As previously disclosed, on August 31, 2005 Commonwealth Edison Company (ComEd) filed with the Illinois Commerce Commission (ICC) a proposal seeking approval of new rates, (rate case) to be effective January 2, 2007. The rate case seeks to allocate the costs of supplying electricity and to adjust ComEd's rates for delivering electricity in ComEd's service area to reflect ComEd's rising costs and significant capital investment in the ComEd delivery system. On June 8, 2006, the ICC's administrative law judges assigned to the rate case issued a Proposed Order. A copy of ComEd's press release concerning the Proposed Order is attached as Exhibit 99.1 to this Report on Form 8-K. The Proposed Order is available on the ICC's website, <http://eweb.icc.state.il.us/e-docket/>. The Docket Number is 05-0597. The parties to the rate case must file exceptions to the Proposed Order by June 19, 2006, and replies to the exceptions must be filed by June 26, 2006. The ICC's final order is expected in July 2006.

Attached as Exhibit 99.2 is a table comparing ComEd's proposal and the proposed order with respect to rate of return, revenue requirement and rate increase, and rate base.
