PROXY STATEMENT

GENERAL

This Proxy Statement and the enclosed proxy are being mailed on or about April 1, 2005 to stockholders of record on March 18, 2005 of the common stock, \$0.01 par value (the "Common Stock"), and to the holders of Series B Convertible Preferred Stock, \$0.01 par value (the "Series B Preferred"), of TransMontaigne Inc. ("TransMontaigne" or the "Company") in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders of the Company (the "Annual Meeting"), notice of which appears on the preceding page, and at any postponement or adjournment thereof. The Annual Meeting will be held on Thursday, May 5, 2005, at 9:00 a.m., Mountain Time, in the Onyx Room of The Brown Palace Hotel, 321 17th Street, Denver, Colorado.

The solicitation of proxies is being made, and the cost of soliciting proxies is being paid, by the Company. In addition to the mailings, the Company's officers, Directors and other regular employees, without additional compensation, may solicit proxies personally or by other appropriate means.

The Company will request brokerage firms, bank nominees and other institutions that act as nominees or fiduciaries for owners of Common Stock and the Series B Preferred, to forward this Proxy Statement to persons for whom they hold shares and to obtain authorization for the execution of proxies. If your shares of Common Stock or Series B Preferred are held in the name of a brokerage firm, bank nominee or other institution, only it can sign a proxy with respect to your shares. Accordingly, please contact the person responsible for your account and give instructions for a proxy to be signed representing your shares of Common Stock or Series B Preferred.

A holder of Common Stock or Series B Preferred giving a proxy has the power to revoke the proxy at any time before it is exercised. A proxy may be revoked by delivering to the Company an instrument revoking the proxy or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if the person executing the proxy is present at the meeting and indicates to the inspector of elections that such person elects to vote in person. If the proxy is neither revoked nor suspended, it will be voted by one or more of the proxy holders therein named.

QUORUM AND VOTING

Only stockholders of record as of the record date, including holders of the Series B Preferred, are entitled to notice of and to vote at the Annual Meeting. The holders of the Series B Preferred shall vote together with holders of Common Stock as a single class on all actions to be voted on by the stockholders of the Company other than the election of Directors. Each holder of shares of Common Stock is entitled to one vote per share of Common Stock at the Annual Meeting. Each holder of Series B Preferred is entitled to a number of votes per share on each action equal to the number of shares of Common Stock (excluding fractions of a share) into which each share of Series B Preferred is convertible as of the record date. On March 18, 2005, the record date for the determination of holders of Common Stock and holders of the Series B Preferred entitled to receive notice of and to vote at the Annual Meeting, the Company had outstanding 41,560,883 shares of Common Stock and 73,977 shares of Series B Preferred convertible into 11,208,588 shares of Common Stock.

The holders of a majority of the shares entitled to vote at the Annual Meeting, whether present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Directors shall be elected by a plurality of the votes of the shares of Common Stock present in person or by proxy at the Annual Meeting and entitled to vote. Approval of all other matters shall

be determined by the affirmative vote of the majority of the votes cast with respect to the shares of Common Stock and Series B Preferred, voting together as a single class. If no voting direction is indicated on an otherwise properly completed and signed proxy card, the shares will be considered votes FOR the election of the nominees for Director. Proxy cards that are not signed or that are not returned are treated as not voted for any purposes. If a broker indicates on a proxy card that it does not have discretionary authority as to certain shares to vote on a particular matter (a "broker non-vote"), those shares will be considered as present for the purpose of establishing a quorum, but will not be considered as present and entitled to vote with respect to that matter. Abstentions with respect to any matter will be treated as shares present and entitled to vote. Consequently, abstentions and broker non-votes will have no effect with respect to the election of Directors. The Company knows of no proposals to be considered at the Annual Meeting other than those set forth in the Notice of Annual Meeting.

ELECTION OF DIRECTORS

Nominees

The Company's By-laws provide that the number of Directors shall be no fewer than seven and no more than eleven, as fixed from time to time by the Board of Directors. The Board is currently composed of eight Directors.

The Company has agreed to take all action necessary to cause one Director designated by LB I Group Inc., an affiliate of Lehman Brothers Inc. ("Lehman") from time to time to be elected to the Company's Board of Directors so long as its beneficial ownership in the Company's Common Stock outstanding (including outstanding Common Stock equivalents) is at least 5%. Mr. David J. Butters, who was designated by Lehman to serve as its designated Director and was so elected by the Board on October 9, 2003, resigned as a Director on July 1, 2004. Lehman has not designated a replacement director.

