AMENDED AND RESTATED CERTIFICATE OF DESIGNATION

SERIES A PREFERRED STOCK

of

MIRENCO, INC.

The following constitutes the amended and restated designation of the Series A Preferred Stock of Mirengo, Inc. (the Company) as adopted by the Board of Directors on May 26, 2010 pursuant to Section 490.602 of the Iowa Business Corporation Act.

1.

DESIGNATION AND NUMBER

1.1

This series of the Company's no par value preferred stock (Preferred Stock) shall be represented by a single series designated as the Series A Preferred Stock (the Series A Preferred Stock). The number of shares constituting the Series A Preferred Stock shall be 5,000,000 which number may be decreased from time to time, but not increased, by the vote of the Board of Directors.

1.2

Capitalized terms used herein and not otherwise defined shall have the meanings set forth below.

1.2.1

Common Stock means the Common Stock, no par value per share, of the Company, or any other capital stock of the Company into which such stock is reclassified or reconstituted.

1.2.2

Person means any individual, firm, corporation, partnership, trust, limited liability company, incorporated or unincorporated association, joint venture, joint stock company, government (or an agency or political subdivision thereof) or other entity of any kind, and shall include any successor (by merger or otherwise) of such entity.

1.2.3

Redemption Price means \$ 0.10 per share.

2.

RANKING

The Series A Preferred Stock shall, with respect to dividend rights and rights on liquidation, dissolution or winding up, rank in relation to all other equity securities of the Company and any other series or class of the Company's preferred or common stock, now or hereafter authorized, in accordance with the provisions of this Certificate.

3.

DIVIDENDS and Distributions

The holders of shares of Series A Preferred Stock shall be entitled to receive cumulative dividends per share each year at the rate of 6.0% per year on the Redemption Price, payable upon declaration by the Board of Directors out of any assets legally available therefor, prior and in preference to any declaration of any dividend (payable other than in Common Stock or other securities and rights convertible into or entitling the holder thereof to receive, directly or indirectly, additional shares of Common Stock of this Corporation) on the Common Stock, or any series of Preferred Stock ranking junior to the Series A Preferred Stock, of this Corporation.

4.

VOTING RIGHT Except as otherwise required by law, the holders of shares of Series A Preferred Stock shall not have voting rights.

5.

REDEMPTION The Company shall redeem all outstanding shares of Series A Preferred Stock on December 31, 2015, at the Redemption Price and pay any accrued but unpaid dividends thereon. Any time, or from time to time, after December 31, 2011, the Company may redeem any or all outstanding shares of Series A Preferred Stock upon thirty (30) days advance written notice to the holder and payment of the Redemption Price plus all accrued and unpaid dividends up to the date of redemption.

6.

LIQUIDATION, DISSOLUTION OR WINDING UP

6.1

In the event of any liquidation, dissolution or winding up of the Company, either voluntary or involuntary, before any distribution or payment is made to any holder of Common Stock, or any series of Preferred Stock ranking junior to the Series A Preferred Stock, the holders of shares of Series A Preferred Stock shall first be entitled to be paid in full in an amount equal to (i) the Redemption Price plus (ii) an amount equal to all accrued but unpaid dividends on such Shares accrued up to such date of distribution or payment, with respect to each share of Series A Preferred Stock (in the aggregate, the Preference Payment).

6.2

If, upon any liquidation, dissolution or winding up of the Company, the assets of the Company available for distribution to the holders of Series A Preferred Stock shall be insufficient to permit payment in full to such holders of the Preference Payment, then all of the assets available for distribution to holders of the Series A Preferred Stock shall be distributed among and paid to such holders ratably in proportion to the amounts that would be payable to such holders if such assets were sufficient to permit payment in full.

6.3

If, in the event of any liquidation, dissolution or winding up of the Company, either voluntary or involuntary, holders of Series A Preferred Stock shall have been paid the Preference Payment in full, the remaining net assets of the Company shall be distributed ratably to the holders of Common Stock, and holders of all other series of Preferred Stock in accordance with the rights and preferences of such other Preferred Stock.

6.4

The consolidation or the merger of the Company with or into any other Person or the sale or other distribution to another Person of all or substantially all the assets, property or business of the Company, shall be deemed to be a liquidation, dissolution or winding up of the Company for purposes of this Section 6.

7.

CONVERSION TO COMMON STOCK

7.1

Right to Convert/Automatic Conversion. Commencing on the date of issue, each share of Series A Preferred Stock and any accrued but unpaid dividends thereon shall be convertible, at the option of the holder thereof, into fully paid and nonassessable shares of Common Stock in accordance with this Section 7.

