April 15, 2005

Dear Stockholder:

You are cordially invited to attend the Annual Meeting of Stockholders of Core Molding Technologies, Inc. to be held at the Company's Corporate Headquarters, 800 Manor Park Drive, Columbus, Ohio 43228, on May 12, 2005, at 9:00 a.m., Eastern Standard Time. Further information about the meeting and the matters to be considered is contained in the formal Notice of Annual Meeting of Stockholders and Proxy Statement on the following pages.

It is important that your shares be represented at this meeting. Whether or not you plan to attend, we hope that you will sign, date and return your proxy promptly in the enclosed envelope.

Sincerely,

Malcolm M. Prine
Chairman of the Board

CORE MOLDING TECHNOLOGIES, INC.
800 MANOR PARK DRIVE

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
MAY 12, 2005

TO OUR STOCKHOLDERS:

Core Molding Technologies, Inc. ("Core Molding Technologies") will hold its 2005 Annual Meeting of Stockholders on May 12, 2005 at 9:00 a.m., Eastern Standard Time, at its corporate headquarters, 800 Manor Park Drive, Columbus, Ohio 43228, for the following purposes:

1. to elect seven (7) directors to comprise the Board of Directors of Core Molding Technologies, each to serve a one-year term expiring at the 2006 annual meeting of stockholders;
2. to ratify the appointment of Deloitte & Touche LLP as the independent registered public accounting firm for Core Molding Technologies for the year ending December 31, 2005; and

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

3. to consider and act upon other business as may properly come before the meeting and any adjournments or postponements of the meeting.

The foregoing matters are described in more detail in the Proxy Statement, which is attached to this notice. Only stockholders of record at the close of business on March 30, 2005, the record date, are entitled to receive notice of and to vote at the meeting.

We desire to have maximum representation at the meeting and respectfully request that you date, execute and promptly mail the enclosed proxy in the postage-paid envelope provided. You may revoke a proxy by notice in writing to the Secretary of Core Molding Technologies at any time prior to its use.

BY ORDER OF THE BOARD OF DIRECTORS

Kevin L. Barnett
Vice President and Secretary

Dated: April 15, 2005

CORE MOLDING TECHNOLOGIES, INC.
800 MANOR PARK DRIVE
COLUMBUS, OHIO 43228
(614) 870-5000

PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
MAY 12, 2005

To Our Stockholders:

Core Molding Technologies, Inc. ("Core Molding Technologies") is furnishing this Proxy Statement in connection with the solicitation by its Board of Directors of proxies to be used and voted at its annual meeting of stockholders, and at any adjournment of the annual meeting. Core Molding Technologies will hold its annual meeting on May 12, 2005, at its corporate headquarters, 800 Manor Park Drive, Columbus, Ohio 43228 at 9:00 a.m. Eastern Standard Time. Core Molding Technologies is holding the annual meeting for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

Core Molding Technologies is first sending this Proxy Statement, the accompanying proxy card and the Notice of Annual Meeting of Stockholders on or about April 15, 2005.

GENERAL INFORMATION

SOLICITATION

The Board of Directors of Core Molding Technologies is soliciting the enclosed proxy. In addition to the use of the mail, directors and officers of Core Molding Technologies may solicit proxies, personally or by telephone or telegraph. Core Molding Technologies will not pay its directors and officers any additional compensation for the solicitation.

In addition, the stock transfer agent of Core Molding Technologies, American Stock Transfer & Trust Co., New York, New York will conduct proxy solicitations on behalf of Core Molding Technologies. Core Molding Technologies

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

will reimburse American Stock Transfer & Trust Co. for reasonable expenses incurred by it in the solicitation. Core Molding Technologies also will make arrangements with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of proxy solicitation material to beneficial owners of the common stock of Core Molding Technologies. Core Molding Technologies will reimburse those brokerage firms, custodians, nominees and fiduciaries for their reasonable expenses.

Core Molding Technologies will pay all expenses of the proxy solicitation. Except as otherwise provided, Core Molding Technologies will not use specially engaged employees or other paid solicitors to conduct any proxy solicitation.

VOTING RIGHTS AND VOTES REQUIRED

Holders of shares of the common stock of Core Molding Technologies at the close of business on March 30, 2005, the record date for the annual meeting, are entitled to notice of, and to vote at, the annual meeting. On the record date, Core Molding Technologies had 9,780,680 shares of common stock outstanding.

Each outstanding share of common stock on the record date is entitled to one vote on all matters presented at the annual meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast will constitute a quorum for the transaction of business at the annual meeting. No business, other than adjournment, can be conducted at the annual meeting unless a quorum is present in person or by proxy.

1

Abstentions will count as shares present in determining the presence of a quorum for a particular matter. Abstentions, however, will not count as votes cast in determining the approval of any matter by the stockholders. If a broker or other record holder or nominee indicates on a proxy that it does not have authority to vote certain shares on a particular matter or if a broker or other record holder or nominee does not return proxies for any shares, those shares will not count as either present for purposes of determining a quorum or as votes cast in determining the approval of any matter by the stockholders.

In the election of directors, each of the seven directors will be elected by a plurality of votes cast by stockholders of record on the record date and present at the annual meeting, in person or by proxy. Cumulative voting in the election of directors will not be permitted. Core Molding Technologies is seeking stockholder ratification of the appointment of independent auditors of Core Molding Technologies, but ratification is not required by law.

VOTING OF PROXIES

Shares of common stock represented by all properly executed proxies received prior to the annual meeting will be voted in accordance with the choices specified in the proxy. Unless contrary instructions are indicated on the proxy, the shares will be voted:

- FOR the election as directors of the nominees named in this Proxy Statement;
- FOR the ratification of the appointment of Deloitte & Touche LLP ("Deloitte & Touche"), as the independent registered public accounting firm for Core Molding Technologies for the year ending December 31, 2005.

Management of Core Molding Technologies and the Board of Directors of Core Molding Technologies know of no matters to be brought before the annual meeting other than as set forth in this Proxy Statement. If, however, any other matter

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

is properly presented to the stockholders for action, it is the intention of the holders of the proxies to vote at their discretion on all matters on which the shares of common stock represented by proxies are entitled to vote.

REVOCABILITY OF PROXY

A stockholder who signs and returns a proxy in the accompanying form may revoke it at any time before the authority granted by the proxy is exercised. A stockholder may revoke a proxy by delivering a written statement to the Secretary of Core Molding Technologies that the proxy is revoked.

ANNUAL REPORT

The Annual Report on Form 10-K for the fiscal year ended December 31, 2004, of Core Molding Technologies, which includes financial statements and information concerning the operations of Core Molding Technologies, accompanies this Proxy Statement. The Annual Report is not to be regarded as proxy solicitation materials.

STOCKHOLDER PROPOSALS

Any stockholder who desires to present a proposal for consideration at the 2006 annual meeting of stockholders must submit the proposal in writing to Core Molding Technologies. If the proposal is received by Core Molding Technologies prior to the close of business on December 15, 2005, and otherwise meets the requirements of applicable state and federal law, Core Molding Technologies will include the proposal in the proxy statement and form of proxy relating to the 2006 annual meeting of stockholders. Core Molding Technologies may confer on the proxies for the 2006 annual meeting of stockholders discretionary authority to vote on any proposal, if Core Molding Technologies does not receive notice of the proposal by February 28, 2006.

2

OWNERSHIP OF COMMON STOCK

BENEFICIAL OWNERS

The table below sets forth, to the knowledge of Core Molding Technologies, the only beneficial owners, as of March 30, 2005, of more than 5% of the outstanding shares of common stock of Core Molding Technologies.

