(the Company) common stock, \$0.001 par value per share (the Common Stock), in connection with the solicitation by and on behalf of the Board of Directors (the Board) of the Company of proxies to be used at the 2009 Annual Meeting of Stockholders of the Company (the Annual Meeting) to be held at 10:00 a.m., Central Time, on Thursday, May 7, 2009 at the Hilton Omaha Hotel located at 1001 Cass Street, Omaha, Nebraska, and any adjournment or postponement thereof. A copy of the Company's annual report to stockholders, which includes the Company's consolidated financial statements for the nine-month transition period ended December 31, 2008 (the Annual Report), accompanies this Proxy Statement. This Proxy Statement, the Notice of Annual Meeting of Stockholders, the accompanying Proxy Card and the Annual Report are being first mailed to holders of the Company's Common Stock on or about April 23, 2009.

The Company's principal executive offices are located at 9420 Underwood Avenue, Suite 100, Omaha, Nebraska 68114.

Record Date, Outstanding Shares and Quorum

The Company has fixed the close of business on April 6, 2009 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof (the Record Date). There were 24,904,708 shares of Common Stock issued and outstanding at the close of business on the Record Date. The Company held no shares of Common Stock as treasury stock on the Record Date. Holders of record of the Company's Common Stock on the Record Date are entitled to cast one vote per share, exercisable in person or by properly executed proxy, with respect to each matter to be considered by them at the Annual Meeting.

The presence, in person or by properly executed proxy, at the Annual Meeting of the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote shall constitute a quorum. Proxies representing a stockholders' shares or ballots which are marked to withhold authority with respect to the election of the nominees for election as Directors will be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting and for purposes of voting for the election of the Directors. Because the Proxy Card states how the shares will be voted in the absence of instructions by the stockholder, executed proxies bearing no instructions by the stockholder will be counted as present for quorum purposes and for the purpose of voting on Proposals 1 and 2.

Proxy Voting and Revocability of Proxies

Common Stock shares, represented by the proxies received pursuant to this solicitation and not timely revoked, will be voted at the Annual Meeting in accordance with the instructions indicated in properly executed proxies. If no instructions are indicated, such shares will be voted as recommended by the Board. If any other matters are properly presented to the Annual Meeting for action, the person(s) named in the enclosed form(s) of proxy and acting thereunder will have discretion to vote on such matters in accordance with their best judgment. Broker non-votes and abstentions are not treated as votes cast for purposes of any of the matters to be voted on at the meeting. A holder of Common Stock who has given a proxy may revoke it prior to its exercise by providing written notice of revocation or a later-dated proxy to the Secretary of the Company at any time before the closing of the polls at the meeting, or by voting in person at the meeting. Any written notice revoking a proxy should be sent to: Green Plains Renewable Energy, Inc., Attention: Jerry L. Peters, Corporate Secretary, 9420 Underwood Avenue, Suite 100, Omaha, Nebraska 68114. Attendance in person at the Annual Meeting does not itself revoke a proxy; however, any stockholder who attends the Annual Meeting may revoke a previously-submitted proxy by voting in person.

Stockholders whose shares of Common Stock are registered directly with the Company's transfer agent, Action Stock Transfer, may vote via the Internet or telephone. Stockholders should refer to the enclosed Proxy Card for instructions on voting via the Internet or telephone. The Internet and telephone voting facilities for stockholders of record will close at 11:59 p.m., Eastern Time, on May 6, 2009. Stockholders whose shares are registered in the name of either a broker or bank should refer to the information forwarded by either the broker or bank to determine if Internet or telephone voting is available to them.

Expenses and Methods of Solicitation

The Company will bear the expense of soliciting proxies. In addition to the use of the mail, proxies may be solicited personally, or by telephone or other means of communications, by directors, officers and employees of the Company and its subsidiaries, who will not receive additional compensation therefor. The Company will reimburse banks, brokerage firms and nominees for their reasonable expenses in forwarding proxy solicitation materials to beneficial owners of shares held of record by such banks, brokerage firms and nominees. The Company has retained Broadridge Financial Solutions, Inc. to assist with its solicitation of proxies at a cost of approximately \$10,000, plus normal out-of-pocket expenses.

Vote Required

The affirmative vote of a plurality of the votes cast at the Annual Meeting by the holders of the Common Stock, assuming a quorum is present, is required to elect each Director. The four persons receiving the greatest number of votes at the Annual Meeting shall be elected as Directors. Since only affirmative votes count for this purpose, broker non-votes and abstentions will not affect the outcome of the voting on Proposal 1. The affirmative vote of a majority of the voting power of shares present, in person or by proxy and entitled to vote is required to approve Proposal 2. Abstentions and broker non-votes will not affect the outcome of the voting on Proposal 2.

PROPOSAL 1

ELECTION OF DIRECTORS

Board of Directors

Prior to and following our October 15, 2008 merger with VBV LLC and its subsidiaries (the VBV merger transaction), the Company was governed by a nine-member Board of Directors. Pursuant to the merger transaction, two wholly-owned subsidiaries of NTR plc, Bioverda International Holdings Limited and Bioverda U.S.

