PROXY STATEMENT
FOR
2008 ANNUAL MEETING OF STOCKHOLDERS
OF
AEROCENTURY CORP.
TO BE HELD ON MAY 1, 2008

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board") of AEROCENTURY CORP. (the "Company") of proxies to be voted at the 2008 Annual Meeting of Stockholders (the "2008 Annual Meeting" or the "Annual Meeting"), which will be held at 5:30 p.m. on May 1, 2008, at the Hiller Aviation Museum, 601 Skyway Road, San Carlos, California, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2008 Annual Meeting of Stockholders. This Proxy Statement and the proxy card were first mailed to stockholders on or about March 24, 2008. The Company's 2007 Annual Report was mailed to stockholders concurrently with this Proxy Statement. The 2007 Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

VOTING RIGHTS AND SOLICITATION

The close of business on March 7, 2008, was the record date for stockholders entitled to notice of and to vote at the 2008 Annual Meeting. As of that date, the Company had 1,543,257 shares of Common Stock, \$0.001 par value (the "Common Stock"), issued and outstanding. The presence at the Annual Meeting of a majority of the issued and outstanding Common Stock, or 771,629 shares, either present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. All of the shares of the Company's Common Stock outstanding on the record date are entitled to vote at the 2008 Annual Meeting, and stockholders of record entitled to vote at the Annual Meeting will have one vote for each share of Common Stock so held with regard to each matter to be voted upon. Your proxy may be revoked at any time prior to the time it is voted.

If your shares are registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Co., you are considered, with respect to those shares, the "stockholder of record" and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting. The Company has enclosed a proxy card for your use, which should be returned to the Company.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held "in street name" and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote those shares in person at the Annual Meeting. Your broker or nominee has enclosed a voting instruction card for your use, which must be returned to your broker or nominee.

Shares of the Company's Common Stock represented by proxies in the accompanying form that are properly executed and returned to the Company will be voted at the 2008 Annual Meeting in accordance with the instructions of the stockholder of record contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR the election of each of the director nominees as described herein under "Proposal 1: Election of Directors"; FOR ratification of the selection of BDO Seidman, LLP as independent registered public accounting firm as described herein under "Proposal 2: Ratification of Selection of Independent Registered Public Accounting Firm"; and FOR the amendment of the Certificate of Incorporation to increase the authorized number of shares of Common Stock to 10,000,000 as described under "Proposal 3: Increase in Authorized Number of Shares of Common Stock." The Company does not know of any matters to be presented at the Annual Meeting other than those set forth in this Proxy

Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the Annual Meeting, the proxy holders will vote on such matters in accordance with their best judgment. Proxies will confer upon the proxy holders discretionary authority to vote upon matters that may properly be raised at the Annual Meeting, but which, as of the date hereof, are unknown to the Company. In addition, the proxies confer upon the proxy holders the authority to adjourn or postpone the Annual Meeting in order to assure that all stockholders who wish to vote on the matters will be able to cast their votes and to act upon the matters incident to the conduct of the meeting. Any stockholder of record has the right to revoke his or her proxy at any time before it is voted at the Annual Meeting.

Abstentions and broker non-votes are each included in the determination of the number of shares present for quorum purposes. For the purpose of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstentions have the same effect as negative votes. Broker non-votes are not included in the tabulation of the voting results on the election of directors or issues requiring approval of a majority of the shares present or represented by proxy and entitled to vote at the Annual Meeting and, therefore, do not have the same effect as votes in opposition to a specific proposal. Broker non-votes are included in the tabulation of the voting results on issues requiring approval of a majority of the outstanding shares and, therefore, have the same effect as negative votes on such matters. Neither abstentions nor broker non-votes are counted in the tabulation of the votes for election of directors.

