3.01

(b) On October 23, 2008, Schnitzer Steel Industries, Inc. (the “Company”) notified The NASDAQ Stock Market LLC (“NASDAQ”) that the Company was not in compliance with NASDAQ Marketplace Rule 4350(c)(1), which requires that a majority of the board of directors of a listed company must be comprised of independent directors. The non-compliance with NASDAQ Marketplace Rule 4350(c)(1) resulted from the resignation of Mark Palmquist, an independent member of the Company’s Board of Directors (the “Board”).

It is expected that, consistent with NASDAQ Marketplace Rule 4350(c)(1), NASDAQ will provide the Company with a cure period of 180 days in order to regain compliance. At the date of Mr. Palmquist’s resignation the Board had already engaged a professional recruiting firm to assist it in a search for an additional independent director. The recruiting firm has identified a number of candidates whose names have been submitted to the Board’s Nominating and Corporate Governance Committee, which is composed of three independent directors. The Company plans to proceed expeditiously to fill the vacancy created by Mr. Palmquist’s resignation with a new independent director. The Company fully intends to regain compliance with NASDAQ Marketplace Rule 4350(c)(1) within the expected cure period.
