MANAGEMENT PROXY CIRCULAR

1. SOLICITATION OF PROXIES

THIS MANAGEMENT PROXY CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION, BY THE MANAGEMENT OF AETERNA LABORATORIES INC. (THE "CORPORATION"), OF PROXIES TO BE USED AT THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS OF THE CORPORATION (THE "MEETING"), TO BE HELD ON WEDNESDAY, MAY 26, 2004, AT THE TIME AND PLACE AND FOR THE PURPOSES SET FORTH IN THE NOTICE OF MEETING OR ANY ADJOURNMENT THEREOF.

Unless otherwise indicated, the information contained in this Circular is given as of April 1, 2004. All dollar amounts in this Management Proxy Circular refer to Canadian dollars, unless otherwise indicated.

The solicitation will be conducted primarily by mail; some proxies may also be solicited directly in the case of directors, officers or employees of the Corporation, but without further compensation. The Corporation may also reimburse brokers and other persons holding the Corporation's subordinate voting shares (the "Subordinate Voting Shares") on their behalf or on behalf of nominees, for costs incurred in sending the proxy documents to principals and to

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

obtain their proxies. The Corporation will assume the costs of solicitation, which are expected to be minimal.

2. APPOINTMENT OF PROXYHOLDERS

THE PERSONS NAMED AS PROXYHOLDERS IN THE ENCLOSED FORM OF PROXY ARE DIRECTORS OR OFFICERS OF THE CORPORATION. A SHAREHOLDER MAY APPOINT A PERSON OTHER THAN THE PERSONS INDICATED IN SUCH PROXY FORM TO ACT AS HIS OR HER PROXYHOLDER. TO DO SO, THE SHAREHOLDER MUST WRITE THE NAME OF SUCH PERSON IN THE APPROPRIATE SPACE ON THE FORM OF PROXY. In order to ensure they are counted, duly completed proxies must be received at the office of National Bank Trust Inc., Share Ownership Management, 1100 University Street, 9th Floor, Montreal, Quebec, H3B 2G7, no later than at the close of business on the last business day preceding the date of the Meeting or any adjournment thereof, or they may be delivered to the Chairman at the Meeting or at any adjournment thereof. A person acting as proxyholder need not be a shareholder of the Corporation.

3. REVOCATION OF PROXIES

A shareholder giving a proxy may revoke it at all times by a document signed by him or her or by a proxyholder authorized in writing or, if the shareholder is a corporation, by a document signed by an officer or a proxyholder duly authorized, given to the Corporate Secretary of the Corporation at 1405 boulevard du Parc-Technologique, Quebec City, Quebec, G1P 4P5, until the last business day, inclusively, preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used, or to the Chairman of such meeting on the day of the Meeting or any adjournment thereof.

4. NON-REGISTERED HOLDERS OF SHARES

THE INFORMATION SET FORTH IN THIS SECTION SHOULD BE REVIEWED CAREFULLY BY THE NON-REGISTERED SHAREHOLDERS OF THE CORPORATION. SHAREHOLDERS WHO DO NOT HOLD THEIR SHARES IN THEIR OWN NAME SHOULD NOTE THAT ONLY PROXIES DEPOSITED BY SHAREHOLDERS WHO APPEAR ON THE RECORDS MAINTAINED BY THE CORPORATION'S REGISTRAR AND TRANSFER AGENT AS REGISTERED HOLDERS OF SHARES WILL BE RECOGNIZED AND ACTED UPON AT THE MEETING.

Non-registered shareholders may vote shares that are held by their nominees in one of two manners. Applicable securities laws and regulations, including National Instrument 54-101 COMMUNICATION WITH BENEFICIAL OWNERS OF SECURITIES OF A REPORTING ISSUER, require nominees of non-registered shareholders to seek their voting instructions in advance of the Meeting. Non-registered shareholders will receive (or will have received) from their nominees either a request for voting instructions or a proxy form for the number of shares held by them. The nominees' voting instructions or proxy forms will contain instructions relating to signature and return of the

1

document and these instructions should be carefully read and followed by non-registered shareholders to ensure that their shares are accordingly voted at the Meeting.

Non-registered shareholders who would like their shares to be voted for them must therefore follow the voting instructions provided by their nominees.

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

Non-registered shareholders who wish to vote their shares in person at the Meeting must insert their own name in the space provided on the request for voting instructions or proxy form, as the case may be, in order to appoint themselves as proxyholder and follow the signature and return instructions provided by their nominees. Non-registered shareholders who appoint themselves as proxyholders should present themselves at the Meeting to a representative of National Bank Trust Inc. Non-registered shareholders should not otherwise complete the form sent to them by their nominees as their votes will be taken and counted at the Meeting.

ALL REFERENCES TO "SHAREHOLDERS" IN THIS MANAGEMENT PROXY CIRCULAR AND THE ACCOMPANYING FORM OF PROXY AND NOTICE OF MEETING ARE TO REGISTERED SHAREHOLDERS UNLESS SPECIFICALLY STATED OTHERWISE.

5. VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The shares conferring voting rights at the Meeting are the multiple voting shares (the "Multiple Voting Shares") and the Subordinate Voting Shares. Each Multiple Voting Share confers the right to ten votes and each Subordinate Voting Share confers the right to one vote. As at April 16, 2004 (the "Record Date"), there were no Multiple Voting Shares and 45,440,242 Subordinate Voting Shares issued and outstanding.

Holders of Subordinate Voting Shares, entered on the list of shareholders compiled at the close of business (Montreal time) the Record Date, will have the right to vote at the Meeting or at any adjournment thereof if they are present or represented by a proxyholder.

To the knowledge of the directors and officers of the Corporation, the only persons who are beneficial owners of, directly or indirectly, or exercise power or control over shares conferring more than 10% of the voting rights attached to each class of participating and issued and outstanding shares of the Corporation are indicated in the table below:

In respect of this investment, SGF Sante and Fund QFL have each reached an agreement with Dr. Eric Dupont whereby Dr. Dupont specifically agreed that, so long as he holds the majority of votes attached to all voting shares of the Corporation, he will not vote in favour of specific significant events that concern the

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

Corporation and its subsidiaries without having received the prior approval of SGF Sante and/or Fund QFL. This agreement is no longer in force since Dr. Dupont converted all of his Multiple Voting Shares into Subordinate Voting Shares in May 2003.

