Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

This current report presents information previously disclosed in our Report on Form 10-K for the year ended December 31, 2007, filed on March 3, 2008 (the "2007 Form 10-K"), which included a restatement of the Consolidated Statements of Cash Flows for the fiscal years ended December 31, 2006 and 2005 (the "Restatement"). The Restatement, as presented in Note A to the Notes to Consolidated Financial Statements included in the 2007 Form 10-K, is set forth on Exhibit 99.1 attached to this current report. No further restatement is presented in this current report.

The Restatement did not result in any change in cash and cash equivalents from amounts previously reported for the 2006 and 2005 fiscal years. The Restatement has no effect on the Consolidated Statements of Cash Flows for the fiscal year ended December 31, 2007, as presented in the 2007 Form 10-K, or for any subsequent quarterly periods included in our reports on Form 10-Q.

The Restatement relates to the reclassification of the "Effect of exchange rate changes on cash and cash equivalents", from supplemental information to a line item within the body of our Consolidated Statements of Cash Flows, as required by Statement of Financial Accounting Standard ("SFAS") No. 95, "Statement of Cash Flows (as amended)" paragraph 25, and to the correction of errors in that line item.

On February 27, 2008, our then-current Chief Financial Officer concluded that the errors in the amounts to be reclassified in our 2006 and 2005 Consolidated Statements of Cash Flows were of a sufficient magnitude that the reclassification should be presented as a restatement in our 2007 Consolidated Financial Statements. Accordingly, a description and appropriate disclosure regarding the Restatement were included in our 2007 Consolidated Financial Statements and Note A of the Notes to Financial Statements in accordance with SFAS No. 154 "Accounting Changes and Error Corrections" for the years ended December 31, 2006 and 2005.

Notwithstanding the disclosure of the Restatement in our 2007 Form 10-K, it was subsequently determined that, due to the Restatement, we also were required to file this current report, indicating that the Consolidated Statements of Cash Flows presented in our Form 10-K for the 2005 and 2006 fiscal years and in our Form 10-Q for the first three fiscal quarters of 2006 and 2007 cannot be relied upon.

Our Chief Financial Officer and Vice President Corporate Controller have discussed with our independent registered public accounting firm the matters disclosed in this current report.

The 2007 Form 10-K was subsequently amended for the correction of typographical errors unrelated to the Restatement. We filed Form 10-K/A on March 27, 2008.
