In connection with the annual renewal of its policy, the Company's Board of Directors has approved an increase of the amount of its director and officer liability insurance coverage to \$50,000,000 from \$25,000,000, which includes, because Woodside's obtaining the consents it seeks would cause the D&O policy to automatically terminate, the purchase of a six year runoff provision of the type that is typically acquired in conjunction with a consensual sale or merger that would become effective upon the occurrence of a change of control. The total premium for the policy is approximately \$2.2 million, subject to reimbursement of a portion of the premium in certain circumstances (including if there is no change of control).