6. PRESENTATION OF THE FINANCIAL STATEMENTS

The Annual Report including the audited consolidated financial statements of the Corporation for the financial year ended December 31, 2003 and the Auditors' report thereon will be submitted to the Meeting.

7. EXERCISE OF VOTING RIGHTS BY PROXIES

The persons named as proxies will vote or withhold from voting the shares in respect of which they are appointed or vote for or against any particular question, in accordance with the direction of the shareholders appointing them. IN THE ABSENCE OF SUCH DIRECTION, SUCH SHARES WILL BE VOTED IN FAVOUR OF ALL MATTERS IDENTIFIED IN THE ATTACHED NOTICE OF MEETING. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and to other matters which may properly come before the Meeting. As of the date of this Management Proxy Circular, the Management of the Corporation knows of no such amendment, variation or other matter expected to come before the Meeting other than the matters referred to in the Notice of Meeting.

8. ELECTION OF DIRECTORS

The Corporation's Articles provide that the Board of Directors of the Corporation shall be composed of a minimum of five and a maximum of fifteen directors. Directors are elected annually by the shareholders of the Corporation, but the directors may from time to time appoint one or more directors, provided that the total number of directors so appointed does not exceed one third of the number of directors elected at the last annual meeting of shareholders. Management of the Corporation proposes the nine persons named in the table below as candidates for election as directors. Each elected director will remain in office until adjournment of the next annual meeting of the shareholders or until his or her successor is elected or appointed, unless his or her post is vacated earlier. Each of the candidates proposed by Management of the Corporation is currently a director of the Corporation, although one of such directors, Mr. Henri A. Roy, was appointed director by the Board of Directors on November 19, 2003 in order to fill a vacancy on the Board.

Under the terms of a shareholders' agreement signed on November 12, 1999 between Fund QFL and the Corporation, Fund QFL was granted the right to designate one member of the Board of Directors of the Corporation, provided that Fund QFL holds at the relevant time at least 499,999 Subordinate Voting Shares. Likewise, under the terms of contractual agreements signed by the Corporation, SGF Sante and Dr. Eric Dupont, concerning, among other matters, the election of directors, provided SGF Sante holds at least 5% in number of the Corporation's issued and outstanding voting shares, (a) the Corporation will propose for election as a director of the Corporation, at each annual meeting of the shareholders, (i) one candidate designated by SGF Sante, provided that the candidate receives a favourable recommendation from the Corporate Governance Committee (this candidate will also be appointed to the Audit Committee and the

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

Corporate Governance Committee of the Corporation), and (ii) one candidate jointly designated by SGF Sante and Dr. Eric Dupont, (b) the Corporation will solicit proxies from its shareholders for the election of such candidates as directors of the Corporation, and (c) Dr. Eric Dupont will exercise the voting rights conveyed by his shares, concerning any resolution bearing on the election of directors to be submitted to the beneficial holders of any participating shares of the Corporation, in favour of the election of the candidates so designated. In this respect, and in accordance with the agreement mentioned above, Mr Henri A. Roy is the candidate currently designated by SGF Sante and the candidate to be jointly designated by SGF Sante and Dr. Dupont remains to be selected.

UNLESS INSTRUCTIONS ARE GIVEN TO ABSTAIN FROM VOTING WITH REGARD TO THE ELECTION OF DIRECTORS, THE PERSONS WHOSE NAMES APPEAR ON THE ENCLOSED FORM OF PROXY WILL VOTE IN FAVOUR OF THE ELECTION OF THE NINE NOMINEES WHOSE NAMES ARE SET OUT IN THE TABLE BELOW. MANAGEMENT OF THE CORPORATION DOES NOT FORESEE THAT ANY OF THE FOLLOWING NOMINEES LISTED BELOW WILL BE UNABLE OR, FOR ANY REASON, UNWILLING TO PERFORM HIS OR HER DUTIES AS DIRECTOR. IN THE EVENT THAT THE FOREGOING OCCURS FOR ANY REASON, PRIOR TO THE ELECTION, THE PERSONS INDICATED ON THE ENCLOSED FORM OF PROXY RESERVE THE RIGHT TO VOTE FOR ANOTHER CANDIDATE OF THEIR CHOICE UNLESS

C. STOCK OPTION PLAN

The Corporation has established a stock option plan for its directors, executive officers, employees, members of the Scientific Advisory Board and persons providing continuous services to the Corporation (the "Plan") in order to attract and retain these persons, who will be motivated to work towards ensuring the Corporation's success. The Board has full and complete authority to interpret the Plan and to establish the applicable rules and regulations and to make all other determinations it deems necessary or useful for the administration of the Plan, provided that such interpretations, rules, regulations and determinations are consistent with the rules of all stock exchanges on which the securities of the Corporation are then traded and with all relevant securities legislation. Subject to regulatory approval, the Board may, at any time, amend, suspend or terminate the Plan, in whole or in part. Individuals eligible to participate under the Plan will be determined by the Board of Directors or the Corporate Governance Committee, as the case may be.

6

All of the options that are granted under the Plan may be exercised within a maximum period of ten years following the date of their grant. The Board of Directors or the Corporate Governance Committee, as the case may be, designates, in its discretion, the option recipients to whom the stock options are granted and determines the number of Subordinate Voting Shares covered by each of such options, the grant date, the exercise price of each option, the expiry date and any other question relating thereto, in each case in accordance with the applicable rules and regulations of the securities regulatory authorities. The price at which the Subordinate Voting Shares may be purchased may not be lower than the greater of the closing prices of the Subordinate Voting Shares on the Toronto Stock Exchange (the "TSX") and the NASDAQ Stock Market (the "NASDAQ"), on the last trading day preceding the date of grant of the option. Any option issued is non-transferable.

