About the Annual Meeting and Voting

Our Board of Directors is soliciting your proxy to vote at our annual meeting of shareholders (or at any postponement or adjournment of the meeting). This proxy statement summarizes the information you need to know to vote at the meeting.

We began mailing this proxy statement and the enclosed proxy card on or about December 12, 2006, to all shareholders entitled to vote. The Woodward Governor Company Annual Report, which includes our financial statements, is being sent with this proxy statement. The financial statements contained in the Woodward Governor Company Annual Report are not deemed material to the exercise of prudent judgment in regard to the matters to be acted upon at the annual meeting, and, therefore, are not incorporated by reference into this proxy statement.

Shareholders who owned Woodward common stock at the close of business on the record date, November 27, 2006, are entitled to vote at the meeting. As of the record date, there were 34,155,337 shares outstanding.

Each share of Woodward Common Stock that you own entitles you to one vote, except for the election of directors, in which you may cumulate your votes. Since three directors are standing for election, you will be entitled to three director votes for each share of stock you own. Of this total, you may choose how many votes you wish to cast for each director.

Woodward offers shareholders the opportunity to vote by mail, by telephone, or via the Internet. Instructions to use these methods are set forth on the enclosed proxy card.

If you vote by telephone or via the Internet, please have your proxy or voting instruction card available. A telephone or Internet vote authorizes the named proxies in the same manner as if you marked, signed, and returned the card by mail. Voting by telephone and via the Internet are valid proxy voting methods under the laws of Delaware (our state of incorporation) and Woodward Bylaws.

If you properly fill in your proxy card and send it to us in time to vote, one of the individuals named on your proxy card (your proxy) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will follow the Board's recommendations and vote your shares:

FOR the election of the Board's nominees to the Board of Directors; and

FOR the proposal to ratify the appointment of PricewaterhouseCoopers LLP as independent registered public accounting firm.

If any other matter is presented at the meeting, your proxy will vote in accordance with his or her best judgment. At the time this proxy statement went to press, we knew of no other matters to be acted on at the meeting.

You may revoke your proxy by:

entering a new vote by telephone, over the Internet, or by signing and returning another signed proxy card at a later date,

notifying our Corporate Secretary in writing before the meeting that you have revoked your proxy, or

voting in person at the meeting.

If you want to give your written proxy to someone other than individuals named on the proxy card:

cross out the individuals named and insert the name of the individual you are authorizing to vote, or

provide a written authorization to the individual you are authorizing to vote along with your proxy card.

Concerning the issues submitted to the shareholders, votes required for approval are as follows:

Proposal 1 Directors are elected by a plurality vote of shares present at the meeting, meaning that the three director nominees receiving the most votes will be elected.

Proposal 2 Ratification of the appointment of PricewaterhouseCoopers LLP as independent registered public accounting firm is by an affirmative vote of the majority of shares present at the meeting and entitled to vote.

A quorum of shareholders is necessary to hold a valid meeting. The presence, in person or by proxy, at the meeting of holders of shares representing a majority of the votes of the Common Stock entitled to vote constitutes a quorum. Abstentions and broker non-votes are counted as present for establishing a quorum. A broker non-vote occurs when a broker votes on some matters on the proxy card but not on others because he or she is not permitted to vote on that item absent instruction from the beneficial owner of the shares and no instruction is given. Abstentions with respect to matters other than the election of directors have the same effect as votes against a matter because they are considered present and entitled to vote, but are not voted. Broker non-votes will have no effect on the vote.

Consistent with Nasdaq's independent director and Audit Committee listing standards, and in accordance with the Committee Charter, all members of the Audit Committee are independent directors. The Board of Directors has determined that all members of the Audit Committee are Audit Committee Financial Experts, as the Securities and Exchange Commission defines that term. Board Meetings and Committees (continued)

Director Nomination Process

The Nominating and Governance Committee considers candidates for Board membership as recommended by directors, management, or shareholders. The Committee uses the same criteria to evaluate all candidates for Board membership and, as it deems necessary, may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees.