Further, the Company has agreed to take all action necessary to cause one Director designated by Louis Dreyfus Corporation ("Dreyfus") from time to time to be elected to the Company's Board of Directors so long as its ownership in the Company's Common Stock outstanding is at least 10%. Mr. Peter B. Griffin, who had been Dreyfus' previous designee to serve as a member of the Board of Directors, resigned from the Board of Directors, effective January 28, 2004. Subsequently, Dreyfus notified the Company that it has elected at this time not to exercise its contractual right to designate another person to serve on the Board of Directors and to stand for election at the Annual Meeting. Dreyfus has further agreed to provide the Company at least thirty (30) days prior written notice of its intent to exercise such right in the future and identify the proposed designee in such notice.

Each of the 8 persons named below was nominated by the Nominating and Corporate Governance Committee to stand for election as a Director at the Annual Meeting for a term of one year, until the next Annual Meeting of Stockholders or until his successor is elected and qualified. All such nominees are currently serving as Directors of the Company.

Management has been informed that all nominees are willing to serve as Directors if elected, but if any of them should decline or be unable to act as a Director, then the proxies will be voted either for a substitute nominee designated by the Nominating and Corporate Governance Committee, or for the election only of the remaining nominees. The Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve.

The following sets forth, as to each of the nominees, such person's age, principal occupations during recent years, and the period during which such person has served as a Director of the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" ALL OF THE FOREGOING NOMINEES AND, UNLESS A STOCKHOLDER GIVES INSTRUCTIONS ON THE PROXY CARD TO THE CONTRARY, THE PROXIES NAMED THEREON INTEND SO TO VOTE.

Independence of Directors

Each of the nominees for election as Director is independent of management and the Company, except for Messrs. Dietler and Anderson, who are officers of the Company, and Mr. Logan, who was formerly the Executive Vice President and Chief Financial Officer of the Company and currently performs services for the Company as a consultant. The Board of Directors has determined that the members designated as "independent" have no relationship with the Company that interferes with the exercise of their independence from management and the Company, as required pursuant to the rules of the American Stock Exchange. In making the independence determination, the Board considered the requirements of the American Stock Exchange and the Company's Corporate Governance Guidelines. Among other factors, the Board considered current or previous employment with the Company, its auditors or their affiliates by the Director or his immediate family members, ownership of voting securities of the Company, and other material relationships with the Company.

With respect to material relationships, the following relationships are not considered to be material for purposes of assessing independence: service as an officer, director, employee or trustee of, or greater than five percent beneficial ownership in (a) a supplier to the Company if the annual sales to the Company are less than one percent of the sales of the supplier; (b) a lender to the Company if the total amount of the Company's indebtedness is less than one percent of the total consolidated assets of the lender; or (c) a charitable organization if the total amount of the Company's annual charitable

contributions to the organization are less than three percent of that organization's annual charitable receipts.

Compensation Of Directors

Our directors who are also our employees receive no additional compensation for services on the Board of Directors or committees of the board. Directors who are not employees were paid an annual fee of \$30,000 through June 30, 2004, payable quarterly. All directors are reimbursed for reasonable out-of-pocket expenses incurred in attending meetings of the board or any committee or otherwise by reason of their being a director. An additional sum of \$30,000 per year was paid to the non-employee director serving as Chairman of the Audit Committee and additional sums of \$20,000 per year and \$10,000 per year were paid to the non-employee directors serving as Chairman of the Finance Committee and the Compensation Committee, respectively. This compensation of directors and committee chairmen is currently in effect for our fiscal year ending June 30, 2005. In addition, discretionary grants of restricted stock, stock options or other stock-based awards may be made to non-employee directors pursuant to the 1997 TransMontaigne Inc. Equity Incentive Plan, as amended, (the "1997 Incentive Plan"). On May 12, 2003, 20,000 shares of restricted stock were granted to Walter P. Schuetze in his capacity as a member of the Board of Directors when the market price was \$4.50. On May 6, 2004, 10,000 shares of restricted stock were granted to Wayne Murdy, 10,000 shares of restricted stock were granted to Edwin Morgens, and 5,000 shares of restricted were granted to Walter P. Schuetze, in their respective capacity as members of the Board of Directors when the market price was \$5.09. Each of the restricted stock awards vests 10% after the first year, 20% after the second year, 30% after the third year and 40% after the fourth year of continuous service on the Board since the grant date.

