(f) Mr. Burkle is a United States citizen.

Item 3. Source and Amount of Funds or Other Consideration.

The total amount of funds required by YAAF to acquire the shares reported in Item 5 was \$19,772,194.03, net of commissions. Approximately \$10.5 million of such funds were provided by working capital and the remaining \$9.3 million of such funds were drawn from YAAF s existing working capital credit facility, which amounts were subsequently repaid in full with equity capital. The Reporting Persons anticipate that the portion of such funds drawn from the working capital credit facility will be repaid in the ordinary course of business out of funds drawn from capital contributions by the Reporting Persons respective members and limited partners.

Item 4. Purpose of Transaction.

The Reporting Persons have acquired the shares reported in Item 5 in open market transactions since February 25, 2005 because, in their opinion, such shares are undervalued by the market at the present time.

The Reporting Persons believe that Robert Miller's addition is a strong positive development. In addition, the Company should have substantial opportunities for future growth due to the fact that recent developments in the supermarket and general retail sectors are likely to create attractive opportunities for the Company to acquire new stores and expand into new geographic locations.

The Reporting Persons currently hold their shares of Common Stock for investment purposes. However, the Reporting Persons intend to closely monitor the Company's performance and may modify their plans in the future. In their capacities as shareholders, the Reporting Persons have contacted members of the Company's board of directors to discuss shareholder concerns and may contact the Company's board or management again from time to time to discuss such concerns. In addition, the Reporting Persons and their representatives and advisers may communicate with other shareholders, industry participants and other interested parties concerning the Company.

Although the Reporting Persons do not have any current plans other than the monitoring and communication program outlined in the previous paragraph, the Reporting Persons may in the future exercise any and all of their respective rights as shareholders of the Company in a manner consistent with their equity interests. More specifically, depending on their evaluation of various factors, including the investment potential of the Common Stock, the Company's business prospects and financial position, other developments concerning the Company, the price level and availability of the Common Stock, available opportunities to acquire or dispose of the Common Stock, realize trading profits or minimize trading losses, conditions in the securities markets and general economic and industry conditions, reinvestment opportunities, developments relating to the business of the Reporting Persons and other factors deemed relevant, the Reporting Persons may take such actions with respect to their holdings in the Company as they deem appropriate in light of circumstances existing from time to time. Such actions may include the purchase of additional shares of Common Stock in the open market, through privately negotiated transactions with third parties or otherwise, or the sale at any time, in the open market, through privately negotiated transactions with third parties or otherwise, of all or a portion of the shares now owned or hereafter acquired. In addition, the Reporting Persons may, individually or in the aggregate, from time to time enter into or unwind hedging or other derivative transactions with respect to the Common Stock.

As of the date of this Statement, except as set forth above, none of the Reporting Persons has any present plan or intention which would result in or relate to any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) YAAF is the direct beneficial owner of all of the 2,616,100 shares of the Company's common stock currently owned by the Reporting Persons. Such shares represent approximately 9.2% of the Company's outstanding Common Stock, based upon the 28,484,901 shares of Common Stock outstanding as of November 1, 2004, as reported by the Company in its Quarterly Report on Form 10-Q for the quarterly period ended September 25, 2004. By virtue of the relationships described under Item 2 of this Statement, each of the other Reporting Persons may be deemed to share indirect beneficial ownership of the shares of Common Stock directly beneficially owned by YAAF. Mr. Burkle disclaims

any such ownership (except to the extent of his pecuniary interest therein), and the filing of this Statement shall not be construed as an admission that Mr. Burkle is, for the purposes of Section 13(d) or 13(g) of the Securities Exchange Act of 1934, the beneficial owner of such shares.

(b) YAAF, acting through its general partner, YAAF LLC, has the sole power to vote or to direct the vote, and to dispose or to direct the disposition of the shares of Common Stock beneficially owned by it. By virtue of the relationships described under Item 2 of this Statement, each of the other Reporting Persons may be deemed to share the indirect power to vote and direct the disposition of the shares held by YAAF.

(c) The table below sets forth purchases of the shares of the Company's Common Stock by the Reporting Persons during the last 60 days. All of such purchases were effected by YAAF in broker transactions on the Nasdaq National Market.