NUMBER OF SHARES OF COMMON STOCK BENEFICIALLY OWNED

| NAME AND ADDRESS OF BENEFICIAL OWNER ----- | AMOUNT AND NATURE OF BENEFICIAL OWNERSHIP ----- | PERCENT OF CLASS ----- |
|--|---|---------------------------|
| International Truck and Engine Corp. 4201 Winfield Drive P.O. Box 1488 Warrenville, Illinois 60555 | 4,264,000(1) | 43.6% |
| Gabelli Asset Management, Inc., et al..... One Corporate Center Rye, NY 10580 | 1,182,700(2) | 12.1% |
| Jeffrey L. Gendell, et al..... 55 Railroad Avenue, 3rd Floor | 685,200(3) | 7.0% |

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

Greenwich, CT 06830

-
- (1) International Truck and Engine Corp. (formerly known as Navistar International Transportation Corp.) has sole voting and investment power over these shares and received these shares of common stock on December 31, 1996, pursuant to the terms of an asset purchase agreement, which provided for the acquisition by Core Molding Technologies of the Columbus Plastics operating unit of International Truck and Engine Corp. The terms and conditions of the asset purchase agreement are discussed in greater detail below under the heading "Certain Relationships and Related Transactions." International Truck and Engine Corp. is a wholly owned subsidiary of Navistar International Corporation.
 - (2) The information presented is derived from Amendment No. 9 to Schedule 13D, as filed with the SEC on November 18, 2004 by Mario J. Gabelli and certain entities which he directly or indirectly controls or for which he acts as chief investment officer, including MJG Associates, Inc., Gabelli Group Capital Partners, Inc., Gabelli Asset Management, Inc., Gabelli Funds, LLC, Gabelli Advisers, Inc. and Gamco Investors, Inc. According to the Schedule 13D filing, Mario Gabelli is deemed to have beneficial ownership of 1,182,700 shares owned beneficially by Gabelli Funds, LLC, Gamco Investors, Inc., Gabelli Advisers, Inc. and MJG Associates, Inc. and, except as otherwise provided in the Schedule 13D filing, each entity has the sole power to vote or direct the vote and sole power to dispose or to direct the disposition of the shares reported for it, either for its own benefit or for the benefit of its investment clients or its partners, as the case may be.
 - (3) The information presented is derived from Schedule 13G/A, as filed with the Securities and Exchange Commission ("SEC") on February 4, 2005 by Jeffrey L. Gendell and certain entities which he directly or indirectly controls or for which he acts as chief investment officer, including Tontine Partners, L.P., Tontine Management, L.L.C., Tontine Overseas Associates, L.L.C., Tontine Capital Partners, L.P. and Tontine Capital Management, L.L.C. According to the Schedule 13G/A filing, Jeffrey Gendell is deemed to have beneficial ownership of 685,200 shares owned beneficially by Tontine Partners, L.P., Tontine Management, L.L.C., Tontine Overseas Associates, L.L.C., Tontine Capital Partners, L.P. and Tontine Capital Management, L.L.C. and, except as otherwise provided in the Schedule 13G/A filing, each entity has the shared power to vote or direct the vote and shared power to dispose or to direct the disposition of the shares reported for it, either for its own benefit or for the benefit of its investment clients or its partners, as the case may be.

3

MANAGEMENT

The table below sets forth, as of March 30, 2005, the number of shares of common stock beneficially owned by each director of Core Molding Technologies, by each nominee for election as director of Core Molding Technologies, by each executive officer named in the Summary Compensation Table contained in this Proxy Statement, and by all of the foregoing directors, nominees and executive officers as a group. The information concerning the persons set forth below was furnished in part by each of those persons.

NUMBER OF SHARES OF COMMON STOCK BENEFICIALLY OWNED

- (3) Includes: (i) 33,250 shares of common stock, which Mr. Crowley has the right to acquire within 60 days through the exercise of stock options; (ii) 18,000 shares of common stock as to which Mr. Crowley has sole voting and investment power; and (iii) 1,000 shares of common stock as to which Mr. Crowley shares voting and investment power with his wife.
- (4) Includes: (i) 14,440 shares of common stock, which Mr. Dick has the right to acquire within 60 days through the exercise of stock options; and (ii) 1,122 shares of common stock held by Mr. Dick in the Core Molding Technologies, Inc. Employee Stock Purchase Plan.
- (5) Includes: (i) 33,500 shares of common stock, which Mr. Hellmold has the right to acquire within 60 days through the exercise of stock options; and (ii) 91,000 shares of common stock as to which Mr. Hellmold has sole voting and investment power.
- (6) Includes: (i) 33,250 shares of common stock, which Mr. Hough has the right to acquire within 60 days through the exercise of stock options.
- (7) Includes: (i) 45,125 shares of common stock, which Mr. Klestinec has the right to acquire within 60 days through the exercise of stock options; and (ii) 14,000 shares of common stock as to which Mr. Klestinec has sole voting and investment power; and (iii) 6,205 shares of common stock held by Mr. Klestinec in the Core Molding Technologies, Inc. Employee Stock Purchase Plan.

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

- (8) Includes: (i) 99,750 shares of common stock, which Mr. Prine has the right to acquire within 60 days through the exercise of stock options; (ii) 1,011 shares of common stock held by Mr. Prine's wife; (iii) 5,000 shares of common stock held by Mr. Prine's daughter; and (iv) 61,000 shares of common stock as to which Mr. Prine has sole voting and investment power.
- (9) Includes: (i) 87,400 shares of common stock, which Mr. Simonton has the right to acquire within 60 days through the exercise of stock options; (ii) 100,000 shares of common stock as to which Mr. Simonton has sole voting and investment power; and (iii) 4,720 shares of common stock held by Mr. Simonton in the Core Molding Technologies, Inc. Employee Stock Purchase Plan. Excludes 150,000 phantom stock units granted to Mr. Simonton on January 15, 2000, in connection with his initial employment pursuant to a Phantom Stock Agreement dated January 15, 2000, between Core Molding Technologies and Mr. Simonton. The vesting and terms of such phantom stock units are described below under "Executive Compensation -- Phantom Stock Agreement."
- (10) Includes: (i) 7,000 shares of common stock, which Mr. Wright has the right to acquire within 60 days through the exercise of stock options.

EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth information as of December 31, 2004, concerning shares of our common stock that may be issued upon the exercise of options and other rights under our existing equity compensation plans and arrangements, divided between plans approved by our shareholders and plans or arrangements not submitted to our shareholders for approval. The information includes the number of shares covered by, and the weighted average exercise price of, outstanding options and other rights and the number of shares remaining available for future grants excluding the shares to be issued upon exercise of outstanding options, warrants, and other rights.

| | NUMBER OF SECURITIES TO BE ISSUED UPON EXERCISE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS (a) | WEIGHTED-AVERAGE EXERCISE PRICE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS (b) | NUMBER OF ISSUANCE COMPEN (EXCLUDI REFLECTED |
|--|--|---|--|
| | ----- | ----- | ----- |
| Equity Compensation plans approved by shareholders (1)..... | 942,650 | \$3.10 | 2, |
| Equity compensation plans not approved by shareholders..... | 261,250 | 3.21 | -- |
| | ----- | ----- | ----- |
| Total..... | 1,203,900 | \$3.12 | 2, |

(1) Equity compensation plans approved by shareholders include the Long-Term Equity Incentive Plan.

CODE OF ETHICS

Core Molding Technologies has adopted a Code of Conduct and Business Ethics, which applies to all employees of Core Molding Technologies, including

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

Core Molding Technologies' principal executive officer, principal financial officer and principal accounting officer or persons performing similar functions. The Core Molding Technologies' Board believes that the Code of Conduct and Business Ethics complies with the code of ethics required by the rules and regulations of the Securities Exchange Commission.