Compensation Committee Interlocks and Insider Participation

During the fiscal year ended June 30, 2004, Edwin H. Morgens and Bryan H. Lawrence served as members of the Compensation Committee. There were no Compensation Committee interlocks between the Company and any other entity; however, Bryan H. Lawrence is affiliated with Yorktown Energy Partners III, L.P. to which the Company has granted certain registration rights with respect to shares of common stock owned by Yorktown.

CORPORATE GOVERNANCE

Directors Meetings

During the fiscal year ended June 30, 2004, the Board of Directors held five meetings and acted numerous times by unanimous written consent. Each incumbent Director attended more than 75% of all meetings of the Board of Directors and committees of the Board of Directors on which he served for the period during which he was a member. Pursuant to the Corporate Governance Guidelines, the Board meets in executive session (attended only by non-management, independent Directors) at the conclusion of each regularly scheduled Board meeting. The Company does not have a policy with regard to attendance of Directors at annual meetings, but encourages all of its Directors to attend the Annual Meeting and regularly schedules a meeting of the Board immediately following an Annual Meeting. The Annual Meeting of Stockholders held on May 6, 2004 was attended by 7 of the 9 Directors comprising the Board at that time.

Board Committees

The Board of Directors has standing Audit, Compensation, Nominating and Corporate Governance, Executive and Finance Committees. All members of Audit, Compensation and Nominating and Corporate Governance Committees are independent, as independence is defined in the listing standards of the American Stock Exchange and the Company's Corporate Governance Guidelines. Mr. Schuetze has been designated by the Board as the Audit Committee's financial expert meeting the requirements promulgated by the SEC and set forth in Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934 based upon his education and employment experience as more fully detailed in Mr. Schuetze's biography set forth above. The Audit Committee assists the Board in its oversight of the integrity of the Company's financial statements and the Company's compliance with legal and regulatory requirements and corporate policies and controls. The Audit Committee has the sole authority to retain and terminate the Company's independent public accountants, approve all auditing services and related fees and the terms thereof, and pre-approve any non-audit services to be rendered by the Company's independent public accountants. The Audit Committee is responsible for confirming the independence and objectivity of the independent public accountants. The Audit Committee is also responsible for preparation of the annual report of the Audit Committee for inclusion in the Company's proxy statement. Unrestricted access to the Audit Committee is given to the Company's independent public accountants. During the fiscal year ended June 30, 2004, the Audit Committee held five meetings. The Audit Committee has adopted an amended and restated Charter for the Audit Committee, which has been ratified and approved by the Board.

During the Company's fiscal year ended June 30, 2004, grants of restricted stock were awarded. During the Company's fiscal year ended June 30, 2004, the Compensation Committee held one formal meeting and acted one time by unanimous written consent. The Compensation Committee has adopted a charter, which has been ratified and approved by the Board.

Nominating and Corporate Governance Committee

In March 2004, the Board established a Nominating and Corporate Governance Committee which is composed of two independent directors. The Nominating and Corporate Governance Committee has adopted a charter, which has been ratified and approved by the Board.

The Nominating and Corporate Governance Committee, among other duties and responsibilities, is required to identify, evaluate and select nominees for election to the Board based upon procedures and guidelines adopted by the Nominating and Corporate Governance Committee and set forth in its charter. During the fiscal year ended June 30, 2004, the Nominating and Corporate Governance Committee held informal discussions, but held no formal meetings and acted once by unanimous written consent. The Nominating and Corporate Governance Committee has nominated the directors listed herein to stand for election at the Annual Meeting.

Executive Committee and Finance Committee

The Board of Directors also has standing Executive and Finance Committees. The Executive Committee is composed of three Directors. Its current members are Messrs. Donald H. Anderson, Bryan H. Lawrence and Cortlandt S. Dietler, who serves as Chairman of the Executive Committee. The purpose of the Executive Committee is to undertake such tasks as may be assigned by the Board of Directors and to act in lieu of the full Board of Directors if so authorized by the Board of Directors.

The Finance Committee is composed of three Directors. Its current members are Messrs. John A. Hill, Edwin H. Morgens and Harold R. Logan, Jr., who serves as Chairman of the Finance Committee. The purpose of the Finance Committee is to provide research and advice to management of the Company and to the Board of Directors with respect to debt and equity finance options available to the Company, including, without limitation, revolving credit facilities, term loans and working capital facilities.

