Corporate Compensation and Organization
Committee of Eaton Corporation
Eaton Corporation 401(k) Savings Plan and Trust

We have audited the accompanying statements of net assets available for benefits
of the Eaton Corporation 401(k) Savings Plan and Trust as of December 31, 2001

Edgar Filing: EATON CORP - Form 11-K

and 2000, and the related statement of changes in net assets available for benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and 2000, and the changes in its net assets available for benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets (held at end of year) as of December 31, 2001, and reportable transactions for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Eaton Corporation 401(k) Savings Plan and Trust

Notes to Financial Statements

December 31, 2001 and 2000 and
Year ended December 31, 2001

1. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Eaton Corporation 401(k) Savings Plan and Trust (the Plan) have been prepared under the accrual basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are stated at fair value as measured by quoted prices in active markets except for the Prism Reserve Fund which is stated at fair value as determined by the trustee. The participant notes receivable are valued at their outstanding balances, which approximate fair value. At December 31, 2000, the Eaton Corporation Common Shares are valued at the ex-dividend price to reflect the spin-off and stock dividend related to Axcelis Technologies, Inc. (see Note 5).

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

The cost of shares sold for mutual funds, Eaton Common Shares Fund, and Axcelis Technologies Shares Fund is based upon the average cost of each participant's shares sold for purposes of determining realized gains and losses.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

2. DESCRIPTION OF THE PLAN

Effective July 1, 1996, Eaton Corporation (the Company or Plan Sponsor) established the Plan. 5. TRANSACTIONS WITH PARTIES-IN-INTEREST (CONTINUED)

On June 30, 2000, Eaton reorganized its semiconductor equipment operations into a wholly owned subsidiary, Axcelis Technologies, Inc. (Axcelis). In July 2000, Axcelis completed an initial public offering for the sale of 20% of its common stock shares. On December 29, 2000 Eaton distributed its remaining interest in Axcelis to Eaton shareholders as a dividend (spin-off) which was tax free to Eaton and its shareholders for United States income tax purposes. Eaton shareholders (including the Plan) received 1.179023 shares of Axcelis common stock per each whole Eaton common share held as of December 6, 2000 and cash payments for fractional shares. The Axcelis common shares were received by the Plan on January 5, 2001. As a result of the Axcelis spin-off, the Plan had a stock dividend receivable from Eaton Corporation of \$1,066,568 in Axcelis common stock at December 31, 2000.

The Plan has established an Axcelis Common Stock Fund to hold the shares of Axcelis common stock received as a dividend, and which shall be maintained as a fund under the Plan for a period expiring on or before December 31, 2002. Upon termination of the Axcelis Common Stock Fund, all Axcelis common stock held by the Plan shall be sold and invested in a money market fund or stable value fund. Distributions from the Axcelis Common Stock Fund shall be made in cash. Cash and stock dividends on the Axcelis common stock shall be invested in a stable value fund and Axcelis Common Stock Fund, respectively. Axcelis common stock received by the Plan shall be credited under the Plan to the participant's account related to the Eaton common shares with respect to which the Axcelis common stock was received as a dividend. Participants are not allowed to direct contributions or transfers to the Axcelis Common Stock Fund, but are permitted to direct the transfer of amounts in the Axcelis Common Stock Fund to other funds available under the Plan.