5

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the following persons to file initial statements of beneficial ownership on a Form 3 and changes of beneficial ownership on a Form 4 or Form 5 with the Securities and Exchange Commission and to provide Core Molding Technologies with a copy of those statements:

- executive officers and directors of Core Molding Technologies; and
- persons who beneficially own more than 10% of the issued and outstanding shares of common stock of Core Molding Technologies.

Core Molding Technologies believes that its executive officers, directors and greater than 10% beneficial owners complied with all applicable section 16(a) filing requirements for the fiscal year ended December 31, 2004.

DIRECTORS AND EXECUTIVE OFFICERS OF CORE MOLDING TECHNOLOGIES

The following biographies provide information on the background and experience of the persons nominated to become directors at the annual meeting and the executive officers of Core Molding Technologies. Core Molding Technologies is not aware of any family relationships among any of the following persons or any arrangements or understandings pursuant to which those persons have been, or are to be, selected as a director or executive officer of Core Molding Technologies, other than arrangements or understandings with directors or executive officers acting solely in their capacity as directors or executive officers. Executive officers of Core Molding Technologies are elected to serve for a term of one year or until their successors have been duly elected and qualified.

| NAME | AGE | POSITION(S) CURRENTLY HELD |

Kevin L. Barnett. Kevin L. Barnett joined Core Molding Technologies as an

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

employee on April 1, 1997 and was elected Vice President, Secretary, Treasurer and Chief Financial Officer on April 24, 1997. Mr. Barnett served in this capacity until August 7, 2002, when he became Vice President-Manager Columbus Operation and Secretary to support Core Molding Technologies' succession planning and professional development program. Mr. Barnett joined Core Molding Technologies after approximately five years of working with Medex Inc., a publicly held manufacturer and marketer of injection molded products used for medical and surgical applications. Mr. Barnett served as Vice President, Treasurer, and Corporate Controller of Medex Inc. from October, 1995 to January, 1997. He served as Vice President and Corporate Controller of Medex Inc. from May, 1994 to October, 1995 and as Assistant Treasurer from April, 1992 to May, 1994. Prior to joining Medex Inc., Mr. Barnett served as a certified public accountant with Deloitte & Touche LLP from August, 1984 to April, 1992.

Thomas R. Cellitti. Thomas R. Cellitti has served as a director of Core Molding Technologies since February 10, 2000. Mr. Cellitti is the Vice President and General Manager, Medium Truck, for International Truck and Engine Corporation. Prior to such time, Mr. Cellitti served as Vice President and General Manager,

6

Bus Vehicle Center for International. Mr. Cellitti serves on the Board of Directors of the American Transportation Corporation in Conway, Arkansas. International Truck and Engine Corp. is a 44% stockholder and a significant customer of Core Molding Technologies. The relationship of International Truck and Engine Corporation to Core Molding Technologies is described below under "Certain Relationships and Related Transactions."

James F. Crowley. James F. Crowley has served as a director of Core Molding Technologies since May 28, 1998. Mr. Crowley is currently the President of Brookside Capital Incorporated, a private investment and advisory firm head-quartered in New York, which he founded in 1993. From 1984 to 1992, Mr. Crowley served in various capacities with Prudential Securities, Inc. including President of Global Investment & Merchant Banking. Prior to joining Prudential Securities, Inc., Mr. Crowley provided financial advisory, merger, acquisition and underwriting services as a First Vice President and Partner at Smith Barney, Harris Upham & Co. in its Investment Bank and Capital Markets Division. Mr. Crowley also serves on the board of various private organizations. Mr. Crowley graduated from Villanova University in 1971 and from the Wharton School at the University of Pennsylvania in 1976.

Herman F. Dick, Jr. Herman F. Dick, Jr. joined Core Molding Technologies as an employee on September 10, 1999 as Controller and was elected to the position of Treasurer and Chief Financial Officer on August 7, 2002, to support Core Molding Technologies' succession planning and professional development program. Mr. Dick joined Core Molding Technologies after approximately eleven years of working with Boehringer Ingelheim, GMBH, a privately held research based manufacturer of pharmaceuticals and other healthcare products. Mr. Dick served as the Assistant Controller of Boehringer's Roxane Laboratories subsidiary from 1995 to 1999. Mr. Dick also held positions at Boehringer Ingelheim in reengineering project management and internal audit. Prior to joining Boehringer Ingelheim, Mr. Dick served as a management consultant with KPMG LLP from 1986 to 1988.

Ralph O. Hellmold. Ralph O. Hellmold has served as a director of Core Molding Technologies since December 31, 1996. He is the Chairman of the Private Investment Banking Company, LLC and the founder and President of Hellmold Associates, Inc., both investment banking boutiques, which specialize in raising capital, doing mergers and acquisitions and working with troubled companies or their creditors. Prior to forming Hellmold Associates in 1990, Mr. Hellmold was

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

a Managing Director at Prudential-Bache Capital Funding, where he served as co-head of the Corporate Finance Group, co-head of the Investment Banking Committee and head of the Financial Restructuring Group. From 1974 until 1987, Mr. Hellmold was a partner at Lehman Brothers and its successors, where he worked in Corporate Finance and co-founded the Financial Restructuring Group.

Thomas M. Hough. Thomas M. Hough has served as a director of Core Molding Technologies since December 31, 1996. He has served as Vice President Strategic Initiatives of International Truck and Engine Corporation since March 2003. Prior to this, he served as the Vice President and Treasurer of Navistar International Corporation and its principal operating subsidiary, International Truck and Engine Corporation, since October 1992. International Truck and Engine Corporation is a 44% stockholder and a significant customer of Core Molding Technologies. The relationship of International Truck and Engine Corporation to Core Molding Technologies is described below under "Certain Relationships and Related Transactions." Previously, Mr. Hough served as Assistant Treasurer and Assistant Controller of International Truck and Engine Corporation and as Controller of Navistar Financial Corporation, a principal financial subsidiary of International Truck and Engine Corporation.

Stephen J. Klestinec. Stephen J. Klestinec joined Core Molding Technologies as an employee on April 1, 1998 and was elected to the position of Vice President, Sales and Marketing on May 28, 1998. Mr. Klestinec was employed by Atlanta based Georgia-Pacific Resin, Inc., a manufacturer of thermoset resins, from 1981 until joining Core Molding Technologies on April 1, 1998. At Georgia-Pacific, Mr. Klestinec served as market manager of fiber reinforced products. In such capacity, Mr. Klestinec commercialized products for both the North American and International markets in the aerospace, mass transit, electrical and electronic industries. Mr. Klestinec also managed the abrasives, adhesives and specialty market segment. Mr. Klestinec also held positions at Georgia-Pacific in market development, quality assurance and manufacturing. Prior to joining Georgia-Pacific, Mr. Klestinec served as plant manager for Pacific Resins and Chemicals.

7

Malcolm M. Prine. Malcolm M. Prine has served as a director of Core Molding Technologies and Chairman of Core Molding Technologies since December 31, 1996. Mr. Prine also served as a director of RYMAC Mortgage Investment Corporation from May 1992 to December 31, 1996. RYMAC merged with Core Molding Technologies on December 31, 1996, as described below under "Certain Relationships and Related Transactions." Mr. Prine has been self-employed while acting as a consultant for the last ten years. He is currently a director of Equitable Resources, a natural gas utility company, and PA Capital Bank, a Pennsylvania commercial bank serving small businesses and individuals. He also serves on the board of various private organizations and universities.

James L. Simonton. James L. Simonton has served as President and Chief Executive Officer of Core Molding Technologies since January 15, 2000 and as a director of Core Molding Technologies since May 28, 1998. From 1992 until December 31, 1999, Mr. Simonton served as the Vice President of Purchasing and Supplier Development for International Truck and Engine Corporation. In such capacity, Mr. Simonton was in charge of purchasing of all production materials, in-bound and out-bound freight and logistics and the development of suppliers. International Truck and Engine Corporation is a 44% stockholder and a significant customer of Core Molding Technologies. The relationship of International Truck and Engine Corporation to Core Molding Technologies is described below under "Certain Relationships and Related Transactions."

