Report of Independent Auditors

The Administrative Committee of the
Wal-Mart Puerto Rico, Inc. 401(k) Retirement Savings Plan

We have audited the accompanying statements of net assets available for benefits of Wal-Mart Puerto Rico, Inc. 401(k) Retirement Savings Plan as of January 31, 2001 and 2000, and the related statement of changes in net assets available for benefits for the year ended January 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at January 31, 2001 and 2000, and the changes in its net assets available for benefits for the year ended January 31, 2001, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of January 31, 2001, is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

1. Description of the Plan

The following description of the Wal-Mart Puerto Rico, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information regarding the Plan as in effect on January 31, 2001. This document is not part of the Summary Plan Description of the Plan and is not a document pursuant to which the Plan is maintained within the meaning of the Puerto Rico Income Tax Act of 1954 ("PRITA"), as amended, or Section 402(a)(1) of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Participants should refer to the Plan document for a complete description of the Plan's provisions. To the extent not specifically prohibited by statute or regulation, Wal-Mart Puerto Rico, Inc. ("Wal-Mart" or the "Company") reserves the right to unilaterally amend, modify, or terminate the Plan at any time, and such changes may be applied to all Plan participants and their beneficiaries regardless of whether the participant is actively working or retired at the time of the change. The Plan may not be amended, however, to permit any part of the Plan's assets to be used for any purpose other than for the purpose of paying benefits to participants and their beneficiaries. All investment programs of the Plan are fully participant directed.

General

The Plan is a defined contribution plan established by the Company on February 1, 1997. All associates of the Company who are not covered by a plan of a related company and have completed at least 1,000 hours of service in a consecutive 12-month period are eligible to participate in the Plan. Participation may begin on the first day of the month following eligibility. The Plan is subject to the provisions of PRITA and ERISA.

The responsibility for operation and administration of the Plan (except for investment management and control of assets) is vested in the Plan's Administrative Committee of the Company ("Administrative Committee").

The trustee function of the Plan is performed by Banco Popular de Puerto Rico ("BPPR") while Merrill Lynch Trust Company of America ("Merrill Lynch") is the custodian of the Plan's assets and recordkeeper for the Plan. BPPR remits all contributions received from the Company to Merrill Lynch who invests those contributions according to the direction of participants and policies established by the Administrative Committee. Merrill Lynch makes payments to beneficiaries from the Plan in accordance with the Plan. The custodian and recordkeeper is affiliated with Merrill Lynch, Pierce, Fenner & Smith, Inc.,

1. Description of the Plan (continued)

the parent corporation of Merrill Lynch and manager of the Merrill Lynch Equity Index Trust and the Retirement Preservation Trust, which are investment options offered under the Plan to participants.

Contributions

All eligible associates participate in the Plan and may elect to contribute from 1% to 15% of their eligible wages. Whether or not an associate contributes to the Plan, he or she will receive a portion of the Company's contribution if they meet certain eligibility requirements. To be eligible to receive a Company contribution, the associate must complete at least 1,000 hours of service during the Plan year for which the contribution is made, and be employed on the last day of that Plan year (January 31).

At the end of each Plan year, Wal-Mart's contribution (if any) will be determined for that Plan year. The Company's contribution for each associate will be a percentage of the associate's eligible wages for the Plan year. Wal-Mart's contribution is discretionary and can vary from year to year. The Company's discretionary contribution for the Plan year ended January 31, 2001 was 2% of eligible participant compensation. Such contributions are subject to certain limitations in accordance with provisions of PRITA and ERISA.

Participants' Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution to the Plan made on the associate's behalf, and (b) an allocation, as defined, of Plan earnings. The benefit to which a participant is entitled from the Plan is dependent on the amount in the participant's account.

Vesting

Participants are immediately vested in all contributions to their accounts, plus earnings thereon.

1. Description of the Plan (continued)

Payment of Benefits and Withdrawals

The normal form of payment upon a participant's separation from the Company is a lump-sum payment in cash for the balance of the participant's account. Participants may also elect to receive a single lump-sum payment in whole shares of Company stock, with partial or fractional shares paid in cash, to the extent the participant's account is invested in Company stock. To the extent the participant's account is not invested in Company stock, the account balance will automatically be distributed in cash. Participants may also elect to rollover their account balance into a different tax-qualified retirement plan or individual retirement arrangement upon separation from the Company. The Plan permits withdrawals of participants' salary reduction contributions and rollover contributions only in amounts necessary to satisfy financial hardship, as defined by the Plan document.

Plan Termination

While there is no intention to do so, the Company may discontinue the Plan by giving written notice, subject to the provisions of ERISA and PRITA. In the event of a complete or partial termination of this Plan or a complete discontinuance of contributions to it, the accounts of the participants shall be fully and immediately nonforfeitable. The Trust shall remain in effect (unless it is specifically terminated) and the Trust assets shall be administered in the manner provided by the terms of the Trust and distributed as soon as administratively feasible.

Investment Options

Participant investment choices include a variety of mutual funds, common collective trusts and Wal-Mart common stock. The associate may change his or her selections at any time throughout the year.

2. Income Tax Status

The Plan has received a determination letter from the Commonwealth of Puerto Rico's Department of Treasury dated February 10, 1999, stating that the Plan is qualified under Section 165(a) of PRITA and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with PRITA and ERISA to maintain its qualification. Company management believes the Plan is being operated in compliance with the applicable requirements of PRITA and ERISA and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

3. Summary of Accounting Policies

Basis of Accounting

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires Plan management to use estimates and assumptions that affect the amounts reported in the accompanying financial statements and notes. Actual results could differ from these estimates.

Shares of mutual funds are valued at published prices which represent the net asset values of shares held by the Plan at year end. Wal-Mart common stock is stated at fair value which equals the quoted market price on the last business day of the year. Investments in common collective trust funds are stated at the fair value of the underlying assets determined by the Custodian. Purchases and sales are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Committee members are appointed by the Company to administer the Plan. The Company bears all costs associated with administering the Plan, except for minor administration expenses paid by the Plan.