The Nominating and Corporate Governance Committee has adopted Corporate Governance Guidelines that have been ratified and approved by the Board, that outline the important policies and practices regarding the governance of the Company.

Code of Business Conduct and Ethics

The Audit Committee has adopted a Code of Business Conduct and Ethics (the "Code"), which has been ratified and approved by the Board. The Code applies to all employees, officers and Directors of the Company and its subsidiaries. The Audit Committee has also adopted a Code of Ethics for Senior Financial Officers (the "Financial Officers Ethics Code"), which has been ratified and approved by the Board. The Financial Officers Ethics Code applies to the senior financial officers of the Company, including the Chief Executive Officer, the Chief Financial Officer and the Chief Accounting Officer or persons performing similar functions.

Communications by Stockholders

Stockholders may communicate with any and all members of the Company's Board by transmitting correspondence by mail or facsimile addressed to one or more directors by name (or to the Chairman of the Board or any standing committee of the Board) at the following address and fax number:

Name of the Director(s)
c/o Corporate Secretary
TransMontaigne Inc.
1670 Broadway, Suite 3100
Denver, Colorado 80202

Communications from the Company's stockholders to one or more directors will be collected and organized by the Company's Corporate Secretary under procedures approved by the Company's Nominating and Corporate Governance Committee. The Corporate Secretary will forward all communications to the Chairman of the Board or to the identified director(s) as soon as practicable, although communications that are abusive, offensive or that present safety or security concerns may be handled differently. If multiple communications are received on a similar topic, the Corporate Secretary may, in his or her discretion, forward only representative correspondence.

The Chairman of the Board will determine whether any communication addressed to the entire Board should be properly addressed by the entire Board or a committee thereof. If a communication is sent to the Board or a committee, the Chairman of the Board or the Chairman of that committee, as the case may be, will determine whether a response to the communication is warranted. If a response to the communication is warranted, the content and method of the response will be coordinated with the Company's internal or external counsel.

Stockholder Procedures to Nominate Directors

The Nominating and Corporate Governance Committee is responsible for, among other things, the recommendation to the Board of nominees for election as directors. The Corporate Governance Guidelines adopted by the Nominating and Corporate Governance Committee and ratified and approved by the Board include the following policies and procedures with respect to the nomination by stockholders of candidates for election to the Company's Board.

The Company will include in its Annual Meeting Proxy Statement information concerning up to two nominees submitted by any stockholder or group of stockholders (individually or collectively the "Nominating Stockholder") meeting the requirements set forth below. The form of proxy statement solicited by the Company will include the names of the director nominee(s) submitted by the Nominating Stockholder, in addition to the director nominees submitted by the Nominating and Corporate Governance Committee and approved by the Company's Board.

For inclusion in the Company's Annual Meeting Proxy Statement, the Nominating Stockholder must be the beneficial owner of at least 5% of the Company's common stock continuously for at least one year as of the nomination date and intend to continue to own such beneficial ownership position through the scheduled date of the Annual Meeting. A Nominating Stockholder may only participate in the nomination of one candidate. No stockholder that has a contractual right, including through the ownership of preferred stock having terms granting such right, to nominate or appoint one or more directors shall be entitled to nominate or participate in a group that nominates a candidate pursuant to this provision of the Corporate Governance Guidelines.

After reviewing the materials submitted by a Nominating Stockholder, if the Nominating and Corporate Governance Committee believes that the director nominee submitted by the Nominating Stockholder merits additional consideration, the Nominating and Corporate Governance Committee (or one or more individual members thereof) shall contact and interview the director nominee for the purpose of discussing, among other matters, the possibility of the director nominee being included in the Company's slate of director nominees. Thereafter, the Nominating and Corporate Governance Committee, by majority vote, shall determine whether to nominate and recommend to the Board the election of such director nominee at the next Annual Meeting of Stockholders.