The maximum number of Subordinate Voting Shares that are issuable under the Plan shall not exceed 4,069,352 shares. The maximum number of Subordinate Voting Shares that may be optioned in favour of any individual shall not exceed 5% of the number of outstanding shares.

On February 26, 2004, the directors of the Corporation passed a resolution in order, among other things, to amend and restate the Plan by increasing the maximum number of Subordinate Voting Shares that are issuable under the Plan, as more fully described in this Circular under Item 16, "Amendments to the Stock Option Plan". The Board of Directors also approved an

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

amendment to the Plan whereby the shares issuable upon the exercise of options under the Plan shall be redesignated from Subordinate Voting Shares to Common Shares. This amendment is subject to the requisite majority of the Corporation's shareholders having approved the proposed modifications to the Corporation's Articles, as more fully described at Item 15 of this Management Proxy Circular, "Modifications to the Articles of the Corporation", and it will only take effect as of the date the Corporation receives a Certificate of Amendment in respect of the amendments to its share capital described at Item 15.

OPTIONS GRANTED DURING THE MOST RECENTLY COMPLETED FINANCIAL YEAR

The following table indicates the individual grants of securities to the Named Executive Officers during the financial year ended December 31, 2003. The aggregate number of Subordinate Voting Shares covered by options granted during such period was 1,074,564 at prices varying from \$3.85 to \$8.63 per Subordinate Voting Share, establishing at 3,197,435 the total number of Subordinate Voting Shares covered by options granted and outstanding pursuant to the Plan as at December 31, 2003. During the financial year ended December 31, 2003, 141,965 options were exercised at prices varying from \$4.75 to \$8.15.

These values have not been and may never be realized. The options have not been and may never be exercised; and actual gains, if any, upon exercise will depend upon the value of the Subordinate Voting Shares on the date of the exercise. There can be no assurance that these values will ever be realized. Values of unexercised options are based on the exercise price of \$3.76.

D. REPORT OF THE CORPORATE GOVERNANCE COMMITTEE ON EXECUTIVE COMPENSATION
COMPOSITION OF THE COMMITTEE

On December 31, 2003, the Corporate Governance Committee (the "Committee") was composed of Dr. Eric Dupont, Dr. Pierre Laurin, Mr. Pierre MacDonald and Mr. Henri A. Roy.

MANDATE OF THE COMMITTEE

The Committee, which was formed on May 16, 1996, is entrusted with examining matters related to the appointment and compensation of the Corporation's executive officers, including the Executive Chairman of the Board and the President and Chief Executive Officer, in view of making recommendations to the Board. The Committee also reports to the Board on options granted. It reviews the composition of both the Board and its committees and proposes and recommends candidates for election or appointment to the Board. Finally, the Committee is responsible for examining the terms and conditions of the aggregate compensation plans of the Corporation and verifying the competitiveness thereof in relation to companies carrying on activities similar to those of the Corporation.

EXECUTIVE COMPENSATION POLICY

An aggregate compensation policy has been established to acknowledge and reward the contributions of the executive officers to the Corporation's success and to ensure competitive compensation, in order that the Corporation may benefit from the expertise required to pursue its objectives.

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

In accordance with this policy, the compensation of the Corporation's executive officers is based on three principal elements: (i) basic salary; (ii) performance bonuses; and (iii) the award of stock options. The Corporation

8

intends to pay a competitive aggregate compensation that includes an incentive related to the attainment of corporate results in addition to basic salary in accordance with a reference market. The incentive compensation is granted on the basis of criteria approved by the Committee.

SHORT-TERM INCENTIVE COMPENSATION

The short-term incentive plan sets out the allocation of incentive awards based on the financial results and the achievement of the Corporation's strategic objectives. These objectives are set at the beginning of each financial year as part of the revision of corporate strategies.

In the case of executive officers, incentive awards may vary in accordance with the attainment of the Corporation's financial and strategic objectives.

LONG-TERM COMPENSATION OF EXECUTIVE OFFICERS

The long-term component of the officers' aggregate compensation is based exclusively on the Corporation's Stock Option Plan. This Plan permits the granting of a number of options that varies in accordance with the contribution of the officers and their responsibilities.

CONTROL AND REVISION OF THE COMPENSATION PLAN

The Committee must ensure that the compensation of the Corporation's officers is consistent with the aggregate compensation policy of the Corporation. The relative situation of the Corporation with regard to compensation is determined annually by means of studies, with respect to a reference market, composed of comparable businesses. Internal equity analyses are also conducted in order to make the required adjustments.

COMPENSATION OF THE EXECUTIVE CHAIRMAN OF THE BOARD AND THE PRESIDENT AND CHIEF EXECUTIVE OFFICER

The compensation of the Executive Chairman of the Board is governed by an individual contractual agreement. On October 23, 1993, Dr. Eric Dupont signed an exclusive agreement with the Corporation having an initial term of five years and renewable annually thereafter. This contract included a non-competition clause in favour of the Corporation. The compensation of the President and Chief Executive Officer is along the lines of the Corporation's policy on management compensation. The President and Chief Executive Officer's contract of employment also contains a non-competition clause but does not provide for any specific plan of remuneration.

CONCLUSION

In accordance with the Corporation's executive compensation policy, a significant portion of the compensation of its executive officers is related to the performance of the Corporation, the responsibilities inherent in their duties and, in particular, the performance of the Corporation's publicly traded shares and their long-term appreciation. The Committee reviews the compensation

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

programs of the executive officers annually in order to ensure their competitiveness and compliance with the objectives, values and strategies of the Corporation.

If the circumstances so require, the Committee may recommend employment conditions that are different from the policies in effect as well as the execution of non-standard employment contracts by the Corporation.

10. INDEBTEDNESS OF DIRECTORS AND OFFICERS

Neither at any time during the financial year ended December 31, 2003 nor as at April 23, 2004 did any of the directors and officers of the Corporation owe it any amount in respect of the purchase of securities of the Corporation or otherwise. On March 29, 2004, the Board of Directors of the Corporation adopted a resolution formally prohibiting (i) the making of any new loans to its directors and officers and (ii) modifying the material terms of any such existing loans.

