**SECTION 1 – REGISTRANT’S BUSINESS AND OPERATIONS**

**Item 1.01 Entry Into a Material Definitive Agreement**

Extension of Maturity Date of Secured Loan in the Principal Amount of \$4,900,000

On May 31, 2006, Auramet Trading, LLC (“Auramet”), acting through Nedbank Limited (“Nedbank”), advanced an additional \$1,000,000 loan to Nord Resources Corporation (the “Corporation”). This amount was added to the outstanding principal under the then existing secured loan from Nedbank to the Corporation in the original principal amount of \$3,900,000. Auramet had participated in the original loan through the contribution of a then outstanding loan from Auramet to the Corporation in the amount of \$1,000,000, dated October 17, 2005.

Upon closing of the additional \$1,000,000 advance, the Corporation executed and delivered, among other things, an Amended and Restated Secured Promissory Note dated May 31, 2006, payable to Nedbank in the principal amount of \$4,900,000. The Amended and Restated Promissory Note was to have matured on the earlier of: (a) August 15, 2006; and (b) upon the closing of a registered equity offering by the Corporation which raises not less than \$20,000,000. Pursuant to a letter agreement dated August , 2006, the parties have agreed to extend the maturity date under the Amended and Restated Promissory Note to the earlier of: (a) September 30, 2006; and (b) the closing of a registered equity offering by the Corporation which raises not less than \$20,000,000.

All other terms of the secured loan remain in full force and effect. Accordingly, the Corporation continues to be obligated to make interest-only payments to Nedbank, at an interest rate of 10% per annum, payable monthly. The interest rate would increase to 13% in the event of a default by the Corporation.

**SECTION 9 – FINANCIAL STATEMENTS AND EXHIBITS**

**Item 9.01 Financial Statements and Exhibits**

EXHIBIT NUMBER DESCRIPTION

4.1 Letter Agreement between Nord Resources Corporation Nedbank Limited and Auramet Trading, LLC dated August 8, 2006, extending the maturity date of a secured loan in the principal amount of \$4,900,000\*
