**Item 1. Security and the Issuer.**

This Amendment No.1 to the Schedule 13D (“Amendment No. 1”) by Teck Cominco Limited (“Teck”) and Teck Cominco Metals Ltd., a wholly-owned subsidiary of Teck (“Teck Metals”), relates to trust units (the “Units”) of Fording Canadian Coal Trust, an open-ended mutual fund trust governed by the laws of the Province of Alberta, Canada (the “Issuer”). This Amendment No.1 supplementally amends the initial statement on Schedule 13D, filed by Teck and Teck Metals with the Securities and Exchange Commission on September 27, 2007 (the “Initial Statement”). The principal executive offices of the Issuer are located at 205 9<sup>th</sup> Avenue SE, Suite 1000, Calgary, Alberta T2G 0R4. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Initial Statement. The Initial Statement is supplementally amended as follows.

**Item 2. Identity and Background.**

Item 2 is hereby amended by replacing the second paragraph of the Initial Statement with the paragraph below; otherwise the information set forth in Item 2 of the Initial Statement remains unchanged.

The name, present principal occupation or employment (and the name, principal business and address of any corporation or other organization in which such employment is conducted), and citizenship of each officer and director of each of Teck and Teck Metals is set forth in Schedule I hereto and is incorporated herein by reference.

**Item 3. Source and Amount of Funds or Other Consideration.**

No material change.

**Item 4. Purpose of Transactions.**

Item 4 of the Schedule 13D is hereby amended and restated by deleting it in its entirety and substituting the following:

Teck and Teck Metals (the “Reporting Persons”) initially reported their investment on a Schedule 13D on September 27, 2007 in connection with the acquisition of 16,650,000 Units from an affiliate of Ontario Teachers' Pension Plan Board. The Reporting Persons indicated at that time that the Units were acquired for investment purposes and that the Reporting Persons had no plans to acquire further Units.

On December 5, 2007, the Issuer announced that it had formed an independent committee of trustees and had retained financial advisors to conduct a review of strategic alternatives to maximize value for unitholders. In light of the Issuer's review of strategic alternatives and the subsequent increases in metallurgical coal prices and the associated increase in the market price of the Units, the Reporting Persons are considering and evaluating all of their alternatives with respect to their investment in, and intentions with respect to, the Issuer, and are in contact with the Issuer and its financial advisors. The alternatives under consideration include the potential acquisition of additional Units or of assets of the Issuer and the potential disposition of all or part of the Units held by the Reporting Persons, although the Reporting Persons may maintain their existing holdings. The Reporting Persons reserve the right to change their plans and intentions at any time, as they deem appropriate. The Reporting Persons' future intentions will be influenced

by, among other things, the outcome, if any, of the Issuer's strategic review process and market price levels of the Units.

Except as described in this Item 4, the Reporting Persons have no present plans or proposals that relate to or would result in any of the actions required to be reported herein.

**Item 5. Interest in Securities of the Issuer.**

(a) – (b) The aggregate number of Units held by Teck Metals, beneficially owned pursuant to the Unit Purchase Agreement will be 16,650,000 Units, representing 11.25% of the outstanding units of the Issuer. As of the date of this Schedule 13D, Ronald Millos, Senior Vice President, Finance and Chief Financial Officer beneficially owns 1,359 Units. Mr. Millos has sole voting and dispositive power with respect to those Units. Teck and Teck Metals disclaim beneficial ownership of any Units beneficially owned by Mr. Millos.