Director candidates are expected to possess the highest levels of personal and professional ethics, integrity, values, and independence. Prospective directors should be committed to representing the long-term interests of the shareholders. A potential director must exhibit an inquisitive and objective perspective, an ability to think strategically, an ability to identify practical problems, and an ability to assess alternative courses of action that contribute to the long-term success of the business. The Committee is committed to exercising best practices of corporate governance and recognizes the importance of a Board that contains diverse experience at policy-making levels in business, public service, education and technology, as well as other relevant knowledge that contributes to the Company's global activities. Board members must have industry expertise and/or commit to understanding the Company's industry as a basis to address strategic and operational issues of importance to the Company.

Every effort is made to complement and supplement skills within the Board and strengthen identified areas of need. The Committee considers relevant factors, as it deems appropriate, including the current composition of the Board and the need for expertise on various Board committees. The Committee will consider the ability of candidates to meet independence and other requirements of the SEC or other regulatory bodies exercising authority over the Company. In assessing candidates, the Committee considers criteria such as education, experience, diversity, knowledge, and understanding of matters such as finance, manufacturing, technology, distribution, and other areas that are frequently encountered by a complex business. The Committee will make inquiries of prospective Board candidates about their ability to devote sufficient time to carry out their duties and responsibilities effectively, and whether they are committed to serve on the Board for a sufficient time to make significant contributions to the governance of the organization.

The Committee evaluation normally requires one or more members of the Committee, and others as appropriate, to interview prospective nominees in person or by telephone. Upon identification of a qualified candidate, the Nominating and Governance Committee will recommend a candidate for consideration by the full Board.

Nominations for Board membership may be provided to the Nominating and Governance Committee by submitting the candidate's name and qualifications to Woodward Governor Company, Attn: Corporate Secretary, 5001 North Second Street, Rockford, Illinois 61111. When submitting candidates for nomination, information must be provided in accordance with Woodward's Bylaws.

Mr. Yonker serves as Lead Director. The Lead Director chairs separate meetings of the outside directors, generally following each regularly scheduled Board meeting. Topics discussed are at the discretion of the outside directors. The Lead Director then meets with the Chief Executive Officer to review items discussed at the meeting.

Director Qualifications

each director shall retire on September 30th following his or her seventieth birthday
unless approved otherwise by the Board,

no person may serve as a director unless he or she agrees to be guided by the

Compensation Committee Report on Executive Compensation

The goal of the Compensation Committee (the Committee) is to establish and administer a compensation program that will (1) offer competitive compensation to attract, retain, and motivate a high-quality senior management team, and (2) link total annual cash compensation to Company and individual performance. The Committee believes proper administration of such a program will result in development of a management team that embraces the best long-term interests of Woodward and its shareholders.

Table of Contents

Compensation Committee Report on Executive Compensation (continued)

To accomplish this goal, the Committee, comprised entirely of independent directors, structures total compensation packages comprised of base salary, short-term and long-term incentive compensation, and stock options. The Committee believes that the compensation programs for Woodward's executive officers and key leaders should be based on the achievement of designated financial targets, individual contribution, and overall financial performance of the Company.

Market-based compensation recognizes responsibilities and accountabilities for similarly situated positions within a representative comparative group as determined through appropriate survey data. Guidance is provided by an independent, professional compensation and benefits consulting firm. This process establishes base compensation and targets for incentive/ variable compensation.

Compensation Structure and Components

individuals are assigned to salary grade ranges based upon their position

base salary is set within the range based upon actual job responsibilities, performance, and experience in the job

annual incentive compensation targets of at least 10%, but not more than 75%, of base salary are established

incentive compensation targets are tied to salary grade

Base Salary

Base salary and annual rate adjustments are determined at levels considered appropriate for comparable positions at peer companies with consideration of individual performance, experience, responsibilities, management and leadership abilities.

