Edgar Filing: NN INC - Form DEF 14A

Voting; Quorum; Proxies

Each share of Common Stock outstanding on the Record Date is entitled to one vote on each matter submitted to a vote of shareholders at the Annual Meeting. A quorum for the conduct of business is established when the holders of at least a majority of the outstanding shares of Common Stock entitled to vote in the election of directors is present at the meeting or is represented by proxy. Representatives of the Company will serve as inspectors of election for the Annual Meeting.

Shares represented by a properly executed proxy will be voted at the Annual Meeting in the manner specified. In the absence of specific instructions, shares represented by a properly executed proxy will be voted for each of the nominees for election to the Board of Directors named herein, for approval of the 2005 Stock Incentive Plan and for the proposal to ratify the selection of PricewaterhouseCoopers LLP to serve as the Company's registered independent public accounting firm for 2005.

The Board of Directors does not now intend to bring before the Annual Meeting any matters other than those disclosed in the Notice, and it is not aware of any business that any other persons intend to bring before the Annual Meeting. Should any such matter requiring a vote of the shareholders arise, the enclosed form of proxy confers upon the persons named therein the discretionary authority to vote the shares represented by the proxy as they deem appropriate.

A proxy may be revoked at any time before it is exercised by delivery to the Secretary of the Company of a written revocation or a subsequently dated proxy and will be deemed revoked if the shareholder votes in person at the Annual Meeting.

Edgar Filing: NN INC - Form DEF 14A

PROPOSAL I ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides for the division of the Board of Directors into three classes: Class I, Class II and Class III. Only one class of directors is elected at each annual meeting. Each director so elected serves for a three-year term and until his or her successor is elected and qualified, subject to such director's earlier death, resignation or removal.

On April 8, 2005, the Board of Directors elected to reduce the number of board seats from six to five effective upon the completion of the term of one Class III at the Annual Meeting on May 18, 2005.

Nominees

Two Class III directors will be elected to the Board of Directors at the Annual Meeting. The Company has nominated for election Steven T. Warshaw and G. Ronald Morris, each a current director of the Company. The nominees have all indicated a willingness to continue to serve as directors if elected, but if any of them should decline or be unable to serve, the persons named as proxies intend to vote all shares in favor of the election of such other persons who may be nominated as replacements by the Board of Directors.

James L. Earsley has informed the Company that he does not wish to stand for re-election to the Board of Directors. As a result, the Governance Committee of the Board of Directors is currently conducting a search for an independent outside director. In the interim, the Board has elected to reduce the overall size of the Board from six to five directors as discussed herein above.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

PROPOSAL II ADOPTION AND APPROVAL OF THE INCENTIVE PLAN

The stockholders are being asked to approve the adoption of the Incentive Plan, under which 1.0 million shares of Common Stock will be reserved for issuance for Options and Stock Appreciation Rights and 300,000 shares of Common Stock will be reserved for issuance for Restricted Stock, Restricted Stock Units, Performance Shares, or Stock Awards (all as defined herein or in the Incentive Plan). The Incentive Plan was adopted by the Board of Directors on April 8, 2005, and will become effective on May 18, 2005, if approved by the shareholders at the annual meeting.

The Incentive Plan provides for equity-based compensation incentives through the grant of stock options and stock appreciation rights. The Incentive Plan also provides for the grant of restricted stock, restricted stock units and dividend equivalents, as well as cash and equity-based performance awards. The purpose of the Incentive Plan is to promote the interests of the Company and its shareholders by strengthening the Company's ability to attract, motivate and retain employees and Directors of the Company and its subsidiaries and affiliates upon whose judgment, initiative and efforts the financial success and growth of the business of the Company largely depend, and to provide an additional incentive for such individuals through stock ownership and other rights that promote and recognize the financial success and growth of the

Edgar Filing: NN INC - Form DEF 14A

Company.

The Incentive Plan is intended to replace the NN, Inc. Stock Incentive Plan which was adopted March 2, 1994 and which expired March 2, 2004. All outstanding award grants under the expired Plan will continue in full force and effect, subject to their original terms. Awards under the Incentive Plan (each, an "Award") are intended to represent a significant portion of the total compensation value provided to participants. Future Awards are intended to be based upon the recipient's individual performance, level of responsibility and potential to make significant contributions to the Company. Generally, the Incentive Plan will terminate as of the earliest of (a) the date when no more

3

shares of Common Stock are available for issuance under the Incentive Plan, (b) the date the Incentive Plan is terminated by the Board of Directors or (c) ten years from the effective date of the Incentive Plan.

The Incentive Plan is being submitted to shareholders, among other reasons, so that the compensation relating to some of the Awards made to some of our executive officers will be tax deductible under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Section 162(m) limits tax deductions to \$1 million per year per "covered employee" for certain compensation paid to such employees unless certain conditions are met, including shareholder approval of the plan under which compensation is paid and the satisfaction of certain "performance-based" criteria set forth in the Code. A "covered employee" generally is defined as the company's chief executive officer and the other four highest paid officers whose compensation is reported in the company's annual proxy.

Vote Required

Approval of the Incentive Plan requires the affirmative vote of the holders of at least a majority of the shares of our issued and outstanding Common Stock represented and voting at the annual meeting and cast on this proposal.

Summary Description of the Plan

The following is a summary of the principal features of the Incentive Plan. The summary is not a complete description of all the provisions of the Incentive Plan. The full text of the Incentive Plan is attached as Annex B to this Proxy Statement. The Board of Directors encourages you to review it for more details on the Incentive Plan.

Administration

A committee of the Board of Directors or the Board itself (the "Committee"), will administer the Incentive Plan. The Committee will consist of three or more members, each of whom shall be a "non-employee director" within the meaning of Section 16b-3 of the Exchange Act and or an "outside director" within the meaning of Section 162(m) of the Code.

The Committee has full power to select employees and Directors who shall participate in the Incentive Plan; determine the sizes and types of Awards;

Edgar Filing: NN INC - Form DEF 14A

determine the terms and conditions of Awards in a manner consistent with the Incentive Plan; construe and interpret the Incentive Plan and any agreement or instrument entered into under the Incentive Plan; and establish, amend, or waive rules and regulations for the Incentive Plan. The Committee may delegate, subject to such terms or conditions or guidelines as it shall determine, to any employee or group of employees any portion of its authority and powers with respect to Awards to officers of the Company who are not subject to the reporting requirements under Section 16(a) of the Exchange Act ("Executive Officers") or a Director who is not an employee. Only the Committee or the Board of Directors may exercise authority with respect to Awards granted to Executive Officers.

The Committee may also generally make any rules, determinations or modifications it deems advisable with respect to participants based outside the United States and newly eligible participants. The Committee may also condition the grant of any Award on entering into a written agreement containing covenants not to compete, not to solicit our company's employees and customers and not to disclose confidential information.

Eligibility

Awards may be made to any individual who is either an employee (including each officer) or Director of the Company or any subsidiary of the Company.

Types of Awards

The Incentive Plan provides for grants of incentive stock options qualifying for special tax treatment under Code Section 422 ("ISOs"), nonstatutory stock options ("Nonstatutory Options"), stock appreciation rights

4

("SARs"), restricted stock ("Restricted Stock"), restricted stock units ("Restricted Stock Units") and performance shares ("Performance Shares"), whether granted singly, in combination or in tandem, pursuant to which Common Stock, cash or other property may be delivered to the Award recipient.

Shares Subject to the Incentive Plan; Other Limitations of Awards

The maximum number of shares of Common Stock issuable under the Incentive Plan shall be 1.0 million reserved for issuance for Options and Stock Appreciation Rights and 300,000 shares of Common Stock will be reserved for issuance for Restricted Stock, Restricted Stock Units, Performance Shares, or Stock Awards. To the extent that any shares of Common Stock subject to an Award are not issued because the Award expires without having been exercised, is cancelled, terminated, forfeited or is settled without issuance of Common Stock (including, but not limited to, shares tendered to exercise outstanding Options, shares tendered or withheld for taxes on Awards or shares issued in connection with a Restricted Stock or Restricted Stock Unit Award that are subsequently forfeited), such shares will be available again for grants of Awards under the Incentive Plan.

The Incentive Plan has various limits that apply to individual and

Edgar Filing: NN INC - Form DEF 14A

aggregate awards, designed in part to comply with the requirements of Code Section 162(m) governing the deductibility of compensation paid to executive officers of a publicly-traded company. In order to satisfy these requirements, shareholders must approve any "performance-based plan", that sets maximum limits on the amount of any award granted to a particular executive.

Options

Options entitle the recipient to purchase shares of Common Stock at the exercise price specified by the Committee in the recipient's Award Agreement. The Incentive Plan permits the grant of both ISOs and Nonstatutory Options. The Committee will generally determine the terms and conditions of all Options granted; provided, however, that, generally, Options must be granted with an exercise price at least equal to the fair market value of a share of Common Stock on the date of grant, Options shall not be exercisable for more than 10 years after the date of grant (except in the event of death) and no Option that is intended to be an ISO may be granted after the tenth anniversary of the date the Incentive Plan was approved by the Board of Directors. For purposes of the Incentive Plan, "fair market value" generally means, on any given date, the last reported per share sales price on the NASDAQ Stock Market. On March 31, 2005, the fair market value of the Common Stock determined on this basis was \$12.32 per share.

The Committee does not have the power or authority to reduce the exercise price of any outstanding option or to grant any new Options in substitution for or upon the cancellation of Options previously granted.

Stock Appreciation Rights (SARs)

A SAR is a contractual right granted to the participant to receive, either in cash or Common Stock, an amount equal to the appreciation of one share of Common Stock from the date of grant. SARs may be granted as freestanding Awards, or in tandem with other types of grants. Unless the Committee otherwise determines, the terms and conditions applicable to (i) SARs granted in tandem with Options will be substantially identical to the terms and conditions applicable to the tandem Options, and (ii) freestanding SARs will be substantially identical to the terms and conditions that would have been applicable were the grant of the SARs a grant of Options. SARs that are granted in tandem with an Option may only be exercised upon surrender of the right to exercise such Option for an equivalent number of shares.

Restricted Stock and Restricted Stock Units

The Incentive Plan provides for the grant of Restricted Stock and Restricted Stock Units, which are converted to shares of Common Stock upon the lapse of restrictions. The Committee may, in its discretion, pay the value of Restricted Stock Units in Common Stock, cash or a combination of both.

A share of Restricted Stock is a share of Common Stock that is subject to certain transfer restrictions and forfeiture provisions for a period of time as specified by the Committee in the recipient's Award agreement. A Restricted Stock Unit is an unfunded, unsecured right (which is subject to forfeiture and transfer restrictions) to receive a share of Common Stock at the end of a period of time specified by the Committee in the recipient's Award agreement.

Generally, a participant may be granted, subject to any restrictions and conditions specified by the Committee, all the rights of a shareholder with respect to shares of Restricted Stock, including but not limited to, the right to vote and the right to receive dividends or dividend equivalents. A participant will not have the rights of a shareholder with respect to Restricted Stock Units.

Performance Shares

The Committee also has the discretion to grant "Performance Share Awards", which are Awards of units denominated in Common Stock. The number of such units is determined over the performance period based on the satisfaction of performance goals. Performance Share Awards are payable in Common Stock.

Stock Awards

The Committee may grant other types of equity-based or equity-related Awards (including the grant or offer for sale of unrestricted shares of Common Stock) in such amounts and subject to such terms and conditions, as the Committee shall determine. Such Awards may entail the transfer of actual shares to participants, or payment in cash or otherwise of amounts based on the value of shares.

Treatment of Awards on Termination of Employment

Under the Incentive Plan, generally, the Committee has the discretion to determine the effect of termination of employment upon the Award.

Non-Transferability of Awards

Generally, no Awards granted under the Incentive Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

Adjustment in Capitalization

In the event of any corporate event or transaction such as a merger, consolidation, reorganization, recapitalization, separation, stock dividend, stock split, reverse stock split, split up, spin-off, or other distribution of stock or property of the Company, combination of shares, exchange of shares, dividend in kind or other like change in capital structure or distribution (other than normal cash dividends) to shareholders of the Company, or any similar corporate event or transaction, the Board, in its sole discretion, in order to prevent dilution or enlargement of participants' rights under the Incentive Plan, shall substitute or adjust, in an equitable manner, as applicable, the number and kind of shares that may be issued under the Incentive Plan, the number and kind of shares subject to outstanding Awards, the exercise price applicable to outstanding Awards, the Award limits, the Fair Market Value of the shares, and other value determinations applicable to outstanding Awards.

Change of Control

Except as provided in an Award agreement, or unless otherwise prohibited

Edgar Filing: NN INC - Form DEF 14A

under applicable laws or by the rules and regulations of any governing governmental agencies or national securities exchanges, in the event of a Change in Control:

- (i) Any and all Options and SARs granted shall become immediately exercisable, and shall remain exercisable throughout their entire term;
- (ii) Any Period of Restriction and restrictions imposed on Restricted Stock or Restricted Stock Units shall lapse; and
- (iii) The target payout opportunities attainable under all outstanding performance-based Awards shall be deemed to have been fully earned as of the effective date of the Change in Control and shall be paid, within 30 days thereafter, pro rata to participants in cash or in shares, as applicable, with the proration determined as a function of the length of time within

6

the Performance Period that has elapsed prior to the Change in Control, and based on an assumed achievement of all relevant targeted performance goals or Performance Measures.

Notwithstanding the foregoing, (i), (ii) and (iii) above shall not apply in the event of a Change in Control under a merger or sale of assets, if the successor entity either assumes the outstanding Award or substitutes an equivalent award with the successor entity (or its parent or any subsidiary).

Amendment

The Board may at any time and from time to time, alter, amend, modify, suspend, or terminate the Plan in whole or in part; provided that no action shall be taken without the approval of the Company's shareholders which would (i) except as otherwise provided in the Incentive Plan, materially increase the number of shares which may be issued under the Incentive Plan; (ii) materially increase the benefits to participants; (iii) permit the granting of Options at less than Fair Market Value; (iv) permit Options issued under the Incentive Plan to be repriced, replaced, or regranted through cancellation, or by lowering the exercise price of a previously granted Option; (v) amend the maximum number of shares set forth in Section 4.1 of the Incentive Plan that may be granted to a single participant during any fiscal year; (vi) extend the duration of the Incentive Plan; (vii) expand the class of participants eligible to participate in the Incentive Plan; (viii) expand the types of Awards provided under the Plan; or (ix) require shareholder approval under the listing standards of the Nasdaq Stock Market.

No Limitation on Compensation; Scope of Liabilities

Nothing in the Incentive Plan limits the right of the Company to establish other plans if and to the extent permitted by applicable law. The liability of the Company under the Incentive Plan is limited to the obligations expressly set forth in the Incentive Plan.

U.S. Federal Tax Implications for Certain Awards

The following is a brief description of the U.S. federal income tax consequences generally arising with respect to the grant of Options and SARs under the Incentive Plan.

The grant of an Option or SAR will create no tax consequences for the

Edgar Filing: NN INC - Form DEF 14A

recipient or the Company. A recipient will not recognize taxable income upon exercising an ISO (except that the alternative minimum tax may apply). Upon exercising a Nonstatutory Option or SAR, the recipient generally will recognize ordinary income equal to the excess of the fair market value of the freely transferable and nonforfeitable shares (and/or cash or other property) acquired on the date of exercise over the exercise price. The grant of an associated Dividend Equivalent will not result in taxable income to the participant unless and until actual cash payments are made to such participant from such Award.

Upon a disposition of shares acquired upon exercise of an ISO before the end of the applicable ISO holding periods, the recipient generally will recognize ordinary income equal to the lesser of (i) the excess of the fair market value of the shares at the date of exercise of the ISO over the exercise price, or (ii) the amount realized upon the disposition of the ISO shares over the exercise price. Otherwise, a recipient's disposition of shares acquired upon the exercise of an Option (including an ISO for which the ISO holding periods are met) or SAR generally will result in short-term or long-term (which will always be the case for ISOs if the holding periods are met) capital gain or loss measured by the difference between the sale price and the recipient's tax basis in such shares (the tax basis in option shares generally being the exercise price plus any amount recognized as ordinary income in connection with the exercise of the Option).

The Company generally will be entitled to a tax deduction equal to the amount recognized as ordinary income by the recipient in connection with the exercise of a Nonstatutory Option or SAR. The Company generally is not entitled to a tax deduction with respect to any amount that represents a capital gain to a recipient or that represents compensation in excess of \$1 million paid to

7

"covered employees" that is not "qualified performance-based compensation" under Section 162(m) of the Code. Accordingly, the Company will not be entitled to any tax deduction with respect to an ISO if the recipient holds the shares for the ISO holding periods prior to disposition of the shares and may not be entitled to any deduction with respect to certain Options or SARs that may be exercised by or granted to "covered employees".

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

PROPOSAL III RATIFICATION OF SELECTION OF REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM

The firm of PricewaterhouseCoopers LLP has been selected by the Audit Committee of the Board of Directors as the Company's registered independent public accounting firm for 2005. Although it is not required to do so, the Board has determined that it is desirable to seek shareholders' ratification of the selection of PricewaterhouseCoopers LLP. If the shareholders should not ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee will reconsider the appointment.

A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement, if he or she so desires, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

Proposals of shareholders not intended for inclusion in the Company's 2006 proxy statement must be received by the Company in writing no later than February 28, 2006 in order to preclude the Company's use of its discretionary proxy voting authority to vote on the proposal or nominee if shareholder is present at the 2006 annual meeting.

Among other matters described in its charter, the Audit Committee is responsible for engaging the registered independent public accounting firm to conduct the annual audit of the books and accounts of the Company and for reviewing the adequacy and effectiveness of the internal auditing, accounting and financial controls of the Company with the registered independent public accounting firm and the Company's internal financial and accounting staff. The Audit Committee originally adopted a written charter in June 2000. The Audit Committee has subsequently revised this charter in April 2003, in March 2004 and in March 2005. The Audit Committee Charter is subject to review and reassessment at least annually. This revised charter is attached to this Proxy Statement as Annex A and is also included on the Company's website at www.nnbr.com. The Audit Committee met thirteen times in 2004.

Compensation Committee. The Compensation Committee of the Board of Directors consists of G. Ronald Morris, James L. Earsley and Steven T. Warshaw. All members of the Compensation Committee are independent as defined by Nasdaq rules. The Compensation Committee annually reviews and approves corporate goals and objectives relative to Chief Executive Officer evaluation, compensation and performance. Additionally, the Compensation Committee is responsible for reviewing and approving the Company's executive compensation policies and practices and supervising the administration of the Company's employee benefit plans, including the NN, Inc. Stock Incentive Plan. In April 2003, the Compensation Committee presented to the Board and the Board approved a written charter. In March 2004, the Compensation Committee approved a revised charter which is included on the Company's website at www.nnbr.com. The functions of the Compensation Committee are discussed in further detail in the section entitled "Report of the Compensation Committee" herein. The Compensation Committee met five times in 2004.

