JOINT PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS AND EXTRAORDINARY MEETING OF SHAREHOLDERS

General Information

We have made this joint proxy statement available to you on or about April [], 2017 as a holder of common stock of Altisource Portfolio Solutions S.A. ("Altisource" or the "Company") because our Board of Directors is soliciting your proxy to be used at our 2017 Annual Meeting and our Extraordinary Meeting, and any adjournment or postponement thereof. The Annual Meeting will be held on Wednesday, May 17, 2017, at 9:00 a.m. Central European Time for the purposes listed in the Notice of Annual Meeting of Shareholders. The Extraordinary Meeting will be held on the same day at 10:00 a.m. Central European Time for the purposes listed in the Notice of Extraordinary Meeting of Shareholders. Both meetings will be held at our registered office located at 40, avenue Monterey, L-2163 Luxembourg City, Grand Duchy of Luxembourg.

Who May Vote

You are entitled to vote at the Annual Meeting and the Extraordinary Meeting, and any adjournment or postponement thereof, if you are a holder of our common stock at the close of business on March 20, 2017. At the close of business on March 20, 2017, there were 18,426,969 shares of common stock issued, outstanding and able to be voted and no other class of equity securities outstanding. Each share of our common stock is entitled to one (1) vote at the Annual Meeting and one (1) vote at the Extraordinary Meeting on all matters presented for a vote at such meetings.

Voting Procedures

If you are a shareholder of record, you will receive two proxy cards, one for the Annual Meeting and one for the Extraordinary Meeting. You must return the proxy cards by mail or vote by attending the meetings. The proxy cards will tell you how to vote your shares.

If the shares you own are held in "street name" by a bank or broker, you will need to follow the directions such bank or broker provides to you. As in prior years, we have elected to provide access to our proxy materials over the Internet by mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to the majority of our shareholders. Shareholders may access the proxy materials on the website referred to in the Notice or request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice.

In order to comply with Luxembourg legal requirements, our shareholders of record (shareholders who own our shares in their own name through our transfer agent) will not be able to vote their shares over the Internet or by telephone; however, shareholders who own our shares through a bank or broker will be authorized to vote their shares in any manner authorized by their bank or broker.

Shareholders may also vote in person at the meetings. All shareholders must present valid government-issued photo identification to vote at the meeting. If your shares are held by a bank or broker, you will also need to obtain a "legal proxy" from the holder of record to vote at the meeting. For specific instructions, please refer to the proxy card or Notice you receive.

Even if you plan to attend the meetings, we recommend that you vote your shares in advance of the meetings in one of the manners available to you so that your vote will be counted if you are unable to attend.

Table of Contents

How a Proxy Works

If you properly submit your proxy to Altisource and do not revoke it prior to its use, it will be voted in accordance with your instructions. Other than as discussed below with respect to "broker non-votes," if no contrary instructions are given, each proxy received for the Annual Meeting will be voted "FOR" each of the nominees for Director named in this joint proxy statement and "FOR" each of the other proposals identified in the agenda for the Annual Meeting; each proxy received for the Extraordinary Meeting will be voted "FOR" the proposals identified in the agenda for the Extraordinary Meeting; and, with regard to any other business that properly comes before either meeting, each proxy will be voted in accordance with the discretion of the persons appointed as proxies.

If the shares you own are held by a bank or broker and you do not provide specific voting instructions to your bank or broker on a "non-routine" item as defined by the New York Stock Exchange, the bank or broker will be prohibited from voting your shares. This is commonly referred to as a "broker non-vote." All of our proposals other than the proposal to approve the appointment of our independent registered certified accounting firm and certified auditor are expected to be "non-routine" proposals and, therefore, if you do not instruct your bank or broker how to vote your shares with respect to these proposals, your shares will not be counted.

How to Revoke a Proxy

Your proxies may be used only at the relevant meetings and any adjournment or postponement thereof, and will not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

filing written notice with our Corporate Secretary at the following address:

Kevin J. Wilcox, Corporate Secretary
Altisource Portfolio Solutions S.A.
40, avenue Monterey
L-2163 Luxembourg City
Grand Duchy of Luxembourg

submitting a properly executed proxy bearing a later date; or

appearing at the relevant meeting and giving the Corporate Secretary notice of your intention to vote in person.

Quorum and Voting Information

Although Luxembourg law does not require a quorum for the conduct of business at the Annual Meeting, in accordance with the requirements of the NASDAQ listing standards, the Company has established that the presence at the Annual Meeting of holders of at least thirty-three and one-third percent (33 $\frac{1}{3}$ %) of our issued and outstanding shares of common stock able to be voted, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

For the transaction of business at the Extraordinary Meeting, the presence of holders of at least fifty percent (50%) of our issued and outstanding shares of common stock able to be voted will constitute a quorum in accordance with Luxembourg law. Under Luxembourg law, if a quorum is not reached at an extraordinary meeting for the purpose of resolving on the agenda thereof, the meeting may be adjourned or postponed to a later date at which time no quorum will be required, provided that certain notice procedures are fulfilled. In accordance with the requirements of the NASDAQ listing standards, in the event of such adjournment or postponement of the Extraordinary Meeting, the Company will require a quorum of thirty-three and one-third percent (33 $\frac{1}{3}$ %) of our issued and outstanding shares of common stock able to

be voted for the transaction of business. Abstentions and "broker non-votes" will be treated as present for purposes of a quorum.

Pursuant to Luxembourg law and assuming a quorum, the six (6) nominees for Director will be elected as Directors of Altisource at the Annual Meeting so long as the votes cast in favor of each such person exceed the votes cast against such person. You may vote for, against or abstain from voting for one (1) or more nominees for Director. The following Annual Meeting proposals will be approved if the votes cast in favor of the action exceed the votes cast against the action: the proposal to approve the appointment of Mayer Hoffman McCann P.C. ("Mayer Hoffman") to be our independent registered certified public accounting firm for the year ending December 31, 2016 and Atwell S.à r.l. ("Atwell") (*Réviser d'Entreprises*) to be our certified auditor for all statutory accounts as required by Luxembourg law for the same period; the proposal to approve the appointment of Michelle D. Esterman, Chief Financial Officer of the Company, to be our supervisory auditor (*Commissaire aux Comptes*) to report on the Luxembourg Annual Accounts for the years ending December 31, 2017 through December 31, 2022, or until her successor is duly elected and qualified, and to ratify her appointment by the Board of Directors as our supervisory auditor to report on the Luxembourg Annual Accounts for the years ended December 31, 2009 through December 31, 2016; the proposal to approve the Luxembourg Statutory Accounts as of and for the year ended December 31, 2016; the proposal to receive and approve the Directors' reports for the Luxembourg Statutory Accounts for the year ended December 31, 2016 and to receive the reports of the supervisory auditor for the Luxembourg Annual Accounts for the years ended December 31, 2009 through December 31, 2016; the proposal to allocate the results in the Luxembourg Annual Accounts for the year ended December 31, 2016; the proposal to approve the discharge of each of the Directors of Altisource Portfolio Solutions S.A. for the performance of their mandate during the year ended December 31, 2016 and the supervisory auditor for the performance of her mandate for the years ended December 31, 2009 through December 31, 2016; the proposal to approve the renewal of our share repurchase program whereby Altisource Portfolio Solutions S.A. is authorized, for a period of five years, to repurchase up to twenty-five percent (25%) of the outstanding shares of its common stock (as of the close of business on the date of the Annual Meeting) at a minimum price of one dollar (\$1) per share and a maximum price of five hundred dollars (\$500) per share; the advisory vote to approve the compensation of Altisource's named executive officers as disclosed in the Proxy Statement ("Say-on-Pay"); and any other matter properly submitted for your consideration at the Annual Meeting. The approval of the advisory vote on the frequency of future shareholder advisory votes on executive compensation ("Say-On-Frequency") will be determined based on the frequency that receives the most votes. While our Board of Directors intends to carefully consider the shareholder votes resulting from the Say-On-Pay and Say-On-Frequency proposals, the final votes will not be binding on us and are advisory in nature.

Pursuant to Luxembourg law and assuming a quorum, the following Extraordinary Meeting proposals will be approved if the votes cast in favor of the action exceed two-thirds of the shares validly voted: the proposal to amend the Company's Articles of Incorporation to (i) renew and extend the authorization of the Board of Directors to issue shares of the Company's common stock, within the limits of the Company's authorized share capital of one hundred million dollars (\$100,000,000) and, in connection with any such issuance, to limit or cancel the preferential subscription rights of shareholders, each for a period of five (5) years, as set forth in the proposed Amended and Restated Articles of Incorporation and (ii) receive the report issued by the Board of Directors pursuant to article 32 -3 (5) of the Luxembourg Company Law; the proposal to amend the Company's Articles of Incorporation to effectuate recent changes in the Luxembourg Company Law, as the Company is required to do pursuant to the Luxembourg Law of 10 August 2016 and to make certain other administrative changes as set forth in the proposed Amended and Restated Articles of Incorporation; and any other matter properly submitted for your consideration at the Extraordinary Meeting.

Any other matter properly submitted for your consideration will be approved with such vote as required by Luxembourg law. Abstentions will not be counted in determining the votes cast in connection with the proposals in the agendas of the Annual Meeting and Extraordinary Meeting.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing the Company's business and representing the interests of the shareholders. Directors generally attend all meetings of the Board of Directors and all meetings of committees on which they serve. Directors are also consulted for advice and counsel between formal meetings.

Our Board of Directors met twelve (12) times and took action pursuant to written consent one (1) time in 2016. Each incumbent Director attended at least seventy-five percent (75%) of these meetings as well as the meetings held by all Committees of our Board of Directors on which he served during the period.

Although we do not have a formal policy regarding Director attendance at the Annual Meeting, our Directors are expected to attend. Each incumbent Director attended our 2016 Annual Meeting of Shareholders.

Independence of Directors

Our Corporate Governance Guidelines provide that a majority of our Directors must qualify as independent Directors under NASDAQ listing standards and applicable law.

Our Board of Directors annually reviews the direct and indirect relationships that the Company has with each Director. The purpose of this review is to determine whether any transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with Altisource are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NASDAQ and applicable law. The Board of Directors also considers beneficial ownership of our common stock by each of the Directors, as set forth under "Security Ownership of Certain Beneficial Owners and Related Shareholder Matters," although our Board of Directors generally believes that stock ownership tends to further align a Director's interests with those of our other shareholders.

The Board of Directors has determined that all of our current Directors other than Mr. Shepro are independent under the rules of NASDAQ listing standards. Mr. Shepro is deemed not to be independent because he serves as the Chief Executive Officer of Altisource. Upon his election, the Board of Directors has determined that Mr. Morettini will also qualify as independent. In making this determination, the Board of Directors considered the fact that Mr. Morettini is a former partner of Deloitte, who previously served as the Company's independent registered public accountants and concluded that such service did not impair his independence pursuant to the requirements of the NASDAQ listing standards.