Annual Incentive Compensation

Annual cash incentives are based on overall financial performance of the Company or individual groups or operating units, achievement of short-term objectives, and direct individual performance. If certain minimum target results are not achieved, no annual incentive is paid. If targeted levels are attained, annual incentive levels range from 10% to 75% of base salary. Participants have an opportunity to significantly increase their annual incentive compensation above targeted levels for outstanding performance, to a maximum of 200% target. For 2006, the financial performance goal was based on earnings per share and an ROIA metric. Based on financial and operational performance of the Company, the Committee determined payouts for 2006 would be approximately 65%-70% of target on the financial metrics.

Long-Term Management Incentive Compensation

The Woodward Governor Company 2006 Omnibus Incentive Plan (the 2006 Plan), approved by shareholders in January 2006, replaced the Woodward Governor Company 2002 Stock Option Plan and the Woodward Long-Term Management Incentive Compensation Plan. The Plan is intended to develop worker members' sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage certain key management worker members and members of the Company's Board of Directors to devote their best efforts to the

business of the Company, thereby advancing the interests of the Company and its shareholders. In order to build a stable and experienced management team, the Committee seeks to maintain and strengthen these individuals' desire to remain with the Company as well as to attract able individuals to become employees or serve as directors. The ultimate goal of the Plan is to encourage those individuals who are and will be responsible for the Company's future growth and continued success to have a greater personal financial investment in the Company through ownership of its Common Stock.

The Plan permits the grant of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares, Performance Units, Covered Employee Annual Incentive Awards, Cash-Based Awards, and Other Stock-Based Awards. To date the Committee has authorized the issuance of only nonqualified stock options to worker members and to independent directors. Management makes recommendations to the Committee on the size of grant, if any, for each participant. The Committee has delegated responsibility to the Nominating and Governance Committee for the determination of grants of Nonqualified Stock Options to the independent directors. The option price of the shares is determined at the date of the grant, which has been set forth in accordance with Woodward Policy 2-16 to be at the close of the Company's trading blackout period, the second business day following public release of Woodward's earnings for the fourth quarter, and will not be less than the closing price as quoted on the Nasdaq Global Select Market on that date.

Compensation Committee Report on Executive Compensation (continued)

In fiscal year 2006, 39 worker members and 7 independent directors were granted options under the 2006 Plan.

Prior to the adoption of the 2006 Plan, the Company had established a long-term, performance-based compensation plan. Eligibility was limited to a few top-level executives, as determined by the Compensation Committee. Under the terms of this plan, the Committee set long-term performance goals and confirms attainment or lack thereof as measured over three-year cycles. There remains one cycle under the prior plan FY2005 - FY2007. The long-term cash award opportunities determined at the beginning of the performance cycle were based on goals associated with:

average annual growth in earnings per share

average annual return on invested assets

Under the 2006 Plan, the Committee expanded participation to include the leadership group comprised of 12 members of the Executive Council. New performance measures were also established and are to be measured over one initial two-year cycle of FY2006 - FY 2007 (such plan supercedes previous plan FY2005 - FY2007 with the exception of one participant who retired during the performance period) and then over three-year cycles. The following new performance measures were selected in order to continue to encourage consistent, sustainable Company growth. Performance is measured relative to the comparator companies in the S&P SmallCap 600 for the duration of the performance period:

return on capital

net earnings per share

A target award is established for each eligible executive based upon salary grade ranging from 40% to 50% of base salary. A threshold level of performance is established below which the executive receives no incentive award. Once threshold performance is achieved, the executive receives a minimum award equal to 5% to 10% of the target award. Above threshold performance, the award increases proportionally until target performance is achieved. The award opportunity continues to increase for above-target performance to a practical maximum of 200% of the target award.