Governance Committee. The Governance Committee of the Board of Directors was formed by the Board of Directors in the third quarter of 2002. The Committee consists of Michael E. Werner, G. Ronald Morris and James L. Earsley. All members of the Governance Committee are independent as defined by Nasdaq rules.

As provided in its charter, the Governance Committee is responsible for reviewing and recommending qualified candidates for membership on the Board of Directors. The Committee seeks input from the Chairman of the Board, other Board members, and the Committee's professional search firm, if applicable. The Committee will also consider and evaluate any qualified candidates recommended by shareholders. In accordance with the Board's governance principles, the Committee seeks to establish a Board that will bring to the Company a broad range of experience, knowledge and professional judgment. The Committee believes that the Board should have collective competency, knowledge and experience with respect to Corporate Governance, Business, Finance and Accounting, Economics, Industry Knowledge, Manufacturing, Technology, Legal and Government Affairs, and International Operations, among other things.

A candidate's competencies, experience and knowledge should enable him or her to contribute significantly to the governance of a complex, multi-million

dollar business enterprise. The candidate should be independent in judgment and not represent the interests of particular constituencies. The Committee will review a candidate's qualifications and any potential conflicts they may have with the Company's interests. In evaluating director nominees, including candidates submitted by shareholders, the Governance Committee will consider the

Edgar Filing: NN INC - Form DEF 14A

candidate's experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment and willingness to devote adequate time to Board duties. The Governance Committee will also consider whether a candidate meets the definition of "independent director" under NASDAQ rules.

Shareholders who wish to recommend director candidates for the 2006 Annual Meeting of Shareholders should notify the Secretary in writing at NN, Inc., 2000 Waters Edge Drive, Johnson City, Tennessee 37604. This notification must be received by the Company by December 15, 2005, and must provide information about the nominee's qualifications for Board membership. The Governance Committee Charter lists the qualifications against which a nominee will be judged. A copy of the Charter can be obtained by writing to the Secretary at the address set forth above. Alternatively, a copy of the Charter is available on the Company's website, www.nnbr.com. This requirement does not apply to the deadline for submitting shareholder proposals for inclusion in the Proxy Statement (see "Submission of Shareholder Proposals" on page 8), nor does it apply to questions a shareholder may want to ask at the Meeting. The Committee will evaluate any director candidate nominated by shareholders according to the criteria discussed above and, based on the results of that evaluation, will determine whether to include the candidate in its recommended slate of director nominees in the Proxy Statement.

The Company retains discretion to vote proxies it receives with respect to director nominations or any other business proposals received after December 15, 2005. The Company retains discretion to vote proxies it receives with respect to such proposals received prior to December 15, 2005 provided (a) the Company includes in its proxy statement advice on the nature of the proposal and how it intends to exercise its voting discretion, and (b) the proponent does not issue its own proxy statement.

The Company has not paid any third party a fee to assist in the process of identifying or evaluating director candidates. No shareholder or group of shareholders who beneficially owned more than 5% of the Common Stock for at least one year at the time of such recommendation have recommended candidates for election to the Board of Directors.

Additionally, the Governance Committee is responsible for overseeing the process of providing information to the Board, developing corporate governance principles applicable to the Company and oversight and annual evaluation of the Board of Directors. In October 2002, the Governance Committee adopted a statement of Principles of Corporate Governance. In April 2003, the Governance Committee presented to the Board and the Board approved a written charter. In March 2004 and in March 2005, the Governance Committee revised this charter which is included on the Company's website at www.nnbr.com. The Governance Committee met two times in 2004.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors is responsible for the oversight of the Company's compensation policies. The membership of the Compensation Committee during 2004 consisted of G. Ronald Morris, Steven T. Warshaw and James L. Earsley. The report of the Committee on executive officer compensation for 2004 is set forth below.

17

Compensation Principles

The goal of the Company is to structure its compensation arrangements for executive officers in a manner that will promote the Company's profitability and enhance shareholder value. In designing its compensation arrangements to achieve this goal, the Company is guided by the following objectives:

Edgar Filing: NN INC - Form DEF 14A

- attracting and retaining qualified and dedicated executives who are essential to the long-term success of the Company;
- providing compensation packages that are competitive with the compensation arrangements offered by comparable companies, including the Company's competitors;
- tying a significant portion of an executive officer's compensation to the Company's and the individual's performance; and
- directly aligning the interests of management with the interests of the shareholders through stock-based compensation arrangements.

In 2004, the components of the Company's executive compensation arrangements consisted of salary, cash bonus and stock option award opportunities pursuant to the Stock Incentive Plan.

Executive Officer Compensation

As a general matter, the Company believes the interests of the Company and its shareholders are best served by developing and maintaining compensation policies that are consistent and market competitive with peer group industrial companies. The Company therefore periodically conducts peer group benchmarking of public industrial companies and utilizes this information to aid in establishing a competitive compensation program for the company. The following criteria are utilized as a basis for this program: performance (revenue growth, EPS growth, return on net assets, return on equity, and total shareholder return), executive pay, annual incentive/bonus, benefits, and stock incentive awards.

The current executive compensation structure includes a formal salary grade structure that establishes five levels of executive compensation within the Company. Base salary ranges (low, mid and high) are established for each salary grade. In addition, a formal annual incentive bonus plan includes threshold, target, and maximum awards based upon pre-established financial performance criteria.

Salary

The salary levels for the Company's executive officers and managers are reviewed and determined biannually. Adjustments to executive officer compensation are evaluated based upon the individual's and Company's performance within the framework of the Company's formal compensation policies.

Annual Bonus

Annual bonuses are based solely on a formalized plan. Bonus payments are contingent upon achieving pre-established net income goals for each operating business unit and the total company. The bonuses paid to Named Executive Officers for 2004 are set forth in the Summary Compensation Table.

Former Stock Incentive Plan

Prior to its initial public offering in 1994, the Company adopted the former Stock Incentive Plan under which 1,125,000 shares of the Company's Common Stock were originally reserved for issuance to executive officers and other key employees, as determined by the Compensation Committee. The former Stock

Incentive Plan was subsequently been amended over time to increase the number of

Edgar Filing: NN INC - Form DEF 14A

shares available for issuance pursuant to awards made under the plan to 2,450,000. This former Plan expired on March 2, 2004. Stock options granted under the former plan prior to its expiration are exercisable upon vesting for a period of ten years after the date of grant.

Stock option grants to the Company's executive officers and managers are generally reviewed and determined biannually by the Compensation Committee. With respect to options awarded, the committee utilizes a structure based upon the following: recommendations from the independent compensation review, Mr. Baty's recommendations (other than himself), and rewards to such officers and other key employees for superior performance and to provide financial incentives for such officers and employees to continue to perform in a superior manner. The Company awarded 106,000 options to five executive officers during 2004.

Compensation of the Chief Executive Officer

The Company's decisions regarding compensation of its Chief Executive Officer are guided by the same policies and considerations that govern compensation of the Company's other executive officers. Mr. Baty's salary was set at a level that the Committee determined was appropriate on the basis of the following factors: 1) The Company's overall performance, 2) Mr. Baty's individual performance and 3) The competitiveness of Mr. Baty's salary in comparison to similar industrial companies.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, precludes any public corporation from taking a deduction for compensation in excess of \$1 million paid to its chief executive officer or any of its other executive officers. Certain performance-based compensation, however, is exempt from the deduction limit. No formal policy has been adopted by the Company with respect to minimizing the risk that compensation paid to its executive officers will exceed the deduction limit. No compensation paid to the executive officers in 2004 exceeded the limit imposed by Section 162(m).

G. Ronald Morris
Steven T. Warshaw
James L. Earsley

Compensation Committee Interlock and Insider Participation

All compensation decisions during the fiscal year ended December 31, 2004 for each of the Named Executive Officers were made by the Compensation Committee of the Board of Directors, consisting of Messrs Morris, Warshaw and Earsley, none of whom is or was an officer or employee of the Company during the last fiscal year.

Certain Relationships and Related Transactions

There were no transactions in 2004 requiring disclosure pursuant to Item 404 of Regulation S-K.

The following graph compares the cumulative total shareholder return on the Company's Common Stock (consisting of stock price performance and reinvested

dividends) from December 31, 1999 with the cumulative total return (assuming reinvestment of all dividends) of (i) the Value Line Machinery Industry Stock Index ("Machinery Index") and (ii) the Standard & Poor's 500 Stock Index, for the period December 31, 1999 through December 31, 2004. The Machinery Index is an industry index comprised of 49 companies engaged in manufacturing of machinery and machine parts, a list of which is available from the Company. The comparison assumes \$100 was invested in the Company's Common Stock and in each of the foregoing indices on December 31, 1999. There can be no assurances that the performance of the Common Stock will continue in the future with the same or similar trend depicted on the graph.

The members of the Committee shall be appointed from time to time by, and shall serve at the discretion of, the Board. The Board may delegate to the Committee any or all of the administration of the Plan; provided, however, that the administration of the Plan with respect to Awards granted to Directors who are not Employees may not be so delegated. To the extent that the Board has delegated to the Committee any authority and responsibility under the Plan, all applicable references to the Board in the Plan shall be to the Committee.

3.2 Authority of the Board. Except as limited by law or by the Certificate of Incorporation or Bylaws of the Company, and subject to the provisions herein, the Board shall have full power to select Employees, Directors, consultants and advisors who shall participate in the Plan; determine the sizes and types of Awards; determine the terms and conditions of Awards in a manner consistent with the Plan; construe and interpret the Plan and any agreement or instrument entered into under the Plan; and establish, amend, or waive rules and regulations for the Plan's administration. Further, the Board shall make all other determinations that may be necessary or advisable for the administration of the Plan.

3.3 Delegation to Officers. Except as limited by law, the Board or the Committee may authorize one or more officers of the Company to do one or both of the following: (i) designate Employees, consultants and advisors of the Company or any of its Subsidiaries to be recipients of Awards, and (ii) determine the size, terms and conditions of any Award; provided, however, that no such authority may be delegated with respect to Awards made to any Insider, Covered Employee, or Director who is not an Employee.

B-4

Options or SARs and 300,000 shares in the form of Restricted Stock, Restricted Stock Units, Performance Shares, or Stock Awards. Subject to the limit set forth in this section 4.1 on the number of shares of Shares that may be issued in the aggregate under this Plan, the maximum number of Shares that may be issued pursuant to ISOs shall be 1,000,000, all of which may be granted to one Participant.

Edgar Filing: NN INC - Form DEF 14A

Unless determined otherwise by the Board, Shares related to Awards that are forfeited, terminated, expire unexercised, tendered by a Participant to the Company in connection with the exercise of an Award (excluding shares previously acquired by a Participant), shall be available for other Awards. Awards settled in cash rather than Shares shall not reduce the number of Shares available for issuance under the Plan. Shares surrendered or withheld from issuance in connection with a Participant's payment of tax withholding liability, or settled in such other manner so that a portion or all of the Shares included in an Award are not issued to a Participant, will not increase the number of Shares available under the Plan. With respect to SARs, when a share-settled SAR is exercised, the Shares subject to a SAR Award shall be counted against the Shares available for issuance as one Share for every Share subject thereto, regardless of the number of Shares used to settle the SAR upon exercise.

4.2 Adjustments in Authorized Shares. In the event of any corporate event or transaction such as a merger, consolidation, reorganization, recapitalization, separation, stock dividend, stock split, reverse stock split, split up, spin-off, or other distribution of stock or property of the Company, combination of shares, exchange of shares, dividend in kind or other like change in capital structure or distribution (other than normal cash dividends) to stockholders of the Company, or any similar corporate event or transaction, the Board, in its sole discretion, in order to prevent dilution or enlargement of Participants' rights under the Plan, shall substitute or adjust, in an equitable manner, as applicable, the number and kind of Shares that may be issued under the Plan, the number and kind of Shares subject to outstanding Awards, the exercise price applicable to outstanding Awards, the Award limits, the Fair Market Value of the Shares, and other value determinations applicable to outstanding Awards.

Appropriate adjustments may also be made by the Board in the terms of any Awards under the Plan to reflect such changes or distributions and to modify any other terms of outstanding Awards on an equitable basis, including modifications of performance targets and changes in the length of Performance Periods.

