This Amendment No. 3 amends and restates in its entirety the Statement on Schedule 13D initially filed on June 7, 1999, with the Securities and Exchange Commission (the "SEC") by RWE Aktiengesellschaft, a corporation organized under the laws of the Federal Republic of Germany ("RWE"), as previously amended by Amendment No. 1 filed with the SEC by RWE on September 5, 2001, and Amendment No. 2 filed with the SEC by RWE on June 2, 2003 (such Schedule 13D as previously amended, the "Schedule 13D"), which Schedule 13D relates to the common stock, par value \$.01 per share, of CONSOL Energy Inc.

Item 1. Security and Issuer

The title of the class of equity securities to which this statement relates is common stock, par value \$.01 per share, of CONSOL Energy Inc. (the "Common Stock"), a Delaware corporation (the "Issuer"). The address of the principal executive offices of the Issuer is Consol Plaza, 1800 Washington Road, Pittsburgh, Pennsylvania 15241.

Item 2. Identity and Background

The person filing this statement is RWE Aktiengesellschaft, a corporation organized under the laws of the Federal Republic of Germany ("RWE"). The principal business of RWE is that of a holding company of a group of companies active mainly in the energy, water and environmental businesses. The address of RWE's principal business and principal office is Opernplatz 1,

Edgar Filing: CONSOL ENERGY INC - Form SC 13D/A

45128 Essen, Federal Republic of Germany.

The (i) name, (ii) residence or business address, (iii) present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted, and (iv) citizenship of each member of the Executive Board and each member of the Supervisory Board of RWE are set forth on Schedule A attached hereto.

During the last five years, neither RWE nor, to the best of its knowledge, any natural person identified on Schedule A (a) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, United States federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

This statement presently only relates to the disposition of Common Stock.

Item 4. Purpose of Transaction

The initial acquisition of Common Stock by subsidiaries of RWE was solely for investment purposes. On May 28, 2003, RWE announced that, in connection with its review of its existing investments, RWE was considering the disposition of some or all of the Common Stock owned by RWE's wholly owned subsidiary, RWE Rheinbraun Aktiengesellschaft

4

("Rheinbraun"). On September 18, 2003, Rheinbraun, through which RWE beneficially owns all of its Common Stock, agreed to sell 14,100,000 shares at a price of \$17.82 per share to a number of investors in a private placement that is scheduled to close on September 23, 2003. Rheinbraun will pay a placement fee of 50 cents per share to the placement agent. The Placement Agreement dated September 18, 2003 (the "Placement Agreement"), covering this transaction is filed as Exhibit 1 hereto and is incorporated herein by reference. At the closing, pursuant to an Option Agreement between Rheinbraun and the placement agent for the private placement, Rheinbraun will grant to the placement agent the right (the "Placement Right") to place all or a portion of Rheinbraun's remaining Common Stock for a period beginning on the date of closing of the private placement and ending on the earlier of (i) 90 days thereafter or (ii) 30 days following the date of effectiveness of the registration statement the Issuer has agreed to file under a registration rights agreement entered into for the benefit of the private investors, subject to extension in certain events. Should the exercise of the Placement Right result in shares being sold at a purchase price in excess of \$17.82, Rheinbraun has granted to the investors in the initial private placement a pro rata right to receive the amount by which such purchase price exceeds \$17.82. Should Rheinbraun still own any Common Stock at the time of expiration of the Placement Right, RWE intends, subject to market conditions, to seek to dispose of all or as much of such remaining Common Stock as reasonably practicable thereafter through open market or private sales, underwritten offerings or otherwise. It is possible that Rheinbraun may not sell any Common Stock in the

Edgar Filing: CONSOL ENERGY INC - Form SC 13D/A

future and, while it has no present intention to do so, RWE or one of its subsidiaries may decide to purchase Common Stock. The Form of Option Agreement is attached as Exhibit 2 hereto and is incorporated herein by reference.

