**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On March 29, 2007, the Compensation Committee (the Committee) of the Board of Directors of HealthSpring, Inc. (the Company), after consideration of presentations and recommendations by the Company's senior executive officers and its independent compensation consultants, approved the 2007 compensation program, including base salaries and cash-based performance incentive opportunities (the Bonus Plan), for the Company's named executive and other officers. Based on management's recommendations, and in light of equity-based awards made in early 2006 in connection with the Company's initial public offering, the Committee did not grant annual long-term equity incentives to our named executive officers as part of the 2007 compensation program.

The base salaries for 2007 approved by the Committee are as follows:

<b>Name</b>	<b>Title</b>	<b>Salary</b>
Herbert A. Fritch	President and Chief Executive Officer	\$ 800,000
Kevin M. McNamara	Executive Vice President and Chief Financial Officer	\$ 375,000

Base salaries for our executive officers remained the same as for 2006, except with respect to Mr. Fritch whose salary was increased. J. Murray Blackshear and Pasquale R. Pingitore, M.D., each of whom is a named executive officer for purposes of this Current Report on Form 8-K pursuant to the applicable SEC rules, retired effective December 31, 2006. Additionally, Jeffrey L. Rothenberger, currently serving as an Executive Vice President and Co-Chief Operating Officer, and a named executive officer in accordance with the aforementioned rules, announced his retirement effective as of April 30, 2007. He will receive an annual base salary of \$425,000 for 2007 that will be pro-rated based on his tenure during 2007.

The 2007 cash incentive bonuses under the Bonus Plan are targeted as a percentage of base salary based on achieving specified Company 2007 earnings per share goals determined by the Committee at its meeting. The target percentage for each of the named executive officers with 2007 bonus opportunities is as follows:

<b>Name</b>	<b>Title</b>	<b>Target %</b>
Herbert A. Fritch	President and Chief Executive Officer	100%
Kevin M. McNamara	Executive Vice President and Chief Financial Officer	75%

Because of his pending retirement, Mr. Rothenberger will not receive a bonus for 2007.

The Company's 2007 earnings per share goals for purposes of 2007 cash bonuses were determined by the Committee by reference to the Company's budget previously approved by the full Board of Directors and by reference to publicly announced guidance to the investment community. The earnings per share goals were targeted on a sliding scale that allows for possible payouts of 50% to 125% of the target bonus amount based on actual 2007 earnings per share results. No bonus will be payable for results below a pre-determined earnings per share amount. Following the end of the year, the Committee will make all calculations and determinations with respect to payment of bonuses under the Bonus Plan in its sole discretion.
