## **SECTION 5 - CORPORATE GOVERNANCE AND MANAGEMENT**

### **ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.**

#### **Adoption of the SYSCO Corporation 2007 Stock Incentive Plan**

On November 9, 2007, the stockholders of SYSCO Corporation ("SYSCO" or the "Company") approved the SYSCO Corporation 2007 Stock Incentive Plan (the "Plan"), which was submitted to the stockholders for approval at SYSCO's 2007 Annual Meeting of Stockholders.

Key features of the Plan include the following:

- The Plan replaces SYSCO's 2004 Stock Option Plan.
- The Plan is currently administered by the Compensation Committee (the "Committee") of the Company's Board of Directors, which is comprised solely of independent, non-employee directors.
- All employees of SYSCO and its subsidiaries selected by the Committee are eligible to participate in the Plan.
- The award types available for grant under the Plan are Stock Options ("Options"), Restricted Stock, Restricted Stock Units, other Stock-Based Awards, Stock Appreciation Rights ("SARs") and dividend equivalent payments, which may only be granted with respect to Restricted Stock Units.
- Options may be issued as incentive stock options ("ISOs") under Section 422 of the Internal Revenue Code of 1986, as amended, or as non-qualified stock options.
- It is a seven-year plan with a 30.0 million share authorization, of which 25.0 million are authorized to be issued as options or SARs and, except as provided below, up to 5.0 million are authorized to be issued as other types of awards, including restricted stock; provided, however, that to the extent that more than 5.0 million shares are issued pursuant to such other awards, each share issued above 5.0 million will reduce the total shares available under the Plan by four shares.
- SYSCO's three-year rolling average annual usage of shares under the Plan may not exceed 1-1/2% of SYSCO's outstanding stock on the first day of the fiscal year in which grants are being made.
- Options and/or SARs relating to no more than 750,000 shares may be granted to any individual in any given fiscal year, and all awards other than Options and SARs granted to any individual in any given fiscal year are limited to no more than 250,000 shares.
- An award of Restricted Stock Units may provide the grantee with the right to receive dividend equivalent payments with respect to stock subject to the award. Other Stock-Based Awards may not be granted with the right to receive dividend equivalent payments.
- The Plan requires stockholder approval in order to: increase the number of shares that may be issued under the Plan (except by certain adjustments provided for under the Plan), change the class of persons eligible to receive ISOs under the Plan, change the requirements regarding the exercise price of Options or SARs, reprice outstanding

awards, grant discounted options or reload stock options, accelerate payment or vesting of any award other than for death, disability or retirement or a change in control, or make any material changes.

- Options and SARs granted under the Plan will have a maximum term of seven years.
- Vesting of awards will be determined by the Committee, however, awards will be subject to a minimum ratable vesting period of three years, except for awards conditioned on the attainment of Performance Goals (as defined in the Plan).
- Option and SAR exercise prices may not be less than fair market value on the date of grant. Fair market value is defined in the Plan to be closing price on the New York Stock Exchange on the trading day prior to grant.

Additional information regarding the Plan can be found on pages 63 through 71 of SYSCO's proxy statement filed on Schedule 14A with the U.S. Securities and Exchange Commission ("SEC") on September 26, 2007. The Plan is contained in Annex A of the proxy statement and is incorporated herein by reference.

### **Adoption of the Fourth Amended and Restated SYSCO Corporation Executive Deferred Compensation Plan**

On November 8, 2007, the Board of Directors adopted the Fourth Amended and Restated SYSCO Corporation Executive Deferred Compensation Plan (the "EDCP"), which replaces the Third Amended and Restated SYSCO Corporation Executive Deferred Compensation Plan. Each of the officers named below (the "Participating Executive Officers") is a current participant in the EDCP:

Richard J. Schnieders  
Chairman and Chief Executive Officer

Kenneth F. Spitler  
President and Chief Operating Officer

William J. DeLaney  
Executive Vice President and Chief Financial Officer

Larry J. Accardi  
Executive Vice President, Sales

Larry G. Pulliam  
Executive Vice President, Global Sourcing and Supply Chain

The amendments reflected by the recent restatement are effective retroactively to January 1, 2005 and apply to all accounts under the EDCP existing on and after January 1, 2005. In addition to certain changes the Company made in response to the issuance of final regulations by the U.S. Department of Treasury under Section 409A of the Internal Revenue Code of 1986, the material amendments to the EDCP achieve the following:

- Clarify and strengthen the non-compete provisions by extending their duration from two years to five; adding prohibitions against solicitation of customers and employees; eliminating a 60-day cure period; and providing that the document will be governed by Delaware law, which management believes increases the likelihood that the EDCP's forfeiture provisions will be enforceable;
- Impose mandatory arbitration in the event of disputes; and

- Remove the two-year limitations period for making a claim against the company.

Further information concerning the terms and conditions of the EDCP and potential earnings thereunder is contained in the Company's proxy statement which was filed with the U.S. Securities and Exchange Commission (the "SEC") on September 26, 2007, under the caption "Compensation Discussion and Analysis - Retirement/Career Incentives -- Nonqualified Deferred Compensation Plan" beginning on page 31, and under the caption "Executive Compensation - Non-Qualified Deferred Compensation" beginning on page 49. All of the above-referenced information set forth in the proxy statement is incorporated by reference into this Form 8-K.

#### **Amendment to the 2004 Mid-Term Incentive Plan**

On November 8, 2007, the Compensation Committee (the "Committee") of the Company's Board of Directors amended the Company's 2004 Mid-Term Incentive Plan (formerly the 2004 Long-Term Incentive Cash Plan). The Committee changed the name of the plan to the 2004 Cash Performance Unit Plan (the "CPU Plan") and made other revisions in response to the issuance of final regulations by the U.S. Department of Treasury under Section 409A of the Internal Revenue Code of 1986. All of the changes are effective retroactively to September 3, 2004 and apply to all currently outstanding awards.

Further information concerning the terms and conditions of the CPU Plan is contained in the Company's proxy statement which was filed with the SEC on September 26, 2007, under the caption "Compensation Discussion and Analysis - Longer-Term Incentives - Cash Performance Units" beginning on page 29, and under the caption "Executive Compensation - Mid-Term Incentive Plan" beginning on page 39. Information concerning CPU awards for fiscal 2008-2010 is contained in the Company's current report on Form 8-K which was filed with the SEC on September 24, 2007. The above-referenced information set forth in the 2007 proxy statement and September 24, 2007 8-K is incorporated by reference into this Form 8-K.