Our Corporate Governance Guidelines also provide that the Board may appoint a lead independent director unless the Chairman of the Board is an independent director, in which case the Chairman of the Board will perform the functions of a lead independent director. Mr. Vättö, an independent director, is the Chairman and, as a result, we do not currently have a lead independent director.

Executive Sessions of Independent Directors

Our Independent Directors met in executive session of the Board of Directors without management four (4) times in 2016.

Board Leadership Structure

The Board of Directors currently believes that separating the positions of Chief Executive Officer and Chairman is the best structure for the Company's needs. The Board periodically reviews the leadership

Table of Contents

structure and may make changes in the future as it deems to be in the best interests of the Company and our shareholders at such time.

The Chief Executive Officer is responsible for our day-to-day operations and for formulating and executing our long-term strategy in collaboration with the Board of Directors. The Chairman of the Board leads the Board and oversees meetings of the Board of Directors, ensures the delivery of information necessary for the Board's informed decision-making and, together with the Board, approves the strategy for Altisource. We believe that the current leadership structure best serves the Board's ability to carry out its roles and responsibilities on behalf of the shareholders and allows the Chief Executive Officer to focus his time and energy on operating and managing the Company.

Shareholder Engagement

Altisource has a practice of directly engaging with significant shareholders throughout the year to obtain their input. Such discussions typically include our Chief Executive Officer, our Chief Financial Officer and/or the Chairman of the Board of Directors. In addition to input on capital allocation, current governance and executive compensation topics specific to Altisource, we invite discussion on any other topics or trends shareholders wish to share with us. Relevant feedback is shared with the Board and any Committees, as appropriate.

In 2016 and in the early part of 2017, we had discussions, either by phone or in person, with shareholders owning more than a majority of our issued and outstanding shares.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee, a Compliance Committee, a Nomination/Governance Committee and an Executive Committee. Except as otherwise required by applicable laws or rules, the Committees' responsibilities and procedures are designed to remain flexible, so that they may be in a position to best react or respond to changing circumstances or conditions. A brief description of each committee is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered certified public accounting firm; provides assistance to our Board of Directors with respect to matters involving the accounting, auditing, financial reporting and internal control functions; establishes procedures for the receipt, retention and treatment of complaints received by the Company relating to the financial reporting process and our system of accounting, internal controls, auditing and federal securities law matters; reviews and approves transactions with "Related Persons," as defined by SEC Regulation S-K in accordance with the Company's Related Person Transactions Policy; reviews the scope and results of the annual audit conducted by the independent registered certified public accounting firm, including any significant matters regarding internal controls over financial reporting; and reviews the Company's internal audit plan, internal audit budget and enterprise risk assessment.

The members of the Audit Committee for 2016 were Messrs. Müller-Ineichen, Linn and Vättö, with Mr. Müller-Ineichen serving as the Chairman. Each member of our Audit Committee is independent as defined in regulations adopted by the SEC and NASDAQ listing standards. Our Board of Directors has determined that all members of our Audit Committee are financially literate, possess accounting or related financial management experience that results in the individual's financial sophistication within the meaning of NASDAQ listing standards and qualify as audit committee financial experts as that term is defined in SEC rules. Pursuant to the Company's Corporate Governance Guidelines, no director may serve as a member of the Audit Committee if such director serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who

Table of Contents

requests it. On an annual basis, the Audit Committee reviews its charter and presents any recommendations for amendments to the Board. The Audit Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter. The charter was last reviewed by the Audit Committee in February 2017. The Audit Committee met twenty-one (21) times and took action pursuant to written consent one (1) time in 2016. The Audit Committee met in executive session with both the Company's internal and external auditors five (5) times, solely with the Company's internal auditors two (2) times and solely with the Company's external auditors five (5) times in 2016.

Compensation Committee. The Compensation Committee of our Board of Directors oversees our compensation and employee benefit plans and practices. Our Compensation Committee also evaluates and makes recommendations to our Board of Directors for human resource and compensation matters relating to our executive officers. The Compensation Committee reviews with the Chief Executive Officer and the Chief Administration and Risk Officer (except as it relates to their own compensation) and subsequently approves all executive compensation programs, any severance or termination arrangements applicable to executive officers and any equity compensation plans that are not subject to shareholder approval. The Compensation Committee is responsible for reviewing Director compensation and recommending changes, subject to the approval of our shareholders. The Compensation Committee also has the power to review our other compensation plans, including the goals and objectives thereof and to recommend changes to these plans to our Board of Directors. The Compensation Committee has the authority to administer awards under the 2009 Equity Incentive Plan. The Compensation Committee may request that any of our Directors, officers, employees or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests. The Compensation Committee is also empowered to retain independent compensation consultants, counsel or other advisors as it deems necessary in connection with its responsibilities at the Company's expense. In determining whether a compensation consultant, counsel or other advisor is independent, the Compensation Committee considers all factors set forth in SEC rules and the NASDAQ listing standards with respect to advisor independence, as well as any other factors the Compensation Committee deems relevant. Based on its consideration of the various factors as set forth in SEC rules and NASDAQ listing standards, the Compensation Committee determined that Exequity LLP ("Exequity") is independent and that the engagement of Exequity by the Company as its compensation consultant raises no conflict of interest.

In 2016, our Compensation Committee engaged Exequity to review the compensation levels for our Chief Executive Officer, Chief Administration and Risk Officer and Chief Financial Officer. Exequity reviewed the pay levels compared to pay levels among our peer companies to help identify the competitive positioning of our pay practices. Please see "Role of Compensation Consultant" in our Compensation Discussion and Analysis for further information.

The members of the Compensation Committee during 2016 were Messrs. Vättö, Linn, Müller-Ineichen and Kramer, with Mr. Vättö serving as the Chairman. In line with the Board's belief that it is in the best interests of the Company that the membership of the Committees of the Board change from time to time, Mr. Linn resigned as a member of the Compensation Committee and Mr. Kramer was appointed to the Compensation Committee, effective November 15, 2016.

Each member of the Compensation Committee is independent as defined by NASDAQ listing standards, as revised in 2013. While we have no specific qualification requirements for members of the Compensation Committee, our members have knowledge and experience regarding compensation matters as developed through their respective business experience in both management and advisory roles, including general business management, executive compensation and employee benefits experience. We believe that their collective achievements and knowledge provide us with extensive diversity in experience, culture and viewpoints.

Our Compensation Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who

requests it. On an annual basis, the Compensation Committee reviews its charter and presents any recommendations for amendments to the Board. The Compensation Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter. The charter was last reviewed by the Compensation Committee in February 2017. The Compensation Committee met eight (8) times and took action pursuant to written consent three (3) times in 2016.

Compensation Committee Interlocks and Insider Participation. No current member of the Compensation Committee has ever been an officer or employee of the Company, and no member has ever had any relationship with us requiring disclosure under Item 404 of SEC Regulation S-K. None of our executive officers has served on the Board of Directors or compensation committee of any other entity that has or had one (1) or more executive officers who served as a member of our Board of Directors or our Compensation Committee during the 2016 fiscal year.

Compliance Committee. The Compliance Committee performs such other duties as may be prescribed pursuant to its charter. The members of the Compliance Committee for 2016 were Messrs. Linn, Müller-Ineichen, Vättö and Kramer, with Mr. Linn serving as the Chairman. In line with the Board's belief that it is in the best interests of the Company that the membership of the Committees of the Board change from time to time, Mr. Vättö resigned as a member of the Compliance Committee and Mr. Kramer was appointed to the Compliance Committee effective November 15, 2016. Each member of the Compliance Committee is independent as defined by NASDAQ listing standards.

Our Compliance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who requests it. On an annual basis, the Compliance Committee reviews its charter and presents any recommendations for amendments to the Board. The Compliance Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter. The charter was last reviewed by the Compliance Committee in February 2017. The Compliance Committee met four (4) times in 2016.

Nomination/Governance Committee. The Nomination/Governance Committee of our Board of Directors makes recommendations to our Board of Directors of individuals qualified to serve as Directors and committee members for our Board of Directors, advises our Board of Directors with respect to Board of Directors composition, procedures and committees, develops and presents our Board of Directors with a set of corporate governance guidelines and oversees the evaluation of our Board of Directors.

The members of the Nomination/Governance Committee during 2016 were Messrs. Linn, Müller-Ineichen, Vättö and Kramer, with Mr. Linn serving as the Chairman. In line with the Board's belief that it is in the best interests of the Company that the membership of the Committees of the Board change from time to time, Mr. Müller-Ineichen resigned as a member of the Nomination/Governance Committee and Mr. Kramer was appointed to the Nomination/Governance Committee effective November 15, 2016. Each member of the Nomination/Governance Committee is independent as defined by NASDAQ listing standards.

Our Nomination/Governance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who requests it. On an annual basis, the Nomination/Governance Committee reviews its charter and presents any recommendations for amendments to the Board. The Nomination/Governance Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter. The charter was last reviewed by the Nomination/Governance Committee in February 2017. The Nomination/Governance Committee met five (5) times in 2016.

Table of Contents

The Nomination/Governance Committee regularly assesses the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director are then identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, shareholders or industry sources.

In evaluating candidates for nomination to the Board, our Nomination/Governance Committee takes into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and NASDAQ listing standards. In addition, our Nomination/Governance Committee takes into account Altisource's best interests as well as such factors as knowledge, experience, skills, expertise, diversity and the interplay of the candidate's experience with the background of other members of our Board of Directors.

Pursuant to the Company's Diversity Policy, the Nomination/Governance Committee will consider diversity when it recommends Director nominees to the Board of Directors, viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee considers diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of the Company's business environment when recommending Director nominees to the Board of Directors, with the objective of achieving a Board with diverse business and educational backgrounds. Directors should have individual backgrounds that, when combined, provide a portfolio of experience and knowledge that will serve the Company's governance and strategic needs. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation, national origin, or any other personal attribute that does not speak to a person's ability to serve as a Director.

In evaluating a particular candidate, the Nomination/Governance Committee will also consider factors other than the candidate's qualifications including the current composition of the Board of Directors, the balance of management and independent Directors, the need for Audit Committee expertise and the evaluation of other prospective nominees.

In connection with this evaluation, one or more members of the Nomination/Governance Committee, and others as appropriate, interview prospective nominees. After completing this evaluation and interview, the Nomination/Governance Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors determines whether the candidates will be nominated and presented to the shareholders for election, after considering the recommendation and report of the Nomination/Governance Committee.

In 2016, in conducting its assessment of the size and makeup of our Board of Directors, our Nomination/Governance Committee determined to recruit one or more additional Board members with relevant skills, experience and industry knowledge. In June 2016, following the recommendation of the Nomination/Governance Committee, the Board nominated Mr. Kramer for election to the Board of Directors. Mr. Kramer was elected to the Board by our shareholders on August 18, 2016 and the size of the Board was increased to five (5) Directors. In February 2017, following the recommendation of the Nomination/Governance Committee, the Board of Directors nominated Mr. Joseph L. Morettini for election at the Annual Meeting which would further increase the size of the Board of Directors to six (6) Directors. In selecting Messrs. Kramer and Morettini to serve on our Board, the Board determined that their qualifications, experience and abilities would bring valuable insights to our Board.