11. PERFORMANCE GRAPH

On December 31, 2003, the closing price of the Subordinate Voting Shares on the TSX was \$4.30 per share. The following graph shows the cumulative return of a \$100 investment in the Subordinate Voting Shares, made on December 31, 1998, initially, on the Montreal Exchange and as at December 6, 1999 on the TSX (as of which date all trading had to be effected on the TSX), compared with the total return of the S&P/TSX Composite Index for each financial year shown on this graph.

12. STATEMENT OF CORPORATE GOVERNANCE PRACTICES

In compliance with the rules of the TSX, the Corporation must disclose information with respect to its corporate governance practices as compared to the guidelines provided for in the TSX Company Manual (the "TSX Guidelines"). The Board of Directors of the Corporation considers good corporate governance to be important to the effective operations of the Corporation. The Corporate Governance Committee of the Board of Directors makes recommendations regarding the compliance of the Corporation's practices with the TSX Guidelines and oversees disclosure obligations related thereto. The Corporate Governance Committee has also been reviewing the proposed amendments to the TSX Guidelines published in the spring and fall of 2002, as well as the proposed corporate governance practices and disclosure rules published by the Canadian Securities Administrators in January 2004. Once new guidelines or regulations are adopted and published in final form, the Board will re-assess its corporate governance practices and make any necessary changes. Schedule A to this Management Proxy Circular sets out a description of the Corporations' corporate governance

practices in tabular form with reference to the TSX Guidelines but also taking into account, where appropriate, some of the proposed modifications and the effect of the recently enacted SARBANES-OXLEY ACT in the United States as well as the rules of the NASDAQ.

13. INSURANCE OF DIRECTORS AND OFFICERS

The Corporation purchases liability insurance for the benefit of its directors and officers, which protects them against certain liabilities contracted by them while acting in such capacity. In 2003, this insurance provided a maximum coverage of \$20,000,000 per event and policy year. For the financial year ended December 31, 2003, the premium paid by the Corporation was \$654,000. When the Corporation is authorized or required to indemnify insured persons, a deductible of \$250,000 applies, except for securities-based claims, for which the deductible is \$1,000,000.

14. APPOINTMENT OF AUDITORS

Management of the Corporation proposes that PricewaterhouseCoopers LLP, Chartered Accountants, be appointed as auditors of the Corporation and that the directors of the Corporation be authorized to determine their compensation. PricewaterhouseCoopers have acted as auditors of the Corporation since the financial year ended December 31, 1993.

In addition to performing the audit of the Corporation's consolidated financial statements, PricewaterhouseCoopers LLP provided other services to the Corporation and they billed the Corporation the following fees for each of the Corporation's two most recently completed financial years:

FEES	FINANCIAL YEAR ENDED DECEMBER 31, 2003 (\$)	FINANCIAL DECEMBER (\$)
Audit Fees (1)	333,329	19

Tax Fees (3)	45,616	
All other Fees (4)	60,850	1
TOTAL FEES:	442,795	22

(1) Refers to all fees incurred in respect of audit services, being the professional services rendered by the Corporation's external auditor for the audit and review of the Corporation's financial statements as well as

services normally provided by the external auditor in connection with statutory and regulatory filings and engagements.

UNLESS INSTRUCTED TO ABSTAIN FROM VOTING WITH REGARD TO THE APPOINTMENT OF AUDITORS, THE PERSONS WHOSE NAMES APPEAR ON THE ENCLOSED FORM OF PROXY WILL VOTE IN FAVOUR OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AND AUTHORIZING THE DIRECTORS OF THE CORPORATION TO DETERMINE THEIR COMPENSATION.

15. MODIFICATIONS TO THE ARTICLES OF THE CORPORATION

CHANGING THE CORPORATION'S LEGAL NAME

Since the acquisition by the Corporation of Zentaris AG ("Zentaris") in December 2002, the Corporation has evolved into a biopharmaceutical company with international activities. In addition to owning a deep portfolio of

11

novel products in oncology and endocrinology, the Corporation now has both the scientific and pharmaceutical expertise that reflects the know-how of highly qualified and experienced scientists. This expertise enables the Corporation to engage in pharmaceutical activities from drug discovery to drug approval.

The integration of Zentaris being successfully completed, it is now becoming essential to standardize the Corporation's image in order to demonstrate its progress during the last few months. Changing the Corporation's name is an integral part of its new corporate development plan, which includes the following elements:

- (i) gaining recognition for the deep and diversified new pipeline of products obtained following the acquisition of Zentaris;
- (ii) highlighting the evolution of the Corporation from a "one drug biotech" company to a "multiple compounds" biopharmaceutical company;
- (iii) demonstrating a global perspective; and
- (iv) facilitating the creation of shareholder value through the new image of a fully integrated international company.

In view of each of the above factors, the Board of Directors of the Corporation unanimously resolved on March 29, 2004, that the Corporation change its name to AETerna Zentaris Inc.

AMENDMENTS TO SHARE CAPITAL

The authorized share capital of the Corporation currently consists of

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

an unlimited number of Multiple Voting Shares without par value, an unlimited number of Subordinate Voting Shares without par value, an unlimited number of First Preferred Shares without par value, issuable in series, and an unlimited number of Second Preferred Shares without par value, issuable in series.

The shares conferring voting rights to the shareholders of the Corporation are the Multiple Voting Shares and the Subordinate Voting Shares. Each Multiple Voting Share carries with it the right to ten votes and each Subordinate Voting Share carries with it the right to one vote. As at April 1, 2004, there were 45,440,242 Subordinate Voting Shares issued and outstanding and no preferred shares issued and outstanding.

