Item 5. Other Events.

On September 5, 2003, Avalon Digital Marketing Systems, Inc., a Delaware corporation ("Avalon" or the "Company") filed a voluntary petition for reorganization under Chapter 11 of the United States Bankruptcy Code (the "Code"). The filing was made in the United States Bankruptcy Court in Salt Lake City, Utah (the "Bankruptcy Court"). The case has been assigned to Judge Glen E. Clark and the case is being administered under Case Number 03-35180.

Pursuant to Bankruptcy Rule 2015 and the United States Trustee's Operating Guidelines and Reporting Requirements for Chapter 11 cases, the Company is obligated to file monthly operating reports (the "Operating Reports") with the Bankruptcy Court. In accordance with the Commission's general guidance as set forth in SEC Release No. 34-9660, the Company is filing portions of Operating Reports under cover of Form 8-K in lieu of the reports the Company otherwise would be required to file under the Securities Exchange Act of 1934, as amended (the "Exchange Act") including quarterly and annual reports on Forms 10-Q and 10-K, respectively.

The Company's unconsolidated, unaudited balance sheets and income statements from its Operating Reports for the periods from December 1, 2003 to December 31, 2003 are filed as Exhibit 99.1 hereto and incorporated by reference herein.

The Company cautions readers not to place undue reliance upon the information

contained in the Operating Reports since they contain unaudited information, and are in a format prescribed by applicable bankruptcy laws. There can be no assurance that the Operating Reports are complete. The Operating Reports also contain information for periods that may be shorter or otherwise are different from reports the Company otherwise would file pursuant to the Exchange Act. Moreover, the Operating Reports and other communications from the Company may include forward-looking statements subject to various assumptions regarding the Company's operating performance that may not be realized and are subject to significant business, economic and competitive uncertainties and contingencies many of which are beyond the Company's control. Consequently such matters should not be regarded as a representation or warranty by the Company that such matters will be realized or are indicative of the Company's financial condition or operating results for future periods. Actual results for such periods may differ materially from the information contained in the Operating Reports and the Company undertakes no obligation to update or revise the Operating Reports.
