PROXY STATEMENT

This statement is furnished in connection with the solicitation by the Board of Directors of AAON, Inc. (the "Company"), for proxies to be used at the Annual Meeting of Stockholders of the Company to be held on May 31, 2006, at the time and place set forth in the Notice of Annual Meeting accompanying this Proxy Statement.

Pursuant to provisions of the Bylaws of the Company and action of its Board of Directors, the close of business on April 3, 2006, has been established as the time and record date for determining the stockholders entitled to notice of and to vote at this annual meeting. The stock transfer books will not be closed.

Directors are elected by a plurality vote and the three nominees who receive the most votes will be elected.

Stockholders of record on the record date are entitled to cast their votes at the Annual Meeting in person or by properly executed proxy. The presence, in person or by proxies, of thirty-three and one-third percent (33-1/3%) of the Common Stock outstanding on the record date is necessary to constitute a quorum at the Annual Meeting. If a quorum is not present at the time the Annual Meeting is convened, the Company may adjourn or postpone the meeting.

Proxies received in advance of the meeting may be revoked at any time prior to the voting thereof, either by giving notice to the Secretary of the Company or by personal attendance at the meeting.

The Company has adopted a procedure approved by the SEC called "householding" pursuant to which shareholders of record who have the same address and last name will receive only one copy of the Company's annual report and proxy statement unless one or more of these shareholders notify the Company that they wish to receive individual copies. Shareholders who participate in householding will continue to receive separate proxy cards.

Shareholders currently receiving multiple copies of the Company's annual report and proxy statement at their household can request householding by contacting the Company's transfer agent at 1-801-277-1400 or writing to Progressive Transfer Company, 1981 East Murray-Holladay Road, Suite 200, Salt Lake City, Utah 84117. Shareholders now participating in householding who wish to receive a separate document in the future may do so in the same manner. Those owning shares through a bank, broker or other nominee may request householding by contacting the nominee.

This Proxy Statement, the Notice of Annual Meeting and accompanying proxy card, as well as the Company's 2005 Annual Report (which includes the Company's Annual Report on Form 10-K for the year ended December 31, 2005), will be first mailed to stockholders approximately April 27, 2006.

BOARD AND COMMITTEE MATTERS

The business of the Company is managed under the direction of its Board of Directors. The Board of Directors met four times during 2005, and each director participated in at least 75% of all Board and applicable committee meetings held last year. Actions taken by the Board of Directors outside of Board meetings were consented to in writing by a memorandum of action in lieu of a meeting, to which all incumbent directors subscribed. Directors meet their responsibilities not only by attending Board and committee meetings but also through communication with members of management on matters affecting the Company.

Directors of the Company are paid quarterly fees of \$3,500 and attendance fees at Board meetings of \$1,000 if present in person or \$750 if participating by conference telephone call. They are also reimbursed for out-of-pocket expenses incurred in attending such meetings. Directors are paid attendance fees of \$500 per meeting for service on the Company's Audit Committee and Compensation Committee (up to a maximum of five meetings per committee per year) and the Chairman of the Audit Committee is paid an additional fee of \$750 per quarter and the Chairman of the Compensation Committee is paid an additional fee of \$500 per quarter; and each director is granted a 2,000 share non-qualified stock option (under the Company's stock option plan) each year.

Shareholders may communicate with the Board of Directors, including the non-management directors, by sending a letter to the Board of Directors of AAON, Inc., c/o Corporate Secretary, 2425 South Yukon, Tulsa, Oklahoma 74107. The Corporate Secretary has the authority to disregard any inappropriate communications. If deemed an appropriate communication, the Corporate Secretary will submit the correspondence to the Board or to any specific director to whom the correspondence is directed.

-6-

The Company encourages its directors to attend AAON's annual meetings of stockholders and all Board members attended the 2005 annual meeting.

The Board has an Audit Committee comprised of Messrs. Short, Naugle and

Edgar Filing: AAON INC - Form DEF 14A

Pantaleoni and a Compensation Committee comprised of Messrs. Ryan and Stephenson, each of whom is "independent" as defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards. Mr. Short is Chairman of the Audit Committee and has been designated as its "financial expert" as defined by SEC rules. Mr. Ryan is Chairman of the Compensation Committee. The Audit Committee met eight times during 2005. The Compensation Committee met twice during 2005.

The Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. Among other things, the Committee is responsible for: selecting and retaining the Company's independent public accountants; preapproving the engagement of the independent accountants for all audit-related services and permissible, non-audit related services; reviewing in advance the scope and focus of the annual audit; and reviewing and discussing with management and the auditors the financial reports of the Company, the audited financial statements, the auditor's report, the management letter and the quality and adequacy of the Company's internal controls. The Audit Committee is governed by a written charter. Its "Audit Committee Report" for year 2005 is set forth below.