John P. Wright. John P. Wright has served as a director of Core Molding Technologies since October 22, 2003. He is the Chairman of the Board of Ariel

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

Corporation, a manufacturer of large industrial compressors used in the natural gas business. Mr. Wright has been with Ariel Corporation since 1983 and has been Chairman since 1998.

COMPENSATION, MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

COMPENSATION OF BOARD OF DIRECTORS

For the fiscal year ended December 31, 2004, each director of Core Molding Technologies, other than Mr. Prine and Mr. Simonton, received a director's fee of \$3,500 per quarter. Mr. Prine received a director's fee of \$13,000 per quarter to reflect his role as chairman. Mr. Simonton does not receive a director's fee. Mr. Crowley received an additional \$1,000 fee per quarter to reflect his role as audit committee chairman. Each director received a \$1,000 fee for each regularly scheduled board meeting that they were in attendance, and each audit committee member received a \$1,000 fee for each audit committee meeting that they were in attendance. In addition, the Core Molding Technologies, Inc. Long-Term Equity Incentive Plan provides for a one-time grant of a director option to each of the non-employee directors of Core Molding Technologies to purchase 35,000 shares of common stock, which option vests in increments of 20% over a five year period. Mr. Hellmold, Mr. Hough and Mr. Prine received this one-time grant of a director option during the fiscal year ended December 31, 1997. Mr. Simonton and Mr. Crowley received this one-time grant of a director option upon their election to the Board of Directors on May 28, 1998. Mr. Cellitti received this one-time grant of a director's option upon his election to the Board of Directors on February 10, 2000. Mr. Wright received this one-time grant of a director's option upon his election to the Board of Directors on October 22, 2003. Core Molding Technologies also has entered into certain compensation arrangements with members of its Board of Directors. These compensation arrangements are discussed below under the heading "Compensation Committee Interlocks and Insider Participation."

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors met five times during the fiscal year ended December 31, 2004. During that period, each of the directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of all committees of the Board of Directors on which each director served. Of the seven directors currently serving on the Board, the Board has determined that each of Messrs. Crowley, Hellmold, Prine and Wright are independent under American Stock Exchange ("AMEX") listing standards.

8

COMPENSATION COMMITTEE

Core Molding Technologies did not have a Compensation Committee during the fiscal year ended December 31, 2004. The entire Board of Directors performed the functions of a Compensation Committee during that period, including recommending the form and amount of compensation to be paid to the executive officers and directors of Core Molding Technologies.

AUDIT COMMITTEE

Core Molding Technologies has an Audit Committee, which currently consists of Messrs. Crowley, Hellmold, and Wright, each of whom is "independent" as that term is defined under AMEX listing standards. The Board has determined that Mr. Crowley qualifies as an "audit committee financial expert" as defined by Securities and Exchange Commission rules. The principal function of the Audit Committee is to review and approve the scope of the annual audit undertaken by the independent registered public accounting firm of Core Molding Technologies

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

and to meet with them to review and inquire as to audit functions and other financial matters and to review the year-end audited financial statements. For a more detailed description of the role of the Audit Committee, see "Report of the Audit Committee" below and the Audit Committee Charter, which is attached to this Proxy Statement as Exhibit A. The Audit Committee met seven times during the fiscal year ended December 31, 2004. In addition, the Committee chair, as representative of the Committee, discussed the interim financial information contained in quarterly earnings announcements with both management and the independent auditors prior to the public release of quarterly information.

NOMINATING COMMITTEE AND STOCKHOLDER NOMINATIONS

Core Molding Technologies has a Nominating Committee consisting of all members of the Board of Directors, with a majority of directors who are independent under AMEX listing standards required to effect a decision. The principal function of the Nominating Committee is to recommend candidates for membership on the Board of Directors. For a more detailed description of the role of the Nominating Committee, see the Nominating Committee Charter, which is attached to this Proxy Statement as Exhibit B.

In identifying and evaluating nominees for director, the Nominating Committee seeks to ensure that the Board possesses, in the aggregate, the strategic, managerial and financial skills and experience necessary to fulfill its duties and to achieve its objectives, and seeks to ensure that the Board is comprised of directors who possess knowledge in areas that are of importance to Core Molding Technologies. In addition, the Nominating Committee believes it is important that at least one director have the requisite experience and expertise to be designated as an "audit committee financial expert." The Nominating Committee looks at each nominee on a case-by-case basis regardless of who recommended the nominee.

The Nominating Committee will consider persons recommended by stockholders to become nominees for election as directors. Recommendations for consideration by the Nominating Committee should be sent to the Secretary of Core Molding Technologies in writing together with appropriate biographical information concerning each proposed nominee.

The bylaws of Core Molding Technologies set forth procedural requirements pursuant to which stockholders may make nominations to the Board of Directors. The Board of Directors or the Nominating Committee may not accept recommendations for nominations to the Board of Directors in contravention of these procedural requirements.

In order for a stockholder to nominate a person for election to the Board of Directors, the stockholder must give written notice of the stockholder's intent to make the nomination either by personal delivery or by United States mail, postage prepaid, to the Secretary of Core Molding Technologies not less than fifty nor more than seventy-five days prior to the meeting at which directors will be elected. In the event that less than sixty days prior notice or prior public disclosure of the date of the meeting is given or made to stockholders, Core Molding Technologies must receive notice not later than the close of business on the tenth day following the day on which notice of the date of the meeting was mailed or public disclosure was made, whichever occurred first.

9

The notice must set forth:

- the name and address of record of the stockholder who intends to make the nomination;

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

- a representation that the stockholder is a holder of record of shares of the capital stock of Core Molding Technologies entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice;
- the name, age, business and residence addresses and principal occupation or employment of each proposed nominee;
- a description of all arrangements or understandings between the stockholder and each proposed nominee and any other person or persons, naming such person or persons, pursuant to which the nomination or nominations are to be made by the stockholder;
- other information regarding each proposed nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission; and
- the written consent of each proposed nominee to serve as a director of Core Molding Technologies if elected.

Core Molding Technologies may require any proposed nominee to furnish other information as it may reasonably require to determine the eligibility of the proposed nominee to serve as a director. The presiding officer of the meeting of stockholders may, if the facts warrant, determine that a stockholder did not make a nomination in accordance with the foregoing procedure. If the presiding officer makes such a determination, the officer shall declare such determination at the meeting and the defective nomination will be disregarded.

BOARD POLICIES REGARDING COMMUNICATION WITH THE BOARD OF DIRECTORS AND ATTENDANCE AT ANNUAL MEETINGS

Stockholders may communicate with the full Board, non-management directors as a group, or individual directors, including the Chairman of the Board, by submitting such communications in writing to the Core Molding Technologies Secretary, c/o the Board of Directors (or, at the stockholder's option, c/o a specific director or directors), 800 Manor Park Drive, Columbus, Ohio 43228. Such communications will be delivered directly to the Board.

Core Molding Technologies does not have a policy regarding Board member attendance at the annual meeting of stockholders. All Core Molding Technologies directors attended the 2004 annual meeting of stockholders.

10

EXECUTIVE COMPENSATION

The following table sets forth compensation information for James L. Simonton, Kevin L. Barnett, Stephen J. Klestinec and Herman F. Dick, Jr.