If you want to recommend persons for consideration by our Nomination/Governance Committee as nominees for election to our Board of Directors, you can do so by writing to our Corporate Secretary at Altisource Portfolio Solutions S.A., 40, avenue Monterey, L-2163 Luxembourg City, Grand Duchy of Luxembourg. Risk Management and Oversight Process

Our Board of Directors and each of its committees play a key role in the oversight of the Company's risk management.

Through regular reviews with management and internal and external auditors, the Board of Directors and the Audit Committee monitor Altisource's credit risk, liquidity risk, operational risk, legal and regulatory risk and enterprise risk. In its periodic meetings with internal and external auditors, the Audit Committee discusses the scope and plan for the internal audit department and, in conjunction with management, considers whether accounting and financial controls are aligned with business risks. In its periodic meetings with the external auditors, the Audit Committee reviews the external audit scope, the external auditors' responsibilities and independence under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications.

The Board of Directors and the Compliance Committee monitor Altisource's overall compliance function, including the compliance management system, and Altisource's compliance with legal and regulatory requirements and related risks, through regular reviews with both management and internal auditors. At least quarterly, the Compliance Committee reviews and discusses with management the Company's compliance with legal and regulatory requirements and compliance programs.

In addition, working closely with management, the Nomination/Governance Committee assists the Board of Directors in monitoring the Company's governance and succession risks, and the Compensation Committee assists the Board of Directors in monitoring the Company's compensation policies and related risks.

The role of the Board of Directors in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer, the Chief Administration and Risk Officer and other members of management having responsibility for assessing and managing the Company's risk exposure, and our Chairman, the Board of Directors and its committees providing oversight in connection with these efforts.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction, Philosophy and Objectives

We believe an effective executive compensation program aligns executives' interests with shareholders by rewarding performance that achieves or exceeds specific financial targets and strategic goals designed to improve shareholder value. We seek to provide our executives with long-term incentive opportunities that promote consistent, high-level financial performance and individual service longevity. The Compensation Committee evaluates both performance and compensation opportunities to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies.

To achieve these objectives, we generally believe executive compensation packages should include both cash and equity-based compensation that rewards performance as measured against established goals.

This compensation discussion and analysis provides information regarding the following:

compensation governance practices

compensation programs for our Chief Executive Officer, Chief Financial Officer and three other most highly compensated executive officers in 2016 ("Named Executive Officers")

overall objectives of our compensation program and what it is designed to reward

each element of compensation that we provide

the reasons for the compensation decisions we have made regarding our Named Executive Officers

Our Named Executive Officers for 2016 are:

Name	Position
William B. Shepro	Chief Executive Officer
Kevin J. Wilcox	Chief Administration and Risk Officer
Michelle D. Esterman	Chief Financial Officer
Joseph A. Davila	President, Servicer Solutions
Gregory J. Ritts	General Counsel

Compensation Governance Practices

Our compensation program maintains and continues to build upon the Company's compensation governance framework. In evaluating the design of our compensation program, our Compensation Committee considers whether such program discourages behavior that may result in unnecessary or excessive risk.

Key features of our compensation program and practices include, among other things:

Performance-based Compensation. Pay is closely linked to performance. Our 2016 incentive cash compensation awards make up a significant portion of the cash compensation for each of our Named Executive Officers, including the majority of the compensation for our Chief Executive Officer, and are based on financial goals (e.g., service revenue, pre-tax income and/or earnings per share targets), strategic initiatives and individual performance goals. In addition, each of our Named Executive Officers has received performance-based stock option awards upon joining and/or during his or her tenure with

the Company.

Independent Compensation Consultant. We use an independent compensation consultant to review, analyze and provide recommendations regarding executive compensation.

Table of Contents

Restrictive Covenants. With respect to equity grants made after January 1, 2013, we have the right to cancel outstanding equity awards and recover realized gains if an executive breaches certain restrictive covenants within two years following his or her departure from the Company.

Golden Parachute Excise Tax Protection. We do not provide golden parachute excise tax gross-up protection for our executives.

Insider Trading and Anti-Hedging Policies. Our Insider Trading policy prohibits Company personnel, including our Named Executive Officers, and our Directors from engaging in any short-term, speculative securities transactions, including purchasing securities on margin, engaging in short sales, buying or selling put or call options and trading in options (other than those granted by the Company). In addition, in May 2016 the Company adopted anti-hedging rules prohibiting Company personnel, including our Named Executive Officers, and our Directors from engaging in transactions that are designed to or have the effect of hedging or offsetting any decrease in the market value of Company stock.

Claw-Back Policy. The SEC has issued a proposed rule that would require companies to adopt policies to recoup, or "claw-back," certain incentive-based compensation paid to executive officers in connection with an accounting restatement. We anticipate adopting a claw-back policy prior to or shortly following the adoption of a final rule in accordance with any applicable SEC and NASDAQ requirements.

Role of Executive Officers in Compensation Decisions

Certain executives are involved in the design and implementation of our executive compensation programs. Our Chief Executive Officer and Chief Administration and Risk Officer generally attend Compensation Committee meetings, except that such executive officers are not present during any voting or deliberations on their own compensation. These executives actively participate in performance reviews and compensation discussions for our executive officers, including making recommendations to the Compensation Committee as to the amount and form of compensation (other than their own). The Committee exercises its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations; however, executive compensation matters are generally delegated to the Chief Executive Officer and the Chief Administration and Risk Officer for further development and execution following approval by the Committee. Please see "Equity Incentive Plan" for information relating to the authority delegated by the Compensation Committee to these executive officers to approve stock option awards within certain limits.

Role of Compensation Consultant

Pursuant to its authority to retain independent counsel or other advisers as it deems necessary, the Compensation Committee has entered into an agreement with Exequity to provide compensation consulting services to the Compensation Committee as needed from time to time, pursuant to individual engagements. These services assist the Compensation Committee in making decisions on pay that are informed by marketplace practices. With the consent of the Compensation Committee or the Compensation Committee Chairman, Exequity coordinates with the Company's human resources function to gather information necessary to provide these services and reviews, validates and provides input on information, programs and recommendations.

As previously disclosed, in 2014 and 2015, the Compensation Committee engaged Exequity to assist in conducting an analysis to ensure that Altisource's peer group for any future compensation benchmarking consists of the most appropriate benchmark companies. As part of this analysis, Exequity reviewed and provided research related to appropriate peer group companies for Altisource, taking into consideration many factors, including industry, company size (based on revenues, market capitalization and number of employees), recent growth, similarities in product and service offerings, financial results and operational complexity.

In 2016, the Compensation Committee and Exequity reviewed the companies in our peer group to determine if adjustments were necessary to provide appropriate information on market practices and executive and Director compensation levels. As a result of such reviews, Heartland Payment Systems, Inc. was removed from the peer group following its April 2016 merger with Global Payments Inc.

The resulting group of 17 peer companies is as follows:

CoreLogic, Inc.

Equifax, Inc.

ExlService Holdings, Inc.

FleetCor Technologies, Inc.

Genpact Ltd.

Nationstar Mortgage Holdings, Inc.

Virtusa Corp.

WEX, Inc.

Everi Holdings, Inc.⁽¹⁾

Jack Henry & Associates Inc.

PRGX Global, Inc.

Stewart Information Services Corp.

Sykes Enterprises, Inc.

Syntel, Inc.

Walter Investment Management Corp.

PennyMac Financial Services, Inc.

Black Knight Financial Services, Inc.

⁽¹⁾ Everi Holdings, Inc. was previously known as Global Cash Access Holdings, Inc.

To further the objectives of our compensation program, our Compensation Committee conducted an analysis of the compensation levels of our Directors in 2016, with the assistance of Exequity. As part of the analysis, Exequity reviewed compensation trends and "best practices" in Director compensation among the peer group companies. Compensation data and other resources provided by Exequity set the foundation for the Committee's review and analysis of Director compensation levels.

Edgar Filing: Altisource Portfolio Solutions S.A. - Form PRE 14A

Utilizing a similar analysis, in 2016, Exequity reviewed the compensation levels of our Chief Executive Officer, Chief Administration and Risk Officer and Chief Financial Officer and concluded that the total compensation for these executives is below the peer group's median level. Based in part on this analysis, the Compensation Committee is evaluating the compensation levels of these executives, in particular their possible participation in an equity-based long-term incentive plan in 2017. Please see the "Equity Incentive Plan" section below for additional information.

Based on its consideration of the various factors as set forth in SEC rules and NASDAQ listing standards, the Compensation Committee determined that Exequity is independent and that the engagement of Exequity by the Company raises no conflict of interest.

Employment Agreements

As required by Luxembourg law, Altisource has entered into employment agreements with each of our Named Executive Officers. The employment terms continue indefinitely until the executive's separation from the Company. The agreements provide for a base salary and annual incentive compensation based on the satisfaction of relevant performance criteria. In addition, the executives may receive relocation and foreign living allowances, as well as benefits such as health insurance. Please see the "Relocation and Foreign Living Allowances" section and the Summary Compensation Table under the "Executive Compensation" section below for additional details.

Table of Contents

In order to terminate the employment agreement, each party must provide notice in accordance with the time periods set forth in article L.124-1 of the Luxembourg Labor Code. In the event of the termination by the Company for "Cause" ("*motifs graves*," as defined in article L.124-10 of the Luxembourg Labor Code), no notice period is required. In addition, in the event of termination by the Company without "Cause" or, in some instances, resignation by the executive for "Good Reason," the executive will receive severance benefits. Furthermore, the executive may be entitled to receive additional payments in accordance with article L.124-7 of the Luxembourg Labor Code if executive has been employed for more than five (5) years.

The agreements also include a covenant not to disclose our confidential information and to enter into an intellectual property agreement. In addition, the executive is bound by non-competition and non-solicitation covenants for a minimum period of one (1) year following the termination of the agreement. The agreements are governed, interpreted and performed by and in accordance with the laws of the Grand Duchy of Luxembourg.

Elements of Annual Compensation

The current annual compensation package for our Named Executive Officers consists of base salary and annual cash incentive compensation. This compensation structure was developed in order to provide each Named Executive Officer with a competitive salary while emphasizing an incentive compensation element that is tied to the achievement of financial goals and strategic initiatives as well as individual performance. We believe that the elements of compensation discussed below are appropriate in light of our performance, industry, alignment with peer practices, strategic initiatives and environment.