Effective May 29, 2003, Dr. Eric Dupont, the Executive Chairman of the Board, in accordance with the Articles of the Corporation, voluntarily converted all of his 4,725,000 Multiple Voting Shares into the same number of Subordinate Voting Shares, such that, as of the conversion date, there were no longer any Multiple Voting Shares issued and outstanding, the only class of outstanding voting and participating shares of the Corporation being the Subordinate Voting Shares.

Applicable rules of the TSX prevent the Corporation from reducing the voting power of the holders of its Subordinate Voting Shares, including through future issuances of Multiple Voting Shares.

Therefore, on February 26, 2004, the Board of Directors of the Corporation unanimously recommended that the Corporation amend its Articles in order to (i) create a new class of Common Shares containing the terms and conditions described in the draft Articles of Amendment reproduced at Schedule C hereto, (ii) exchange each one issued and outstanding Subordinate Voting Share into one Common Share, and (iii) remove and repeal the old classes of Subordinate Voting Shares and Multiple Voting Shares, as well as the rights, privileges restrictions and conditions attaching thereto.

The Corporation seeks its shareholders' approval of Special Resolution 2004-1 reproduced at Schedule B to this Management Proxy Circular, which would, if adopted, authorize the Corporation to apply for a Certificate of Amendment under section 173 of the CANADA BUSINESS CORPORATIONS ACT amending its Articles in order to change its legal name and share capital as described above.

12

In order for Special Resolution 2004-1 to be adopted, shareholders having at least two-thirds of the votes cast at the Meeting by all shareholders of the Corporation present or represented by proxy must vote in favour of such resolution. The Board of Directors of the Corporation recommends that shareholders vote in favour of Special Resolution 2004-1.

UNLESS INSTRUCTED OTHERWISE, THE PERSONS WHOSE NAMES APPEAR ON THE ENCLOSED FORM OF PROXY WILL VOTE IN FAVOUR OF SPECIAL RESOLUTION 2004-1.

Should Special Resolution 2004-1 be approved by the requisite majority of shareholders, the Corporation will file Articles of Amendment as soon as practicable following the Meeting. In addition, following the receipt of the Certificate of Amendment in respect of such Articles of Amendment, the Corporation intends to restate its Articles by applying for a Restated Certificate of Incorporation, in respect of which shareholder approval is neither required nor will it be sought.

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

16. AMENDMENTS TO THE STOCK OPTION PLAN

At the Meeting, shareholders will be asked to consider, and if deemed advisable, to adopt Resolution 2004-2 ratifying and approving certain amendments to the Plan which the Corporation's directors unanimously approved on February 26, 2004, subject to having obtained shareholder and regulatory approval.

The material amendment proposed to be made to the Plan is to set the maximum number of shares which may be set aside for issuance under the Plan at 4,543,744 (the "New Maximum"). Initially, the Plan was adopted by the Corporation on November 7, 1995, and it was amended on June 18, 1997, May 5, 1999, June 8, 2000, May 23, 2001, June 12, 2002 and May 29, 2003, each time in order to increase the number of Subordinate Voting Shares issuable under the Plan. The shares that are currently issuable under the Plan are the Corporation's Subordinate Voting Shares. As described in detail under Item 15 of this Management Proxy Circular, "Modifications to the Articles of the Corporation", the Corporation is asking its shareholders at the Meeting to approve certain amendments to its share capital, including the exchange of each issued and outstanding Subordinate Voting Share for one newly created Common Share. Consequently, for the purposes of this Item 16 of the Management Proxy Circular, when the term "Plan Shares" is used, it refers to the Corporation's Subordinate Voting Shares and, following the aforementioned exchange of Subordinate Voting Shares for Common Shares (provided the requisite shareholder approval shall have been obtained), then such term shall refer to the Corporation's Common Shares.

The Corporation, like other companies in the biopharmaceutical industry, considers the use of a stock option plan to be an important means of attracting, retaining and motivating qualified personnel. Management is of the opinion that the fact that some of the Corporation's employees have options contributes to the overall success and rapid growth of the Corporation. In making the decision to amend the Plan, the Corporate Governance Committee and the Board of Directors considered a number of factors, including the number of options currently outstanding under the Plan, the Corporation's human resources requirements, competitive benchmarks and the anticipated need to grant options in the future. Based on a review of each of these factors, the directors have unanimously determined that the proposed changes, including, among other things, the setting of a maximum number of Plan Shares reserved for issuance under the Plan, are both reasonable and in the best interests of the Corporation.

The proposed New Maximum is intended to allow the Corporation to continue (as has been the Corporation's practice in the past) to have 10% of the total of Plan Shares available for issuance pursuant to the exercise of options in the form of "Unexercised Options" and "Options Available for Issue". With the establishment of the New Maximum at 4,543,744 Plan Shares, an additional 718,307 Plan Shares will be listed and reserved for issuance pursuant to the Plan. As at February 26, 2004, there were 2,988,859 options outstanding and unexercised and 836,578 options available for granting. Taking into account the additional Plan Shares to be listed pursuant to the New Maximum, there will be 1,554,885 Plan Shares available for issuance pursuant to the exercise of options that have yet to be granted. The proposed New Maximum represents 10% of the total aggregate number of issued and outstanding Plan Shares as at February 26, 2004. An aggregate of 2,378,757 Plan Shares have been issued

further to exercises of stock options since the enactment of the Plan and the granting of stock options on an individual basis in 1995.

Resolution 2004-2, a copy of which is reproduced at Schedule B to this Management Proxy Circular, has been approved by the TSX and must also be approved by a majority of the votes cast at the Meeting by all shareholders of the Corporation present or represented by proxy. The Board of Directors of the Corporation recommends that shareholders vote in favour of Resolution 2004-2.

UNLESS INSTRUCTED OTHERWISE, THE PERSONS WHOSE NAMES APPEAR ON THE ENCLOSED FORM OF PROXY WILL VOTE IN FAVOUR OF RESOLUTION 2004-2.

