Item 2.02 Results of Operations and Financial Condition.

On April 22, 2008, Cerner Corporation (the Company) issued a press release announcing, among other things, its financial results for the three month period ended March 29, 2008. The press release is furnished as Exhibit 99.1 and is attached hereto.

To supplement the Company's consolidated financial statements presented in accordance with GAAP, the Company uses non-GAAP measures of net earnings and earnings per share, which are adjusted from results based on GAAP to exclude certain charges and gains. The Company also discloses certain non-GAAP financial measures, such as booking revenue and revenue backlog (which includes contract backlog and support and maintenance backlog). These non-GAAP measures are provided to enhance the user's overall understanding of our financial performance, and as required, are also reconciled to GAAP. These measurements are not recognized in accordance with GAAP and should not be viewed as an alternative to GAAP measures of performance.

The information contained in this Form 8-K (including Exhibit 99.1) is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise be subject to the liabilities of that section. The information in this Item 2.02 shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, except as otherwise expressly stated in such filing.

Item 8.01 Other Events.

On April 22, 2008, the Company also announced that its Board of Directors has authorized the repurchase of shares of the Company's Common Stock in the open market or in privately-negotiated purchase, or both, at an aggregate purchase price of up to \$45 million. The timing and amount of any share repurchases will be determined by the Company's management based on market conditions and other factors. The previous Stock Repurchase Program approved by the Company's Board of Directors in 2003 has been terminated. This announcement was included in the press release furnished as Exhibit 99.1 and attached hereto.