Additionally, long-term incentive awards may be granted on a periodic basis separately from the annual compensation process to assist with the retention of our Named Executive Officers and to align the interests of these executives with the interests of our shareholders. As previously disclosed, on April 15, 2015, the Compensation Committee approved retention and long-term incentive awards to provide for equity (restricted shares and stock options) to our Named Executive Officers. Our Chief Executive Officer, Chief Administration and Risk Officer and Chief Financial Officer also received cash awards payable on March 31, 2017, subject to continued employment. Because these executives were still employed by Altisource on such date, these cash awards [vested and were paid on or around March 31, 2017].

In instances where the Compensation Committee believes an executive's scorecard performance does not result in an incentive compensation amount that is reflective of the executive's efforts and accomplishments, the Compensation Committee may also grant our Named Executive Officers a one-time cash award in recognition of their performance during the period. In that regard, in 2016, a one-time cash award was made to Mr. Davila, President, Servicer Solutions to reflect his efforts and accomplishments leading our Servicer Solutions business to position it for continued growth. Mr. Ritts, General Counsel, also received a one-time cash award in recognition of his efforts overseeing our legal and regulatory matters and his significant contributions to our strategic initiatives. Please see the Summary Compensation Table under "Executive Compensation" for additional information.

Base Salary. Base salaries for our Named Executive Officers are established based on individual qualifications and job responsibilities while taking into account compensation levels at companies in our peer group for similar positions. The Compensation Committee sets the base salary for the Chief Executive Officer and approves the base salaries for all other Named Executive Officers.

Base salaries for our Named Executive Officers are reviewed periodically with adjustments made based on market information, internal review of the Named Executive Officer's compensation in relation to other officers, individual performance of the executive officer and corporate performance. Salary levels are also considered upon a relocation, a promotion or other change in job responsibility. Salary adjustment recommendations are based on our overall performance and an analysis of compensation levels necessary to maintain and attract quality personnel.

Base salaries for our Named Executive Officers are set in U.S. dollars and paid in euros. Please see the Summary Compensation Table under "Executive Compensation" for additional information.

2016 Annual Non-Equity Incentive Compensation. Pursuant to an annual incentive plan, a participant can earn cash incentive compensation as determined by the Compensation Committee. The plan provides the Compensation Committee and our management with the authority to establish incentive award guidelines which are further discussed below.

Each Named Executive Officer has a targeted annual cash incentive award that is expressed as a percentage of his or her annual cash total target compensation. Incentive compensation awards make up a significant portion of the annual cash compensation for each of our Named Executive Officers, including the majority of the compensation for our Chief Executive Officer. In 2016, thirty-five percent (35%) to sixty percent (60%) of total annual cash target compensation of our Named Executive Officers was payable only upon achievement of certain minimum Company and individual performance levels. The appropriate targeted percentage typically varies based upon the nature and scope of each Named Executive Officer's responsibilities.

The table below reflects the percentage of each Named Executive Officer's target total annual cash compensation that was allocated to each of base salary and incentive compensation in 2016 and the percentage of each Named Executive Officer's actual total annual cash compensation that was allocated to each of base salary and incentive compensation in 2016:

Our annual incentive-based cash compensation is structured in a manner that is intended to motivate executives to achieve pre-established key performance indicators by rewarding executives for such achievement. This is accomplished by utilizing a scorecard methodology which incorporates multiple financial and non-financial performance indicators (with a majority being financial performance indicators) developed through our annual strategic planning process and designed to enhance Company performance and long-term shareholder value. This corporate scorecard is approved annually by the Compensation Committee and/or the Board of Directors and is utilized by the Compensation Committee

as a factor to determine the appropriate amount of incentive compensation to be paid to the Chief Executive Officer and other Named Executive Officers. During the development of the corporate scorecard each year, the Board considers the level of difficulty associated with the attainment of each goal in the corporate scorecard. The intent of the Board is to establish target levels in the scorecard that are challenging to achieve. The 2016 corporate scorecard was approved by the Board of Directors at its meeting on November 6, 2015. Certain

amendments/exceptions to the corporate scorecard were approved at subsequent Board of Directors meetings. Typically, these amendments/exceptions to the corporate scorecard reflected adjustments deemed by the Board of Directors to be appropriate in light of changed conditions or changes to the business during the year.

The Company's corporate scorecard for 2016 included achieving consolidated service revenue and adjusted diluted earnings per share⁽¹⁾ targets and achieving growth initiative or business segment specific service revenue and adjusted pre-tax income⁽²⁾ targets. In addition, the corporate scorecard provided for successful completion of our strategic initiatives. Due to longer than anticipated sales cycles, we did not achieve our non-Ocwen service revenue targets. Further, we invested significantly in our growth initiatives. As a result, we did not achieve a majority of our earnings targets. While we did not achieve our non-Ocwen service revenue targets, we did grow non-Ocwen service revenue by 22% in 2016, which followed two consecutive years of annual growth of more than 40%. In addition, we achieved our consolidated service revenue target, and we successfully completed many of the remaining strategic initiatives, positioning the Company for long-term growth across our strategic initiatives. Our key 2016 accomplishments also included adding seven (7) new large Servicer Solutions and Origination Solutions clients, developing a pipeline of active prospects and improving our value proposition through new product launches.

The incentive award for our Chief Executive Officer is based on: (i) the Company's performance versus the goals (comprising financial objectives and strategic initiatives) established in the corporate scorecard (eighty percent (80%)) and (ii) a performance appraisal (twenty percent (20%)). The incentive awards of our other Named Executive Officers are based on: (i) performance within the corporate, business unit or support unit scorecard, as expressly assigned in each of their scorecards (eighty percent (80%)) and (ii) a performance appraisal (twenty percent (20%)). Typically, fifty percent (50%) to sixty percent (60%) of the total incentive award opportunity for our Named Executive Officers is tied to the achievement of financial objectives.

The components in each scorecard are weighted individually based on relevance to the ultimate financial performance of the Company and the importance of the achievement to the success of our corporate strategy. Within each component of the scorecard, there are typically three (3) established levels of achievement: threshold, target and outstanding. Each level of achievement is typically tied to a relative point on a percentage scale which indicates the level of goal achievement within each component of the scorecard. Generally, achieving the threshold level of achievement will earn the executive fifty percent (50%) of the target incentive compensation tied to such goal; the target level of achievement will earn the executive one hundred percent (100%) of the target incentive compensation tied to such goal and the outstanding level of achievement will earn the executive one hundred fifty (150%) of the target incentive compensation tied to such goal. An achievement below the threshold level will generally not entitle the executive to compensation for the associated goal.

The goals are further cascaded down through the organization to incentive-eligible employees in their personal scorecards, which are also tied to performance linked to corporate profitability and the achievement of our strategic initiatives. The scorecards are communicated to all incentive-eligible employees by the Human Resources department or the employee's immediate supervisor and are available to employees in our performance management tracking system. Performance against such scorecards is generally reviewed with management on a monthly basis through monthly business reviews and after the end of each year. This incentive compensation structure is intended to align the goals of our incentive-eligible employees with the overall success of the Company, while establishing clear performance standards within their respective business or support units.

(1) Adjusted diluted earnings per share is calculated by dividing net income attributable to Altisource plus intangible asset amortization expense (net of tax), plus litigation settlement loss, net of insurance recovery (net of tax) by the weighted average number of diluted shares.

(2) Adjusted pretax income is calculated by adding intangible asset amortization expense and litigation settlement loss, net of insurance recovery to, and deducting net income attributable to non-controlling interests from, income before income taxes and non-controlling interests.

As noted above, twenty percent (20%) of the incentive compensation for the Chief Executive Officer and other Named Executive Officers is determined by their performance appraisal for the service year. Each of our Named Executive Officers performs a self-assessment as to his or her performance against his or her goals for the applicable year. Our Chief Executive Officer and, in the case of Mr. Ritts, our Chief Administration and Risk Officer, utilize these assessments, as well as their own observations, to deliver a written performance appraisal for other Named Executive Officers. These performance appraisals rate performance based on criteria related to three key factors: (i) the executive's ability to improve and develop their organization throughout the year (ii) the executive's individual performance (iii) the executive's alignment to the Company's core values.

The Chief Executive Officer's scorecard performance and personal performance appraisal are determined by the Compensation Committee taking into consideration whether the Company's performance and corresponding incentive results present a fair representation of the Chief Executive Officer's performance.

For our Named Executive Officers other than the Chief Executive Officer, the Chief Executive Officer, in conjunction with the Chief Administration and Risk Officer, presents the personal scorecard performance and the performance appraisal scores to the Compensation Committee and makes recommendations as to the incentive compensation for each executive officer (except for the Chief Administration and Risk Officer, whose performance is reviewed without the presence of such executive). The Compensation Committee evaluates the recommendations in light of the Company's overall performance and the executive's business unit or support unit's performance and makes the final compensation award determinations for each executive. Annual incentive compensation is paid to our executives and other incentive-eligible employees following such determinations. For 2016, incentive compensation was awarded accordingly.

Incentive compensation is set in U.S. dollars and, at the executive's discretion, may be paid in U.S. dollars and/or in euros converted from U.S. dollars at the exchange rate in effect as of the date of payment. Please

2017 Annual Incentive Compensation. The Company's 2017 key performance indicators have been developed and the corporate scorecard was approved by the Board of Directors at its meeting on November 15, 2016. On March 3, 2017, the Board of Directors approved certain amendments to the corporate scorecard and the Compensation Committee approved the annual incentive components for the Chief Executive Officer and other executives for 2017.

The corporate scorecard for 2017 includes achieving overall service revenue and adjusted earnings per share targets and achieving growth initiative or business segment specific service revenue and adjusted pre-tax income targets. In addition, the corporate scorecard provides for successful completion of strategic initiatives established to enhance long-term corporate and shareholder value.

The 2017 corporate strategic initiatives relate to:

- Supporting customer's operational objectives
- Growing our Servicer Solutions business
- Growing our Origination Solutions business
- Growing our Consumer Real Estate Solutions business
- Growing our Real Estate Investor Solutions business
- Launching the REALDoc and marketplace products
- Enhancing our compliance management system
- Achieving operations and cost savings initiatives
- Improving customer experience
- Accomplishing other corporate level initiatives

Relocation and Foreign Living Allowances. Since we are a Luxembourg company, each of our Named Executive Officers is based in our corporate headquarters in Luxembourg. This is consistent with our view that daily interaction of our leadership team at our headquarters helps us to efficiently develop and execute our strategic initiatives. Often the executive talent we seek to attract to Luxembourg is based in the United States. To attract and appropriately incent our Named Executive Officers, we provide each with certain relocation and foreign living allowances that the Committee believes are reasonable and consistent with our overall compensation philosophy to attract and retain superior employees for key positions requiring relocation. Please see the Summary Compensation Table under the "Executive Compensation" section below for additional details.