Proposal 1. The election of directors by stockholders shall be determined by a plurality of the votes cast by the stockholders of record entitled to vote at the election present in person or represented by proxy, and the two nominees receiving the greatest number of affirmative votes of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting will be elected, provided a quorum is present. Abstentions and broker non-votes will not be counted toward a nominee's total.

Proposal 2. Ratification of the Company's selection of independent registered public accounting firm will require the affirmative vote of a majority of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions will have the same effect as votes against the proposal. Broker non-votes will have no effect on the outcome of this vote.

Proposal 3. Approval of the amendment to increase the number of shares of Common Stock authorized for issuance under the Certificate of Incorporation by 7,000,000, for a total of 10,000,000 shares, will require the affirmative vote of a majority of the outstanding shares. As a result, abstentions and broker non-votes will have the same effect as votes against the proposal.

The entire cost of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, telegraph or special letter by officers and Company employees for no additional compensation. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the Company's Common Stock, and such persons may be reimbursed for their expenses.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the proxy statement and annual report may have been sent to multiple stockholders sharing the same household. The Company will promptly deliver a separate copy of either document to any stockholder who contacts the Company's Investor Relations Department at (650) 340-1888 or by mail to 1440 Chapin Avenue, Suite 310, Burlingame, California 94010, requesting such copies. If a stockholder is receiving multiple copies of the proxy statement and annual report at the stockholder's household and would like to receive only a single copy of the proxy statement and annual report for a stockholder's household in the future, stockholders should contact their broker, other nominee record holder, or the Company's Investor Relations

Department to request mailing of a single copy of the proxy statement and annual report.

PROPOSAL 3
INCREASE IN AUTHORIZED NUMBER OF SHARES OF COMMON STOCK

Introduction. The Company's Certificate of Incorporation, as amended (the "Certificate of Incorporation"), currently authorizes the issuance of 3,000,000 shares of Common Stock and 2,000,000 shares of Preferred Stock, \$.001 par value per share ("Preferred Stock"), of which 100,000 shares have been designated Series A Preferred Stock. As of the Record Date, 1,543,257 shares of Common Stock are outstanding and no shares of Preferred Stock are outstanding. In addition, as of the Record Date, 171,473 shares of Common Stock are reserved for issuance upon exercise of Warrants issued in connection with the Company's subordinated debt financing that occurred in April 2007 (the "Subordinated Lender Warrants"). Therefore, the Company's total Common Stock share requirement for outstanding shares plus reserved but unissued shares, as of the Record Date, is approximately 1,714,730 shares (the "Share Requirement").

Description of the Proposed Amendment. On February 14, 2008, the Board unanimously approved an amendment to Article IV of the Certificate of Incorporation (the "Amendment"), subject to stockholder approval, to increase the number of shares of Common Stock authorized for issuance under the Certificate of Incorporation by 7,000,000, for a total of 10,000,000 shares.

If the Amendment is approved by the stockholders, the number of shares of Common Stock available for issuance would increase by 7,000,000 shares. These additional shares would be available for issuance from time to time for such purposes and for such consideration as the Board may determine to be appropriate such as capital raising, mergers or acquisitions of other businesses, stock splits, or stock dividends. Except for those instances in which applicable law or stock exchange rules require stockholder approval, the Board could use such available shares without the stockholders' prior consent. The additional shares of authorized Common Stock, when issued, would have the same rights and privileges as the shares of Common Stock currently issued and outstanding. If the proposal is not approved by the stockholders, no Amendment will be filed, and the increase in authorized shares would not occur.

Purposes of the Proposed Amendment

The primary purpose of the Amendment is to allow the Company to have available a sufficient number of shares of Common Stock to enable the Board of Directors to act expediently to take advantage of business opportunities such as capital raising, mergers, acquisitions or to make distributions to its stockholders in the form of stock dividends or stock splits.

As of the Record Date, the Certificate of Incorporation authorizes 3,000,000 shares of Common Stock and the Share Requirement is 1,714,730. This leaves only 1,285,270 shares available for issuance. After the amendment of the Certificate of Incorporation, there will be 8,285,270 shares available for issuance.

