Important Notice to Fund Shareholders

MAY 19, 2008

Although we recommend that you read the complete Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving this Proxy Statement?

A. You are being asked to vote on a number of important matters:

- (i) Elimination of Fundamental Investment Policies and Approval of New Fundamental Investment Policy (Insured Funds only). Fund shareholders are being asked to approve the elimination of certain fundamental investment policies and to approve a new fundamental policy. These changes are designed to give the Insured Funds important flexibility to respond to on-going developments in the bond insurance market while maintaining their current focus on insured bonds backed by insurers with solid credit ratings;
- (ii) Approval of Fund Board Nominees (All Funds). Each year, you and other Fund shareholders must approve the election of Board members to serve on your Fund's Board. This is a requirement for all funds that list their common shares on a stock exchange. The Funds described in this proxy statement are holding their annual shareholder meetings at which Board members will be elected. The list of specific nominees is contained in the enclosed proxy; and
- (iii) Ratification of Independent Auditors (Nuveen Core Equity Alpha Fund only). Fund shareholders are being asked to ratify the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm for the Fund.

Your Fund's Board of Trustees/Directors, including your Board's independent members, unanimously recommends that you vote **FOR** each proposal.

Your vote is very important. We encourage you as a shareholder to participate in your Fund's governance by returning your vote as soon as possible. If enough shareholders don't cast their votes, your Fund may not be able to hold its meeting or the vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

Q. Why are shareholders of the Insured Funds being asked to approve the elimination of fundamental investment policies and to approve a new fundamental investment policy?

- A.** As a result of conditions facing the bond insurance market, shareholders are being asked to approve the elimination of certain fundamental investment policies that are restricting, or may be expected in the future to restrict, each Insured Fund's ability to effectively maintain its existing focus on insured bonds backed by insurers with solid credit ratings. In connection with eliminating the fundamental investment policies, shareholders are being asked to approve a new fundamental investment policy that will provide the Insured Funds with flexibility to respond to on-going developments in the bond insurance market, while ensuring that the Insured Funds continue to invest substantially all (at least 80%) of their investments in insured bonds backed by insurers with solid credit ratings.
-

Q. What happens if shareholders don't approve the elimination of the fundamental investment policies and/or don't approve the new fundamental investment policy?

A. If shareholders do not approve the elimination of the fundamental investment policies, then the Board will take such action as it deems to be in the best interest of each Insured Fund. In addition, the elimination of each fundamental policy (i), as described in the enclosed proxy statement, is contingent on shareholder approval of the new fundamental policy and the implementation of the new fundamental investment policy is contingent on shareholder approval of the elimination of fundamental policy (i). **Your Fund's Board urges you to vote without delay in order to avoid potential disruption to the Fund's operations.**

Q. Who do I call if I have questions?

A. If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call Computershare Fund Services, your Fund proxy solicitor, at (866) 434-7510. Please have your proxy material available when you call.

Q. How do I vote my shares?

A. You can vote your shares by completing and signing the enclosed proxy card, and mailing it in the enclosed postage-paid envelope. Alternatively, you may vote by telephone by calling the toll-free number on the proxy card or by computer by going to the Internet address provided on the proxy card and following the instructions, using your proxy card as a guide.

Q. Will anyone contact me?

A. You may receive a call from Computershare Fund Services, the proxy solicitor hired by your Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy.

We recognize the inconvenience of the proxy solicitation process and would not impose on you if we did not believe that the matters being proposed were important and in the best interests of the Fund's shareholders. Once your vote has been registered with the proxy solicitor, your name will be removed from the solicitor's follow-up contact list.

On the matters coming before each Annual Meeting as to which a choice has been specified by shareholders on the proxy, the shares will be voted accordingly. If a properly executed proxy is returned and no choice is specified, the shares will be voted FOR the election of the nominees as listed in this Joint Proxy Statement, FOR the ratification of the selection of the independent registered public accounting firm for Core Equity and FOR the elimination of the fundamental investment policies and the approval of the new fundamental investment policy for Insured New York Premium, Insured Premium Income 2, Insured Municipal Opportunity, Premier Insured, Insured Quality, New York Quality, New York Select, Insured New York Tax-Free, Insured Dividend Advantage, Insured Tax-Free Advantage, New York Investment Quality and Insured New York Dividend. The Board of each Fund has determined that the use of this Joint Proxy Statement for each Annual Meeting is in the best interest of each Fund and its shareholders in light of the similar matters being considered and voted on by the shareholders.

The following table indicates which shareholders are solicited with respect to each matter:

(1) Fund Preferred shares for Real Estate, Diversified Dividend, Quality Preferred, Quality Preferred 2, Quality Preferred 3, Tax-Advantaged, Multi-Strategy and Multi-Strategy 2; and Municipal Auction Rate Cumulative Preferred Shares (MuniPreferred) for each other Fund are referred to as Preferred Shares.

A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting, except that for the election of the two Board Member nominees by holders of Preferred Shares of each Fund (with the exception of Core Equity, Equity Premium, Equity Premium Opportunity, Equity Premium Advantage, Equity Premium Income, Global Government, Global Value, Multi-Currency, Tax-Advantaged Dividend and New York Value), 33 1/3% of the Preferred Shares entitled to vote and represented in person or by proxy will constitute a quorum. Votes cast by proxy or in person at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect the Board Members of that Fund. Abstentions and broker non-votes will have no effect on the election of Board Members. For purposes of determining the ratification of the selection of the independent registered public accounting firm for Core Equity, the affirmative vote of a majority of the shares of the Fund present and entitled to vote on the matter will be required. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the new fundamental investment policy for Insured New York Premium, Insured Premium Income 2, Insured Municipal Opportunity, Premier Insured, Insured Quality, New York Quality, New York Select, Insured New York Tax-Free, Insured Dividend Advantage, Insured Tax-Free Advantage, New York Investment Quality and Insured New York Dividend, a change will only be consummated if approved by the affirmative vote of the holders of a majority of the outstanding shares of a Fund's common stock and preferred shares, voting together as a single class and for the Preferred Shares, voting as a separate class, as defined in the Investment Company Act of 1940, as amended (the 1940 Act) as (a) 67% or more of classes/class shares present at the Annual Meeting, if the holders of more than 50% of the outstanding voting securities of the classes/class are present or represented by proxy; or (b) more than 50% of the outstanding voting securities of classes/class, whichever is less. For purposes of determining the ratification of the selection of the

independent registered public accounting firm, the approval of the elimination of the fundamental investment policies and the approval of the new fundamental investment policy, abstentions and broker non-votes will have the same effect as shares voted against the proposal.

Preferred Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the Annual Meeting, or, if adjourned, one business day before the day to which the Annual Meeting is adjourned, and that would otherwise be treated as broker non-votes may, pursuant to Rule 452 of the New York Stock Exchange, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of Preferred Shares as a class who have voted on the proposal or in the same proportion as the votes cast by all holders of Preferred Shares of the Fund who have voted on that item. Rule 452 permits proportionate voting of Preferred Shares with respect to a particular item if, among other things, (i) a minimum of 30% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares with respect to such item and (ii) less than 10% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares against such item. For the purpose of meeting the 30% test, abstentions will be treated as shares voted and, for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Those persons who were shareholders of record at the close of business on May 2, 2008 (the Record Date) will be entitled to one vote for each share held and a proportionate fractional vote for each fractional vote held. As of the Record Date, the shares of each Fund were issued and outstanding as follows:
