Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On October 21, 2014, our compensation committee awarded restricted stock units for the 2014 fiscal year. Among these awards were restricted stock unit grants to Christopher H. Atayan and Andrew C. Plummer, respectively, under our company's 2014 Omnibus Incentive Plan, subject to stockholder approval of that Plan. As more fully described in Item 5.07 of this report, stockholders approved our company's 2014 Omnibus Incentive Plan at our annual meeting of stockholders on Friday, December 19, 2014. As a result of the stockholder approval of our 2014 Omnibus Incentive Plan, Mr. Atayan and Mr. Plummer received restricted stock unit grants under our company's 2014 Omnibus Incentive Plan as of that date for 6,129 shares and 1,269 shares, respectively. These grants are evidenced by Restricted Stock Unit Agreements, a form of which is filed as an exhibit to this report.

Each of the restricted stock unit grants was made on terms in which one-third of the restricted stock units is scheduled to vest on each of October 21, 2015, October 21, 2016, and October 21, 2017. The restricted stock units are not transferable by the recipient other than by will or the laws of descent and distribution and generally are exercisable, during the recipient's lifetime, only by the recipient and generally will be distributed only to the recipient or the recipient's beneficiary or representative. If, without the receipt of consideration by our company, there is any change in the number or kind of shares of our common stock outstanding by reason of a stock dividend or any other distribution upon the shares payable in stock, or through a stock split, subdivision, consolidation, combination, reclassification or recapitalization, the number of shares underlying the restricted stock unit grants may be appropriately adjusted to reflect any increase or decrease in the number of issued shares of our common stock to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under such grants. Any fractional shares resulting from such adjustment will be rounded up to the nearest whole share.

The descriptions in this report of the restricted stock unit grants made pursuant to our company's 2014 Omnibus Incentive Plan do not purport to be complete and are qualified in their entirety by reference to the full text of our company's 2014 Omnibus Incentive Plan and of the Restricted Stock Unit Agreements for the respective award recipients, copies of which are filed as exhibits to this report and are incorporated herein by reference. Additional information regarding our company's 2014 Omnibus Incentive Plan is contained in our proxy statement dated November 14, 2014 prepared with respect to our December 19, 2014 annual meeting of stockholders.
