**\$135,000,000**

**INVACARE CORPORATION**

**4.125% CONVERTIBLE SENIOR SUBORDINATED DEBENTURES DUE 2027 AND  
THE COMMON SHARES ISSUABLE UPON CONVERSION OF THE DEBENTURES**

The information in this prospectus supplement concerning the selling securityholders supplements the statements set forth under the caption "Selling Securityholders" in the prospectus. To the extent inconsistent, the information in this prospectus supplement supercedes the information contained in the prospectus. Capitalized terms used and not defined in this prospectus supplement shall have the meanings given to them in the prospectus. The information set forth in the prospectus under the caption "Selling Securityholders" is supplemented as follows:

**SELLING SECURITYHOLDERS**

We originally issued \$135,000,000 aggregate principal amount of the debentures to the initial purchasers in a private placement on February 12, 2007. The initial purchasers resold the notes in transactions exempt from the registration requirements of the Securities Act to persons reasonably believed by the initial purchasers to be qualified institutional buyers within the meaning of Rule 144A under the Securities Act. Selling securityholders, including their transferees, pledges or donees or their successors, may from time to time offer and sell pursuant to this prospectus any or all of the debentures and the common shares issuable upon conversion of the debentures.

The following table sets forth certain information with respect to the principal amounts of the debentures owned by the selling securityholders prior to the offering, together with common shares initially issuable upon conversion of those debentures (not including shares that we may issue to such holders in payment of any applicable make-whole premiums or under the other adjustment provisions contained in the indenture), that may be offered using this prospectus. The information is based on information provided to us by or on behalf of the selling securityholders in selling securityholder questionnaires and is as of the respective dates specified by the selling securityholders in such questionnaires. The selling securityholders identified below may have sold, transferred or otherwise disposed of, in transactions exempt from the registration requirements under the Securities Act, all or a portion of their debentures since the time they provided us information regarding their holdings. Information concerning the selling securityholders may change from time to time and any changed information will be set forth in supplements to this prospectus, if any.

Since the selling securityholders may offer from time to time all or a portion of their debentures (and the common shares issuable upon conversion of the debentures), we cannot estimate the amount of the debentures (or common shares issuable upon conversion of the debentures) that will be held by the selling securityholders upon consummation of any particular offering. See "Plan of Distribution."

None of the selling securityholders listed below has, or within the past three years has had, any position, office or other material relationship with us or any of our predecessors or affiliates.

Only selling securityholders identified below or in a supplement or amendment to this prospectus may sell their securities under the registration statement. Prior to any use of this prospectus in connection with an offering of the debentures or the common shares issuable upon conversion of the debentures by any holder not identified below, this prospectus will be supplemented or amended to set forth the name and other information about the selling securityholder intending to sell such debentures or common shares. The prospectus supplement or post-effective amendment will also disclose whether any selling securityholder selling in connection with such prospectus supplement or post-effective amendment has held any position or office with, been employed by or otherwise has had a material relationship with, us or any of our affiliates during the three years prior to the date of the prospectus supplement or post-effective amendment if such information has not been disclosed in this prospectus.