Holdings LLC (the Bioverda entities), together have the right, as long as they collectively own at least 33.5% of our outstanding Common Stock, to designate four individuals to be nominated for election as Directors. The Bioverda entities' initial designees were Jim Anderson, Jim Barry, James Crowley and Michael Walsh. Similarly, as long as Wilon Holdings S.A. (Wilon) owns at least 2.5% of our outstanding Common Stock, it will have the right to designate one individual to be nominated for election as a Director. Wilon's initial designee was Alain Treuer. Directors Gordon Glade, Gary Parker, Brian Peterson and Wayne Hoovestol continued to serve on the Board after the merger. Thereafter, except for the Bioverda entities' and Wilon's designees, the directors will be nominated for election by the shareholders in accordance with our bylaws and nominating committee procedures, as outlined below.

The Board currently consists of ten members. On March 10, 2009, the Board amended the Company's bylaws to authorize an increase in the number of Board members from nine to ten. At that time, they appointed Todd A. Becker, President and Chief Executive Officer, to this additional Board position. The Company's amended bylaws authorize a range of not less than one nor more than ten Directors, with the exact number determined by the Board. The Company's Board is currently divided into three groups. One group of Directors is elected at each annual meeting of stockholders for a three-year term. Each year a different group of Directors is elected on a rotating basis. Jim Barry, Todd Becker, Brian Peterson and Alain Treuer are up for re-election at the 2009 Annual Meeting (to serve until the 2012 annual meeting or until their respective successors shall be elected and qualified). The terms of James Crowley, Gordon Glade and Gary Parker expire at the 2010 annual meeting. The terms of Jim Anderson, Wayne Hoovestol and Michael Walsh expire at the 2011 annual meeting.

Nominees for Election as Directors

The Board has nominated for re-election as Directors **Jim Barry, Todd Becker, Brian Peterson** and **Alain Treuer** each to serve a term that expires at the 2012 annual meeting. The address for all Director nominees is 9420 Underwood Avenue, Suite 100, Omaha, Nebraska 68114. The person named in the accompanying Proxy Card intends to vote such proxy for the election of the nominees named below as Directors of the Company (each of whom are current Directors of the Company) unless the stockholder indicates on the Proxy Card that the vote should be withheld or contrary directions are indicated. If the Proxy Card is signed and returned without any direction given, the votes represented by the Proxy Card will be voted for the election of the four nominees. If the nominee should be unavailable for election, the Board may designate a substitute nominee. It is intended that proxy votes will be cast for the election of such substitute nominee, but the Board of Directors has no reason to doubt the availability of any of the nominees and each has indicated his willingness to serve if so elected. Proxies may not be voted for more than the four Director nominees set forth below. The four persons receiving the greatest number of votes at the Annual Meeting shall be elected as Directors.

The Board has determined that the nominees listed below as Independent Directors meet the independence standards of the Nasdaq Stock Exchange and the U.S. Securities and Exchange Commission (SEC). In contrast, the nominee listed below as an Interested Director does not meet such independence standards. Stockholder nominations of persons for election as Directors are subject to the notice requirements described under the caption Other Matters appearing later in this proxy statement.

GENERAL INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

Board Meetings, Directors Attendance and Stockholder Communications

The Board held twelve meetings during the thirteen-month period from December 1, 2007 to December 31, 2008 (the 2008 transition period). Meetings were conducted via teleconference or in person. No incumbent Director attended fewer than seventy-five percent (75%) of the Board meetings and the committee meetings held on which an incumbent Director served during this period. The Company's policy is to encourage, but not require, Board members to attend annual shareholder meetings. All Board members attended the 2008 annual meeting.

Stockholders who would like to send communications to the Board may do so by submitting such communications to: Green Plains Renewable Energy, Inc., Attention: Jerry L. Peters, Corporate Secretary, 9420 Underwood Avenue, Suite 100, Omaha, Nebraska 68114. The Board suggests, but does not require, that such submissions include the name and contact information of the stockholder making the submission and a description of the matter that is the subject of the communication. Mr. Peters will then furnish such information to the Board for review.

Board Committees

The Board has standing Audit, Compensation and Nominating Committees.

Audit Committee

The Company has a separately designated standing Audit Committee established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the Exchange Act). The Audit Committee Charter was revised in March 2009 and is attached as Appendix B hereto. The Audit Committee Charter is also posted on the Company website at www.gpreinc.com. The Audit Committee Charter is reviewed, revised and updated on an annual basis. During the 2008 transition period, the Audit Committee held six meetings via teleconference or in person. The minutes of Audit Committee meetings are filed with the records of the Company.

The Audit Committee is currently comprised of four Directors, all of whom meet the applicable independence standards of the Nasdaq Stock Market and the SEC (Independent Directors). Additionally, pursuant to the Audit Committee Charter, the Independent Directors must be free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member. The Audit Committee is currently comprised of Independent Directors Jim Anderson, James Crowley, Gordon Glade and Brian Peterson, with Mr. Crowley serving as Chairman. Messrs. Anderson, Crowley and Glade were appointed by the Board on October 15, 2008, and Mr. Peterson was appointed to the Audit Committee on March 10, 2009. Mr. Crowley has been determined to be an audit committee financial expert as defined in Rule 407(d)(5) of Regulation S-K. Former Directors David Hart, Steve Nicholson, Robert Vavra and Michael Warren served on the Audit Committee until their resignation from the Board on October 15, 2008, with Mr. Vavra serving as Chairman and Mr. Nicholson serving as Secretary of the Audit Committee until that time.

