On February 8, 2005, Ark Land LT, Inc., a wholly-owned subsidiary of Arch Coal, Inc. received a Federal Coal Lease with The United States of America (the Coal Lease ) effective March 1, 2005 and attached hereto as an Exhibit.

The Coal Lease covers a tract of land known as Little Thunder in Campbell County, Wyoming, which is adjacent to Ark Land Company's Thundercloud reserves. The Coal Lease is for a minimum term of twenty years, which can be extended so long as coal is produced in commercial quantities from the leased reserves. The bonus bid paid to acquire the lease was \$610,999,949.80. One fifth of such amount was paid in December 2004, with an additional one-fifth of the bonus bid payment due March 1 of each year, beginning March 1, 2006, until the entire bonus bid has been paid. The lease also calls for an annual rental of \$15,251 per year and a production royalty rate of 12 1/2% of the value of the coal produced.