Based on recommendations of the Compensation Committee, 5,000 share stock options were granted to David E. Knebel, Kathy I. Sheffield and Scott M. Asbjornson on April 6, 2005, at an option price of \$16.23 per share, and the Board of Directors raised the annual salaries of Norman H. Asbjornson, Robert G. Fergus, David E. Knebel and Kathy I. Sheffield by \$10,000 each effective June 1, 2005. The Committee will review and make recommendations, periodically, as to salary adjustments, bonuses and/or other forms of compensation for management in the future.

The Company does not have a nominating committee or charter for such a committee. Since its inception (in 1988), the Company has had only 10 directors, seven of whom continue to serve at this time. On the only occasions when vacancies have occurred, the new directors were unanimously approved by the other directors. The Board has not felt it necessary to have a standing nominating committee to deal with its infrequent changes in membership.

If and when vacancies occur in the future, the Board would consider director nominees recommended by shareholders. The Board does not have a formal policy regarding the consideration of, procedures to be followed by, minimum qualifications of or process for identifying or evaluating nominees recommended by security holders. All director nominees must be recommended for the Board's selection by a majority of its independent directors and approved by a majority of the whole Board.

Edgar Filing: AAON INC - Form DEF 14A

- (3) This amount was calculated using the Black-Scholes option pricing model, a complex mathematical formula that uses a number of factors to estimate the present value of stock options. The assumptions used in the valuation of the option were: stock price volatility - 32.15%, expected life - 8 years, risk free interest rate - 4.39% and dividend yield - 0%. The Black-Scholes model generates an estimate of the value of the right to purchase a share of stock at a fixed price over a fixed period. The actual value, if any, an executive realizes will depend on whether the stock price at exercise is greater than the grant price, as well as the executive's continued employment through the vesting period and the option term.

The following table provides information on the number of shares received upon exercise of options by the Company's named executive officers and the aggregate dollar value realized upon such exercise during the last year, and the value of each of the named executive officer's unexercised in-the-money options to acquire common stock at December 31, 2005.

Compensation Committee Report

General. The primary responsibility of the Compensation Committee is to make recommendations to the Board of Directors regarding remuneration of the Company's management personnel and to evaluate the design and competitiveness of the Company's compensation plans. The Committee consists of two independent directors.

Compensation Philosophy. The primary objective of the Company's

Edgar Filing: AAON INC - Form DEF 14A

compensation program is to enhance the profitability of the Company, and thus shareholder value, and to attract, motivate, reward and retain employees, including executive personnel, who contribute to the long-term success of the Company.

Executive Compensation Program. In furtherance of the above goals, the Company's compensation program for its executive personnel consists of appropriate salaries, discretionary annual bonuses, Company contributions to AAON's 401(k) plan, "profit sharing" payments (made to all employees) and discretionary stock option grants.

The Compensation Committee reviews executive compensation levels with respect to corporate and individual performance, as well as competitive pay practices. It is the objective of the Committee to base salary and bonus determinations on each executive's contribution to the overall profitability of the Company.

The Committee periodically reviews the base salaries of AAON's executive management personnel and recommends any adjustments it may deem appropriate, for approval by the Board of Directors. In its review, the Committee will take into account individual factors such as: experience; performance, both during the period since the last review and future potential; retention considerations; and other issues specific to the executive and the Company. Additionally, the Committee considers the growth and performance of the Company as it assesses the market for executive salaries.

During the past year, based on recommendations of the Compensation Committee, 5,000 share stock options were granted to David E. Knebel, Kathy I. Sheffield and Scott M. Asbjornson on April 6, 2005, at an option price of \$16.23 per share, and the Board of Directors raised the annual salaries of Norman H. Asbjornson, Robert G. Fergus, David E. Knebel and Kathy I. Sheffield by \$10,000 each effective June 1, 2005.

2005 CEO Compensation. The compensation package for the Company's CEO, Norman H. Asbjornson, is consistent in all material respects with the program for the other executives. His current annual base salary of \$260,000 was established effective June 1, 2005. Mr. Asbjornson's salary had been \$250,000 from October 1, 2003, to June 1, 2005, \$150,000 since 2000 and \$132,000 for 11 years prior thereto. He was paid performance bonuses of \$50,000 each in 2000 - 2003. Mr. Asbjornson received no bonus in 2004 or 2005.

-11-

In addition to being the Company's largest shareholder, Mr. Asbjornson holds stock options for an aggregate of 300,125 shares exercisable currently (or within 60 days) and through May 2015 at prices ranging from \$2.33 to \$20.40 per share.

In evaluating the compensation package of the Company's CEO, the Committee considered such factors as AAON's strategic and financial performance, his compensation in relation to that of CEO's of other comparable companies, his personal contribution to AAON's success and the Company's overall executive compensation philosophy.