The function of the Audit Committee, as detailed in the Audit Committee Charter, is to provide assistance to the Board in fulfilling its responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices, and the quality and integrity of the financial reports of the Company. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the Directors, the independent auditors and Company management. Upon self-evaluation and review, the Audit Committee has determined that all requirements were satisfied during the 2008 transition period.

Compensation Committee

The Compensation Committee was organized in November 2005. The Compensation Committee Charter is posted on the Company website. The Compensation Committee sets the overall compensation principles for the Company, subject to annual review. The Compensation Committee may not delegate its authority. However, the Compensation Committee may retain counsel or consultants as necessary. The Compensation Committee must meet at least twice a year. During the 2008 transition period, the Compensation Committee met four times via teleconference or in person. The minutes of Compensation Committee meetings are filed with the records of the Company.

The Compensation Committee is comprised of four Independent Directors. The Independent Directors must meet the independence standards of the Nasdaq Stock Exchange and the SEC. Additionally, pursuant to the Compensation

Committee Charter, the Independent Directors must be free of any relationship that in the opinion of the Board of Directors would interfere with their exercise of the independent judgment as a committee member. The Compensation Committee is currently comprised of Independent Directors, Jim Anderson, Gary Parker, Alain Treuer and Michael Walsh, with Mr. Treuer serving as Chairman. Messrs. Anderson, Treuer and Walsh were appointed to the Compensation Committee on October 15, 2008, while Mr. Parker was appointed in November 2007. Former Directors David Hart and Steve Nicholson served on the Compensation Committee until their resignation from the Board on October 15, 2008, with Mr. Hart serving as Chairman and Mr. Nicholson serving as Secretary of the Compensation Committee until that time.

The Compensation Committee establishes the Company's general compensation policy and, except as prohibited by law, may take any and all actions that the Board could take relating to compensation of Directors, executive officers, employees and other parties. The Compensation Committee's role is to (i) evaluate the performance of the Company's executive officers, (ii) set compensation for Directors and executive officers, (iii) make recommendations to the Board on adoption of compensation plans and (iv) administer Company compensation plans. When evaluating potential compensation adjustments, the Compensation Committee solicits and considers input provided by the Chief Executive Officer relating to the performance and/or contribution to the Company's overall performance by executive officers and other key employees.

Nominating Committee

The Nominating Committee was organized in November 2005. The Nominating Committee Charter is posted on the Company's website. The Nominating Committee's role is to identify and recommend candidates for positions on the Board of Directors. The Nominating Committee's policies are subject to annual review. The Nominating Committee must meet at least twice a year, or more often if necessary to consider nominations for the next annual meeting of stockholders. During the 2008 transition period, the Nominating Committee met three times via teleconference or in person. The minutes of Nominating Committee meetings are filed with the records of the Company.

The Nominating Committee is comprised of three Independent Directors. The Independent Directors must meet the independence standards of the Nasdaq Stock Exchange and the SEC. Additionally, pursuant to the Nominating Committee Charter, the Independent Directors must be free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member. The Nominating Committee is currently comprised of Independent Directors Jim Barry, Gordon Glade and Gary Parker, with Mr. Barry serving as Chairman. Messrs. Barry and Parker were appointed to the Nominating Committee on October 15, 2008, while Mr. Glade was appointed to the Nominating Committee in December 2007. Former Directors David Hart and Steve Nicholson served on the Nominating Committee until their resignation from the Board on October 15, 2008, with Mr. Hart serving as Chairman and Mr. Nicholson serving as Secretary of the Nominating Committee until that time.

The function of the Nominating Committee, as detailed in the Nominating Committee Charter, is to recommend to the Board the slate of Director nominees for election to the Board and to identify and recommend candidates to fill vacancies occurring between annual shareholder meetings. The Nominating Committee has established certain broad qualifications in order to consider a proposed candidate for election to the Board. The Nominating Committee has a strong preference for candidates with prior board experience with public companies. The Nominating Committee will also consider such other factors as it deems appropriate to assist in developing a board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors include judgment, skill, diversity (including factors such as race, gender or experience), integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

It is the policy of the Nominating Committee to consider candidates recommended by security holders, Directors, executive officers and other sources, including, but not limited to, third-party search firms. Security holders of the Company may submit recommendations for candidates for the Board. All recommendations shall be submitted in writing to: Green Plains Renewable Energy, Inc., Attention: Jerry L. Peters, Corporate Secretary, 9420 Underwood Avenue, Suite 100, Omaha, Nebraska 68114. Such submissions should include the name, contact information, a brief description of the candidate's business experience and such other information as the person submitting the recommendation believes is relevant to the evaluation of the candidate. The Nominating Committee will review all such recommendations. For candidates to be considered for election at the next annual shareholder meeting, the recommendation must be received by the Company no later than 120 calendar days prior to the date that the Company's proxy statement is released to security holders in connection with such meeting.