Setting Compensation Levels

We believe our executive compensation programs are effectively designed, aligned with the interests of our shareholders and instrumental to achieving our business strategy. In determining executive compensation for fiscal year 2016, our Compensation Committee considered the overwhelming shareholder support that the "Say-on-Pay" proposal received at our 2014 Annual Meeting of Shareholders. As a result, our Compensation Committee continued to apply the same effective principles and philosophy it has used in previous years in determining executive compensation and will continue to consider shareholder concerns and feedback in the future.

Edgar Filing: Altisource Portfolio Solutions S.A. - Form PRE 14A

From time to time, the Company conducts benchmarking on chief executive officer and other named executive officer compensation among peer companies of comparable size, industry, location and similar attributes that may compete with Altisource for qualified management talent. In 2016, our Compensation Committee engaged our independent compensation consultant, Exequity, to assist the Compensation Committee in reviewing the compensation levels for the Chief Executive Officer, the Chief Administration and Risk Officer and the Chief Financial Officer. Exequity reviewed our executive compensation levels compared to pay levels among our peer companies to help identify the competitive positioning of our pay practices and concluded that the total compensation for these executives is below the peer group's median level. All information was obtained from publicly available proxy disclosures and included base salary, annual incentive compensation and long-term incentive compensation. Please see "Role of Compensation Consultant" for information on the peer group companies the Compensation Committee used in its analysis.

Table of Contents

The Compensation Committee believes this peer group benchmarking methodology provides a fair representation of the competitive arena for executive talent and is an effective approach for setting compensation levels to ensure that the Company's pay practices allow it to attract and retain executive employees of the highest quality.

Based in part on this analysis, the Compensation Committee is evaluating the compensation levels of these executives, in particular their possible participation in an equity-based long-term incentive plan in 2017. Please see the "Equity Incentive Plan" section below for additional information.

In setting compensation levels, the Committee also considers the Named Executive Officers' performance, scope of responsibility and other relevant factors, such as retention.

Compensation Increases

In 2016, the Compensation Committee did not increase the base salaries or target cash incentive opportunities for our Named Executive Officers. As noted above, the Compensation Committee is currently evaluating the compensation levels of these executives, in particular their possible participation in an equity-based long-term incentive plan in 2017.

Under article L.223-1 of the Luxembourg Labor Code, all compensation owed pursuant to an employment agreement is required to be adapted based upon the cost of living index in the Grand Duchy of Luxembourg. Effective January 1, 2017, there was a required two and a half percent (2.5%) increase in compensation pursuant to this law. The base salaries for our Named Executive Officers and the incentive compensation for the Chief Executive Officer and the Chief Administration and Risk Officer were adjusted accordingly.

Equity Incentive Plan

The Compensation Committee administers the 2009 Equity Incentive Plan, which was approved by our shareholders in 2009. The purpose of the 2009 Equity Incentive Plan is to provide additional incentives to key employees to make extraordinary contributions to the Company, to assist with the retention of key employees and to align the interests of our employees with the interests of our shareholders. The 2009 Equity Incentive Plan authorizes the award of restricted shares, options, stock appreciation rights, stock purchase rights or other equity-based awards to our employees. Options awarded under the 2009 Equity Incentive Plan may be either "incentive stock options" as defined in Section 422 of the United States Internal Revenue Code of 1986, as amended, or nonqualified stock options, as determined by the Compensation Committee.

Each award granted under the 2009 Equity Incentive Plan is evidenced by a written award agreement between the participant and the Company, which describes the award and states the terms and conditions to which the award is subject. If any shares subject to award are forfeited or if any award terminates, expires or lapses without being exercised, shares of common stock subject to such award will again be available for future awards.

Typically, equity awards are provided in the form of stock option grants, with seventy-five percent (75%) of the granted stock options beginning to vest only if the stock price is double or triple the exercise price as further detailed below. Our Compensation Committee uses stock options as our primary long-term incentive vehicle because stock options align the interests of executives with those of our shareholders, foster employee share ownership, support a pay-for-performance culture and focus the executive team on increasing value for our shareholders. In addition, stock option grants generally vest over a three- to five-year period following the grant date or the achievement of performance criteria for retention purposes.

Stock option grants are generally made to Named Executive Officers upon joining the Company and, from time to time thereafter, following a significant change in job responsibilities, following the accomplishment of vesting performance hurdles for prior grants, to meet other special retention objectives or for other

reasons our Compensation Committee deems appropriate. The Compensation Committee reviews and approves stock option awards to executive officers based upon its assessment of the individual's position, scope of responsibility, ability to affect profits and shareholder value, individual performance, a review of the executive's existing long-term incentives, retention considerations and the value of stock options in relation to other elements of the individual executive's total compensation.

In line with the objectives of our compensation philosophy, Mr. Ritts received 10,000 stock options on August 29, 2016. The vesting schedule for these options has a service-based component, in which 50% of the options vest in equal increments over three (3) years, and a market-based component, in which up to 50% of the options could vest in equal increments, with one-third vesting immediately upon the achievement of certain performance criteria related to the Company's stock price and its annualized rate of return and the remaining two-thirds vesting over the next two (2) years. Two-thirds of the market-based options would commence vesting if the stock price realizes a compounded annual gain of at least 20% over the exercise price, so long as the stock price is at least double the exercise price. The remaining third of the market-based options would commence vesting if the stock price realizes a 25% compounded annual gain, so long as it is at least triple the exercise price.

On February 11, 2016, the Compensation Committee delegated authority to the Chief Executive Officer and the Chief Administration and Risk Officer to approve awards of up to 5,000 stock options for new hires (other than hires of executive officers), with an exercise price of up to \$50 per share, for an aggregate amount of options granted pursuant to such delegation of up to 75,000 stock options for fiscal year 2016. This authorization expired on December 31, 2016. For fiscal year 2017, the Compensation Committee approved a new authorization, pursuant to which these Named Executive Officers are authorized to approve awards for new hires as well as existing employees (in each case, other than executive officers), subject to the same individual and aggregate limitations as the prior authorization for such period. Unless renewed, this authorization will automatically expire on December 31, 2017.

The Company's other share-based and similar types of awards consist of restricted shares, issued under our 2009 Equity Incentive Plan. The restricted shares are service-based awards that generally vest over three or four years after the grant of the award with either annual cliff vesting, vesting of all of the restricted shares at the end of the vesting period or vesting beginning after two years of service.

Award agreements applicable to stock option grants and restricted shares include a covenant not to disclose our confidential information. In addition, the award recipient is generally bound by non-competition and non-solicitation covenants for a minimum period of two (2) years following the end of his or her employment with the Company.

As noted above, in 2016, the Company's independent compensation consultant Exequity analyzed the pay levels for our Chief Executive Officer, Chief Administration and Risk Officer and Chief Financial Officer compared to pay levels among our peer companies to help identify the competitive positioning of our pay practices. Based on this analysis, Exequity concluded that the total compensation for these executives is below the peer group's median level. In the first quarter of 2017, the Company conducted further peer group studies and analyzed the practices of our peer companies with respect to long-term equity incentive plans. Based on these analyses, the Compensation Committee is evaluating the possible implementation of an equity-based long-term incentive plan for our Named Executive Officers and certain other key executives and employees to provide them with greater long-term incentive opportunities that align their performance with the interests of our shareholders and assist in their retention.

The Compensation Committee anticipates that the awards would be made under our 2009 Equity Incentive Plan and would likely include annual grants of restricted shares and stock options that vest over several years providing a strong retention incentive. Consistent with our strategic focus, these awards are expected to begin vesting primarily based upon the achievement of performance hurdles designed to grow and diversify our revenue base and create shareholder value.

Table of Contents

In determining the level of equity granted to executives and employees, the Compensation Committee typically considers factors such as total compensation opportunity, responsibilities, contributions and the value of their expected performance.

Stock Ownership Policies

Although we do not have stock ownership requirements, our philosophy is that equity ownership by our Directors and executives is important to attract, motivate, retain and align their interests with the interests of our shareholders. The Compensation Committee believes that the Company's equity incentive plan is adequate to achieve this philosophy. We also maintain a management directive detailing our trading window period policy and our insider trading policy.

Other Compensation

The Compensation Committee's policy with respect to employee benefit plans is to provide benefits to our employees, including our Named Executive Officers, that are comparable to benefits offered by companies of a similar size and circumstance to ours. A competitive comprehensive benefit program is essential to achieving the goal of attracting and retaining highly qualified employees.

Potential Payments upon Termination or Change of Control

Below is a description of the amounts payable to each Named Executive Officer assuming the executive's employment had terminated under various scenarios, or a change of control had occurred, on December 31, 2016. Due to the number of factors that affect the nature and amount of any benefits under the various scenarios, actual amounts paid or distributed may be different.

As discussed in our Compensation Discussion and Analysis, our Chief Executive Officer and other Named Executive Officers have entered into employment agreements with the Company. Under these agreements, if employment is terminated by the executive officer's retirement or disability, as defined therein, the Company will pay all standard relocation costs to relocate the executive officer to the United States. If the Company terminates the employment of the executive officer other than for "Cause" ("*motifs graves*," as defined in L.124-10 of the Luxembourg Labor Code) and, in some instances, where employment is terminated for "good reason" (as defined in the applicable employment agreement) by the executive officer, the Company shall make a cash payment of between four (4) and twelve (12) months' base salary in addition to certain notice and additional payments required under articles L.124-1 and L.124-7 of the Luxembourg Labor Code. In the case of the Chief Executive Officer and Chief Administration and Risk Officer, the Company shall pay at least one (1) year's target incentive compensation in such instance. Additionally, in the event that the Company terminates the employment of such executive officers other than for "Cause" after October 1 of the service year and before incentives are paid for the respective service year, these executive officers will be entitled to receive incentive compensation for such service year. In these instances, the Company will also pay all standard relocation costs to relocate the executive officer to the United States. If an executive officer is terminated by the Company for "Cause," the Company may terminate without notice and with no

Edgar Filing: Altisource Portfolio Solutions S.A. - Form PRE 14A

liability to make any further payment to the executive, other than amounts accrued and unpaid at the date of termination.

With respect to stock options, typically, upon termination of a Named Executive Officer's employment other than for "Cause," as defined by the applicable stock option agreement, or by reason of resignation, the executive officer will be entitled to retain any vested portion of prior awards granted and any unvested market-based options for which the vesting hurdles have already been achieved. In addition, certain of the stock option agreements provide for accelerated vesting of service-based options as described below. Typically, the executive officer's right to retain any options following termination of employment is subject

Table of Contents

to the requirement that he or she has been employed with the Company for a period of at least two (2) years. Upon termination of employment for "Cause," all vested and unvested stock options awarded pursuant to such agreement will be forfeited.