17. INTRODUCTION OF A SHAREHOLDER RIGHTS PLAN

On March 29, 2004, the Board of Directors of the Corporation approved the adoption of a shareholder rights plan (the "Rights Plan"). As part of the Rights Plan, the Corporation entered into a shareholder rights plan agreement dated March 29, 2004 with National Bank Trust Inc. (the "Rights Agreement"). The Rights Plan became effective on March 29, 2004 (the "Effective Date"). Under the listing policies of the TSX, shareholder rights plans must be ratified by shareholders of a listed company within six months of their adoption. The TSX has advised the Corporation that this requirement will be satisfied in respect of the Rights Plan if the resolution approving the Rights Plan, namely Resolution 2004-3, a copy of which is reproduced at Schedule B to this Management Proxy Circular, is approved by a majority of the votes cast at the Meeting.

OBJECTIVES AND BACKGROUND OF THE RIGHTS PLAN

The fundamental objectives of the Rights Plan are to provide adequate time for the Corporation's Board of Directors and shareholders to assess an unsolicited take-over bid for the Corporation, to provide the Board of Directors with sufficient time to explore and develop alternatives for maximizing shareholder value if a take-over bid is made, and to provide shareholders with an equal opportunity to participate in a take-over bid.

The Rights Plan encourages a potential acquiror who makes a take-over bid to proceed either by way of a "Permitted Bid", which requires a take-over bid to satisfy certain minimum standards designed to promote fairness, or with the concurrence of the Corporation's Board of Directors. If a take-over bid fails to meet these minimum standards and the Rights Plan is not waived by the Board of Directors, the Rights Plan provides that holders of Shares (as defined below), other than the acquiror, will be able to purchase additional Shares at a significant discount to market, thus exposing the person acquiring Shares to substantial dilution of its holdings.

Currently, the Board of Directors of the Corporation is not aware of any pending or threatened take-over bid for the Corporation and, as discussed below, the Board of Directors of the Corporation recommends the ratification, confirmation and approval by shareholders of the Rights Plan.

In adopting the Rights Plan, the Board of Directors considered the existing legislative framework governing take-over bids in Canada. The Board of Directors believes that such legislation currently does not provide sufficient time to permit shareholders to consider the take-over bid and make a reasoned and unhurried decision with respect to the take-over bid or give the Board sufficient time to develop alternatives for maximizing shareholder value. Shareholders may also feel compelled to tender to a take-over bid even if the shareholder considers such bid to be inadequate out of a concern that failing to tender may result in a shareholder being left with illiquid or minority discounted shares in the Corporation. This is particularly so in the case of a partial bid for less than all the Subordinate Voting Shares of the Corporation, or, if the required majority of shareholders vote in favour of Special Resolution 2004-1 reproduced in Schedule B to this Management Proxy Circular to

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

exchange, on a one-for-one basis, all issued and outstanding Subordinate Voting Shares for Common Shares (see Item 15, "Modifications to the Articles of the Corporation"), of such a partial bid for less than all of the Common Shares of the Corporation then issued and outstanding (the Subordinate Voting Shares or the Common Shares, as the case may be, being referred to as the "Shares" for the purposes of this Item 17), where the bidder wishes to obtain a control position but does not wish to acquire all of the Shares. Finally, while existing securities legislation has addressed many concerns related to

14

unequal treatment of shareholders, there remains the possibility that control of a company may be acquired pursuant to private agreements in which a small group of shareholders disposes of shares at a premium to market price, which premium is not shared with the other shareholders.

It is neither the intention of the Board of Directors in recommending the confirmation and ratification of the Rights Plan to secure the continuance of the directors or Management of the Corporation nor to preclude a bid for control of the Corporation. The Rights Plan provides various mechanisms whereby shareholders could tender to take-over bids as long as they meet the Permitted Bid criteria. Furthermore, even in the context of the take-over bid that does not meet the Permitted Bid criteria, the Board of Directors would still have a duty to consider any take-over bid for the Corporation and consider whether or not it should waive the application of the Rights Plan in respect of such bid. In discharging such duty, the Board of Directors must act honestly and in good faith with a view to the best interests of the Corporation.

A recent number of decisions rendered by the Canadian securities regulators relating to shareholder rights plans have concluded that a board of directors faced with an unsolicited take-over bid will not be permitted to maintain a shareholder rights plan indefinitely to prevent the successful completion of the bid, but only insofar as the board is actively seeking alternatives to the bid and there is a reasonable possibility that, given additional time, a value-maximizing alternative will be developed. The Corporation's Rights Plan does not preclude any shareholder from using the proxy mechanism of the CANADA BUSINESS CORPORATIONS ACT, the Corporation's governing corporate statute, to promote a change in the management or direction of the Corporation, and it will have no effect on the rights of holders of the Shares to requisition a meeting of shareholders in accordance with the provisions of applicable legislation.

In recent years, unsolicited bids have been made for a number of Canadian public companies, many of which had shareholder rights plans in force at such time. The Board of Directors believes that this demonstrates that the existence of a shareholder rights plan does not itself prevent the making of an unsolicited bid. Furthermore, in a number of these cases, a change of control ultimately occurred at a price in excess of the original bid price. There can be no assurance, however, that the Corporation's Rights Plan would serve to bring about a similar result.

The Rights Plan is not expected to interfere with the day-to-day operations of the Corporation. The continuation of the existing outstanding rights and the issuance of additional rights in the future will not in any way alter the financial condition of the Corporation, impede its business plans, or alter its financial statements. In addition, the Rights Plan is initially not dilutive. However, if a "Flip-in Event" (described below) occurs and the rights separate from the Shares as described below, reported earnings per share and reported cash flow per share on a fully-diluted or non-diluted basis may be

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

affected. In addition, holders of rights not exercising their rights after a Flip-in Event may suffer substantial dilution.

SUMMARY OF THE RIGHTS PLAN

The following is a summary of the principal terms of the Rights Plan, which summary is qualified in its entirety by reference to the terms of the Rights Agreement. To obtain copies of the Rights Agreement, send your request to: National Bank Trust Inc., Corporate Secretary's Office, 1100, University Street, 9th Floor, Montreal, Quebec, H3B 2G7.