7.2

Number of Shares of Common Stock Issuable upon Conversion. Each share of Series A Preferred Stock shall be convertible into one share of Common Stock. The number of shares of Common Stock to be issued in exchange for accrued but unpaid dividends on converted shares of Series A Preferred Stock at the time of conversion shall be the whole number determined by dividing the amount of such accrued but unpaid dividends by the Redemption Price. Any remainder amount shall be paid in cash. No fractional shares of Common Stock shall be issued pursuant to a conversion of Series A Preferred Stock.

7.3

Antidilution Adjustments.

7.3.1

Subdivision, Combination or Reclassification of Common Stock. If the Company shall, at any time or from time to time, (1) subdivide the outstanding Common Stock, (2) combine the outstanding Common Stock into a smaller number of shares, or (3) issue any shares of its capital stock in a reclassification of the Common Stock (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing corporation), then in each such case, the Conversion Price in effect at the time of the effective date of such subdivision, combination or reclassification shall be adjusted to that price which will permit the number of shares of Common Stock into which the Series A Preferred Stock may be converted to be increased or reduced in the same proportion as the number of shares of Common Stock is increased or reduced in connection with such dividend, subdivision, combination or reclassification. Any such adjustment shall become effective immediately after the effective date of such subdivision, combination or reclassification. Such adjustment shall be made successively whenever any event listed above shall occur.

7.3.2

Fractional Shares. Notwithstanding any other provision of this Certificate, the Company shall not be required to issue fractions of shares upon conversion of any shares of Series A Preferred Stock or to distribute certificates which evidence fractional shares. In lieu of fractional shares, the Company shall pay therefor, at the time of any conversion of shares of Series A Preferred Stock as herein provided, an amount in cash equal to such fraction multiplied by the fair market value of a share of Common Stock on such date, as determined in good faith by the Board of Directors of the Company.

7.4

Reorganization, Reclassification and Merger Adjustment. If there occurs any capital reorganization or any reclassification of the Common Stock of the Company, the consolidation or merger of the Company with or into another Person (other than a merger or consolidation of the Company in which the Company is the continuing corporation and which does not result in any reclassification or change of outstanding shares of its Common Stock) or the sale or conveyance of all or substantially all of the assets of the Company to another Person, then each share of Series A Preferred Stock shall thereafter be convertible into the same kind and amounts of securities (including shares of stock) or other assets, or both, which were issuable or distributable to the holders of outstanding Common Stock of the Company upon such reorganization, reclassification, consolidation, merger, sale or conveyance, in respect of that number of shares of Common Stock into which such share of Series A Preferred Stock might have been converted immediately prior to such reorganization, reclassification, consolidation, merger, sale or conveyance; and, in any such case, appropriate adjustments (as determined in good faith by the Board of Directors of the Company) shall be made to assure that the provisions set forth herein (including provisions with respect to changes in, and other adjustments of, the Conversion Price) shall thereafter be applicable, as nearly as reasonably may be practicable, in relation to any securities or other assets thereafter deliverable upon the conversion of the Series A Preferred Stock.

7.5

Mechanics of Optional Conversion. The option to convert shall be exercised by surrendering for such purpose to the Company, at the principal office of the Company, duly endorsed in blank or accompanied by proper instruments of transfer, and at the time of such surrender, the Person in whose name any certificate for shares of Common Stock shall be issuable upon such conversion shall be deemed to be the holder of record of such shares of Common Stock on such date, notwithstanding that the share register of the Company shall then be closed or that the certificates representing such Common Stock shall not then be actually delivered to such Person.

7.6

Reservation of Common Stock. The Company shall at all times reserve and keep available for issuance upon the conversion of the shares of Series A Preferred Stock, the maximum number of its authorized but unissued shares of Common Stock sufficient to permit the conversion of all outstanding shares of Series A Preferred Stock, and shall take all action required to increase the authorized number of shares of Common Stock if at any time there shall be insufficient authorized but unissued shares of Common Stock to permit such reservation or to permit the conversion of all outstanding shares of Series A Preferred Stock.

7.7

No Conversion Charge or Tax. The issuance and delivery of certificates for shares of Common Stock upon the conversion of shares of Series A Preferred Stock shall be made without charge to the holder of shares of Series A Preferred Stock for any issue or transfer, or other incidental expense in respect of the issuance or delivery of such certificates or the securities represented thereby, all of which taxes and expenses shall be paid by the Company.

8.