Certain of the stock option agreements provide for accelerated vesting. Typically, upon a Named Executive Officer's death, disability, retirement or, in some instances, resignation for "Good Reason" (as defined in the applicable stock option agreement), all service-based options will immediately vest; provided however that, typically, the executive officer's right to the acceleration of options following termination of employment is subject to the requirement that he or she has been employed with the Company for a period of at least three (3) years in the case of retirement and two (2) years in other instances. Additionally, pursuant to certain of these agreements, if there is a corporate restructuring or a change of control transaction ("Transaction"), the Compensation Committee may, *inter alia*, adjust the vesting conditions of the options in its discretion, which could result in the immediate vesting of some or all of the options. Under the terms of the stock option awards granted to our Named Executive Officers on April 15, 2015 and to Mr. Ritts on August 29, 2016, in the event of a Transaction, a buyer will have the option to cancel the stock options in exchange for the stock options' intrinsic value or allow them to remain in place.

Generally, for termination not due to death, disability or retirement, the executive officer has six (6) months within which to exercise vested stock options pursuant to our stock option agreements.

Under the terms of the awards of restricted shares granted to our Named Executive Officers on April 15, 2015, if the Company terminates the executive officer's employment for reasons other than "Cause," as defined by the applicable award agreement, and no Transaction has occurred, any unvested restricted shares will vest within thirty (30) days of such termination. If the executive officer's employment is terminated due to death or disability, all unvested restricted shares shall immediately vest, subject to the requirement that the executive officer has been employed with the Company for a period of at least two (2) years on the date of death or disability. If the executive officer voluntarily resigns or his or her employment is terminated for "Cause," any unvested restricted shares will be forfeited. In the event of a Transaction, the percentage of shares vesting is dependent on the date of the Transaction. In the event of a Transaction occurring (i) on or before six months after April 15, 2015, 50% of the restricted share award would have vested and the remainder would have been forfeited, (ii) between six (6) and 18 months after April 15, 2015, 75% of the restricted share award would have vested and the remainder would have been forfeited and (iii) more than 18 months from April 15, 2015, 100% of the restricted share award will vest.

Except as specified above, any portion of an equity award not vested will generally be forfeited unless alternate arrangements are made at the discretion of the Compensation Committee.

The following table estimates and summarizes the potential payments and benefits that each of our Named Executive Officers would have received if their employment had been terminated on December 31, 2016 under each of the circumstances described below, excluding benefits ordinarily available to all employees (such as benefits mandated by Luxembourg law) and any relocation benefits that may be provided in connection with such termination.

**APPOINTMENT OF
INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM AND CERTIFIED AUDITOR**
(Proposal Two)

The Audit Committee of our Board of Directors has recommended the appointment of Mayer Hoffman to be our independent registered certified public accounting firm for the year ending December 31, 2017 and Atwell to be our certified auditor (*Réviseur d'entreprises*) for the same period.

As previously disclosed in our proxy statement for our 2016 Annual Meeting of Shareholders, Management and the Audit Committee of our Board of Directors completed a competitive process to review the appointment of the Company's independent registered public accounting firm for the year ended December 31, 2016. The Audit Committee invited several firms to participate in this process, including Deloitte, the Company's independent registered public accounting firm since September 22, 2009.

As a result of this process and following careful deliberation, on March 24, 2016, the Audit Committee approved the engagement of Mayer Hoffman as the Company's independent registered public accounting firm, conditioned and effective upon completion of their client acceptance process, subject to approval by our shareholders for the year ending December 31, 2016. On March 25, 2016, Mayer Hoffman advised the Company that it had successfully completed its client acceptance procedures and the Company dismissed Deloitte from its role as the Company's independent registered public accounting firm.

The Audit Committee also approved the engagement of Atwell to be our certified auditor for all statutory accounts as required by Luxembourg law for the year ending December 31, 2016, subject to approval by our shareholders.

Deloitte's audit reports on the Company's consolidated financial statements as of and for the years ended December 31, 2015 and 2014 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to audit scope or accounting principles. Such reports included an explanatory paragraph related to the concentration of revenue with Ocwen and an emphasis of a matter paragraph related to uncertainties faced by Ocwen.

During the years ended December 31, 2015 and 2014, and the subsequent interim period through March 24, 2016, there were (i) no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Deloitte, would have caused Deloitte to make reference to the subject matter of the disagreements in its reports on the financial statements for such years, and (ii) no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K except that the Company's internal control over financial reporting was not effective as of December 31, 2015 due to the existence of a material weakness in the Company's internal control over financial reporting related to the review of impairment indicators of long-lived assets, including premises and equipment and intangible assets, and the impairment analysis of indefinite-lived assets, primarily goodwill. Deloitte discussed this matter with the Audit Committee. As a result of the material weakness, Deloitte's audit report dated March 15, 2016 on the effectiveness of the Company's internal control over financial reporting as of December 31, 2015 expressed an adverse opinion. The Company authorized Deloitte to fully respond to the inquiries of Mayer Hoffman, the successor independent registered public accounting firm, concerning this matter.

The Company provided Deloitte with a copy of its Current Report on Form 8-K prior to its filing with the SEC. The Company requested that Deloitte furnish the Company with a letter addressed to the SEC stating whether or not Deloitte agreed with the above statements that are related to Deloitte. A copy of Deloitte's letter, dated March 28, 2016, was attached as Exhibit 16.1 to the Company's Current Report on Form 8-K filed on March 28, 2016.

During the years ended December 31, 2015 and 2014 and through March 24, 2016, neither the Company nor anyone on its behalf consulted with Mayer Hoffman with respect to either (i) the application of

Table of Contents

accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and no written report or oral advice was provided by Mayer Hoffman to the Company that Mayer Hoffman concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue, or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to that item) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

On May 18, 2016, our shareholders approved the appointment of Mayer Hoffman as our independent registered certified public accounting firm for the year ended December 31, 2016 and the appointment of Atwell as our certified auditor for the same period.

In February 2017, the Audit Committee approved recommending that Mayer Hoffman and Atwell be re-appointed to serve in such capacities for the year ending December 31, 2017 and that such appointments be submitted for approval by our shareholders at our Annual Meeting.

Representatives of Mayer Hoffman and Atwell will be present at the Annual Meeting and will be available to respond to questions from shareholders.

Report of the Audit Committee

As described more fully in our charter, the Audit Committee reports to and acts on behalf of the Board of Directors by providing oversight of the financial management, independent auditors and financial reporting procedures of the Company. The Company's management is responsible for the preparation and presentation of the Company's financial statements, the effectiveness of internal control over financial reporting, and procedures that are reasonably designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and of the effectiveness of its internal control over financial reporting in accordance with the Standards of the Public Company Accounting Oversight Board ("PCAOB").

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2016 audited consolidated financial statements and the effectiveness of the internal control over financial reporting. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the PCAOB Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380). The Audit Committee has also received written disclosures from the Company's independent registered public accounting firm, as required by the applicable requirements of the PCAOB, and discussed with the independent registered public accounting firm that firm's independence.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm referred to above, and the Audit Committee's review of the representations of management, the Audit Committee recommended that the Board of Directors include the December 31, 2016 audited consolidated financial statements in Altisource's Annual Report on Form 10-K for the year ended December 31, 2016.

This category includes the aggregate fees billed by the independent registered certified public accounting firm for fiscal years 2015 and 2016 for audit-related services that are reasonably related to the performance of the audits or reviews of the financial statements and are not reported above under "Audit Fees" and generally consist of fees for other attest engagements under professional auditing standards, internal control-related matters, audits of employee benefit plans and due diligence.

The Audit Committee considered the compatibility of the non-audit-related services provided by and fees paid to Deloitte & Touche LLP in fiscal years 2015 and Mayer Hoffman in 2016 and determined that such services and fees are compatible with their independence.

The Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered certified public accounting firm in order to assure that the provision of such services does not impair the independent registered certified public accounting firm's independence. In fiscal years 2015 and 2016, all services associated with the independent registered certified public accounting firm were pre-approved by the Audit Committee or by the Chairman of the Audit Committee pursuant to authority delegated to him as described in the following section.

Representatives from Mayer Hoffman and Atwell will be present at the Annual Meeting and will be available to respond to questions from shareholders.

Pursuant to its charter, the Audit Committee has delegated authority to the Chairman of the Audit Committee to pre-approve all audit and permitted non-audit services to be performed by the independent auditors. APPOINTMENT OF SUPERVISORY AUDITOR (*COMMISSAIRE AUX COMPTES*)

(Proposal Three)

Under the Luxembourg Law of 10 August 1915 on commercial companies, as amended (the "Luxembourg Company Law"), we are required to submit both consolidated and unconsolidated annual accounts for Altisource Portfolio Solutions S.A. for approval by our shareholders.

Further, we are required to appoint a supervisory auditor to report on Altisource Portfolio Solutions S.A.'s unconsolidated annual accounts prepared in accordance with Luxembourg GAAP (the "Luxembourg Annual Accounts"). The supervisory auditor does not audit the Company's Luxembourg Annual Accounts, but provides an annual report confirming that the Company's unconsolidated accounts agree with the accounting records and documents of the Company. The supervisory auditor may be a member of the Company's management (who is not a member of the Board of Directors) or a third party, and may be appointed for a renewable term of up to six (6) years.

Based on the foregoing, our Board of Directors has recommended the appointment of Michelle D. Esterman, Chief Financial Officer of the Company, to be our supervisory auditor for the Luxembourg Annual Accounts for the years ending December 31, 2017 through December 31, 2022 or until her successor is duly elected and qualified. The Board of Directors has further recommended that such appointment be submitted for approval by our shareholders at the Annual Meeting.

Our Board of Directors has also appointed Ms. Esterman as our supervisory auditor for the Luxembourg Annual Accounts for the years ended December 31, 2009 through December 31, 2016, subject to ratification by our shareholders.

Ms. Esterman will be present at the Annual Meeting and will be available to respond to questions from shareholders.

ESTERMAN, CHIEF FINANCIAL OFFICER OF THE COMPANY, TO BE OUR SUPERVISORY AUDITOR (*COMMISSAIRE AUX COMPTES*) TO REPORT ON THE LUXEMBOURG ANNUAL ACCOUNTS FOR THE YEARS ENDING DECEMBER 31, 2017 THROUGH DECEMBER 31, 2022 OR UNTIL HER SUCCESSOR IS DULY ELECTED AND QUALIFIED AND THE RATIFICATION OF HER APPOINTMENT BY THE BOARD OF DIRECTORS AS OUR SUPERVISORY AUDITOR TO REPORT ON THE LUXEMBOURG ANNUAL ACCOUNTS FOR THE YEARS ENDED DECEMBER 31, 2009 THROUGH DECEMBER 31, 2016

(Proposal Four)

Pursuant to Luxembourg law, the Luxembourg Statutory Accounts must be submitted each year to shareholders for approval at the Annual Meeting.

The Luxembourg Annual Accounts are prepared in accordance with Luxembourg GAAP and consist of a balance sheet, a profit and loss account and the notes for the unconsolidated Altisource Portfolio Solutions S.A. entity. There is no statement of movements in equity or statement of cash flows included in the Luxembourg Annual Accounts under Luxembourg GAAP. Profits earned by the subsidiaries of Altisource Portfolio Solutions S.A. are not included in the Luxembourg Annual Accounts unless such amounts are distributed to Altisource Portfolio Solutions S.A. The Luxembourg Annual Accounts as of and for the year ended December 31, 2016 reflect total assets of \$2,411.8 million and a loss for the year then ended of \$38.9 million.