Compensation of the Chief Executive Officer

Mr. Gendron has served as President and Chief Executive Officer since July 1, 2005. Mr. Gendron's base salary of \$500,000 was determined in the same manner as for all other executive officers. For fiscal year 2006, \$233,275 annual incentive compensation was awarded to Mr. Gendron. The Committee has determined that the annual incentive for Mr. Gendron will be increased from 70% in 2006 to 75% of base salary beginning in FY2007.

Under the Stock Option Plan, Mr. Gendron was awarded options in fiscal year 2007 to purchase 87,000 shares of Woodward common stock.

Mr. Gendron also receives long-term management incentive compensation under the 2006 Omnibus Incentive Plan. Mr. Gendron received \$195,026 for the three-year period ended September 30, 2006. The amount of future incentive awards will be determined at the end of the initial 2-year period ending in 2007 and at each subsequent three-year period based on achievement of performance goals.

Transitional Compensation Agreements

Woodward has transitional compensation agreements with Messrs. Gendron and Weber that become operative only upon a change in control or other specified event. For purposes of these agreements, a change in control occurs if: any person, entity, or group (with certain exceptions) becomes the beneficial owner of 15% or more of the outstanding shares of Woodward common stock; or

there is a change in a majority of the Board during any two-year period other than by election or nomination by a vote of two-thirds of the Board members as of the beginning of the period; or Woodward's shareholders approve a merger, consolidation, sale of assets, or share exchange resulting in Woodward's shareholders owning less than 51% of the combined voting power of the surviving corporation following the transaction; or

Woodward's shareholders approve a liquidation or dissolution.

Following a change in control, Woodward will continue to employ the executive for a minimum period of two years in substantially the same position, for substantially the same compensation and benefits. If the executive's employment is terminated by Woodward (other than for cause or due to death or disability), or the executive terminates with good reason (as defined in the agreement), he or she receives an

amount (payable in a lump sum) equal to 300% of each of (1) the executive's annual base salary, (2) highest annual bonus in the last three years, (3) highest long-term incentive compensation bonus in the last three years, and (4) the sum of the Retirement Savings Plan and Executive Benefit Plan annual contributions made or credited for the benefit of the executive. Member benefits shall be continued at Woodward's expense for a period of three years after the date of termination. Outplacement services will be provided at Woodward's expense as well as tax preparation services for the executive's taxable year in which the termination occurred.

If the benefits and amount payable to the executives are subject to federal excise tax, the executive officers will also be entitled to receive an additional payment so they will receive (on a net basis) the same amount they would have received absent the applicability of the excise tax.

The following table shows stock options granted during fiscal 2006 under the Woodward Governor Company 2002 Stock Option Plan to the individuals named in the Summary Compensation Table (all figures have been adjusted to reflect the three-for-one stock split effective February 1, 2006):

(2) Closing price of common stock as reported on Nasdaq as of the date of grant.

Audit Committee Report to Shareholders**Audit Committee Report**

We recommended to the Board of Directors that the consolidated balance sheets of the Company at September 30, 2006 and 2005, and the related statements of consolidated earnings, shareholders' equity and cash flows of the Company for each of the three years ended September 30, 2006, be included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission for the year ended September 30, 2006. Our recommendation was based on our review and discussion of the audited financial statements with management, and our discussions with PricewaterhouseCoopers LLP, the independent registered public accounting firm who audited the financial statements.

We discussed with PricewaterhouseCoopers LLP the matters required to be discussed under Statement of Auditing Standards No. 61, as amended. We also discussed with PricewaterhouseCoopers LLP their independence, received from them the written disclosures and the letter required by Independence Standards Board Standard No. 1, and considered whether the provision of services other than audit services (the fees for which are disclosed in the table that follows) is compatible with maintaining their independence.