The Board is authorized to make adjustments to the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events affecting the Company or the financial statements of the Company, or in response to changes in applicable laws, regulations, or accounting principles; provided that no adjustment may be made with respect to Options, Stock Appreciation Rights, or Awards to Covered Employees intended to constitute Performance-Based Compensation. The determination of the Board as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under the Plan.

Article V. ELIGIBILITY AND PARTICIPATION

5.1 Eligibility. Persons eligible to participate in this Plan include Employees, Directors, consultants and advisors of the Company and its Affiliates and Subsidiaries.

5.2 Actual Participation. Subject to the provisions of the Plan, the Board may, from time to time, select from all eligible persons, those to whom Awards shall be granted and shall determine the nature and amount of each Award. 6.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Board, provided

B-5

Option shall become vested and exercisable, and such other provisions as the Board shall determine which are not inconsistent with the terms of the Plan. The Award Agreement also shall specify whether the Option is intended to be an ISO or an NQSO.

6.3 Option Price. The Option Price for each grant of an Option under this Plan shall be as determined by the Board; provided, however, the Option Price shall not be less than one hundred percent (100%) of the Fair Market Value of the Shares on the date the Option is granted.

6.4 Duration of Options. Each Option granted to a Participant shall expire at such time as the Board shall determine at the time of grant; provided, however, no Option shall be exercisable later than the tenth (10th) anniversary of its date of grant.

6.5 Exercise of Options. Options granted under this Article VI shall be exercisable at such times and be subject to such restrictions and conditions as the Board shall in each instance approve, which need not be the same for each grant or for each Participant.

6.6 Payment. Options granted under this Article VI shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

The Option Price upon exercise of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the Shares that are tendered must have been held by the Participant for at least six (6) months prior to their tender to satisfy the Option Price or have been purchased on the open market); (c) by a combination of (a) and (b); or (d) any other method approved by the Board in its sole discretion at the time of grant and as set forth in the Award Agreement.

The Board also may allow cashless exercise as permitted under the Federal Reserve Board's Regulation T, subject to applicable securities law restrictions, or by any other means which the Board determines to be consistent with the Plan's purpose and applicable law.

Subject to any governing rules or regulations, as soon as practicable after receipt of a written notification of exercise and full payment, the Company shall deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

Unless otherwise determined by the Board, all payments under all of the methods indicated above shall be paid in United States dollars.

6.7 Termination of Employment/Service Relationship. Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or service relationship with the Company, its Affiliates and/or its

Edgar Filing: NN INC - Form DEF 14A

Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Board, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article VI, and may reflect distinctions based on the reasons for termination.

6.8 Transferability of Options.

- (a) Incentive Stock Options. No ISO granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.
- (b) Nonqualified Stock Options. Except as otherwise provided in a Participant's Award Agreement, no NQSO granted under this Article VI may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided

B-6

in a Participant's Award Agreement, all NQSOs granted to a Participant under this Article VI shall be exercisable during his or her lifetime only by such Participant.

6.9 Notification of Disqualifying Disposition. If any Participant shall make any disposition of Shares issued pursuant to the exercise of an Incentive Stock Option under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof.

Article VII. STOCK APPRECIATION RIGHTS

7.3 Term of SARs. The term of an SAR granted under the Plan shall be determined by the Board, in its sole discretion; provided, however, that no SAR shall be exercisable later than the tenth (10th) anniversary of its date of grant.

7.5 Exercise of Tandem SARs. Tandem SARs may be exercised for all or part

Edgar Filing: NN INC - Form DEF 14A

of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

7.6 Payment of SAR Amount. Upon the exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The difference between the Fair Market Value of a Share on the date of exercise over the grant price; by
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Board, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or any combination of either. The Board's determination regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to the grant of the SAR.

7.7 Termination of Employment/Service Relationship. Each Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment or service relationship with the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Board, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

B-7

7.8 Nontransferability. Except as otherwise provided in a Participant's Award Agreement, no SAR granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, all SARs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant.

Article VIII. RESTRICTED STOCK AND RESTRICTED STOCK UNITS

8.1 Grant of Restricted Stock/Units. Subject to the terms and provisions of the Plan, the Board, at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Participants in such amounts as the Board shall determine. Restricted Stock Units shall be similar to Restricted Stock except that no Shares shall be actually awarded to the Participant on the date of grant.

8.2 Restricted Stock Agreement. Each Restricted Stock and/or Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock (or the number of Restricted Stock Units) granted, and such other provisions as the Board shall determine.

8.3 Nontransferability. Except as otherwise provided in a Participant's Award Agreement, the Shares of Restricted Stock and/or Restricted Stock Units granted herein may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction established by the Board and specified in the Award Agreement, or upon earlier satisfaction of any other conditions, as specified by the Board in its sole discretion and set forth in the Award Agreement.

8.4 Other Restrictions. The Board shall impose such other conditions and/or

Edgar Filing: NN INC - Form DEF 14A

restrictions on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock or each Restricted Stock Unit, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals or Performance Measures, time-based restrictions, and/or restrictions under applicable federal or state securities laws.

To the extent deemed appropriate by the Board, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

Except as otherwise provided in a Participant's Award Agreement, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse, and Restricted Stock Units shall be paid in cash, Shares, or a combination of either as the Board, in its sole discretion, shall determine.

8.5 Voting Rights. To the extent permitted, or required by law, as determined by the Board, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

8.6 Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock or Restricted Stock Units granted hereunder may, if the Board so determines, be credited with dividends paid with respect to the underlying Shares or dividend equivalents while they are so held in a manner determined by the Board in its sole discretion. The Board may apply any restrictions to the dividends that the Board deems appropriate. The Board, in its sole discretion, may determine the form of payment of dividends or dividend equivalents, including cash, Shares, Restricted Stock, or Restricted Stock Units.

8.7 Termination of Employment/Service Relationship. In the event a Participant's employment or service relationship terminates for any reason, including by reason of death, disability, or retirement, all Shares of Restricted Stock and/or Restricted Stock Units shall be forfeited by the Participant unless determined otherwise by the Board, as set forth in the

B-8

Participant's Award Agreement. Any such provisions shall be determined in the sole discretion of the Board, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock or Restricted Stock Units issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

8.8 Section 83(b) Election. The Board may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Section 83(b) of the Code. If a Participant makes an election pursuant to Section 83(b) of the Code concerning a Restricted Stock Award, the Participant shall be required to promptly file a copy of such election with the Company.