The Consolidated Accounts are prepared in accordance with U.S. GAAP, including a footnote reconciliation of equity and net income to IFRS, and consist of a balance sheet, statement of operations, statement of changes in stockholders' equity, statement of cash flows and the accompanying notes. The Consolidated Accounts present the financial position and results of operations for Altisource and all of its subsidiaries as if the individual entities were a single company. As of December 31, 2016, the Consolidated Accounts reflect IFRS total equity of \$62.5 million and IFRS net income for the year then ended of \$27.5 million.

Pursuant to Luxembourg law, following shareholder approval of the Luxembourg Statutory Accounts, such accounts must be filed with the Luxembourg trade registry as public documents. If Altisource does not receive shareholder approval of the Luxembourg Statutory Accounts, we cannot make this filing.

Altisource's Luxembourg Statutory Accounts will be available to shareholders from May 8, 2017 until the conclusion of the Annual Meeting at Altisource's registered office.

(Proposal Five)

Under Luxembourg law, the Board of Directors is required to prepare annual Directors' reports for the Luxembourg Statutory Accounts (the "Directors' Reports"). The Directors' Reports present the Luxembourg Statutory Accounts for the relevant fiscal year, provide an explanation as to the results and certain other required Company matters and propose the allocation of such results to the shareholders.

Luxembourg law also requires the Company's supervisory auditor to provide an annual report confirming that the Company's Luxembourg Annual Accounts agree with the accounting records and documents of the Company.

The Directors' Reports for the Luxembourg Statutory Accounts for the year ended December 31, 2016 and the reports of the supervisory auditor for the Luxembourg Annual Accounts for the years ended December 31, 2009 through December 31, 2016 will be available to shareholders from May 8, 2017 until the conclusion of the Annual Meeting at Altisource's registered office. **ALLOCATION OF THE RESULTS IN THE LUXEMBOURG ANNUAL ACCOUNTS
FOR THE YEAR ENDED DECEMBER 31, 2016**

(Proposal Six)

Each year, the shareholders of Altisource are required to approve the allocation of the results of the unconsolidated Altisource Portfolio Solutions S.A. entity, as determined by the Luxembourg Annual Accounts.

Luxembourg law requires that at least five percent (5%) of the net profits, if any, for the Luxembourg Annual Accounts be allocated to a legal reserve; provided, however that an allocation ceases to be compulsory when the legal reserve reaches ten percent (10%) of the share capital of Altisource, but again becomes compulsory when the reserve amount falls below this threshold. As the Company had a net loss pursuant to its Luxembourg Annual Accounts for the year ended December 31, 2016, there is no requirement to make such allocation.

As of December 31, 2016, the Luxembourg Annual Accounts for Altisource reflect total assets of \$2,411.8 million and a loss for the year then ended of \$38.9 million. As noted in Proposal Four, profits earned by subsidiaries of Altisource are not included in the calculation of net profits for Altisource's Luxembourg Annual Accounts unless such profits have been distributed to Altisource.

The Board of Directors proposes to allocate the loss of \$38.9 million reflected in the Luxembourg Annual Accounts to reduce profit brought forward.

Pursuant to Luxembourg law, after the approval of the Luxembourg Statutory Accounts (as discussed in Proposal Four above), shareholders must vote on whether to discharge Altisource's Directors for the performance of their mandate and the supervisory auditor for the performance of her mandate, in each case for the relevant fiscal year(s). If the shareholders grant the discharge for the relevant fiscal year(s), shareholders will not be able to initiate a liability claim against such Directors and/or supervisory auditor in connection with the performance of their mandates for such fiscal year(s). However, such discharge will not be valid in certain instances as specified in article 74 of the Luxembourg Company Law. For fiscal year 2016, Altisource believes no such instances have occurred.

APPROVAL TO RENEW OUR SHARE REPURCHASE PROGRAM

(Proposal Eight)

At our 2016 Annual Meeting of Shareholders, our shareholders approved a share repurchase program authorizing the repurchase of up to twenty-five percent (25%) of the outstanding shares of the Company's stock as of the close of business on the date of shareholder approval (the "Share Repurchase Program"). Under that program, shares are eligible for repurchase at a minimum price of one dollar (\$1) per share and a maximum price of five hundred dollars (\$500) per share. As of March 20, 2017, 3,474,238 shares of common stock remain available for repurchase under our Share Repurchase Program. Therefore, the Board of Directors has approved renewing our Share Repurchase Program such that the Board of Directors is empowered to continue to purchase outstanding shares of the Company's stock within the following limits.

Our Share Repurchase Program will continue to be subject to Luxembourg law and provides for the equal treatment of shareholders. The term of authorization for repurchases will be five (5) years from the date of the Annual Meeting. The maximum number of shares authorized to be repurchased will be twenty-five percent (25%) of shares outstanding as of the close of business on the date of the Annual Meeting. Shares will be eligible for purchase at a minimum price of one dollar (\$1) per share and a maximum price of five hundred dollars (\$500) per share. The purchase volumes will be subject to daily volume restrictions per SEC regulations. The Board of Directors shall be empowered to give authority to the Company's Chief Executive Officer, with power of substitution, to decide, within the limits of the authorization set out above, the timing and conditions of the share repurchases under the Share Repurchase Program. The authority granted under the Share Repurchase Program shall apply to all classes of shares authorized pursuant to our Articles of Incorporation.

Altisource has historically demonstrated strong cash earnings capabilities. The Board of Directors believes the Share Repurchase Program could be an effective use of Altisource's cash earnings and provide flexibility for Altisource to be opportunistic in repurchasing shares. Additionally, the Board of Directors believes the Share Repurchase Program will assist in offsetting shareholder dilution resulting from periodic grants of equity incentive awards.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS

THAT YOU VOTE "FOR" THE RENEWAL OF OUR SHARE REPURCHASE PROGRAM SUCH THAT ALTISOURCE IS AUTHORIZED, FOR A PERIOD OF FIVE YEARS FROM THE DATE OF THE ANNUAL MEETING, TO REPURCHASE UP TO TWENTY-FIVE PERCENT (25%) OF THE OUTSTANDING SHARES OF ITS COMMON STOCK (AS OF THE CLOSE OF BUSINESS ON THE DATE OF THE ANNUAL MEETING) AT A MINIMUM PRICE OF ONE DOLLAR (\$1) PER SHARE AND A MAXIMUM PRICE OF FIVE HUNDRED DOLLARS (\$500) PER SHARE

PROPOSALS TO BE CONSIDERED AT THE EXTRAORDINARY MEETING OF SHAREHOLDERS:

APPROVAL OF AMENDMENT OF THE ARTICLES OF INCORPORATION TO RENEW AND EXTEND THE BOARD OF DIRECTORS' AUTHORIZATION TO ISSUE SHARES OF THE COMPANY'S COMMON STOCK WITHIN THE LIMITS OF THE COMPANY'S AUTHORIZED SHARE CAPITAL
(Proposal One)

Pursuant to Article 5 of the Company's Articles of Incorporation, the Company's authorized share capital is set at one hundred million dollars (\$100,000,000) divided into one hundred million (100,000,000) shares with a par value of one dollar (\$1) per share, each with the same rights attached as the existing shares.

Additionally, pursuant to Article 5, of the Company's Articles of Incorporation, the shareholders delegated to the Board of Directors, for a period of five (5) years, the authority to: (i) realize one or more increases of the issued share capital within the limits of the authorized share capital, by the issuance of new shares, against payment in cash or in kind, by conversion of claims, by the increase of the par value of existing shares or in any other manner; (ii) determine the terms and conditions of any such increase and, more specifically, but not limited to, the place and date of the issuance or the successive issuances, the issue price, the amount of new shares to be issued, whether the new shares are to be issued and subscribed, with or without an issue premium and the terms and conditions of the subscription of and paying up of the new shares (in cash or in kind); and (iii) limit or waive the preferential subscription right reserved to the then existing shareholder(s) in case of issuance of shares against payment in cash.

The foregoing delegation of authority expired as of July 22, 2014.

The Board of Directors believes that it is in the best interests of the Company to have the flexibility to issue shares of its common stock within the limits of the authorized share capital in order to be able to timely react to circumstances supporting the issuance of such shares (directly or indirectly) at such time or times as the Board of Directors in its discretion deems advisable including, by way of example, in connection with capital raising, financing and acquisition transactions. The Directors' report concerning the proposed authorizations will be available for inspection from May 8, 2017 until the conclusion of the Extraordinary Meeting in accordance with article 32(5) of the Luxembourg Company Law.

The Board of Directors also considers it to be in the best interests of the Company to renew the Board of Directors' authority to limit or waive any of the preferential rights of shareholders of the Company in connection with the issuance of shares of common stock.

Therefore, the Board of Directors is seeking approval of the renewal and extension of its authorization to issue shares of the Company's common stock within the limits of the Company's authorized share capital and related authorizations for a period of five (5) years. We are not seeking your approval of a specific issuance of shares. Approval of this proposal will only grant the Board of Directors the authority to issue shares that are already authorized under our Articles of Incorporation upon the terms described above.

The proposed amendment is incorporated in Articles 5 and 6 of the Amended and Restated Articles of Incorporation, a copy of which is attached as Appendix A to this proxy statement and marked to show the proposed amendment. The above description of the amendment is qualified in its entirety by reference to Appendix A. We encourage you to carefully read the Amended and Restated Articles of Incorporation in their entirety.