The Nominating Committee will evaluate whether an incumbent Director should be nominated for re-election to the Board or any Committee of the Board upon expiration of such Director's term using the same factors as described above for other Board candidates. The Nominating Committee will also take into account the incumbent Director's performance as a Board member. Failure of any incumbent Director to attend at least seventy-five percent (75%) of the Board meetings held in any year of service as a Board member will be viewed negatively by the Nominating Committee in evaluating the performance of such Director. At its meeting on March 10, 2009, the Nominating Committee recommended that the three incumbent Directors whose terms of office expire at the 2009 annual meeting, along with newly-added member, Todd A. Becker, be included on the ballot for re-election as Directors for a three-year term expiring at the 2012 annual meeting of stockholders. This recommendation was based on a review and evaluation of meeting attendance, knowledge of the ethanol industry and overall contributions to the Board. See the discussion above under Board of Directors regarding the designation of nominees by the Bioverda entities and Wilon.

Director Compensation

Compensation totaling in the aggregate \$396,027, excluding the reported value of the 2008 transition period stock awards and option awards, was paid to our Directors for service on the Board during the 2008 transition period. The Company, upon the recommendation of the Compensation Committee, compensates its Directors for attendance at Board meetings and committee meetings, for serving as a committee chairman and performing secretary duties, and for time spent working on our behalf. Each Director is paid \$2,000 per month for serving on the Board, including serving on Board committees. In addition, the Chairman of the Board receives \$6,000 annually; a committee chairman receives \$2,500 annually, with the exception of the Audit Committee chairman, who receives \$5,000; and a committee secretary receives \$1,250 annually. For 2008, non-employee Directors who served on the Company's risk management committee received a fee of \$500 weekly for services rendered. In addition, Board members are reimbursed for travel and other business-related expenses. If a Board member spends an entire day working for and on behalf of the Company, other than participation in regularly scheduled Board and committee meetings, said board member will be eligible to receive a per diem rate of \$600 per day or \$300 per half-day. Requests for per diem payment are subject to approval by the Chairman of the Compensation Committee.

In April 2008, the Company's Directors each received an annual grant of 2,000 shares of Common Stock pursuant to the 2007 Equity Incentive Plan. In October 2008, the Company's five departing Directors received a total of 18,000 shares of Common Stock.

In 2009, the Compensation Committee engaged an independent compensation consultant to evaluate our non-employee Director compensation program and provide recommendations for changes to ensure our program is market-competitive and consistent with recognized corporate governance best practices. As of the time this Proxy Statement was filed, the independent consultant had not finalized the analysis and recommendations.

Changes in Control

On October 15, 2008, pursuant to the Agreement and Plan of Merger dated May 7, 2008, by and among the Company, Green Plains Merger Sub, Inc., a wholly-owned subsidiary of the Company, VBV LLC and certain other parties, the Company and certain of its subsidiaries merged with VBV, Ethanol Grain Processors, LLC (EGP) and Indiana Bio-Energy, LLC (IBE) (each a subsidiary of VBV). In the mergers, the Company issued 10,871,472 shares of common stock and assumed options exercisable for 267,528 shares.

In connection with the mergers, the Company also issued and sold six million shares of its common stock to NTR US Biosystems Holdings Ltd (f/k/a Bioverda International Holdings Limited) and Bioverda US Holdings LLC (collectively, the Bioverda Entities) pursuant to the Stock Purchase Agreement dated May 7, 2008 between the Company and the Bioverda Entities for an aggregate purchase price of \$60 million in cash (the Stock Purchase). Subsequent to the Stock Purchase, Wilon Holdings, S.A. (Wilon) exercised its rights pursuant to the Put and Call Agreements dated April 1, 2008 and acquired additional shares of Common Stock from Bioverda US Holdings LLC which increased Wilon 's ownership of the Company to over 8%.

As a result of the mergers and the Stock Purchase, the former owners of VBV, IBE and EGP now hold approximately 68.6% of the Company 's issued and outstanding common stock, which has resulted in a change of control of the Company. Subsequent to the mergers, the Bioverda Entities owned approximately 51.1% of the outstanding Green Plains common stock. In addition, a Shareholders ' Agreement gave the Bioverda Entities and Wilon, collectively, the right to designate a majority of the nominees to the Company board of directors.

The consideration paid by the Bioverda Entities was (i) provided in connection with the conversion of their membership interest in VBV into shares of Company common stock as a result of the mergers, and (ii) \$60 million pursuant to the Stock Purchase. The Bioverda Entities' source of funds for the consideration paid in connection with the Stock Purchase was cash on hand.

Shareholders' Agreement

In connection with the mergers, the Company, Wayne B. Hoovestol, in his capacity as a Company shareholder, the Bioverda Entities and Wilon entered into a Shareholders' Agreement (the "Shareholders' Agreement") as of the effective time of the mergers, that governs certain rights and obligations of the parties as among themselves. The Shareholders' Agreement provides, among other things, that the parties to the agreement will cause the Company's board of directors, following the mergers, to be comprised of not more than nine directors, unless such increase is approved by at least six of the directors then serving. Of the nine directors, the Bioverda Entities will have the collective right to designate four individuals to be nominated by the board to stand for election (the "Bioverda Nominees") and Wilon will have the right to designate one individual to be nominated by the board to stand for election (the "Wilon Nominee"). The right of the Bioverda Entities and Wilon to designate director nominees shall continue so long as they own shares representing not less than 33.5% and 2.5%, respectively, of the outstanding common stock of the Company.