OPERATION OF THE RIGHTS PLAN

Pursuant to the terms of the Rights Agreement, one right will be issued in respect of each Share outstanding as at the close of business on March 29, 2004 (the "Record Time"). In addition, one right will be issued for each additional Share issued after the Record Time and prior to the earlier of the Expiration Time and the Separation Time (as defined below). The rights have an initial exercise price equal to the Market Price (as defined below) of the Shares as determined at the Separation Time, multiplied by five, subject to certain adjustments, and they are not exercisable until the Separation Time. Upon the occurrence of a Flip-in Event (as defined below), each right will entitle the holder thereof, other than an Acquiring Person (as defined below), to purchase from the Corporation one

15

Share upon payment to the Corporation of 50% of the Market Price of the Shares of the Corporation on the TSX on the date of consummation or occurrence of such Flip-in Event, subject to certain anti-dilution adjustments.

TRADING OF RIGHTS

Until the Separation Time, the rights trade with the Shares and are represented by the same share certificates as the Shares or an entry in the Corporation's securities register in respect of any outstanding Shares. From and after the Separation Time and prior to the Expiration Time, the rights are evidenced by rights certificates and trade separately from the Shares. The rights do not carry any of the rights attaching to the Shares such as voting or dividend rights.

SEPARATION TIME

The rights will separate from the Shares to which they are attached and become exercisable at the time (the "Separation Time") of the close of business on the eighth business day after the earliest to occur of:

1. the first date (the "Stock Acquisition Date") of a public announcement of facts indicating that a person has become an Acquiring Person (as defined below);
2. the date of the commencement of, or first public announcement of the intention of any person (other than the Corporation or any of its subsidiaries) to commence a take-over bid or a share exchange bid for more than 20% of the outstanding Shares of the Corporation other than a Permitted Bid or a Competing Permitted Bid (as defined below); and
3. the date upon which a Permitted Bid or a Competing Permitted Bid ceases

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

to be such.

The Separation Time can also be such later time as may from time to time be determined by the Board of Directors.

FLIP-IN EVENT

The acquisition by a person (an "Acquiring Person"), including others acting jointly or in concert with such person, of more than 20% of the outstanding Shares, other than by way of a Permitted Bid, a Competing Permitted Bid or in certain other limited circumstances described in the Rights Plan, is referred to as a "Flip-in Event".

DEFINITION OF MARKET PRICE

Market Price is generally defined in the Rights Plan, on any given day on which a determination must be made, as the average of the daily closing prices per Share on each of the 20 consecutive Trading Days (as defined below) through and including the Trading Day immediately preceding such date of determination; subject to certain exceptions. Trading Day is generally defined as the day on which the principal Canadian or United States securities exchange (as determined by the Board of Directors acting in good faith) on which the Shares are listed or admitted to trading is open for the transaction of business.

EXERCISE OF RIGHTS

Upon the Separation Time or the effective date of the Flip-in Event, whichever occurs first, each right (other than those held by the Acquiring Person) will entitle the holder thereof to purchase from the Corporation one Share upon payment to the Corporation of 50% of the Market Price of the Shares of the Corporation on the Stock Acquisition Date subject to certain anti-dilution adjustments.

PERMITTED BID REQUIREMENTS

The requirements of a Permitted Bid include the following:

16

1. the take-over bid must be made by means of a take-over bid circular;
2. the take-over bid must be made to all holders of Shares wherever resident, on identical terms and conditions, other than the bidder;
3. the take-over bid must not permit Shares tendered pursuant to the bid to be taken up or paid for (a) prior to the close of business on a date which is not less than 60 days following the date of the bid, and (b) then only if at such date more than 50% of the then outstanding Shares held by shareholders other than any other Acquiring Person, the bidder, the bidder's affiliates or associates, persons acting jointly or in concert with the bidder and any employee benefit plan, deferred profit-sharing plan, stock participation plan or trust for the benefit of employees of the Corporation or any of its subsidiaries, unless the beneficiaries of such plan or trust direct the manner in which the Shares are to be voted or direct whether the Shares are to be tendered to a take-over bid (the "Independent Shareholders"), have been deposited or tendered to the take-over bid and not withdrawn;

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

4. the take-over bid must allow Shares to be deposited, unless the take-over bid is withdrawn, at any time up to the close of business on the date that the Shares are to be first taken up and paid for;
5. the take-over bid must allow Shares to be withdrawn until taken up and paid for; and
6. if more than 50% of the then outstanding Shares of the Corporation held by Independent Shareholders are deposited or tendered to the take-over bid and not withdrawn, the bidder must make a public announcement of that fact and the take-over bid must remain open for deposits and tenders of Shares for not less than 10 days from the date of such public announcement.

The Rights Plan allows a competing Permitted Bid (a "Competing Permitted Bid") to be made while a Permitted Bid is in existence. A Competing Permitted Bid must satisfy all the requirements of a Permitted Bid other than the requirements set out in clauses 3 and 6 above and must not permit Shares tendered or deposited pursuant to the bid to be taken up or paid for (a) prior to the close of business on a date which is not earlier than the latter of the last day on which the bid must be open for acceptance after the date of the bid under applicable Canadian provincial securities legislation and the earliest date on which Shares of the Corporation may be taken up and paid for under any earlier Permitted Bid or Competing Permitted Bid that is then in existence, and (b) then only if at such date more than 50% of the then outstanding Shares held by the Independent Shareholders have been deposited or tendered to the take-over bid and not withdrawn. In the event that the requirement set forth in (b) of this paragraph is satisfied, the competing bidder must make a public announcement of the fact and the take-over bid must remain open for deposits and tenders of Shares for not less than 10 days from the date of such public announcement.

WAIVER AND REDEMPTION

The Board may, prior to the occurrence of a Flip-in Event, waive the dilutive effects of the Rights Plan in respect of, among other things, a particular Flip-in Event resulting from a take-over bid made by way of a take-over bid circular to all holders of Shares of the Corporation. In such an event, such waiver shall also be deemed to be a waiver in respect of any other Flip-in Event occurring under a take-over bid made by way of a take-over bid circular to all holders of Shares prior to the expiry of the first mentioned take-over bid.