The current board of directors of the Issuer consists of eight members. Four of those members are representatives of Rheinbraun. After the closing of the private placement described above, the placement agent will select one additional director to be nominated to the Issuer's board of directors. It is further contemplated that following the private placement described above, and the sale of Common Stock by exercise of the Placement Right, Rheinbraun's representatives on the Issuer's board of directors shall be reduced as follows: (i) one representative of Rheinbraun will resign from the Issuer's board of directors if Rheinbraun's holdings of Common Stock fall to 39% or below but remain in excess of 25% of all outstanding Common Stock, (ii) a cumulative total of two representatives of Rheinbraun will resign from the Issuer's board of directors if Rheinbraun's holdings of Common Stock fall to 25% or below but remain in excess of 15% of all outstanding Common Stock, (iii) a cumulative total of three representatives of Rheinbraun will resign from the Issuer's board of directors if Rheinbraun's holdings of Common Stock fall to 15% or below but remain in excess of 5% of all outstanding Common Stock, and (iv) all representatives of Rheinbraun will resign from the Issuer's board of directors if Rheinbraun's holdings of Common Stock fall to 5% or below of all outstanding Shares.

Other than as set forth in this statement, Rheinbraun has no current plans which relate to or would result in any of the events described in Items (a) through (j) of the instructions to this Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

5

(a) As of the date of this statement, the aggregate amount of Common Stock beneficially owned by RWE is 57,997,357 shares, representing approximately 73.6% of the total number of shares of Common Stock outstanding (based on the 78,762,586 shares represented by the Issuer as outstanding as of April 30, 2003 in its Quarterly Report on Form 10-Q/A for the period ended March 31, 2001). RWE beneficially owns the 57,997,357 shares through its wholly owned subsidiary, Rheinbraun. Upon closing of the private placement described above in Item 4, RWE expects to beneficially own 43,897,357 shares, representing approximately 48.9% of the total amount of Common Stock anticipated to be outstanding at the time (based on an aggregation of the 78,762,586 shares represented by the Issuer as outstanding on April 30, 2003 and the 11,000,000 shares expected to be issued by the Issuer concurrently with the closing of RWE's sale of Common Stock in the private placement).

(b) Rheinbraun has sole power to vote or direct the vote and to dispose or direct the disposition of the shares that are the subject of this Schedule 13D. By reason of its ownership of Rheinbraun, RWE may be deemed to have the power to vote or direct the vote and to dispose or direct the disposition of the shares that are the subject of this Schedule 13D. By reason of its Placement Right, the placement agent may be deemed to share the power to dispose or direct the disposition of the shares that are the subject of this Schedule 13D.

(c) Other than the agreement to sell 14,100,000 shares and the granting of the Placement Right in connection with the private placement described in Item 4, there has been no transaction in the Common Stock effected by RWE or its

Edgar Filing: CONSOL ENERGY INC - Form SC 13D/A

subsidiaries within the past sixty days. To the best knowledge of RWE, no natural person identified on Schedule A has engaged in any transaction in the Common Stock within the past sixty days.

(d) The investors purchasing shares in the private placement described in Item 4 have the right to receive a portion of the proceeds of the sale of RWE's shares subject to the Placement Right as described in Item 4.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer

RWE has certain registration rights pursuant to an agreement (the "Registration Rights Agreement") among the Issuer, Rheinbraun and Rheinbraun U.S. GmbH (subsequently merged into Rheinbraun). The Registration Rights Agreement, as amended by the First Amendment (by letter agreement) and Second Amendment thereto is attached as Exhibits 3, 4 and 5, respectively, hereto and is incorporated herein by reference.

Effective July 1, 2001, RWE instituted a new policy concerning compensation received by employees of RWE and of its subsidiaries (the "RWE Group") for their service as directors of any member company of the RWE Group. To the extent that the compensation received by any such director exceeds a specified level, he or she must turn over the excess to the RWE Group company that is his or her principal employer. The value of stock options received by any such director, as measured on the date of exercise, is considered to be part of his or her

6

total compensation and is therefore subject to the policy. Thus, under certain circumstances, RWE may have a pecuniary interest in the stock options of the Issuer held from time to time by those directors of the Issuer who are employed by RWE or an RWE Group company. Under no circumstances, however, does the policy result in any RWE Group company acquiring the right to vote or dispose (or to direct the voting or disposition) of any such stock option or the Common Stock that may be acquired upon exercise of the option. Directors of the Issuer who are principally employed by the Issuer are not subject to the policy.

In connection with the private placement described in Item 4, Rheinbraun has entered into the Placement Agency Agreement with the Issuer and the placement agent and expects to enter into the Option Agreement with the placement agent.

Other than as set forth in this Item 6, there are no contracts, arrangements, understandings or relationships with respect to any securities of the Issuer to which RWE or any of the natural persons identified on Schedule A is a party.
