On September 11, 2006, Dana Corporation (Dana) issued a news release announcing that it and two affiliates have entered into asset purchase agreements with Hendrickson USA, L.L.C. and its affiliates for the sale of Dana's trailer axle manufacturing business. The text of the release is set out in the attached Exhibit 99.1. As announced in the release, the agreements provide for the buyers to acquire certain assets located in Lugoff, South Carolina; Barrie, Ontario, Canada; and Wuxi, China that are used to manufacture heavy-duty trailer axles and suspensions for an aggregate price of approximately \$38 million in cash, and to assume certain liabilities related to the business. The transactions are subject to the approval of the United States Bankruptcy Court for the Southern District of New York, which has jurisdiction over Dana's bankruptcy case, In re Dana Corporation, et al., Case No.

06-10354 (BRL). Dana has filed a motion with the Bankruptcy Court seeking approval of procedures that will provide an opportunity for competitive bids on the trailer axle assets before the sale is approved by the Court. While there can be no assurances, Dana expects the bidding process to be completed and the sale to close in the fourth quarter of 2006.