SUMMARY COMPENSATION TABLE

| NAME AND PRINCIPAL POSITION | YEAR | ANNUAL COMPENSATION | | LONG TERM COMPENSATION | |
|--------------------------------|------|------------------------|---------------|---|---------------------------|

| Officer | 2002 | 106,742 | 4,834 | 0 | 6,375 |

(1) Includes contributions by Core Molding Technologies to its 401(k) plan for salaried employees. Core Molding Technologies makes contributions to its 401(k) plan in two ways. Core Molding Technologies makes a "matching contribution" which is based on the employee's salary reduction contribution. Core Molding Technologies also makes a "retirement contribution" which is based on the age and regular earnings of the employee as of the year the contribution is made. Matching contributions for the fiscal year ended December 31, 2002 were \$2,750 for Mr. Simonton, \$2,188 for Mr. Barnett, \$2,074 for Mr. Klestinec and \$1,594 for Mr. Dick. Retirement contributions during the fiscal year ended December 31, 2002 were \$13,000 for Mr. Simonton, \$6,563 for Mr. Barnett, \$9,189 for Mr. Klestinec and \$4,781 for Mr. Dick. Matching contributions for the fiscal year ended December 31, 2003 were \$2,731 for Mr. Simonton, \$2,188 for Mr. Barnett, \$2,253 for Mr. Klestinec and \$1,759 for Mr. Dick. Retirement contributions during the fiscal year ended December 31, 2003 were \$13,000 for Mr. Simonton, \$7,444 for Mr. Barnett, \$9,777 for Mr. Klestinec and \$5,060 for Mr. Dick. Matching contributions for the fiscal year ended December 31, 2004 were \$3,429 for Mr. Simonton, \$2,625 for Mr. Barnett, \$2,400 for Mr. Klestinec and \$1,666 for Mr. Dick. Retirement contributions during the fiscal year ended December 31, 2004 were \$13,000 for Mr. Simonton, \$7,763 for Mr. Barnett, \$10,238 for Mr. Klestinec and \$7,800 for Mr. Dick.

The following table sets forth information with respect to stock options granted during the fiscal year ended December 31, 2004 to the executive officers named in the Summary Compensation Table. In accordance with Securities and Exchange Commission rules, the hypothetical realizable values for each option grant are shown based on the compound annual rates of stock price appreciation of 5% and 10% from the grant date to the expiration date. The assumed rates of appreciation are prescribed by the Securities and Exchange Commission and are for illustration purposes only. The assumed rates of appreciation are not intended to predict future stock

11

prices, which will depend upon market conditions and the future performance and prospects of Core Molding Technologies.

OPTION/SAR GRANTS IN LAST FISCAL YEAR

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

| NAME | NUMBER OF SECURITIES UNDERLYING OPTIONS/SARS GRANTED (#) | % OF TOTAL OPTIONS/SARS GRANTED TO EMPLOYEES IN FISCAL YEAR | EXERCISE PRICE (\$/SHARE) | EXPIRATION DATE |
|---------------------------|--|--|---------------------------------|--------------------|
| James L. Simonton..... | 175,750 (1) | 16.8% | \$3.21 | 2/2/14 |
| Kevin L. Barnett..... | 95,000 (1) | 9.1% | 3.21 | 2/2/14 |
| Stephen J. Klestinec..... | 95,000 (1) | 9.1% | 3.21 | 2/2/14 |
| Herman F. Dick, Jr. | 38,000 (1) | 3.6% | 3.21 | 2/2/14 |
| | 60,000 (2) | 5.7% | 2.75 | 10/21/14 |

(1) Messrs. Simonton, Barnett, Klestinec and Dick were granted options on February 2, 2004 as a result of the option repricing conducted by Core Molding Technologies in June 2003. The fair market value of Core Molding Technologies' stock on the date of the option grant was \$3.21 per share.

(2) On October 21, 2004, Mr. Dick was granted 60,000 stock options under Core Molding Technologies' Long-Term Equity Incentive Plan. These options vest over a ten-year time frame. The fair market value of Core Molding Technologies' stock on the date of the option grant was \$2.65 per share.

The following table sets forth information with respect to the exercise of options by each of the executive officers named in the Summary Compensation Table during the fiscal year ended December 31, 2004. The table also sets forth information with respect to all vested (exercisable) and unvested (unexercisable) options held by each of the executive officers named in the Summary Compensation Table as of December 31, 2004.

AGGREGATED OPTION/SAR EXERCISES IN LAST FISCAL YEAR
AND FISCAL YEAR-END OPTION/SAR VALUES

| NAME | SECURITIES ACQUIRED ON EXERCISE (#) | VALUE REALIZED (\$) | NUMBER OF SECURITIES UNDERLYING UNEXERCISED OPTIONS/SARS AT FISCAL YEAR END (#) | EXERCISABLE | UNEXERCISABLE |
|------------------------------|--|------------------------|--|-------------|---------------|
| James L. Simonton(2)..... | 428 | \$163 | 214,402 | | 111,348 |
| Kevin L. Barnett..... | -- | -- | 31,152 | | 63,848 |
| Stephen J. Klestinec(2)..... | 1,391 | 603 | 31,152 | | 63,848 |
| Herman F. Dick, Jr.(2)..... | 788 | 341 | 14,440 | | 83,560 |

(1) "Value of Unexercised In-the-Money Options/SARs at Fiscal Year End" is based upon the fair market value of the shares of common stock of Core Molding Technologies on December 31, 2004 (\$2.77) less the exercise price of in-the-money options/SARs at the end of the fiscal year ended December 31, 2004.

(2) Securities acquired on exercise for Messrs. Simonton, Klestinec and Dick include shares purchased pursuant to the Core Molding Technologies Employee

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

Stock Purchase Plan. Value realized represents the difference between the market price of the shares on the applicable purchase dates and the purchase prices paid by such officers.

PHANTOM STOCK AGREEMENT

On January 15, 2000, Core Molding Technologies granted Mr. Simonton, in connection with his initial employment, 150,000 phantom stock units pursuant to a Phantom Stock Agreement dated as of January 15, 2000.

12

Pursuant to such agreement, Mr. Simonton is entitled to receive within 30 days after exercise of each such unit a cash payment in an amount equal to the excess of the fair market value of a share of Core Molding Technologies' common stock on the date of exercise over \$2.75. Mr. Simonton may exercise his vested units at any time prior to their termination. All of the units vest on December 31, 2004, and no units granted under the agreement will vest prior to such date. All of the units will expire on the earlier of (i) December 31, 2005, (ii) 30 days after termination of Mr. Simonton's employment (other than for cause) or if Mr. Simonton shall die during such 30-day period, one year after Mr. Simonton's death or (iii) the termination of Mr. Simonton's employment by Core Molding Technologies for cause. Within 30 days after the termination of Mr. Simonton's employment due to death or disability, Core Molding Technologies is required under the agreement to pay Mr. Simonton the full amount that would have been payable to Mr. Simonton had he exercised all of the unexercised vested units held by him as of the date of his termination of employment. The units were not granted to Mr. Simonton under the Core Molding Technologies, Inc. Long-Term Equity Incentive Plan. The units do not represent issued shares of Core Molding Technologies' common stock and do not confer any stockholder rights on Mr. Simonton.

REPORT OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The purpose of the compensation program of Core Molding Technologies is to attract and retain qualified executive officers by providing a total compensation package, which is competitive with comparable corporations, and to also provide incentives to create short-term and long-term improvements in the performance of Core Molding Technologies.

The compensation philosophy of Core Molding Technologies is based on the belief that:

- Core Molding Technologies must attract and retain qualified individuals and motivate and reward those individuals for performance;
- a substantial portion of an executive's compensation should depend upon the performance of Core Molding Technologies; and
- incentives should exist which align the interests of the executives with those of the stockholders of Core Molding Technologies and which create long-term stockholder value.

Following this philosophy, Core Molding Technologies has developed a compensation program for its executives which includes the following components:

BASE SALARY

Core Molding Technologies has established base salaries for its executive officers based upon the experience and capabilities of the executives, as determined in the subjective judgment of the Board of Directors, and the

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

salaries of comparable companies.

