date of the Agreement until October 31, 2009 whereby BD will fund certain research work by Accelr8 relating to Accelr8's BACcel(TM) rapid pathogen diagnostics platform (the "BACcel Platform"). The research program includes mutually agreed upon milestones to support BD's product development planning. Under the terms of the Agreement, in connection with the research program, Accelr8 will receive certain periodic payments from BD between the date of the Agreement and July 1, 2009.

The Agreement also grants BD an option to acquire for an upfront payment an exclusive license (the "Exclusive License") from Accelr8 for certain know-how and patent rights relating to the BACcel Platform. The Exclusive License also provides for the Company to receive royalty payments on worldwide sales. The Exclusive License contains certain diligence requirements for BD to develop and commercialize such products. If BD exercises the option but fails to meet certain terms of the Exclusive License, Accelr8 has the option to convert the Exclusive License to a non-exclusive license. If BD does not exercise the Exclusive License Accelr8 will receive a non-exclusive license from BD for certain intellectual property.

Pursuant to the Agreement, from the date of the Agreement until October 31, 2009, Accelr8 agreed not to engage in or participate in any discussions or negotiations with parties other than BD for the joint development of, licensing of or intellectual property relating to the BACcel Platform.

Unless earlier terminated pursuant to the terms of the Agreement, the Agreement shall terminate upon the Exclusive License Agreement or the non-exclusive license from BD to Accelr8 coming into effect.

The foregoing is a summary of certain of the material terms of the Agreement and the Exclusive License and does not purport to be complete.