The goal of the Nominating and Corporate Governance Committee is to recommend candidates for the Board that bring a variety of perspectives and skills derived from high quality business and professional experience. Employment Contracts And Termination Of Employment And Change In Control Agreements

With the authorization and approval of the Board of Directors, the Company has entered into Change in Control Agreements with certain executive officers and key employees of the Company and its subsidiaries, including the Named Executive Officers. The agreements are for an initial term of three years, from April 12, 2001 to April 11, 2004 with respect to all Named Executive Officers with the exception of Mr. Larson, whose Change in Control Agreement has an initial term of three years, from May 1, 2002 to April 30, 2005, after which the agreements automatically renew on the anniversary date for consecutive one year periods, unless terminated by either party upon ninety days prior notice; provided, however, that notwithstanding any such notice, the agreement will continue in effect for twenty-four months in the event an actual or threatened change in control (as defined in the agreement) occurs during the initial term or any extension thereof. The agreements provide that if the Named Executive Officer is terminated other than for cause during the term of the agreement, or within two years after a change in control of the Company, or if the Named Executive Officer terminates his employment for good reason within such time period, the Named Executive Officer is entitled to receive a lump-sum severance payment equal to a multiple of two times the sum of such Named Executive Officer's annual salary and target bonus, as then in effect, together with certain other payments and benefits, including continuation of employee welfare benefits. In addition, should the Named Executive Officer be subject to the excise tax on excess parachute payments as a result of such payment and payments under other plans due to a change in control, an additional payment will be made to restore the after-tax severance payment due the Named Executive Officer to the same amount which the Named Executive Officer would have retained had the excise tax not been imposed.

Report of the Compensation Committee

The Compensation Committee is responsible for the Company's executive compensation program, the purpose of which is to enable the Company to attract, retain and motivate the executive personnel deemed necessary to maximize return to stockholders. The fundamental concept of the program is to align the amount of an executive's total compensation with his contribution to the success of the

Company in creating stockholder value. The Compensation Committee's duties include the annual review and approval of the compensation of the Chief Executive Officer, review and determination of individual elements of compensation for the Company's other executive officers, administration of long-term incentive plans for management, including the selection of the individuals to be granted awards from among those eligible to participate. At present, the executive compensation program is comprised of salary, long-term incentive opportunities in the form of restricted stock awards, cash bonuses based upon the financial performance of the Company and employee welfare benefits typically offered.

Base Salaries. The factors considered in determining base compensation levels for the Chief Executive Officer and the Company's other executive officers included the goals outlined above and were evaluated by the Compensation Committee to be consistent with competitive practices (including companies with comparable market valuations, lines of business and/or revenues) and level of responsibility. Based upon the Company's overall financial performance during the previous fiscal year, as well as the market performance of the Company's Common Stock, the Compensation Committee, in discussions with Mr. Anderson, President and Chief Executive Officer of the Company, determined that Mr. Anderson's annual base salary should remain at \$315,000.

Cash Bonuses. Given the financial performance of the Company during the previous fiscal year, reduced cash bonuses were awarded to the Company's executive officers, including Mr. Anderson.

Long-Term Incentives. The Compensation Committee believes that long-term compensation should comprise a substantial portion of each executive officer's total compensation. Long-term compensation provides incentives that encourage the executive officers to own and hold the Company's stock and tie their long-term economic interests directly to those of the Company's stockholders and rewards executives for improved performance by the Company. To date, the only long-term compensation available for use by the Compensation Committee has been the grant of awards of stock options and shares of restricted stock.

The Compensation Committee also approved certain grants of restricted stock to certain executive officers and key employees of the Company and its subsidiaries in order to align the equity incentive awards of such executive officers and key employees with other members of their peer group within the Company and its subsidiaries. The grant of restricted stock to certain executive officers and key employees of the Company and its subsidiaries was effective as of October 25, 2003, with a vesting schedule over a period of four years from the grant date.

During the fiscal year ended June 30, 2004, the Compensation Committee awarded 511,000 shares of restricted stock. Of that amount, 185,000 shares were issued to Named Executive Officers and to three non-employee Directors of the Company.

Other. In addition, the executive officers participate in the Company's 401(k) Plan, which consists of elective employee salary reduction contributions and a Company match equal to 50% of employee contributions on the first 6% of employee compensation contributed.

The Compensation Committee has reviewed the limitation on the deductibility of compensation for federal income tax purposes pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Section 162(m) of the Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and the four other most highly compensated executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if specified requirements are met. The Compensation Committee currently intends to structure performance-based compensation, including restricted stock and stock option grants, if any, and annual bonuses, to executive officers who may be subject to Section 162(m) of the Code in a manner that satisfies those requirements. For the year ended June 30, 2004, none of our executive officers' compensation subject to the deductibility limits exceeded \$1,000,000.