BONUS/PROFIT SHARING

The Board of Directors has established a bonus/profit-sharing program for all nonrepresented and salaried employees, including its executive officers, of Core Molding Technologies. This program is designed to align the interests of such individuals with those of the stockholders of Core Molding Technologies by directly tying profit sharing payments to the performance of Core Molding Technologies. This program creates a profit sharing pool for all nonrepresented and salaried employees, including its executive officers, based upon percentages of the earnings before taxes of Core Molding Technologies that exceed pre-established thresholds. The thresholds are established by the Board of Directors and are intended to begin creating a profit sharing pool only after earnings before taxes exceeds a reasonable level. A total of \$1,284,000 was paid out to all nonrepresented and salaried employees, including its executive officers, under this bonus/profit-sharing plan in 2005 for the performance achieved in 2004.

13

STOCK OPTIONS AND EMPLOYEE STOCK PURCHASE PLAN

The Board of Directors grants stock options under the Core Molding Technologies, Inc. Long-Term Equity Incentive Plan to executives and salaried employees, which are intended to align the long-term interests of these individuals with the interests of the stockholders of Core Molding Technologies. The Board of Directors determines the options awarded to the executive officers based upon the subjective judgment and experience of the directors in compensating executive officers. Options for the executive officers are generally granted at or above fair market value and are subject to a ten-year vesting schedule.

In addition to the Long-Term Equity Incentive Plan, the stockholders of Core Molding Technologies approved in 2002 an Employee Stock Purchase Plan (the "Stock Purchase Plan"). Once effective, all eligible employees, including executive officers, may purchase shares pursuant to the Stock Purchase Plan through payroll deductions at a price equal to 85% of the fair market value of Core Molding Technologies' common stock.

BASIS FOR CHIEF EXECUTIVE OFFICER'S COMPENSATION

The Board of Directors established compensation for Mr. Simonton for 2004 in accordance with the information discussed above.

Submitted by the Board of Directors,

Thomas R. Cellitti
James F. Crowley
Ralph O. Hellmold
Thomas M. Hough
Malcolm M. Prine
James L. Simonton
John P. Wright

14

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Core Molding Technologies did not have a Compensation Committee during the

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

fiscal year ended December 31, 2004. Accordingly, the Board of Directors made all compensation decisions. Core Molding Technologies has entered into the following compensation arrangements with members of its Board of Directors:

RELATIONSHIP WITH MR. PRINE

Mr. Prine is the Chairman of the Board of Core Molding Technologies. Core Molding Technologies compensated Mr. Prine as a consultant for special services and advice that he provided to Core Molding Technologies. Since April 1, 2000, Mr. Prine has been compensated at a rate of \$8,000 per quarter for such service. This consulting service was terminated in the second quarter of 2003. Mr. Prine received a total of \$0 in cash compensation for such service during the year ended December 31, 2004, \$8,000 for the year ended December 31, 2003, and \$32,000 for the year ended December 31, 2002.

Finally, Mr. Prine was granted a stock option to purchase 70,000 shares of Core Molding Technologies' stock on February 4, 1998, as consideration for his services. The option vests in increments of 20% over a five-year period and expires on February 4, 2008. The option was granted at an exercise price of \$3.97 per share, representing the fair market value on the date of grant. In July 2003, Mr. Prine elected to have these options canceled as a part of Core Molding Technologies' option repricing tender offer. Mr. Prine was reissued 66,500 options on February 9, 2004 at an exercise price of \$3.21. The options are fully vested and expire on February 9, 2014.

RELATIONSHIP WITH MR. SIMONTON

On January 15, 2000, Mr. Simonton was elected President and Chief Executive Officer of Core Molding Technologies. Mr. Simonton has served as a director at Core Molding Technologies since May 28, 1998 and prior to becoming President of Core Molding Technologies, was an officer of International Truck and Engine Corporation. Sales to International represented approximately 54% of the total revenues of Core Molding Technologies for the fiscal year ended December 31, 2004. International is also a 44% stockholder in Core Molding Technologies. As a director, Mr. Simonton participates in deliberations of Core Molding Technologies' Board of Directors concerning executive officer compensation. However, Mr. Simonton has and intends to continue to abstain from participating in any actions of the Board of Directors affecting his compensation.

RELATIONSHIP WITH MR. HOUGH AND MR. CELLITTI

Mr. Hough and Mr. Cellitti are officers of International Truck and Engine Corporation and members of the Board of Directors of Core Molding Technologies. Sales to International represented approximately 54% of the total revenues of Core Molding Technologies for the fiscal year ended December 31, 2004. International is also a 44% stockholder in Core Molding Technologies.

RELATIONSHIP WITH MR. HELLMOLD

Mr. Hellmold is a member of the Board of Directors who has, from time to time, provided financial advisory services to International Truck and Engine Corporation through Hellmold Associates, Inc. and/or The Private Investment Banking Company, LLC, investment advisory firms in which Mr. Hellmold is principal. International is a 44% stockholder in Core Molding Technologies.

15

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors ("Committee") is composed of three directors, none of whom is an employee of Core Molding Technologies. The

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

Committee is governed by a charter as approved by the Board of Directors ("Board") on March 27, 2000, and reviewed and thereafter ratified by the Board at the Board's May 13, 2004 meeting. A copy of the charter is attached as Exhibit A. In accordance with its written charter, the Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of Core Molding Technologies.

During the year ended December 31, 2004, the Committee met seven times and the Committee chair, as representative of the Committee, discussed the interim financial information contained in quarterly earnings announcements with both management and the independent registered public accounting firm prior to the public release of quarterly information.

In discharging its oversight responsibility as to the audit process, the Committee obtained from Deloitte & Touche a formal written statement describing all relationships between Deloitte & Touche and Core Molding Technologies that might bear on their independence consistent with Independence Standards Board Standard No. 1 "Independence Discussions with Audit Committees," discussed with Deloitte & Touche, any relationships that may impact their objectivity and independence and satisfied itself as to their independence. The Committee also discussed with management and Deloitte & Touche the quality and adequacy of Core Molding Technologies' internal controls. The Committee reviewed with Deloitte & Touche their audit scope and their identification of audit risks.

The Committee discussed and reviewed with the Deloitte & Touche all communications required by auditing standards generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, as amended "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of Deloitte & Touche's examination of the financial statements.

The Committee reviewed the audited consolidated financial statements of Core Molding Technologies as of and for the year ended December 31, 2004, with management and Deloitte & Touche. Management has the responsibility for the preparation of the Company's financial statements and Deloitte & Touche has the responsibility for the examination of those statements.

Based on the above-mentioned review and discussions with management and Deloitte & Touche, the Committee recommended to the Board that audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE

James F. Crowley, Chairman
Ralph O. Hellmold
John P. Wright

16

AUDIT FEES

During the fiscal years ended December 31, 2004 and 2003, the aggregate fees billed for professional services rendered for the audit of the Core Molding Technologies annual financial statements and the review of financial statements included in Core Molding Technologies' Forms 10-Q were \$131,630 and \$184,740, respectively, which were paid to Deloitte & Touche.

AUDIT RELATED FEES

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

During the fiscal years ended December 31, 2004 and 2003, the aggregate fees billed for assurance and related services by Deloitte & Touche were \$0 and \$0, respectively.

TAX FEES

The aggregate fees billed to Core Molding Technologies for tax services by Deloitte & Touche for the fiscal years ended December 31, 2004 and 2003 were \$46,227 and \$31,285, respectively.

