures of financial performance prepared in accordance with GAAP. The Company's earnings guidance is also presented excluding special items and the impact of any potential acquisition activities, including that of the Company's recently announced intention to acquire Mediq, Inc.