The Company shall cause the Bioverda Nominees and Wilon Nominee to be nominated for election as directors of the Company at each meeting of Company shareholders where the election of directors is held. In addition, the Company shall solicit proxies for the election of such nominees and recommend that shareholders vote in favor of each nominee. Additionally, each agrees to vote in favor of all nominees to the board of directors. The Shareholders' Agreement also provides that each committee of the Company board of directors shall, subject to applicable director independence rules, include at least two Bioverda Nominees or one Bioverda Nominee and one Wilon Nominee.

The Shareholders' Agreement also provides certain registration rights with respect to the shares of Company common stock held by the parties. The Shareholders' Agreement is filed as Appendix F to the Company's Registration Statement on Form S-4 filed September 5, 2008 and this discussion is qualified by reference thereto.

Indemnity Agreements & Indemnification for Securities Act Liabilities

We have entered into Indemnity Agreements with each of our officers and Directors. Iowa law authorizes, and our bylaws and Indemnity Agreements provide for, indemnification of our Directors and officers against claims, liabilities, amounts paid in settlement, and expenses in a variety of circumstances. Indemnification for liabilities may be permitted for our Directors, officers and controlling persons pursuant to the foregoing or otherwise. However, we have been advised that, in the opinion of the SEC, indemnification for certain liabilities is against public policy as expressed in the Exchange Act and is, therefore, unenforceable. The Company carries an insurance policy covering officers and directors, as well as its potential liability under the Indemnity Agreements.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our Directors, executive officers and persons who beneficially own more than 10% of our Common Stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such persons.

Compensation Discussion and Analysis

Executive Compensation Philosophy

The Compensation Committee has structured the Company's executive compensation policy based upon the following goals:

.

To attract, motivate and retain talented executive officers and other key employees.

.

To use incentive compensation to reinforce strategic performance objectives.

.

To align the interests of executive officers and key employees with the interests of our shareholders, such that risks and rewards of strategic decisions are shared.

.

To ensure that all compensation is tax deductible for the Company, except for the compensation that qualifies for incentive stock option tax treatment.

Compensation for executive officers and other key employees consists of three components: base compensation, performance/bonus award, and/or long-term incentive compensation. Payment of Common Stock is made pursuant to the Company's 2007 Equity Incentive Plan approved by the shareholders in April 2007 (the 2007 Equity Incentive Plan).

Base Compensation

The Compensation Committee decides on the overall compensation package, of which the base salary is a significant component, for the Company's executive officers and certain other key personnel. Within ranges, individual salaries vary based upon the individual's level of responsibility, work experience, performance, impact on the business, tenure and potential for advancement within the Company. Individual salaries for newly-hired executive officers and other key employees are determined at the time of hire taking into account the above-factors, other than tenure. To attract quality talent with the expertise to perform required duties, base salaries are established to be consistent with salaries paid to personnel in similar positions in the market. These salaries may be adjusted to consider the overall compensation package, which may include bonuses, incentive pay and other forms of compensation, such as benefits and retirement packages. When evaluating potential salary adjustments for executive officers and other key personnel, the Compensation Committee solicits and considers input provided by the Chief Executive Officer relating to the performance and/or contribution to the Company's overall performance by those employees. To retain quality talent, the Compensation Committee may recommend base salary adjustments that are commensurate with increasing job responsibilities and to reflect competitive market data for executive officers of industry-sector firms of similar size and performance.

Todd Becker, who served as President and Chief Operating Officer from October 16, 2008 to December 31, 2008 and was named President and Chief Executive Officer as of January 1, 2009, receives a base salary of \$400,000. Wayne Hoovestol, who served as Chief Executive Officer until December 31, 2008 and was named Chief Strategy Officer in March 2009, receives a base salary of \$300,000. Jerry Peters, Chief Financial Officer, receives a base salary of \$280,000. Steve Bleyl, Executive Vice President - Ethanol Marketing, receives a base salary of \$250,000. Edgar Seward Jr., Executive Vice President - Plant Operations, receives a base salary of \$200,000. All of our executive officers are eligible to receive additional compensation in the form of bonuses, and/or stock awards and stock options in accordance with the 2007 Equity Incentive Plan.

Performance/Bonus Award

The 2007 Equity Incentive Plan was developed to reward executive officers and other key employees for meeting or exceeding certain internal objectives, and was approved by our shareholders in April 2007. Bonuses are one form of incentive compensation used by the Company to reinforce performance-based objectives and retain key personnel.

No specific performance-based objectives were established for executive officers and other key employees during the 2008 transition period. Rather, employee performance for the 2008 transition period was considered on a subjective level. The Compensation Committee is currently working with management and an independent executive compensation consultant to redesign our short-term incentive program. In future years, the Compensation Committee intends to develop specific performance-based objectives as the Company progresses further out of the development stage.

To align the interests of the executives with the interests of the shareholders, such that risks and rewards of strategic decisions are shared, bonuses to executive officers for the 2008 transition period, which were paid in April 2009, were paid with both cash and stock components. Additionally, to encourage retention of our executive officers, stock awards have a three-year vesting schedule and a sale restriction for the shares for a period of three years from the date of grant. In certain circumstances, if employment terminates, the restriction on sale of vested shares will end five years from date of grant. As discussed in the Summary Compensation Table, certain grants of stock awards to Mr. Hoovestol and Mr. Becker are subject to approval by the stockholders of the 2009 Equity Incentive Plan.