Conclusion. The Compensation Committee believes the Company's executive compensation program has been consistent with the philosophy outlined in this report and was effective in achieving its overall objectives during fiscal 2005. The Committee hereby submits this report to AAON's Board of Directors for approval.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon a review of Forms 4 furnished to the Company during its most recent fiscal year, the Company knows of no director, officer or beneficial owner of more than ten percent of the Company's Common Stock who failed to file on a timely basis reports of beneficial ownership of the Company's Common Stock as required by Section 16(a) of the Securities Exchange Act of 1934, as amended.

INDEPENDENT PUBLIC ACCOUNTANTS

Edgar Filing: AAON INC - Form DEF 14A

At a meeting held on June 22, 2004, the Audit Committee of the Board of Directors of the Company approved the engagement of Grant Thornton LLP ("GT") as its independent auditors for the fiscal year ending December 31, 2004, to replace the firm of Ernst & Young LLP ("E&Y") which was dismissed as auditors of the Company effective June 23, 2004. GT has served as the Company's auditors since that date. E&Y's report on the Company's financial statements for fiscal year 2003 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audit of the Company's financial statements for the fiscal year ended December 31, 2003, and in the subsequent interim period, there were no disagreements with E&Y on any matter of accounting principles or practices, financial statements disclosure or auditing scope and procedures which, if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference to the matter in its report. The Company requested E&Y to furnish a letter addressed to the Commission stating whether it agreed with the above statements. A copy of E&Y's letter, dated June 25, 2004, stating that it had no disagreements with such statements was filed as Exhibit 1 to the Company's Form 8-K of the same date.

The Board of Directors has selected GT as the independent auditors of the Company for the fiscal year ending December 31, 2006. Representatives of GT are expected to be present at the Annual Meeting with the opportunity to make a statement if they so desire and to be available to respond to appropriate questions.

Fees and Independence

The Company's Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax and other services performed by the independent auditor. The following services were authorized by the Audit Committee.

Audit Fees. GT billed the Company an aggregate of \$338,964 and \$311,865 for professional services rendered for the audits of the Company's financial statements for the years ended December 31, 2005 and 2004, respectively. E&Y billed an aggregate of \$35,912 for its review of the Company's financial statements included in the Form 10-Q for the first quarter of 2004 and other audit services during 2004, and \$11,700 for its review of the Company's Form 10-K for the year ended December 31, 2005.

All Other Fees. No other fees were billed by GT or E&Y to the Company during 2005 or 2004.

The Audit Committee of the Board of Directors has determined that the provision of services by GT described above is compatible with maintaining GT's independence as the Company's principal accountant.

STOCKHOLDER PROPOSALS FOR 2007 ANNUAL MEETING

Stockholder proposals intended to be presented at the 2007 Annual Meeting and to be included in the Company's Proxy Statement must be received at the Company's executive offices, 2425 South Yukon, Tulsa, Oklahoma 74107, no later than December 28, 2006.

However, a stockholder who otherwise intends to present business at the 2007 Annual Meeting of stockholders, including nominations of persons to the Company's Board of Directors, must also comply with the requirements set forth in the Company's Bylaws. The Bylaws state, among other things, that to bring

Edgar Filing: AAON INC - Form DEF 14A

business before an annual meeting or to nominate a person for the Company's Board of Directors, a stockholder must give written notice that complies with the Bylaws to the Secretary of the Company not less than 60 days nor more than 90 days in advance of the anniversary date of the immediately preceding Annual Meeting. Thus, a notice of a stockholder proposal or nomination for the 2007 Annual Meeting of stockholders, submitted other than pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended ("Exchange Act"), will be untimely if given before March 2, 2007, or after April 1, 2007. As to any such proposals, the proxies named in management's proxy for that meeting will be entitled to exercise their discretionary authority on that proposal unless the Company receives notice of the matter to be proposed between March 2, 2007, and April 1, 2007. Even if proper notice is received on a timely basis, the proxies named in management's proxy for that meeting may nevertheless exercise their discretionary authority with respect to such matter by advising stockholders of such proposal and how they intend to exercise their discretion to vote on such matter to the extent permitted under Rule 14a-4(c)(2) of the Exchange Act.

OTHER MATTERS

Management knows of no business which will be presented at the 2006 Annual Meeting other than to elect directors for the ensuing year.

The cost of preparing, assembling and mailing all proxy solicitation materials will be paid by the Company. It is contemplated that the solicitation will be conducted only by use of the mails. The Company will, upon request, reimburse brokers for the costs incurred by them in forwarding solicitation materials to such of their customers as are the beneficial holders of Common Stock of the Company registered in the names of such brokers.