The Board believes that it is in the Company's best interest to increase the number of authorized shares of Common Stock to 10,000,000 shares, to provide the Company additional authorized but unissued shares available for issuance to meet business needs as they arise without the expense or delay of a special meeting of stockholders to approve an increase to the number of authorized shares at such time. Such business needs may include future stock dividends or splits, equity financings, mergers or acquisitions, and other proper corporate purposes identified by the Company's Board in the future. Any future issuance of the Company's Common Stock would remain subject to separate stockholder approval if required by Delaware law or the rules of any national securities exchange on which shares of the Company's Common Stock are then listed.

Other than as permitted or required under the Subordinated Lender Warrants issued in connection with the subordinated debt financing, the Company has no immediate understandings, agreements or commitments to issue additional shares of Common Stock for any purposes. If the proposal is approved, the Amendment would be filed immediately after the Stockholders' Meeting, and would take effect upon filing.

Vote Required

The affirmative vote of a majority of the outstanding shares of Common Stock will be required to approve the proposed Amendment to the Company's Certificate of Incorporation. Abstentions and broker non-votes are not affirmative votes and, therefore, will have the same effect as a vote against the proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSED AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION.

The Board of Directors has determined that at least two members of the Audit Committee, Messrs. Orr and Hahn, are "financial experts" within the meaning of Item 401(e)(1) of Regulation S-B of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Each of Messrs. Orr and Hahn is also "independent" within the meaning of Item 7(d)(3)(iv) of Schedule 14A of the Exchange Act. Mr. Orr is a self-employed accounting consultant and former partner of the accounting firms Bregante + Co. LLP and Arthur Young & Co., Certified Public Accountants. Mr. Hahn is a founder of Marbridge Group LLC, an alternative investment management firm, and prior to that was a tax partner in the accounting firm of Cooper & Lybrand. In the course of their respective careers, each of Mr. Orr and Mr. Hahn acquired (i) an understanding of generally accepted accounting principles and financial statements, (ii) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, (iv) an understanding of internal control over financial reporting, and (v) an understanding of audit committee functions.

The Audit Committee held seven meetings during the fiscal year ended December 31, 2007, and has held two meetings during the fiscal year ending December 31, 2008 to date.

The Executive Committee has the authority to acquire, dispose of and finance investments for the Company and execute contracts and agreements, including those related to the borrowing of money by the Company, and generally exercises all other powers of the Board of Directors except for those which require action by all of the directors or the independent directors under the Certificate of Incorporation or the Bylaws of the Company, or under applicable law. The Executive Committee currently consists of three directors, Neal D. Crispin, Chairman, Toni M. Perazzo and Marc J. Anderson.

The Company does not have a formal Nominating Committee. The independent directors separately consider and make recommendations to the full Board of Directors regarding any candidate being considered to serve on the Board of Directors. The full Board of Directors reviews potential candidates for the Board of Directors. While the Board of Directors does not have a specific policy for considering nominees recommended by stockholders, this does not mean that a recommendation would not be considered if received from a stockholder. The Board has not yet considered a procedure for considering nominees recommended by stockholders in addition to the procedures already set forth in the Bylaws of the Company. It believes that the current informal consideration process has been adequate in light of the historical absence of stockholder proposals. In any event, there would be no difference between the manner in which the Board would evaluate a nominee for director whether recommended by a stockholder or recommended by a member of the Board or one of the Company's executive officers. The Company does not pay any third party to identify or assist in identifying or evaluating potential nominees.

In reviewing potential candidates for the Board, the Board of Directors considers the individual's experience in the Company's industry, the general business or other experience of the candidate, the needs of the Company for an additional or replacement director, the personality of the candidate, the candidate's interest in the business of the Company, as well as numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to actively participate and ability to bring to the Company his or her experience and knowledge in areas that are most beneficial to the Company. The Board intends to continue to evaluate candidates for election to the Board on the basis of the foregoing criteria.