Long-Term Incentive Compensation

Our ability to operate our business and implement our strategies effectively depends, in part, on the efforts of our executive officers and other key personnel. Our executive officers have developed expertise in ethanol and related industries, and they have hired qualified managers and key personnel to operate our plants, our grain business, and our marketing and distribution business. The inability to retain our executive officers, managers or other key personnel, or recruit qualified replacements, may negatively impact us by impairing our ability to operate efficiently or execute our growth strategies. To help attract and retain qualified personnel, the 2007 Equity Incentive Plan reserved for issuance 1,000,000 shares of Common Stock for use as grants of shares and/or options for purchase over a number of years.

The grants of shares and/or options to executive officers and certain other key employees encourage equity ownership and closely align management's interests with the interests of shareholders, such that risks and rewards of strategic decisions are shared. Additionally, because shares and/or options will be subject to forfeiture in certain cases if the employee leaves the Company, such shares and/or options are anticipated to provide an incentive to remain with the Company long-term.

Based on Compensation Committee assessments and recommendations, the Company's compensation program includes the following long-term components to assist in aligning management's interests with the interests of shareholders:

.
Emphasizes at risk pay such as bonuses, options and long-term incentives.

.
Emphasizes long-term compensation such as options and/or restricted stock.

.
Rewards financial results and promotion of Company objectives rather than individual performance against individual objectives.

At least annually, in an effort to align the interests of management and shareholders with the goal of sharing the risks and rewards of strategic decisions that are made, the Compensation Committee will review the advisability of granting shares and/or options to members of management who have demonstrated an impact on product, staffing, technology, pricing, and investment or policy matters. The aggregate number of shares and/or options granted to management will be based on the employee's position and the value of each individual's contributions to the Company, as well as competitive norms. During the 2008 transition period, individuals' contributions were assessed by the Compensation Committee on a subjective basis. The Compensation Committee is currently working with management and an independent executive compensation consultant to establish a more objective, performance-based long-term incentive program to support our strategic business objectives.

Pursuant to the 2007 Equity Incentive Plan, Directors, executive officers and certain other key employees received grants of a specified number of shares and/or options for purchase over a number of years. In April 2008, the Company's Directors each received an annual grant of 2,000 shares of Common Stock. In October 2008, the Company's five departing Directors received a total of 18,000 shares of Common Stock.

Our executive officers and certain other key employees have also received stock grants and stock options, primarily at the time of employment or the closing of the VBV merger transaction, at closing market prices on the date of grant. Stock options granted to employees generally vest over a period of three to five years. Awards were based on the following factors: the employee's position, individual performance (in the case of post-employment awards) and/or contribution to the Company's overall performance. Determinations have been made by the Compensation Committee in consultation with our Chief Executive Officer and/or outside consultants. While past awards were made on a subjective basis, we anticipate that the Compensation Committee will develop more objective measures of performance in the future.

Compensation presented for these executive officers is for the period from October 15, 2008 to December 31, 2008, except for the amounts described in note (4) related to 2009 payments related to Mr. Becker's 2008 relocation to Omaha, Nebraska.

Employment Arrangements

On January 18, 2007, Wayne B. Hoovestol was named as the Company's Chief Operating Officer at an annual salary of \$125,000. On February 27, 2007, Mr. Hoovestol was appointed to the position of Chief Executive Officer. Effective April 1, 2007, his annual salary was increased to \$200,000 per year. Mr. Hoovestol resigned his position as Chief Executive Officer effective January 1, 2009. He was named Chief Strategy Officer effective March 16, 2009. For a portion of his tenure as CEO, half of Mr. Hoovestol's salary was paid in cash and half in Common Stock. The Company has not entered into a written employment agreement with Mr. Hoovestol.

Effective October 16, 2008, the Company entered into an employment agreement with Todd A. Becker to serve as our President and Chief Operating Officer. Mr. Becker had served as Chief Executive Officer of VBV until the closing of the VBV merger transaction. Mr. Becker was named Chief Executive Officer of the Company on January 1, 2009. The terms of the employment agreement provide that Mr. Becker will receive the following: (i) a minimum annual salary of \$400,000; (ii) a one-time bonus of \$200,000 payable within 10 business days after the closing of the VBV merger transaction; (iii) an annual bonus of up to 50% of annual base salary based on objectives to be set by the Company and/or the Board's Compensation Committee; (iv) awards under a long-term incentive plan to be adopted by the Company providing long-term incentive benefits of a type and at a level that is competitive with long-term incentive plan benefits provided to chief executive officers of public companies of comparable size in similar industries; and (v) on the closing date of the VBV merger transaction, a fully-exercisable option to acquire 150,000 shares at an exercise price equal to the greater of \$10 per share or the closing price of our Common Stock on such date. If the closing price of our Common Stock on the closing date of the VBV merger transaction exceeded \$10, which it did not, we would have paid Mr. Becker either an amount equal to the excess of such closing price over \$10 multiplied by 150,000, or a number of shares of our Common Stock of equal value. Any shares acquired by Mr. Becker pursuant to exercise of the option may not be transferred, except to family members or to a trust for the benefit of Mr. Becker or his family members, for a period of three years after the closing of the VBV merger transaction, subject to certain exceptions. Those exceptions include (i) a Change in Control generally as defined in the 2007 Equity Compensation Plan and clarified in Mr. Becker's employment agreement, and (ii) the termination of Mr. Becker's employment without Cause or for Good Reason (as those terms are defined in the employment

agreement), or due to Mr. Becker's death or disability. Upon execution of Mr. Becker's employment agreement, Mr. Becker became entitled (i) to relocation assistance to facilitate his move to Omaha, Nebraska, half of which shall be paid by each of the Company and VBV until closing, after which all relocation costs shall be paid by the Company, and (ii) to be paid the cost of acquiring his two existing residences at their appraised values and any additional amount by which Mr. Becker's costs of acquiring and improving his two existing residences exceed their appraised values. Mr. Becker's employment is at will and may be terminated at any time by the Company or Mr. Becker.