ALL OTHER FEES

The aggregate fees billed for professional services rendered by Deloitte & Touche for all other products and services provided for the fiscal years ended December 31, 2004 and 2003 were \$4,350 and \$12,960, respectively. The services rendered by Deloitte & Touche in 2004 primarily related to property tax consulting services. The services rendered by Deloitte & Touche in 2003 primarily related to valuation services related to Core Molding Technologies postretirement benefit programs.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

RELATIONSHIP WITH INTERNATIONAL TRUCK AND ENGINE CORPORATION (INTERNATIONAL)

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

On October 8, 1996, RYMAC Mortgage Investment Corporation, a Maryland corporation, formed Core Molding Technologies as a wholly owned subsidiary under the laws of the State of Delaware. RYMAC incorporated Core Molding Technologies in order to acquire substantially all of the assets of the Columbus Plastics operating unit of International Truck and Engine Corp.

Pursuant to the terms of the asset purchase agreement with International, Core Molding Technologies acquired substantially all of the assets and liabilities of Columbus Plastics on December 31, 1996. As consideration, International received a secured note in the principal amount of \$25,504,000. International also received 4,264,000 shares of newly issued common stock of Core Molding Technologies, representing approximately 45% of the total number of shares of common stock issued and outstanding at the time of the acquisition. The principal amount of the secured note and the number of shares of common stock received by International were subject to adjustment pursuant to the terms of the asset purchase agreement.

International's acquisition of common stock of Core Molding Technologies made it the largest stockholder of Core Molding Technologies. The certificate of incorporation of Core Molding Technologies protects this position by limiting the possibility of a change in ownership or control. For instance, the certificate of incorporation requires a super-majority vote to remove directors or to approve certain extraordinary corporate transactions, including mergers and acquisitions. The certificate of incorporation also restricts transfers of securities, which could result in a change of ownership of a specified percentage in Core Molding Technologies. This restrictive transfer provision is discussed below under the heading "Limitation on Ownership."

International's status as the largest stockholder of Core Molding Technologies has allowed International in the past, and will allow International at the annual meeting, to influence the composition of the Board of Directors. Core Molding Technologies anticipates that the stockholders will elect Mr. Hough and Mr. Cellitti, currently officers of International, as directors of Core Molding Technologies at the annual meeting.

In addition to being the largest stockholder of Core Molding Technologies, International is also a significant customer of Core Molding Technologies with sales to International representing approximately 54% of total revenues of Core Molding Technologies during the fiscal year ended December 31, 2004. Core Molding Technologies and International entered into a registration rights agreement at the time of the merger and acquisition under which Core Molding Technologies granted to International demand and piggy-back rights with respect to the registration for sale under the Securities Act of 1933 of the shares of common stock received pursuant to the asset purchase agreement.

OTHER MATERIAL RELATIONSHIPS

Core Molding Technologies has entered into material arrangements with members of its Board of Directors which arrangements are discussed above under the heading "Compensation Committee Interlocks and Insider Participation."

LIMITATION ON OWNERSHIP

The certificate of incorporation of Core Molding Technologies contains a prohibited transfer provision, which was designed at the time of the merger and acquisition to help assure the continued availability of Core Molding Technologies' substantial net operating losses by seeking to prevent an ownership change in Core Molding Technologies.

The prohibited transfer provision prohibits a transfer of stock of Core Molding Technologies if the transfer will cause the transferee to hold a

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

prohibited ownership percentage or if the transferee's ownership percentage already exceeds the prohibited ownership percentage. The prohibited transfer provision defines "stock" as including all classes of stock, options to purchase stock or any other interest in Core Molding Technologies that could be treated as stock. A prohibited ownership percentage generally means direct and indirect ownership of

19

4.5% or more of the stock or any other percentage that would cause a transferee to be considered a five percent stockholder under the federal income tax rules referenced in the certificate of incorporation.

The prohibited transfer provision did not apply to the issuance of stock to International pursuant to the asset purchase agreement and will not restrict certain transfers that are made in compliance with exceptions set forth in the prohibited transfer provision.

In addition, Core Molding Technologies' Certificate of Incorporation and By-laws contain certain provisions designed to discourage specific types of transactions involving an actual or threatened change of control of Core Molding Technologies. These provisions, which are designed to make it more difficult to change majority control of the Board of Directors without its consent, include the following:

Removal of Directors -- This provision provides that a director of Core Molding Technologies may be removed with or without cause only upon the vote of the holders of at least 80% of the voting power of the outstanding shares of capital stock entitled to vote generally in the election of directors.

Supermajority Approval -- This provision requires that a merger and certain other transactions (as outlined in the Certificate of Incorporation) be approved by the affirmative vote of the holders of at least 66 2/3% of the then outstanding shares of Core Molding Technologies' common stock. Such affirmative vote is required notwithstanding the fact that no vote may be required, or that a lesser percentage may be specified by law.

Amendments -- This provision requires that any amendment to the provisions relating to the removal of directors be approved by the holders of at least 80% of the then outstanding shares of voting stock, and any amendment to provisions requiring the approval of the holders of at least 66 2/3% of the then outstanding shares of voting stock be approved by the holders of at least 66 2/3% of the then outstanding shares of voting stock.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

COMPOSITION OF THE BOARD OF DIRECTORS

The Board of Directors currently consists of seven members. At the annual meeting, the stockholders will elect seven directors to hold office until the election and qualification of their successors at the next annual meeting of stockholders or until their earlier resignation, death, disqualification or removal from office.

The intention of the proxies is to vote the shares of common stock they represent for the election of Thomas R. Cellitti, James F. Crowley, Ralph O. Hellmold, Thomas M. Hough, Malcolm M. Prine, James L. Simonton and John P. Wright unless the proxy is marked to indicate that such authorization is

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

expressly withheld. Each of the nominees is currently a member of the Board of Directors. All of the nominees have stated their willingness to serve and Core Molding Technologies is not aware of any reason that would cause any of the nominees to be unavailable to serve as a director should they be elected at the annual meeting. If any of the nominees should become unavailable for election, the proxies may exercise discretionary authority to vote for a substitute nominee proposed by the Board of Directors. Information with respect to the background and experience of each of the seven nominees is set forth above under the heading "Directors and Executive Officers of Core Molding Technologies."

Under Delaware law and the bylaws of Core Molding Technologies, the stockholders will elect as directors the seven nominees receiving the greatest number of votes. Core Molding Technologies will count shares of common stock as to which voting authority is withheld for quorum purposes but will not count those shares toward the election of directors or toward the election of individual nominees specified in the form of proxy.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF MESSRS. CELLITTI, CROWLEY, HELLMOLD, HOUGH, PRINE, SIMONTON AND WRIGHT.

20

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed the firm of Deloitte & Touche to audit the financial statements of Core Molding Technologies for the fiscal year ending December 31, 2005. Core Molding Technologies expects a representative of Deloitte & Touche to attend the annual meeting. Core Molding Technologies will provide the representative with an opportunity to make a statement if he or she desires to do so. Core Molding Technologies expects that the representative will be available to respond to appropriate questions.

Core Molding Technologies is presenting the appointment of Deloitte & Touche as independent registered public accounting firm to the stockholders for ratification at the annual meeting. While ratification by stockholders of this appointment is not required by law or the certificate of incorporation or bylaws of Core Molding Technologies, management believes that such ratification is desirable. In the event this appointment is not ratified by a majority vote of stockholders, the Audit Committee will consider that fact when it appoints an independent registered public accounting firm for the next fiscal year. The Board has adopted policies requiring the Audit Committee to pre-approve all audit and non-audit services provided by Core Molding Technologies' independent registered public accounting firm. All auditing services and non-audit services provided by Deloitte & Touche for the year ended December 31, 2004 have been approved by the Audit Committee.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF DELOITTE & TOUCHE LLP.

