FORWARD-LOOKING STATEMENTS

Some of the statements in this Current Report on Form 8-K are forward-looking statements (or forward-looking information) within the meaning of applicable U.S. securities laws. These include statements using the words “believe,” “target,” “outlook,” “may,” “will,” “should,” “could,” “estimate,” “continue,” “expect,” “intend,” “plan,” “predict,” “potential,” “estimate,” “aim,” “on track,” “target,” “opportunity,” “tentative,” “positioning,” “designed,” “create,” “seek,” “would,” “upside,” “goal,” “guidance” and “anticipate,” and similar statements (including where the word “could,” “may,” or “would” is used rather than the word “will”) and the negative of such words and phrases, which do not describe the present or provide information about the past. There is no guarantee that the expected events or expected results will actually occur. Such statements reflect the current views of management of the Company and are subject to a number of risks and uncertainties. These statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, operational and other factors. Any changes in these assumptions or other factors could cause actual results to differ materially from current expectations. All forward-looking statements attributable to the Company, or persons acting on its behalf, and are expressly qualified in their entirety by the cautionary statements set forth in this paragraph. Undue reliance should not be placed on such statements. In addition, material risks that could cause actual results to differ from forward-looking statements include: the inherent uncertainty associated with financial or other projections; the integration of the Company and AV Homes and the ability to recognize the anticipated benefits from the combination of the Company and AV Homes; the risk associated with AV Homes ability to obtain the shareholder approval required to consummate the merger and the timing of the closing of the merger, including the risk that the conditions to the transaction are not satisfied on a timely basis or at all and the failure of the transaction to close for any other reason; the outcome of any legal proceedings that may be instituted against the parties and others related to the merger agreement; unanticipated difficulties or expenditures relating to the transaction, the response of business partners and retention as a result of the announcement and pendency of the transaction; risks relating to the value of the Company common stock to be issued in connection with the transaction; the anticipated size of the markets and continued demand for the Company’s and AV Homes’ homes and the impact of competitive responses to the announcement of the transaction; access to available financing on a timely basis and on reasonable terms, including the refinancing of the Company and AV Homes debt to fund the cash portion of the consideration in connection with the transaction. Additional risks are described under the heading “Risk Factors” in the Company’s Annual Report on Form 10-K for the year ended December 31, 2017, filed with the U.S. Securities and Exchange Commission (the “SEC”) on February 21, 2018 and in AV Homes’ Annual Report on Form 10-K for the year ended December 31, 2017 filed with the SEC on February 23, 2018. Forward-looking statements speak only as of the date they are made. Except as required by law, neither the Company nor AV Homes has any intention or obligation to update or to publicly announce the results of any revisions to any of the forward-looking statements to reflect actual results, future events or developments, changes in assumptions or changes in other factors affecting the forward-looking statements.