Effective June 8, 2007, the Company entered into an employment agreement with Jerry L. Peters to serve as our Chief Financial Officer. The terms of the employment agreement provided that Mr. Peters receive (i) a minimum annual salary of \$190,000, with an increase to \$220,000 when our Superior plant became fully operational, (ii) stock options exercisable for 60,000 shares of Common Stock that vest in four equal annual installments beginning on June 8, 2007, (iii) 12,000 shares of stock that vest in six equal annual installments beginning on June 8, 2007, (iv) bonus compensation in an amount up to 30 to 50 percent of annual salary, based on objectives to be determined by GPRE, and (v) other benefits that are generally available to the Company's employees. The employment agreement was for a five-year term, but was subject to early termination upon the occurrence of specified events. Mr. Peters' annual salary was increased to \$220,000 effective June 1, 2008. The compensation provided to Jerry L. Peters in items (ii) and (iii) above become fully vested upon a Change in Control, as defined in the Equity Incentive Plan to be triggered by a merger where the majority of voting shares immediately prior to the merger does not constitute a majority of the voting shares immediately after the completion of the merger. The VBV merger transaction constituted such a Change in Control, and thus triggered the vesting of such compensation. Accordingly, stock options exercisable for 30,000 shares of Common Stock, at an exercise price of \$19.96 per share, and 8,000 shares of restricted stock held by Mr. Peters fully vested in conjunction with closing of the VBV merger transaction on October 15, 2008.

Effective October 24, 2008, the Company entered into an amended and restated employment agreement with Mr. Peters whereby he will continue in his role as our Chief Financial Officer. The terms of the employment agreement provide that Mr. Peters will receive (i) an annual base salary of \$280,000, (ii) a one-time bonus of \$60,000, (iii) stock options exercisable for 50,000 shares of Common Stock at an exercise price of \$5.99 that vest in four equal annual installments beginning on October 24, 2008, (iv) 25,000 shares of restricted stock that vest in four equal annual installments beginning on October 24, 2008 (subject to the limitations of the 2007 Equity Compensation Plan, including shareholder approval if required), (v) bonus compensation in an amount up to fifty percent of annual base salary, payable annually, based on objectives set by the Company, (vi) participation in a long-term incentive program if and when developed by the Company, and (vii) other benefits that are generally available to Company employees. Mr. Peters' employment shall be at-will and may be terminated at any time, by either party, for any reason whatsoever. If employment is terminated without cause or for good reason, Mr. Peters will receive six months' base salary plus the greater of one-half of the maximum bonus for that year or the average bonus paid in the prior two years.

On October 15, 2008, following closing of the VBV merger transaction, Steve Bleyl was named Executive Vice President Ethanol Marketing at an annual salary of \$250,000. He received a bonus in the amount of \$150,000 and stock options exercisable for 50,000 shares of Common Stock at an exercise price of \$5.99 that vest in four equal annual installments beginning on October 15, 2008. He is also eligible for bonus compensation based on objectives to be set by the Company. The Company has provided Mr. Bleyl with an offer letter setting forth the terms of his at-will employment.

On October 15, 2008, following closing of the VBV merger transaction, Edgar Seward Jr. was named Executive Vice President Plant Operations at an annual salary of \$200,000. He received a bonus in the amount of \$100,000, stock options exercisable for 50,000 shares of Common Stock at an exercise price of \$5.99 that vest in four equal annual installments beginning on October 15, 2008, and 25,000 shares of restricted stock that vest in four equal annual installments beginning on October 15, 2008. He is also eligible for bonus compensation based on objectives to be set by the Company. The Company has provided Mr. Seward with an offer letter setting forth the terms of his at-will employment.

The Compensation Committee of the Board at its discretion may increase or decrease the compensation of the above-named executive officers in the future. The Compensation Committee often seeks feedback from our Chief Executive Officer and/or outside consultants in making compensation decisions. We had a Simple IRA Plan for our employees under which we matched a portion of an employee's contributions to the program. This Simple IRA Plan was terminated as of January 1, 2008 and was replaced with a 401(k) retirement plan that also has a Company matching component to it. We also reimburse our officers and Directors for out-of-pocket expenses incurred in connection with their service to the Company.

Grants of Plan-Based Awards

The Company's 2007 Equity Incentive Plan is intended to promote the Company's interests by providing eligible persons in our service with the opportunity to acquire a proprietary or economic interest, or otherwise increase their proprietary or economic interest, in the Company as an incentive for them to remain in such service and render superior performance during such service. Accordingly, any unvested stock options and stock awards granted during the 2008 transition period vest based on the passage of time rather than according to any performance-based conditions. Please refer to the description above regarding the material terms of employment arrangements for our Named Executive Officers. The following table sets forth information related to grants of stock options and grants of stock awards pursuant to the terms of the 2007 Equity Incentive Plan to our Named Executive Officers during the 2008 transition period.