The Compensation Committee does not anticipate awarding levels of compensation that result in such a disallowance under Section 162(m) of the Code. The Compensation Committee may authorize compensation in the future that results in amounts above the limit if it determines that such compensation is in the best interests of the Company. In addition, the limitation may affect the future grant of restricted stock, stock options or other stock awards. Further, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) of the Code and the regulations issued thereunder, no assurance can be given, notwithstanding our efforts, that compensation intended by the Company to satisfy the requirements for deductibility under Section 162(m) of the Code does in fact do so.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On October 9, 2003, LB I Group Inc, an affiliate of Lehman Brothers Inc. ("Lehman"), a wholly-owned subsidiary of Lehman Brothers Holdings Inc., purchased from certain affiliates of First Reserve 32,095 shares of the Company's Series B Preferred Stock (the "Transaction"). In connection with the Transaction, the Company and LB I Group Inc. entered into a letter agreement, pursuant to which, the Company agreed, upon consummation of the Transaction and the fulfillment of certain other conditions, including the resignation of Mr. Guill, an affiliate of First Reserve, from the Company's Board of Directors, to take all necessary actions in order to cause one designee of LB I Group Inc., to be elected to the Company's Board of Directors. LB I Group Inc. is entitled to have one designee recommended by the Company to stand for election at each meeting of the Company's stockholders at which the election of directors is on the agenda, until such time as LB I Group Inc. no longer beneficially owns at least 5% of the Company's outstanding Common Stock on an as-converted basis. In connection with the consummation of the Transaction on October 9, 2003, Mr. Guill resigned from the Company's Board of Directors and the Board of Directors, by unanimous written consent, elected David J. Butters, the LB I Group Inc. designee, to the Board of Directors effective October 9, 2003. Mr. Butters was nominated by the Nominating and Corporate Governance Committee to stand for re-election at the Annual Meeting of Stockholders scheduled for May 6, 2004, and was elected to serve on the Board. Mr. Butters resigned as a Director effective July 1, 2004. LB I Group Inc. also became party to a registration rights agreement whereby it has the right to require the Company to register its shares under the Securities Act of 1933.

Effective December 31, 2002, Mr. Harold R. Logan, Jr. resigned as Executive Vice President and Chief Financial Officer of the Company. Mr. Logan has agreed to continue as a member of the Company's Board of Directors and to serve as Chairman of the Finance Committee of the Board. Under the 1997 Incentive Plan, Mr. Logan continues to vest in his options awarded while an employee provided he continues as a consultant to the Company or is a member of the Board of Directors. Mr. Logan is also a Director of Lion Oil Company, in which the Company owns an 18.04% ownership interest. The Company purchased \$16,597,951 of refined petroleum products from and sold \$8,354,111 of refined petroleum products to Lion Oil Company in the year ended June 30, 2004, all of which product purchases and sales were made at prices negotiated between the Company and Lion Oil Company or through independent brokers. The Company believes the prices paid by and to Lion Oil Company were comparable to prices that would have been paid by and to independent third parties. The Company continues this commercial relationship during the current fiscal year.

During the 2004 fiscal year, the Company paid \$210,585 to Arapahoe Development, Inc. ("Arapahoe"), owned by Cortlandt S. Dietler, Chairman of the Board of Directors and Chairman of the Company, for flights aboard an aircraft owned by Arapahoe. The Company believes that the prices paid for those flights were competitive with rates charged by other aircraft leasing companies for similar services. The Company continues this commercial relationship during the current fiscal year.

On November 4, 2004, the Company's wholly-owned subsidiary, TransMontaigne Product Services Inc. ("TPSI"), entered into a Product Supply Agreement with Morgan Stanley Capital Group Inc. ("MSCG"), pursuant to which TPSI will purchase and receive certain refined petroleum products from MSCG. Under the terms of the Product Supply Agreement, MSCG will be the exclusive supplier of gasoline and distillate to the Company's existing marketing and distribution business at terminals connected to the Colonial and Plantation Pipelines and its Florida waterborne terminals. On November 23, 2004, the Company and MSCG closed certain transactions contemplated by the Product Supply Agreement. In connection with the closing, the Company (1) issued to MSCG warrants to purchase 5,500,000 shares of Common Stock, subject to customary anti-dilution adjustments, and (2) entered into a registration rights agreement that provides MSCG certain rights to register the resale of the warrants or any shares of Common Stock issued upon exercise of the warrants. The warrants may be exercised at any time and from time to time from March 1, 2005 through March 1, 2010, at

an exercise price equal to \$6.60 per share. The registration rights agreement provides that MSCG or its transferee shall have the right to request that the Company file up to three registration statements covering the resale of the warrants or underlying common stock, the final registration of which must be a shelf registration statement that the Company must keep effective for not less than 180 days. The registration rights agreement also gives MSCG or its transferee the right to "piggyback" on registration statements filed by the Company, or other stockholders, subject to limitations. In addition, the registration rights agreement contains indemnification provisions and other terms customary for agreements of its type.