Since the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its officers. As a result, the Company has no compensation committee.

Communication between Stockholders and Directors

The Company's Board of Directors currently does not have a formal process for stockholders to send communications to the Board of Directors and does not believe such procedures are necessary at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board.

Director Attendance at Annual Meeting

It is the policy of the Company and Board of Directors that directors attend the Annual Meeting of Stockholders and be available for questions from the stockholders. Two sitting directors nominated for election were in attendance at the 2007 Annual Meeting of Stockholders. It is anticipated that both directors nominated for election at the 2008 Annual Meeting also will be in attendance at that meeting.

Board Independence

If all of the nominees to the Board of Directors are elected, "independent directors," as that term is used in the American Stock Exchange Company Guide, will constitute 50% of the entire Board of Directors of the Company, consisting of Messrs. Hahn, Orr and Wallach.

Involvement in Legal Proceedings

No director or associate of a director is involved in a material proceeding as a party adverse to the Company or any of its subsidiaries or with a material interest adverse to the Company or any of its subsidiaries.

AEROCENTURY CORP.

AUDIT COMMITTEE
CHARTER

Revised October 2007

I. ORGANIZATION

The Audit Committee shall be comprised of two or more directors, as determined by the Corporation's Board of Directors (the "Board"). The Audit Committee members shall be designated by the Board and shall serve at the discretion of the Board.

Each member of the Audit Committee shall be an independent director. For purposes hereof, an "independent director" shall be one:

- who accepts no consulting, advisory or other compensatory fee from the Corporation other than in his or her capacity as a member of the Committee, the Board or any other committee of the Board or is not otherwise an affiliated person of the Corporation, and
 - who is free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director.

Each member of the Audit Committee shall be able to read and understand fundamental financial statements in accordance with the rules of the American Stock Exchange (the "AMEX") audit committee requirements. At least one member shall have past employment experience in finance or accounting, a professional certification in accounting or other comparable experience or background that results in the individual's possessing the requisite financial sophistication, including a current or past position as a chief executive or financial officer or other senior officer with financial oversight responsibilities.

II. STATEMENT OF POLICY

The Audit Committee is appointed by the Board to oversee the accounting and financial reporting processes of the Corporation and audits of the financial statements of the Corporation and to have the sole responsibility for the appointment, compensation, oversight and termination of the Corporation's independent auditors ("Auditors"). The Audit Committee shall further provide assistance and expertise to the full corporate board of directors in fulfilling their responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the corporation, and the quality and integrity of the financial reports of the corporation. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the directors, the Auditors, and the financial management of the Corporation. In addition, the Audit Committee shall review the policies and procedures adopted by the Corporation to fulfill its responsibilities regarding the fair and accurate presentation of financial statements in accordance with generally accepted accounting principles and applicable rules and regulations of the Securities and Exchange Commission and the AMEX audit committee requirements.

III. POWERS

The Audit Committee shall have the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall be empowered to engage independent counsel and other advisers, as it determines necessary to carry out its duties. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Those tasks are the responsibility of management and the independent auditor. The Board and the Committee are in place to represent the Corporation's stockholders. Accordingly, the independent auditor is ultimately accountable to the Board and the Committee.

