**Item I. Nomination of Board of Directors**

The Board of Directors has an Audit Committee. The Board does not have a standing nominating committee or a charter with respect to the process for nominating directors for election to the Company's Board of Directors. The Company qualifies as a controlled company under NYSE Amex rules, as Joseph Feldschuh, M.D. controls more than 50% of the Company's voting power, as evidenced by the Company's ownership records. As a result, The NYSE Amex continued listing standards do not require the Company to have a nominating committee, compensation and stock option committee, or a written charter. Shareholders and members of the Company's Board submit nominees for election to the Company's Board of Directors to Dr. Feldschuh for his consideration.

**Item II. Election of the Board of Directors**

Shareholders are being asked to elect an entire board of seven directors to serve on the Board of Directors of Daxor Corporation to hold office until the next annual meeting or until their successors shall have been duly elected and shall have qualified.
