ITEM 1.01.

ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On October 21, 2014, Pacific Premier Bancorp, Inc., a Delaware corporation ("PPBI"), and its wholly-owned subsidiary, Pacific Premier Bank, a California-chartered bank ("Pacific Premier"), entered into an Agreement and Plan of Reorganization (the "Merger Agreement") with Independence Bank, a California-chartered bank ("IDPK"), pursuant to which Pacific Premier will acquire IDPK. The proposed acquisition of IDPK is referred to in this Current Report on

Form 8-K as the “Merger.” A copy of the Merger Agreement is included as Exhibit 2.1 to this Current Report on Form 8-K. A summary of the material terms of the Merger Agreement follows.

Merger Consideration

The consideration payable to IDPK shareholders upon completion of the Merger will include both a cash component and shares of PPBI common stock (“PPBI Common Stock”), which consideration is subject to adjustment in certain circumstances described below. Upon completion of the Merger, each share of IDPK common stock (“IDPK Common Stock”) issued and outstanding immediately prior to the effective time of the Merger will be canceled and converted into the right to receive the following (the “Merger Consideration”): (1) a cash amount equal to \$13.75 per share (the “Per Share Cash Consideration”); or (2) 0.9259 shares of PPBI Common Stock (the “Per Share Stock Consideration”).

The Per Share Stock Consideration is subject to (i) downward adjustment if the average closing price of PPBI Common Stock during the 10 trading day period ending on the fifth business day prior to the effective time of the Merger (the “PPBI Average Share Price”) is equal to or greater than \$16.335 and (ii) upward adjustment if the PPBI Average Share Price is less than or equal to \$13.365. To the extent the PPBI Average Share Price is equal to or greater than \$16.335, the Per Share Stock Consideration shall adjust down to a number of shares of PPBI Common Stock equal to (X) \$15.125 divided by (Y) the PPBI Average Share Price, rounded to the nearest thousandth. To the extent the PPBI Average Share Price is less than \$13.365, the Per Share Stock Consideration shall adjust up to a number of shares of PPBI Common Stock equal to (A) \$12.375 divided by (B) the PPBI Average Share Price, rounded to the nearest thousandth.

IDPK shareholders will have the opportunity to elect the form of consideration to be received for all shares of IDPK Common Stock held by them, subject to the allocation procedures set forth in the Merger Agreement which are intended to ensure that 90% of the aggregate value of the Merger Consideration is paid in the form of shares of PPBI Common Stock, with the remaining 10% of the aggregate Merger Consideration to be paid in cash. Cash will be paid in lieu of any fractional share interest.

IDPK Options and Warrants

Each outstanding stock option to acquire shares of IDPK Common Stock that is vested or unvested that remains outstanding will be canceled in exchange for the right to receive a single lump sum cash payment, unless the exercise price per share of any such stock option is equal to or greater than the Per Share Cash Consideration, in which case such stock option will be canceled without any cash payment being made in respect thereof.

Each holder of an outstanding warrant to acquire shares of IDPK Common Stock will have the option to enter into an agreement with PPBI to have his or her warrant agreement purchased at closing. The holder of a warrant to acquire shares of IDPK Common Stock that enters into an agreement with PPBI to have his or her warrant agreement purchased will be entitled to receive a single lump sum cash payment, unless the exercise price per share of any such warrant is equal to or greater than the Per Share Cash Consideration, in which case such warrant will be canceled without any cash payment being made in respect thereof. Any warrant holder who fails to enter into an agreement with PPBI will have his or her warrant assumed by PPBI at the closing of the merger.

Shareholder Agreements

As an inducement for PPBI and Pacific Premier to enter into the Merger Agreement, each director and executive officer of IDPK who owns shares of IDPK Common Stock, reflecting an aggregate of approximately 13.2% of the outstanding IDPK Common Stock, entered into a shareholder agreement with PPBI and IDPK pursuant to which he or she agreed, among other things, to vote all shares of IDPK Common Stock beneficially owned by him or her in favor of adoption and approval of the Merger Agreement and the Merger. These shareholders also agreed to certain restrictions on their ability to transfer their shares of IDPK Common Stock. In addition, each director and executive

officer of IDPK agreed to refrain from soliciting customers and employees of IDPK for a period of two (2) years following the closing of the Merger. The form of shareholder agreement is included as Annex A to the Merger Agreement, which is attached to this Current Report on Form 8-K as Exhibit 2.1.

Representations and Warranties

The Merger Agreement contains customary representations and warranties from IDPK, which are qualified by the confidential disclosures provided by IDPK to PPBI, and customary representations and warranties from PPBI and Pacific Premier.

Business Pending the Merger

IDPK is required under the Merger Agreement to conduct its business in the ordinary and usual course consistent with past practice, to use reasonable best efforts to preserve its business organization, keep available the present services of its employees and preserve for itself and PPBI the goodwill of the customers of IDPK and others with whom business relations exist. The Merger Agreement additionally addresses how the business of IDPK is to be conducted in a number of areas between the signing of the Merger Agreement and the closing of the Merger.

Conditions to the Merger

The consummation of the Merger is subject to a number of conditions, which include: (1) the approval of the Merger Agreement by IDPK's shareholders; (2) the approval by PPBI's shareholders of the issuance of the PPBI Common Stock pursuant to the terms of the Merger Agreement in the Merger; (3) IDPK's average total deposits, based on the average balance for the preceding 30 days up to and including the month-end prior to the closing of the Merger must not be less than \$310,150,000; (4) as of the day of the closing of the Merger, IDPK's tangible common equity shall not be less than \$47,250,000, after adjustments for certain merger expenses and without any impact from changes in the investment securities portfolio unrealized gain/loss; (5) the receipt of all necessary authorizations, orders and consents of governmental authorities for the Merger, without the imposition of conditions or requirements upon Pacific Premier that are not customary and that would materially reduce the benefits of the Merger; (6) the absence of any regulation, judgment, decree, injunction or other order of a governmental authority which prohibits the consummation of the Merger; (7) the issuance of shares of PPBI Common Stock to IDPK's shareholders that are registered with the Securities and Exchange Commission ("SEC") and such shares being approved for listing on the Nasdaq Global Market; (8) dissenting shares of IDPK Common Stock must not represent 10% or more of the outstanding shares of IDPK Common Stock; (9) all representations and warranties made by PPBI and IDPK in the Merger Agreement must remain true and correct, except for certain inaccuracies that would not have, or would not reasonably be expected to have, a material adverse effect; and (10) PPBI and IDPK must have performed their respective obligations under the Merger Agreement in all material respects.

Termination Fee

IDPK must pay PPBI a termination fee in the amount of \$3.5 million if the Merger Agreement is terminated under certain circumstances.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The representations, warranties and covenants of each party set forth in the Merger Agreement have been made only for purposes of, were and are solely for the benefit of the parties to, the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these

matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors.

In addition, such representations and warranties (1) will not survive consummation of the Merger, unless otherwise specified therein, and cannot be the basis for any claims under the Merger Agreement by the other party after termination of the Merger Agreement, except as a result of fraud or willful breach of the provisions of the Merger Agreement, and (2) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement. Information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding PPBI, Pacific Premier or IDPK, their respective affiliates or their respective businesses.