Article IX. PERFORMANCE SHARES

9.1 Grant of Performance Shares. Subject to the terms of the Plan,

Edgar Filing: NN INC - Form DEF 14A

Performance Shares may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Board.

9.2 Value of Performance Shares. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Board shall set performance goals or Performance Measures in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Shares that will be paid out to the Participant.

9.3 Earning of Performance Shares. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Shares shall be entitled to receive payout on the number and value of Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals or Performance Measures have been achieved.

9.4 Form and Timing of Payment of Performance Shares. Payment of earned Performance Shares shall be as determined by the Board and as evidenced in the Award Agreement. Subject to the terms of the Plan the Board, in its sole discretion, may pay earned Performance Shares in the form of cash or in Shares (or in a combination thereof) equal to the value of the earned Performance Shares at the close of the applicable Performance Period. Any Shares may be granted subject to any restrictions deemed appropriate by the Board. The determination of the Board with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

9.5 Dividends and Other Distributions. At the discretion of the Board, Participants holding Performance Shares may be entitled to receive dividend equivalents with respect to dividends declared with respect to the Shares. Such dividends may be subject to the accrual, forfeiture, or payout restrictions as determined by the Board in its sole discretion.

9.6 Termination of Employment/Service Relationship. In the event a Participant's employment or service relationship terminates for any reason, including by reason of death, disability, or retirement, all Performance Shares shall be forfeited by the Participant unless determined otherwise by the Board, as set forth in the Participant's Award Agreement. Any such provisions shall be determined in the sole discretion of the Board, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Performance Shares issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

9.7 Nontransferability. Except as otherwise provided in a Participant's Award Agreement, Performance Shares may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

Article X. STOCK AWARDS

10.1 Stock Awards. The Board may grant other types of equity-based or equity-related Awards (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Board

B-9

shall determine. Such Awards may entail the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

Edgar Filing: NN INC - Form DEF 14A

Article XI. PERFORMANCE MEASURES

Unless and until the Board proposes for stockholder vote and the stockholders approve a change in the general Performance Measures set forth under this Article XI, the performance criteria upon which the payment or vesting of an Award to a Covered Employee that is intended to qualify as Performance-Based Compensation shall be limited to the following Performance Measures:

- (a) Net earnings;
- (b) Revenues;
- (c) Earnings per share;
- (d) Net sales growth;
- (e) Net income (before or after taxes);
- (f) Net operating profit;
- (g) Return measures (including, but not limited to, return on assets, capital, equity, or sales);
- (h) Cash flow (including, but not limited to, operating cash flow and free cash flow);
- (i) Earnings before or after taxes, interest, depreciation and/or amortization;
- (j) Internal rate of return or increase in net present value;
- (k) Gross margins;
- (l) Gross margins minus expenses;
- (m) Operating income or margin;
- (n) Share price (including, but not limited to, growth measures and total shareholder return);
- (o) Working capital targets relating to inventory and/or accounts receivable;
- (p) Comparisons to the performance of other companies;
- (q) Level of dividends; and
- (r) Units sold.

Any of the foregoing Performance Measures may be used to measure the performance of the Company as a whole or any business unit of the Company or any combination thereof, as the Board may deem appropriate, or any of the above goals as compared to the performance of a group of comparator companies, or published or special index that the Board, in its sole discretion deems appropriate.

Awards that are designed to qualify as Performance-Based Compensation, and that are held by Covered Employees, may not be adjusted upward. The Board shall retain the discretion to adjust such Awards downward.

Edgar Filing: NN INC - Form DEF 14A

B-10

In the event that applicable tax and/or securities laws change to permit Board discretion to alter the governing Performance Measures without obtaining stockholder approval of such changes, the Board shall have sole discretion to make such changes without obtaining stockholder approval. In addition, in the event that the Board determines that it is advisable to grant Awards that shall not qualify as Performance Based Compensation, the Board may make such grants without satisfying the requirements of Code Section 162(m).

Article XII. BENEFICIARY DESIGNATION

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

Article XIII. DEFERRALS

The Board may permit or require a Participant to defer the receipt of any payment of cash or the delivery of Shares that would otherwise be due to such Participant by virtue of the exercise of an Option or SAR, the lapse or waiver of restrictions with respect to Restricted Shares, or the satisfaction of any requirements or goals with respect to Performance Shares or Stock Awards. If any such deferral election is required or permitted, the Board shall, in its sole discretion, establish rules and procedures for such payment deferrals.

Article XIV. RIGHTS OF PARTICIPANTS

14.1 Employment. Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company to terminate any Participant's employment or other service relationship at any time, nor confer upon any Participant any right to continue in the capacity in which he is employed or otherwise serves the Company.

Neither an Award nor any benefits arising under this Plan shall constitute part of an employment contract with the Company or any Subsidiary or Affiliate, and, accordingly, subject to Section 16.3, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Board without giving rise to liability on the part of the Company or any Subsidiary or Affiliate for severance payments.

14.2 Participation. No person shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

14.3 Rights as a Stockholder. A Participant shall have none of the rights of a stockholder with respect to Shares covered by any Award until the Participant becomes the record holder of such shares.

Article XV. CHANGE IN CONTROL

Except as provided herein or a Participant's Award Agreement, or unless otherwise prohibited under applicable laws or by the rules and regulations of any governing governmental agencies or national securities exchanges, in the event of a Change in Control:

Edgar Filing: NN INC - Form DEF 14A

- (i) Any and all Options and SARs granted hereunder shall become immediately exercisable, and shall remain exercisable throughout their entire term;
- (ii) Any Period of Restriction and restrictions imposed on Restricted Shares/Units shall lapse; and
- (iii) The target payout opportunities attainable under all outstanding performance-based Awards shall be deemed to have been fully

B-11

earned as of the effective date of the Change in Control and shall be paid, within thirty (30) days thereafter, pro rata to Participants in cash or in Shares, as applicable, with the proration determined as a function of the length of time within the Performance Period that has elapsed prior to the Change in Control, and based on an assumed achievement of all relevant targeted performance goals or Performance Measures.