Under Luxembourg law, amendments to the articles of incorporation of a company require an extraordinary meeting of shareholders. As such, the Amended and Restated Articles of Incorporation will be adopted if approved by holders of two-thirds of the shares validly voted provided that a quorum of half of the issued and outstanding shares of common stock able to be voted is reached. If approved by our shareholders at this Extraordinary Meeting, the minutes of the Extraordinary Meeting and Amended and Restated Articles of Incorporation will be filed with the Luxembourg trade registry (*Registre de Commerce et des Sociétés*) as public documents. The Amended and Restated Articles of Incorporation will take effect immediately upon

publication of the notarial deed recording the minutes of the Extraordinary Meeting in the Luxembourg Official Gazette (*Recueil Electronique des Sociétés et Associations*). The authorizations described herein will end on the fifth anniversary of the date of such publication.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE AMENDMENT OF THE ARTICLES OF INCORPORATION TO (I) RENEW AND EXTEND THE AUTHORIZATION OF THE BOARD OF DIRECTORS TO ISSUE SHARES OF THE COMPANY'S COMMON STOCK WITHIN THE LIMITS OF THE COMPANY'S AUTHORIZED SHARE CAPITAL (ONE HUNDRED MILLION DOLLARS (\$100,000,000) WITH A PAR VALUE OF ONE DOLLAR (\$1)) AND, IN CONNECTION WITH ANY SUCH ISSUANCE, TO LIMIT OR CANCEL THE PREFERENTIAL SUBSCRIPTION RIGHTS OF SHAREHOLDERS, EACH FOR A PERIOD OF FIVE (5) YEARS AS SET FORTH IN THE AMENDED AND RESTATED ARTICLES OF INCORPORATION ATTACHED AS APPENDIX A TO THIS PROXY STATEMENT AND (II) RECEIVE THE REPORT ISSUED BY THE BOARD OF DIRECTORS PURSUANT TO ARTICLE 32-3(5) OF THE LUXEMBOURG COMPANY LAW

PROPOSAL TO AMEND THE COMPANY'S ARTICLES OF INCORPORATION TO EFFECTUATE RECENT CHANGES IN THE LUXEMBOURG COMPANY LAW AND MAKE CERTAIN OTHER ADMINISTRATIVE CHANGES

(Proposal Two)

The Board of Directors recommends that our shareholders approve the amendments to our Articles of Incorporation described below. The proposed amendments were drafted in consultation with Luxembourg counsel and are recommended primarily in view of the Luxembourg Law of 10 August 2016 (the "New Company Law"), which went in effect on August 23, 2016 and which amends and modernizes the Law of 10 August 1915 on commercial companies (as amended).

Pursuant to the New Company Law, Luxembourg companies have a period of twenty-four (24) months as of August 23, 2016 within which to amend their articles. Under our existing Articles of Incorporation, we may not be able to take advantage of certain provisions of the New Company Law or may not have sufficient flexibility to take advantage of subsequent changes in the evolving corporate governance landscape. In other instances, we would like to expressly include provisions that are now permissible under applicable law. Certain additional changes are recommended for administrative purposes.

The proposed amendments are incorporated in the Amended and Restated Articles of Incorporation, a copy of which is attached as Appendix A to this proxy statement and marked to show the proposed amendments. The description below of the changes to the Articles of Incorporation is qualified in its entirety by reference to Appendix A. We encourage you to carefully read the Amended and Restated Articles of Incorporation in their entirety.

The Amended and Restated Articles of Incorporation would include the following changes to our existing Articles of Incorporation:

Proposed amendments allowing a transfer of the registered office of the Company within the Grand Duchy of Luxembourg by decision of the Board of Directors without prior shareholder approval as permitted by the New Company Law. **See Article 2 of the Amended and Restated Articles of Incorporation.**

Proposed amendments permitting the establishment of capital contribution accounts (*compte 115 "Apport en capitaux propres non rémunéré par des titres"*), in addition to share premium accounts. **See Articles 5 and 6 of the Amended and Restated Articles of Incorporation.**

Proposed amendments clarifying that shareholders holding their shares via a depository may exercise the rights attaching to those shares, including admission to and directly voting at shareholders' meetings. **See Article 7 of the Amended and Restated Articles of Incorporation.**

Proposed amendments establishing a non-disclosure obligation of the Directors after the end of their term. **See Article 15 of the Amended and Restated Articles of Incorporation.**

Proposed amendments permitting the date of the annual meeting of shareholders to be determined by the Board of Directors in the convening notice as authorized by the New Company Law. **See Article 20 of the Amended and Restated Articles of Incorporation.**

Proposed amendments authorizing the Board of Directors to suspend the voting rights of shareholders who fail to comply with their obligations under the Articles of Incorporation and/or the provisions of any agreement which may be entered into among the shareholders from time to time. **See Article 22 of the Amended and Restated Articles of Incorporation.**

Edgar Filing: Altisource Portfolio Solutions S.A. - Form PRE 14A

Proposed amendments providing that the record date for such meetings shall be set by the Board of Directors before the date of the meeting. **See Article 23 of the Amended and Restated Articles of Incorporation.**

Proposed amendments authorizing the Board of Directors in its sole discretion to allow shareholders to participate by electronic means in a general meeting and to vote from a remote location by

means of a form provided by the Company. **See Article 23 of the Amended and Restated Articles of Incorporation.**

Proposed amendments addressing the payment of interim dividends. **See Article 26 of the Amended and Restated Articles of Incorporation.**

Additional administrative and other amendments as set forth in Appendix A.

The Board of Directors believes that the adoption of Amended and Restated Articles of Incorporation will align the Articles with applicable law, provide flexibility to the Board of Directors to respond to the needs of Altisource and its shareholders and is in the best interest of Altisource and its shareholders.

Under Luxembourg law, amendments to the articles of incorporation of a company require an extraordinary meeting of shareholders. As such, the Amended and Restated Articles of Incorporation will be adopted if approved by holders of two-thirds of the shares validly voted provided that a quorum of half of the issued share capital of the Company is reached. If approved by our shareholders at this Extraordinary Meeting, the minutes of the Extraordinary Meeting and Amended and Restated Articles of Incorporation will be filed with the Luxembourg trade registry (*Registre de Commerce et des Sociétés*) as public documents and will take effect immediately upon publication of the notarial deed recording the minutes of the Extraordinary Meeting in the Luxembourg Official Gazette (*Recueil Electronique des Sociétés et Associations*).

BUSINESS RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

The Board of Directors has adopted, as set forth within our written Code of Business Conduct and Ethics, certain policies and procedures for the review and approval of transactions in which a conflict of interest may arise. The Code of Business Conduct and Ethics is available at www.altisource.com. Any situation that potentially qualifies as a conflict of interest is to be immediately disclosed to the head of the internal audit function and/or the General Counsel to assess the nature and extent of any concern as well as the appropriate next steps. The head of the internal audit function or the General Counsel will notify the Chairman of the Board of Directors or the Chairman of the Audit Committee, as appropriate, if any such situation requires Board of Directors or Audit Committee review.

The Audit Committee of the Board of Directors has adopted written policies and procedures to govern the review and approval of transactions involving Altisource and a Related Person. A "Related Person," as defined by SEC Regulation S-K, includes (i) any executive officers, directors and nominees for election as director of the Company or any of its subsidiaries; (ii) shareholders beneficially owning five percent (5%) or greater of the Company's outstanding stock or other equity securities; (iii) an immediate family member of any of the foregoing persons or (iv) an entity in which an individual identified in (i) or (iii) has a direct or indirect material interest. Pursuant to these policies, transactions with a Related Person that meet the threshold for disclosure under the relevant SEC rules ("Related Person Transactions") must be approved by the Audit Committee. In considering a Related Person Transaction, the Audit Committee will consider relevant factors which may include (i) the reasons for the transaction; (ii) whether the transaction was initiated by the Company or the Related Person (iii) the expected benefits to the Company; (iv) alternatives to the transaction; (v) whether the transaction is on terms comparable to those available to non-related third parties; (vi) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards in place to prevent such actual or apparent conflicts; (vii) whether the transaction includes appropriate contractual protections; (viii) whether the transaction was undertaken in the ordinary course of business of the Company; (iv) the overall fairness of the transaction to Altisource; (x) and any other information regarding the Related Person Transaction that would be material to investors in light of the circumstances of the transaction. The Audit Committee may also follow these procedures for transactions with Related Persons that do not meet the threshold for disclosure under the relevant SEC rules or for transactions with related parties as defined by Financial Accounting Standards Board's Accounting Standards Codification Topic 850, *Related Party Disclosure*, where such transactions may present actual or potential conflicts of interests.

We have significant business relationships with and provide services to Ocwen and Residential. We also provide certain services to AAMC. Our largest shareholder William C. Erbey, owns or controls common stock in each of these companies. As of December 31, 2016, Mr. Erbey owned or controlled approximately thirty-two percent (32%) of the common stock of Altisource, approximately fourteen percent (14%) of the common stock of Ocwen, approximately forty percent (40%) of the common stock of AAMC and approximately four (4%) of the common stock of Residential. As a result of his ownership interests in Ocwen and AAMC, Related Person Transactions with these entities are required to be disclosed. Because AAMC is Residential's external manager, we currently also disclose Altisource's transactions with Residential.

Ocwen

For the year ended December 31, 2016, the Company generated segment revenue from Ocwen of \$481.6 million for Mortgage Services, \$12.9 million for Financial Services and \$67.4 million for Technology Services. Services provided to Ocwen during such period included real estate asset management and sales, residential property valuation, trustee management services, property preservation and inspection services, insurance services, mortgage charge-off collections, information technology infrastructure management and software applications. Altisource derived fifty-six percent (56%) of its revenues in 2016 directly from Ocwen and revenue earned from loans serviced by Ocwen when Ocwen designates us as the service provider.

Table of Contents

The Company earns additional revenue on the portfolios serviced by Ocwen when a party other than Ocwen selects Altisource as the service provider. For the year ended December 31, 2016, the Company recognized revenue of \$188.0 million related to the portfolios serviced by Ocwen when a party other than Ocwen selects Altisource as the service provider.

At times, we have used Ocwen's contractors and/or employees to support Altisource-related services. Ocwen also provides certain valuation services to Altisource. Ocwen generally bills us for these contractors and/or employees based on their fully-allocated cost. For the year ended December 31, 2016, Ocwen billed us less than \$0.1 million for these items.

In 2016, we provided certain other services to Ocwen and Ocwen provided certain other services to us in connection with support services agreements. These services related to office facilities and related services. Billings for these services were generally based on the office rent per square foot and other facility-related costs. For the year ended December 31, 2016, we billed Ocwen \$0.3 million for these items and Ocwen billed us \$0.1 million for these items.

AAMC

AAMC is an asset-management company that provides portfolio management and corporate governance services to investment vehicles that own real estate assets. Its initial client is Residential. We have an agreement with AAMC pursuant to which we may provide services such as finance, human resources, facilities, technology and insurance risk management. Further, we have separate agreements for certain services related to income tax matters, trademark licenses and technology products and services.

For the year ended December 31, 2016, we billed AAMC \$0.4 million under the services agreements, of which \$0.1 million is reflected in revenue in the consolidated statements of operations and \$0.3 million is reflected as a component of SG&A in the consolidated statements of operations.

Residential

We have service agreements, which extend through 2027, to provide Residential with renovation management, lease management, property management real estate owned asset management, title insurance, settlement and valuation services.

For the year ended December 31, 2016, we generated revenue from Residential of \$59.7 million for services provided under these services agreements.

Directors and Executive Officers

The Company engaged the law firm of Jones Day to provide tax-related legal services to the Company and to represent the Company, our Chief Executive Officer and our Chief Financial Officer in the *West Palm Beach Firefighters' Pension Fund v. Altisource Portfolio Solutions S.A., William C. Erbey, William B. Shepro, and Michelle D. Esterman* litigation. Geoffrey Ritts, an equity partner at Jones Day, is the brother of Gregory Ritts, our General Counsel, and is involved in the representation of the Company in the litigation. The total billings by Jones Day in 2016 and in 2017 as of March 20, 2017 were \$391,887.