OTHER MATTERS

The management of Core Molding Technologies and the Board of Directors of Core Molding Technologies know of no matters to be brought before the annual meeting other than as set forth above. If, however, any other matters are properly presented to the stockholders for action, it is the intention of the persons named in the proxy to vote at their discretion on all matters on which the shares of common stock represented by such proxies are entitled to vote.

BY ORDER OF THE BOARD OF DIRECTORS

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

Malcolm M. Prine
Chairman of the Board

Dated: April 15, 2005

CORE MOLDING TECHNOLOGIES, INC.

AUDIT COMMITTEE CHARTER

The Audit Committee is appointed by the Board of Directors of Core Molding Technologies, Inc. (the "Corporation") to assist the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and reporting practices of the corporation and other such duties as directed by the Board.

The membership of the committee shall consist of at least three independent directors who are generally knowledgeable in financial and auditing matters, including at least one member with accounting or related financial management expertise. Once a year, there will be a written affirmation of compliance to The American Stock Exchange on the financial literacy of all Audit Committee members and the financial management expertise of one member. Each member shall be free of any relationship that, in the opinion of the board, would interfere with his or her individual exercise of independent judgment, and shall meet the composition requirements as set forth in the Audit Committee standards of The American Stock Exchange and as both may be amended over time. One of the Audit Committee members shall be appointed by the Board to chair the Audit Committee. He or she shall be responsible for leadership of the committee, including reviewing the agenda, presiding over the meetings, making committee assignments and reporting to the board of directors. The chairperson will also maintain regular liaison with the management of the corporation, and the lead independent audit partner.

The committee is empowered to investigate any matter brought to its attention, with full power to retain outside counsel or other experts for this purpose. In carrying out these responsibilities, the Committee shall have full access to the independent public accountants, the general counsel, any of the Corporation's non-employee attorneys and advisors, and executive and financial management in scheduled joint sessions or private meetings. Similarly, the Corporation's independent public accountants, general counsel, and executive and financial management will have full access to the Committee and to the Board of Directors and each is responsible for bringing before this Committee or its Chair in a timely manner any matter he/she feels appropriate to the discharge of the Committee's responsibility.

The Audit Committee will reassess the Charter annually and present it to the Board for their formal review and approval. There will be an annual written affirmation of compliance addressed to The American Stock Exchange that the Board has approved the Charter. The Audit Committee will publish an annual statement in the proxy statement, which sets forth the composition of the Audit Committee along with a discussion of the actions taken during the year. In addition, the Audit Committee Charter will be published in the annual report or proxy statement every year.

The function of the Audit Committee shall be to advise Management and to exercise the following powers and duties with respect to the following matters involving the Corporation and, unless otherwise specified, any of its direct or

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

indirect subsidiaries ("Corporation"):

1. Review Corporation's annual financial statements, annual reports, registration statements, and material amendments to any of them, as filed with the U.S. Securities and Exchange Commission; and recommend to the Board the inclusion of the company's audited financial statements in the company's annual report on Form 10-K. The review shall include consideration of the quality of the Corporation's accounting principles as applied in its financial reporting.
2. Review with management and the independent auditor the quarterly financial information prior to the Corporation's filing of the Form 10-Q. This review may be performed by the committee or its chairperson.
3. Review the Corporation's programs for compliance with the financial disclosure requirements of applicable law.
4. Review the auditing of the Corporation's accounts with the independent public accountant, including the plan, and the results of their auditing engagements.

A-1

5. Select and retain the independent public accountant to audit the financial statements of the Corporation. In so doing, the committee will request from the public accountant a written affirmation that the public accountant is in fact independent, discuss with the public accountant any relationships that may impact the auditor's independence, and recommend to the Board any actions necessary to oversee the public accountant's independence. The independent public accountant is ultimately accountable to the Board of Directors and the Audit Committee.
6. Review the Corporation's processes to maintain an adequate system of internal controls.
7. Discuss with management the status of pending litigation, taxation matters and other areas of oversight to the legal and compliance area as may be appropriate.
8. Present to the Board any proposal received from any shareholder concerning any of the foregoing matters, which the shareholder proposes to present for action by the Corporation's shareholders.
9. Perform such other duties and responsibilities as may be assigned to the Audit Committee by the Board.

CORE MOLDING TECHNOLOGIES, INC.

Charter of the Nominating Committee of the Board of Directors

I. Structure of Committee

This Charter governs the structure and operation of the Nominating Committee (the "Committee"). The Committee's role, as more specifically described below, is to identify and evaluate persons qualified for presentation

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

as Director nominees, to present to the Board of Directors (the "Board") qualified slates of nominees for election to the Board by the Company's shareholders, to recommend candidates to fill vacancies occurring between annual shareholder meetings and to carry out all obligations imposed upon a nominating committee pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC") and of the American Stock Exchange ("AMEX") as the same may be applicable from time to time.

The Committee shall be comprised of all members of the Board of Directors with a majority of independent Directors (under AMEX rules) required to effect a decision. Each member shall serve for a term expiring at the next annual meeting of Directors and may be removed by the Board at any time.

II. Meetings

The Committee shall meet as often as deemed necessary. Electronic participation in meetings is acceptable if effected in compliance with the Company's Bylaws. The Committee shall have authority, in its areas of responsibility, to retain at Company expense independent advisors and to approve and require payment of fees charged by such advisors. In the performance of its duties, the Committee and its Members shall have unrestricted access to management.

The Committee shall cause appropriate minutes to be prepared and preserved with respect to its proceedings and shall report its actions to the next following meeting of the Board.

III. Duties and Responsibilities

In discharging its duties, the Committee shall perform the following activities as well as such additional activities as it deems appropriate in light of then applicable rules and regulations of the SEC and AMEX:

A. To identify and review, in consultation with the Company's Chief Executive Officer, candidates for the Board of Directors and to recommend to the Board candidates for election to the Board. Such recommendation shall disclose the source from which the recommendation of such candidate came.

B. To evaluate and measure those skills and accomplishments which should be possessed by a prospective member of the Board given the then membership of the Board, including such factors as the ethical values, personal integrity and business reputation of the candidate, his or her financial acumen, reputation for effective exercise of sound business judgment, strategic planning capability, indicated interest in providing attention to the duties of a member of the Board, contribution of a diverse frame of reference, personal skills in marketing, manufacturing processes, technology or in other areas where such person's talents may contribute to the effective performance by the Board of its responsibilities.

C. To review the Committee Charter from time to time for adequacy in light of current conditions and to recommend any appropriate changes to the Board, including, without limitation, those changes which may be required by the SEC with respect to the process of receipt and review of recommendations from shareholders regarding possible Board candidates.

D. To consider and review the qualifications of those Director candidates recommended by shareholders in a fair and unbiased manner and by application of the same tests and standards which are considered in connection with candidates independently identified by the Committee or otherwise brought to its attention including, without limitation, those factors described in III. B., above. In order to allow the Committee

Edgar Filing: CORE MOLDING TECHNOLOGIES INC - Form DEF 14A

sufficient time to evaluate candidates relative to the standards set forth in this Charter, recommendations from shareholders regarding candidates must be delivered to the Company's Secretary at least 90 days prior

B-1

to the Company's annual meeting, provided that recommendations received after such deadline may still be considered if the Committee determines that their review process will not be compromised by such delinquent notice. Such recommendations must be in writing and must include a biographical description of the prior relevant activities of the proposed candidate and the views of the recommending shareholder regarding his or her qualifications. Such recommendations must be accompanied a written statement from the proposed candidate agreeing to be identified in the proxy statement as a nominee and, if elected, to serve as a Director.

E. To report to the Board regarding the number and identity of Directors who were present and who were absent at the most recent annual shareholders meeting and to encourage attendance by Board Members at all shareholder annual meetings.

F. To develop and, following approval thereof by the Board, to implement a process for the receipt of communications from shareholders to Directors.