Audit Committee's Policy on Pre-Approval of Services Provided by Independent Registered Public Accounting Firm

The Audit Committee is responsible for appointing, setting compensation for, and overseeing the work of the independent registered public accounting firm. As a result, the Audit Committee has established a policy regarding pre-approval of all services provided by the independent registered public accounting firm. Under the established policy, all audit and tax services and related fees require the specific approval of the Audit Committee. For audit-related services and all other services, the Audit Committee has determined specific services and dollar thresholds under which such services would be considered pre-approved. To the extent that management requests services other than these pre-approved services, or beyond the dollar thresholds, the Audit Committee must specifically approve the services. Furthermore, under the established policy, the independent registered public accounting firm is prohibited from performing the non-audit services identified by the SEC and PCAOB as prohibited. The policy also requires management to periodically prepare reports for the Audit Committee on the Company's use of the independent registered public accounting firm.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected the accounting firm of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2007. A proposal to ratify the appointment of PricewaterhouseCoopers LLP for the current year will be presented at the Annual Meeting. A representative from the firm is expected to attend the annual meeting and will have the opportunity to make a statement, if he or she desires to do so, and be available to answer appropriate questions. PricewaterhouseCoopers LLP served as Woodward's independent registered public accounting firm for the year ended September 30, 2006. The decision of the Audit Committee to appoint PricewaterhouseCoopers LLP was based on careful consideration of the firm's qualifications as an independent registered public accounting firm.

Your Board of Directors recommends a vote FOR the Ratification of the Appointment of Independent Registered Public Accounting Firm presented in Proposal 2.

Shareholder Proposals

If you want to submit a proposal for possible inclusion in our proxy statement for the 2007 Annual Meeting of Shareholders, you must ensure your proposal is received by us on or before August 14, 2007.

If you intend to present a proposal to shareholders, but do not want it included in the proxy statement, management's proxies for that meeting will be entitled to exercise their discretionary authority on that proposal, unless we receive notice of your proposal no later than October 27, 2007. Even if we receive proper notice before October 27, 2007, the proxies may still exercise their discretionary authority on the proposal by telling shareholders about the proposal and how they intend to vote on it, unless you solicit proxies for the proposal as required by Rule 14a-4(c)(2) under the Exchange Act.

Householding of Proxy Materials

In an effort to reduce printing costs and postage fees, we have adopted a practice approved by the SEC called householding. Under this practice, shareholders who have the same address and last name and do not participate in

electronic delivery of proxy materials will receive only one copy of our proxy materials, unless one or more of these shareholders notifies us that he or she wishes to continue receiving individual copies. Shareholders who participate in householding will continue to receive separate proxy cards.

If you share an address with another shareholder and received only one set of proxy materials and would like to request a separate copy of these materials, please: (1) mail your request to Woodward Governor Company, 5001 North Second Street, Rockford, Illinois 61111, Attn: Corporate Secretary; (2) send an e-mail to investorrelations@woodward.com; or (3) call our Investor Relations department at 1-815-877-7441. Additional copies of the proxy materials will be sent within 30 days after receipt of your request. Similarly, you may also contact us if you received multiple copies of the proxy materials and would prefer to receive a single copy in the future.

Other Matters

Woodward is soliciting this proxy on behalf of its Board of Directors and will bear the entire cost of proxy solicitation, including the preparation, assembly, printing, mailing and distribution of the proxy materials. This solicitation is being made by mail, but also may be made personally or by facsimile, telephone, messenger, or via the Internet. The Company has employed Morrow & Company to solicit proxies for the annual meeting from brokers, bank nominees, other institutional holders, and certain individual shareholders. The Company has agreed to pay \$6,000, plus the out-of-pocket expenses of Morrow & Company, for these services. The Company will also pay the regular charge of brokers and other nominees who hold shares of record for forwarding proxy material to the beneficial owners of such shares. We do not know of any matters to be acted upon at the meeting other than those discussed in this statement. If any other matter is presented, proxy holders will vote on the matter in their discretion.

Minutes of each meeting are to be prepared and approved at a subsequent meeting.
