**Re: Neuberger Berman High Yield Strategies Fund Inc. (the Fund )**

Dear Ms. Brandon:

As you know, we represent certain investment funds managed by Saba Capital Management, L.P. ("Saba") that collectively own approximately 3.3 million common shares, or approximately 17%, of the outstanding common shares of the Fund.

This letter shall serve as notice to the Fund as to Saba's timely submittal of a shareholder proposal pursuant to Rule 14a-8 of the Securities Exchange Act of 1934 for presentation to the Fund's shareholders at the Fund's next annual shareholders' meeting anticipated to be held on or around September 2019, or any postponement or adjournment thereof (the "Meeting").

Saba's Rule 14a-8 shareholder proposal (the "Proposal") is as follows:

**PROPOSAL**

BE IT RESOLVED, that the shareholders of Neuberger Berman High Yield Strategies Fund Inc. (the Fund ), request that the Board of Directors (the Board ) consider authorizing a self-tender offer for all outstanding common shares of the Fund at or close to net asset value ( NAV ). If more than 50% of the Fund's outstanding shares are submitted for tender, the tender offer should be cancelled and the Fund should be liquidated or converted into an open-end mutual fund.

SUPPORTING STATEMENT

SCHEDULE 13D/A

Page 8 of 9 Pages

Saba has been a long-term investor in the Fund since 2013.

As of March 1, 2019, the Fund has traded at an average discount to NAV of 12.5% over the last three years. In fact, the Fund has not traded at or above NAV for more than six years. In December 2018, the Fund's discount to NAV reached ~20%.

As a shareholder, a discount to NAV is problematic because if you sell shares you will not receive full value.

When funds suffer from persistent discounts, investors require: (1) a thoughtful and thorough explanation of management's recent decisions, and (2) the Board's plan going forward. Neither of these proactive steps have been offered by management or the Board, which is why we believe the Fund has suffered perpetually wide discounts.

The Fund's excessive discount level indicates that the market has lost faith in management's ability to add to shareholder value.

Similar to many other recent corporate actions in the closed end fund space, shareholders should have the opportunity to realize a price for their shares close to NAV. Toward that end, the Board should consider authorizing a self-tender offer for all outstanding shares of the Fund at or close to NAV. If a majority of the Fund's outstanding shares are tendered, that would demonstrate that there is insufficient shareholder support for continuing the Fund as a closed-end fund. In that case, the tender offer should be cancelled and the Fund should be liquidated or converted into an open-end mutual fund.

The Fund and Board are likely to come up with a litany of arguments against the Proposal but, the simple fact is, the management and the Board have not been able to effectively manage the Fund's discount.

Please vote **FOR** the Proposal and tell the Board that you want it to take action to collapse the Fund's discount and increase shareholder value.

**END OF PROPOSAL**

We began purchasing the shares as early as 2013. As is required by Rule 14a-8 of the Securities Exchange Act of 1934, attached are letters from National Financial Services verifying that the Saba fund referenced therein continuously and beneficially owned shares having a market value of \$2,000 or more for at least one year prior to the date of the submittal of the above Proposal. Saba intends to continue to hold the shares referenced through the date of the Meeting.

Please notify us as soon as possible if you would like any further information or if you believe this notice is deficient in any way or if additional information is required so that Saba may promptly provide it to you in order to cure any deficiency.

Thank you for your time and consideration.

Sincerely,

Michael D'Angelo  
General Counsel