Pursuant to certain agreements, partnerships managed by First Reserve, Yorktown Energy Partners III, L.P. and other venture capital funds managed by, and shares owned by, officers of Dillon, Read & Co. Inc., have the right to require the Company to register their shares under the Securities Act of 1933.

During the 2004 fiscal year, the Company purchased \$110,325,697 of refined petroleum products from and sold \$55,894,127 of refined petroleum products to Louis Dreyfus Energy Services, an affiliate of Dreyfus, all of which purchases and sales were made at prices negotiated between the Company and the Dreyfus affiliate, or through independent brokers. The Company believes the prices paid by and to the Dreyfus affiliate were comparable to prices that would have been paid by and to independent third parties. The Company continues this commercial relationship during the current fiscal year.

In October 1998, the Company purchased, among other things, certain terminaling properties from Louis Dreyfus Corporation pursuant to a stock purchase agreement. Dreyfus has paid to the Company approximately \$1,640,000 since the closing of the transaction to February 28, 2005 as indemnification under the stock purchase agreement for certain environmental expenses, including approximately \$141,000 since June 30, 2004. Also, pursuant to such stock purchase agreement, the Company agreed to take all action necessary to cause one Director designated by Dreyfus from time to time to be elected to the Company's Board of Directors as long as its ownership in the Company's Common Stock outstanding is at least 10%. Peter B. Griffin, who had been Dreyfus' designee to serve as a member of the Board of Directors, resigned from the Board of Directors, effective January 28, 2004. Subsequently, Dreyfus notified the Company that it has elected at this time not to exercise its contractual right to designate another person to serve on the Board of Directors and to stand for election at the Annual Meeting of Stockholders. Dreyfus has further agreed to provide the Company with at least thirty (30) days prior written notice of its intent to exercise such right in the future and identify the proposed designee in such notice. Pursuant to a registration rights agreement entered into between the Company and Dreyfus contemporaneously with the stock purchase agreement, Dreyfus and each entity at least eighty percent owned, directly or indirectly by S.A. Louis Dreyfus et Cie., has the right to require the Company to register their shares under the Securities Act of 1933.

All related party transactions are subject to review and oversight by the Company's Audit Committee.

REPORT OF THE AUDIT COMMITTEE

At four meetings during the fiscal year ended June 30, 2004, the Audit Committee reviewed and discussed the Company's financial statements filed with the Securities and Exchange Commission for each quarter during the fiscal year ended June 30, 2004 with the Company's independent auditors, as well as with Company officers and employees who are responsible for financial reporting, accounting, internal controls and legal matters. The Audit Committee's agenda is established by the Chairman of the Audit Committee. The Audit Committee met in private executive sessions at each of its meetings with the independent auditors at which discussions of the Company's financial management, accounting and internal controls took place outside the presence of the Company's management.

In addition to its other responsibilities, the Audit Committee recommends the appointment of the independent auditors to the Board of Directors, and reviews and approves the scope of and fees related to the audit. The Audit Committee monitors the activities and performance of the Company's external auditors, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit services. The Audit Committee has ultimate authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent auditor. The Audit Committee has considered whether the provision of services other than audit services is compatible with maintaining the independence of the Company's auditors and determined that it is compatible.

The Audit Committee received and reviewed the written disclosures from the Company's independent auditors required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence.

Management has represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, as amended, *Communication with Audit Committees*.

Based upon the reviews and discussions referred to above, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended June 30, 2004, filed with the Securities and Exchange Commission.

In accordance with the rules of the Securities and Exchange Commission, the foregoing information, which is required by paragraphs (a) and (b) of Regulation S-K Item 306, shall not be deemed to be "soliciting material," or to be "filed" with the Commission or subject to the Commission's Regulation 14A, other than as provided in that Item, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.
