NYSE MKT EQUITIES CORPORATE GOVERNANCE

The Company's common shares are listed for trading on the NYSE MKT Exchange (NYSE MKT). Section 110 of the NYSE MKT company guide permits NYSE MKT to consider the laws, customs and practices of foreign issuers in relaxing certain NYSE MKT listing criteria, and to grant exemptions from NYSE MKT listing criteria based on these considerations. A company seeking relief under these provisions is required to provide written certification from independent local counsel that the non-complying practice is not prohibited by home country law. A description of the significant ways in which the Company's governance practices differ from those followed by domestic companies pursuant to NYSE MKT standards is contained on the Company's website at www.tasekomines.com.

Upon listing, the Company received an exemption from its quorum requirements for meetings of shareholders. Under the NYSE MKT listing standards, the quorum requirement is a minimum of one third of shareholders entitled to vote. The Company does not meet this requirement and has been granted relief from this listing standard.

The Company's governance practices also differ from those followed by U.S. domestic companies pursuant to NYSE MKT listing standards in the following manner:

Board Meetings

Section 802 (c) of the NYSE MKT Company Guide requires that the Board of Directors hold meetings on at least a quarterly basis. The Board of Directors of the Company is not required to meet on a quarterly basis under the laws of the Province of British Columbia.

Solicitation of Proxies

NYSE MKT requires the solicitation of proxies and delivery of proxy statements for all shareholder meetings, and requires that these proxies shall be solicited pursuant to a proxy statement that conforms to applicable SEC proxy rules. The Company is a foreign private issuer as defined in Rule 3b-4 under the United States Securities Exchange Act of 1934, as amended (the Exchange Act), and the equity securities of the Company are accordingly exempt from the proxy rules set forth in Sections 14(a), 14(b), 14(c) and 14(f) of the Exchange Act. The Company solicits proxies in accordance with applicable rules and regulations in Canada.

Shareholders Approval for Dilutive Private Placement Financings

Section 713 of the NYSE MKT Company Guide requires that the Company obtain the approval of its shareholders for share issuances equal to 20 percent or more of presently outstanding shares for a price which is less than the greater of book or market value of the shares. This requirement does not apply to public offerings. There is no such requirement under British Columbia law or under the Company's home stock exchange rules (Toronto Stock Exchange) unless the dilutive financing results in a change of control. The Company will seek a waiver from NYSE MKT's section 713 requirements should a dilutive private placement financing trigger the NYSE MKT shareholders' approval requirement

in circumstances where the same financing does not trigger such a requirement under British Columbia law or under the Company's home country stock exchange rules.

MINE SAFETY DISCLOSURE

Pursuant to Section 1503(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (**Dodd-Frank Act**), issuers that are operators, or that have a subsidiary that is an operator, of a coal or other mine in the United States are required to disclose in their periodic reports filed with the SEC information regarding specified health and safety violations, orders and citations, related assessments and legal actions, and mining-related fatalities under the regulation of the Federal Mine safety and Health Administration under the Federal Mine Safety and Health Act of 1977.

The Company did not have any mines in the United States during the fiscal year ended December 31, 2012.