The Board may, at any time prior to the Separation Time, elect to redeem all but not less than all of the outstanding rights at a price of \$0.0001 each.

AMENDMENT TO THE RIGHTS AGREEMENT

The Rights Agreement may be amended to correct any clerical or typographical error or to make such changes as are required to maintain the validity of the Rights Agreement as a result of any change in any applicable legislation, regulations or rules thereunder, without the approval of the holders of the Shares or rights. Prior to the Separation Time, the Corporation may, with the prior consent of the holders of Shares, amend, vary or delete any of

the provisions of the Rights Agreement in order to effect any changes which the

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

Board, acting in good faith, considers necessary or desirable. The Corporation may, with the prior consent of the holders of rights, at any time after the Separation Time and before the Expiration Time, amend, vary or delete any of the provisions of the Rights Agreement.

FIDUCIARY DUTY OF BOARD

The Rights Plan will not detract from or lessen the duty of the Board to act honestly and in good faith with a view to the best interests of the Corporation and its shareholders. The Board will continue to have the duty and power to take such actions and make such recommendations to the Corporation's shareholders as are considered appropriate.

EXEMPTIONS FOR INVESTMENT ADVISORS

Investment advisors (for fully-managed accounts), trust companies (acting in their capacities as trustees and administrators), statutory bodies whose business includes the management of funds, and administrators of registered pension plans are exempt from triggering a Flip-in Event, provided that they are not making, or are not part of a group making, a take-over bid.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS OF THE RIGHTS PLAN

The Corporation will not be required to include any amount in computing its income for the purposes of the INCOME TAX ACT (Canada) (the "ITA") as a result of the issuance of the rights.

Under the ITA, the issuance of rights to a recipient could be considered a taxable benefit, the value of which is required to be included in computing the income of a Canadian resident recipient or is subject to withholding tax in the case of a recipient who is not resident in Canada. In any event, no amount in respect of the value of the rights is required to be included in computing income, or subject to withholding tax, if the rights do not have any value at the date of issue. The Corporation considers that the rights will have negligible value when issued, there being only a remote possibility that the rights will ever be exercised. A holder of rights could be required to include an amount in computing income or be subject to withholding tax under the ITA if the rights become exercisable or are exercised. A holder of rights may be subject to tax under the ITA in respect of the proceeds of disposition of such rights.

THIS STATEMENT IS OF A GENERAL NATURE ONLY AND IS NOT INTENDED TO CONSTITUTE NOR SHOULD IT BE CONSTRUED TO CONSTITUTE LEGAL OR TAX ADVICE TO ANY PARTICULAR HOLDER OF SHARES. SUCH SHAREHOLDERS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS REGARDING THE CONSEQUENCES OF ACQUIRING, HOLDING, EXERCISING OR OTHERWISE DISPOSING OF THEIR RIGHTS, TAKING INTO ACCOUNT THEIR OWN PARTICULAR CIRCUMSTANCES AND ANY APPLICABLE FEDERAL, PROVINCIAL, TERRITORIAL OR FOREIGN LEGISLATION.

TERM

Unless terminated earlier in accordance with the applicable terms, the Rights Plan and the Rights Agreement will expire on the date on which the first annual meeting of the Corporation's shareholders is held following the third anniversary of the date of the Rights Agreement or, if the Independent Shareholders re-approve the Rights Plan at or prior to such annual meeting of shareholders, then on March 29, 2010 (the "Expiration Time").

ELIGIBILITY FOR INVESTMENT

Provided that the Corporation remains a "public corporation" for purposes of the ITA at all material times, the rights will be qualified

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

investments under the ITA for registered retirement savings plans, registered education savings plans, registered retirement income funds and deferred profit-sharing plans. The issuance of rights will not affect the status of the Shares of the Corporation under the ITA for such purposes, nor will it affect the eligibility of

18

such securities as investments for investors governed by certain Canadian federal and provincial legislation governing insurance companies, trust companies and pension plans.

Resolution 2004-3, a copy of which is reproduced at Schedule B to this Management Proxy Circular, must be approved by a majority of the votes cast at the Meeting by all shareholders of the Corporation present or represented by proxy. The Board of Directors of the Corporation recommends that shareholders vote in favour of Resolution 2004-3.

UNLESS INSTRUCTED OTHERWISE, THE PERSONS WHOSE NAMES APPEAR ON THE ENCLOSED FORM OF PROXY WILL VOTE IN FAVOUR OF RESOLUTION 2004-3.

18. SHAREHOLDER PROPOSALS FOR NEXT ANNUAL MEETING OF SHAREHOLDERS

Shareholder proposals must be submitted no later than January 28, 2005 in order that the Corporation may include them in the Management Proxy Circular that will be prepared and mailed in connection with the Corporation's annual meeting of shareholders in 2005.

19. ADDITIONAL INFORMATION

The Corporation will provide the following documents to any person or company upon request to the Corporate Secretary of the Corporation, at its head office at 1405 boulevard du Parc-Technologique, Quebec City, Quebec, G1P 4P5:

- (i) one copy of the audited annual financial statements of the Corporation for its most recently completed financial year together with the report of the auditors thereon, both contained in the Corporation's 2003 Annual Report, and one copy of any interim financial statements of the Corporation published subsequent to the financial statements for its most recent financial year; and
- (ii) one copy of this Management Proxy Circular.

In addition, the Corporation's Annual Information Form will be available from the date of its filing with the securities commissions or similar securities regulatory authorities in Canada as well as any other document incorporated by reference in such Annual Information Form. The Corporation may require the payment of reasonable expenses if a request is received from a person who is not a holder of securities of the Corporation, unless the Corporation makes a distribution of its securities pursuant to a short form prospectus, in which case such documents will be provided free of charge. Copies of the Corporation's public disclosure documents, including financial statements, management proxy circulars and annual information forms, are also available on the SEDAR website at www.sedar.com.