IV. RESPONSIBILITIES

The Audit Committee shall undertake those specific duties and responsibilities listed below and such other duties as the Board shall from time to time prescribe. All powers of the Committee are subject to the restrictions designated in the Corporation's Bylaws and applicable law. The Committee may delegate to one or more designated Committee members the authority to grant preapprovals required by the foregoing sentence. The decisions of any Committee member to whom authority is delegated hereunder shall be presented to the Committee at each of its scheduled meetings. The Auditors shall be ultimately accountable to the Board and to the Committee as representatives of the Corporation's stockholders.
 - b. Review the independence of the Auditors, including a review of management consulting services, and related fees, provided by the Auditors. The Committee shall request that the Auditors at least annually provide a formal written statement delineating all relationships between the Auditors and the Corporation consistent with the AMEX audit committee requirements and request information from the Auditors and management to determine the presence or absence of a conflict of interest. The Committee shall actively engage the Auditors in a dialogue with respect to any disclosed relationships or services that may impact the objectivity and independence of the Auditors. The Committee shall take, or recommend that the full Board take, appropriate action to oversee the independence of the Auditors.
3. Review and discuss with management, before release, the audited financial statements and the Management's Discussion and Analysis proposed to be included in the Corporation's Annual Report on Form 10-KSB. Make a recommendation to the Board whether or not the audited financial statements should be included in the Corporation's Annual Report on Form 10-KSB.

4. In consultation with the Auditors and management, consider and review at the completion of the annual examinations and such other times as the Committee may deem appropriate:
 - a. The Corporation's annual financial statements and related notes.
 - b. The Auditors' audit of the financial statements and their report thereon.
- c. The Auditors' reports regarding critical accounting policies, alternative treatments of financial information and other material written communications between the Auditors and management.
- d. Any deficiency in, or suggested improvement to, the procedures or practices employed by the Corporation as reported by the Auditors in their annual management letter.
5. Periodically and to the extent appropriate under the circumstances, it may be advisable for the Committee, with the assistance of the Auditors and/or management, to consider and review the following:
 - a. Any significant changes required in the Auditors' audit plan.
 - b. Any difficulties or disputes with management encountered during the course of the audit.
 - c. The adequacy of the Corporation's system of internal financial controls.
- d. The effect or potential effect of any regulatory regime, accounting initiatives or off-balance sheet structures on the Corporation's financial statements.
- e. Any correspondence with regulators or governmental agencies and any employee complaints or published reports that raise material issues regarding the Corporation's financial statements or accounting policies.
- f. Other matters related to the conduct of the audit, which are to be communicated to the Committee under generally accepted auditing standards.
6. Discuss with the Auditors the matters required to be discussed by Statement on Auditing Standards No. 114, as modified or supplemented.
7. Obtain from the Auditor assurance that it has complied with Section 10A of the Securities Exchange Act of 1934.
8. Establish procedures for (a) the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous submission by the Corporation's employees of concerns regarding questionable accounting or auditing matters.
 9. Prepare a report in the Corporation's proxy statement in accordance with SEC requirements.
10. Discuss guidelines and policies governing the process by which senior management of the Company and the relevant departments of the Company assess and manage the Company's exposure to risk, and to discuss the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures;
 11. Review accounting and financial human resources and succession planning with the Corporation
12. Submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each Committee meeting with, the Board.

13. Investigate any matter brought to its attention within the scope of its duties, with the power to retain separate outside counsel, solely representing and reporting to the Audit Committee, for this purpose if, in its judgment, that is appropriate.

V. MEETINGS

Periodic meetings of the Audit Committee should be regularly scheduled, and should include at least the following meetings:

1. Prior to the annual audit;
2. After completion of the annual audit and before financial statements are issued;
3. Before the annual meeting of shareholders, which would include the preparation of the Audit Committee's report to the entire Board.

Meetings should provide the opportunity not only to review the Corporation's quarterly and annual financial results but also perform a preliminary review of annual and quarterly financial reports of the Corporation, and review filings with the Securities and Exchange Commission. The Audit Committee should set its own agenda and should be able to secure whatever information it may feel it needs to be well informed as to the issues before it.

Special meetings of the Committee may be called by any member of the Audit Committee or at the request of the Auditor.

VI. MINUTES

Minutes shall be kept of each meeting of the Committee and will be provided to each member of the Board. Any action of the Committee shall be subject to revision, modification or rescission by the Board.
