Item 2.01 Completion of Acquisition or Disposition of Assets.

On May 11, 2015, Empire Petroleum Corporation (the “Company”) entered into an Option to Acquire Oil & Gas Leases (the “Lease Option Agreement”) with Dennis Anderson and Stan Anderson (collectively, the “Anderson Brothers”). The Lease Option Agreement has an effective date of April 30, 2015. Pursuant to the Lease Option Agreement, the Company acquired the sole and exclusive option for a period of two years to enter into one or more oil and gas leases with respect to any mineral interests owned by the Anderson Brothers within an area of mutual interest located in the County of Adams in the State of North Dakota and the Counties of Harding and Perkins in the State of South Dakota (the “Area of Mutual Interest”). The Lease Option Agreement covers approximately 10,000 gross leasable acres.

As the initial consideration under the Lease Option Agreement, the Company granted to the Anderson Brothers options to acquire an aggregate of 250,000 shares of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), at exercise price of \$0.25 per share for a period of two years from the effective date of the Lease Option Agreement. In addition, under the Lease Option Agreement, the Anderson Brothers have the right to be issued additional options to acquire shares of Common Stock at an exercise price of \$0.25 per share upon assisting the Company securing additional oil and gas leases or options to acquire oil and gas leases within the Area of Mutual Interest.

The foregoing summary of the Lease Option Agreement is qualified in its entirety by reference to the full terms and conditions of such agreement, a copy of which is included as an exhibit to this Current Report on Form 8-K and is incorporated herein by reference.

The material terms and conditions applicable to such options are set forth in the form of the stock option agreement included as an exhibit to this Current Report on Form 8-K.