Notwithstanding the foregoing, (i), (ii) and (iii) above shall not apply in the event of a Change in Control under paragraph (b) or (c) of Section 2.6 (relating to a merger or sale of assets), if the successor entity either assumes the outstanding Award or substitutes an equivalent award with the successor entity (or its parent or any subsidiary). For the purposes of this paragraph, an Award shall be considered assumed if, immediately following the transaction, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to such transaction, equal consideration (whether stock, cash, or other securities or property) as received by holders of each Share of common stock held on the effective date of the transaction (and if holders of Shares were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the transaction is not solely common stock of the successor corporation (or its parent), the Committee may, with the consent of the successor entity, provide for the consideration to be received upon the exercise of the Award, for each Share subject to the Award, to be cash and/or other securities equal in fair market value to the per share consideration received by holders of common stock in the merger or sale of assets.

Article XVI. AMENDMENT, MODIFICATION, SUSPENSION, AND TERMINATION

16.1 Amendment, Modification, Suspension, and Termination. Subject to the terms of the Plan, the Board may at any time and from time to time, alter, amend, modify, suspend, or terminate the Plan in whole or in part; provided that no action shall be taken without the approval of the Company's stockholders which would (i) except as provided in Section 4.2 hereof, materially increase the number of Shares which may be issued under the Plan; (ii) materially increase the benefits to Participants; (iii) permit the granting of Options at less than Fair Market Value; (iv) permit Options issued under the Plan to be repriced, replaced, or regranted through cancellation, or by lowering the exercise price of a previously granted Option; (v) amend the maximum number of Shares set forth in Section 4.1 that may be granted to a single Participant during any Fiscal Year; (vi) extend the duration of the Plan; (vii) expand the class of Participants eligible to participate in the Plan; (viii) expand the types of Awards provided under the Plan; or (ix) require stockholder approval under the listing standards of the Nasdaq Stock Market.

16.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Board may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or

Edgar Filing: NN INC - Form DEF 14A

nonrecurring events (including, without limitation, the events described in Section 4.2 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Board determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

16.3 Awards Previously Granted. Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, suspension, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant holding such Award.

Article XVII. WITHHOLDING

17.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy Federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

17.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon any other taxable event arising as a result

B-12

of Awards granted hereunder, Participants may elect, subject to the approval of the Board, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be irrevocable, made in writing and signed by the Participant, and shall be subject to any restrictions or limitations that the Board, in its sole discretion, deems appropriate.

Article XVIII. INDEMNIFICATION

Each person who is or shall have been a member of the Committee, or of the Board, or an officer of the Company to whom authority was delegated in accordance with Article III shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgement in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf, unless such loss, cost, liability, or expense is a result of his or her own willful misconduct or except as expressly provided by statute.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Article XIX. SUCCESSORS

All obligations of the Company under the Plan with respect to Awards

Edgar Filing: NN INC - Form DEF 14A

granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article XX. GENERAL PROVISIONS

20.1 Forfeiture Events. The Board may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events shall include, but shall not be limited to, termination of employment for cause, violation of material Company or Affiliate policies, breach of noncompetition, confidentiality or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company or any Affiliate.

20.2 Legend. The Board may require each person receiving Shares pursuant to an Award under this Plan to represent to and agree with the Company in writing that the Participant is acquiring the Shares without a view to distribution thereof. In addition, to any legend required by this Plan, the certificates for such Shares may include any legend which the Board deems appropriate to reflect any restrictions on transfer of such Shares.

20.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

20.4 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

20.5 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required. The Company shall receive the consideration required by law for the issuance of Awards under the Plan.

B-13

20.6 Securities Law Compliance. With respect to Insiders, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successor under the Exchange Act, unless determined otherwise by the Board. To the extent any provision of the Plan or action by the Board fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board.

20.7 Restrictions on Share Transferability. The Board may impose such restrictions on any Shares acquired pursuant to an Award granted under this Plan as it may deem advisable, including, without limitation, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares.

20.8 Listing. The Company may use reasonable endeavors to register Shares allotted pursuant to the exercise of an Award with the United States Securities and Exchange Commission or to effect compliance with the registration, qualification, and listing requirements of any national securities laws, stock exchange, or automated quotation system.

Edgar Filing: NN INC - Form DEF 14A

20.9 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares awarded under the Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

20.10 Inability to Obtain Authority. Notwithstanding any provision in this Plan to the contrary, if at any time the Company shall determine (in accordance with the provisions of the following sentence) that it is necessary as a condition of, or in connection with, the grant or exercise of any Award or the distribution of any Shares or cash under the Plan to (1) satisfy withholding tax or other withholding liabilities, (2) effect the listing, registration or qualification on any securities exchange, on any quotation system, or under any federal, state or local law, of any Shares otherwise deliverable in connection with such grant, exercise or distribution or (3) obtain the consent or approval of any regulatory body, then in any such event such grant, exercise or distribution shall not be effective unless such withholding, listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company in its reasonable and good faith judgment. In seeking to effect or obtain any such withholding, listing, registration, qualification, consent or approval, the Company shall act with all reasonable diligence. Any such postponement or limitation affecting the right to exercise an Award or the grant or distribution of an Award, Shares or cash shall not extend the time within which the Award may be granted or exercised or the Shares or cash distributed, unless the Company and the Participant choose to amend the terms of the Award to provide for such an extension; and neither the Company, nor any of its Directors or officers shall have any obligation or liability to the Participant (or to a beneficiary) by reason of any such postponement or limitation.

20.11 Investment Representations. As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

20.12 Employees Based Outside of the United States. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and its Subsidiaries operate or have Employees, the Board, in their sole discretion, shall have the power and authority to:

- (a) Determine which Affiliates and Subsidiaries shall be covered by the Plan;
- (b) Determine which persons outside the United States are eligible to participate in the Plan;

B-14

- (c) Modify the terms and conditions of any Award granted to persons outside the United States to comply with applicable foreign laws;
- (d) Establish subplans and modify exercise procedures, and other

Edgar Filing: NN INC - Form DEF 14A

terms and procedures to the extent such actions may be necessary or advisable; and

- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Board may not take any actions hereunder, and no Awards shall be granted, that would violate the Exchange Act, the Code, any securities law or governing statute or any other applicable law.

20.13 Noncertificated Shares. To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

20.14 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative or any other person. To the extent that any person acquires a right to receive payments from the Company under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company. All payments to be made hereunder shall be paid from the general funds of the Company and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in the Plan.

The Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974.

20.15 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. The Board shall determine whether cash, or Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

20.16 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the state of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under the Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Tennessee, Washington County, to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.