Potential Payments Upon Termination or Change in Control

Employment Agreement for Mr. Becker

The Company entered into an Employment Agreement with Mr. Becker as described above at Employment Arrangements, where a full description of such agreement is given. Upon termination without Cause or for Good Reason, Mr. Becker is entitled to one year of base salary plus the greater of one times maximum annual cash bonus or the average bonus paid for the prior two years, up to one year of continued health and dental coverage (which ceases upon acceptance of a comparable position within such period), certain relocation assistance if he relocates beyond 50 miles within six months of termination, and all shares acquired upon exercise of options granted therein are released from certain lock-up restrictions.

For such purposes, **Cause** means one of the following: (a) a material breach by executive of the terms of this Agreement, not cured within thirty (30) days from receipt of notice from the Board of such breach, (b) conviction of, or plea of guilty or no contest to, a felony; (c) willful misconduct or gross negligence in connection with the performance of executive's duties; or (d) willfully engaging in conduct that constitutes fraud, gross negligence or gross misconduct that results in material harm to the Company. For purposes of this definition, no act, or failure to act, on executive's part shall be considered willful unless done, or omitted to be done, by executive in knowing bad faith and without reasonable belief that his action or omission was in, or not opposed to, the best interests of the Company. Notwithstanding the foregoing, executive shall not be deemed to have been terminated for Cause unless and until there shall have been delivered to executive a copy of a resolution duly adopted by the affirmative vote of not less than three-quarters of the entire membership of the Board at a meeting of the Board called and held for the purpose (after reasonable notice to executive and an opportunity for executive, together with his counsel, to be heard before the Board), finding that in the good faith opinion of the Board executive was guilty of the conduct set forth above in (a), (b), (c) or (d) of this definition and specifying the particulars thereof in detail.

For such purposes, **Good Reason** means any of the following if the same occurs without executive's express written consent: (a) a material diminution in executive's base salary as described in the Employment Agreement; (b) a material diminution in executive's authority, duties, or responsibilities; (c) a material diminution in the authority, duties, or responsibilities of the person to whom executive is required to report; (d) a material change in the geographic location at which executive must perform the services (for this purpose, any relocation of more than 50 miles shall be deemed a material change); (e) any material reduction or other adverse change in executive's benefits under any applicable and properly approved compensation plan or arrangement without the substitution of comparable benefits; (f) if executive is not appointed Chief Executive Officer within twenty four (24) months of the effective date of the Employment Agreement; or (g) any other action or inaction that constitutes a material breach by the Company under the Employment Agreement. To terminate for Good Reason, an executive must incur a termination of employment on or before the second (2nd) anniversary of the initial existence of the condition.

Employment Agreement for Mr. Peters

On October 24, 2008, the Company entered into an Amended and Restated Employment Agreement with Mr. Peters as described above at **Employment Arrangements**, where a full description of such agreement is given. Mr. Peters receives certain benefits when terminated without Cause or for Good Reason. Such definitions are the same as described above for Mr. Becker, except that Good Reason does not include subsection (f) in the definition above, and Cause does not include the requirement of an affirmative vote of the Board. If his employment is terminated without Cause or for Good Reason, Mr. Peters will receive six months base salary plus the greater of one-half of the maximum bonus for that year or the average bonus paid in the prior two years.

Letter to Mr. Bleyl

On October 15, 2008, the Company provided an offer letter to Mr. Bleyl. In such letter, Mr. Bleyl receives an annual base salary of \$250,000 with an annual review of such salary. He further has the right to participate in certain bonus and long-term incentive programs, when developed. While Mr. Bleyl is an at-will employee, upon termination without

Cause, or a Change in Control followed by a termination within six months thereafter, he is entitled to six months base salary and three months of continued health coverage paid by the Company, provided such amounts will terminate if he commences full-time employment elsewhere in such period. Furthermore, in the event of termination without Cause, or a Change in Control, Mr. Bleyl's options vest.

For such purposes, Cause means a determination by the Company that employment be terminated for any of the following reasons: (a) failure or refusal to comply in any material respect with lawful policies, standards or regulations of Company; (b) a violation of a federal or state law or regulation applicable to the business of the Company; (c) conviction or plea of no contest to a felony under the laws of the United States or any State; (d) fraud or misappropriation of property belonging to the Company or its affiliates; (e) a breach in any material respect of the terms of any confidentiality, invention assignment or proprietary information agreement with the Company or with a former employer, (f) executive's failure to satisfactorily perform your duties after having received written notice of such failure and at least thirty (30) days to cure such failure, or (g) executive's misconduct or gross negligence in connection with the performance of your duties.

Letter to Mr. Seward

On October 15, 2008, the Company provided an offer letter to Mr. Seward. In such letter, Mr. Seward receives an annual base salary of \$200,000 with an annual review of such salary, with certain other benefits that are usual and customary. In the event of termination without Cause, or a Change in Control, all options outstanding fully vest through the next anniversary; however, this currently represents no value as options have an exercise price that currently exceeds the closing price of the stock at year-end. In the event of a Change in Control, all options outstanding fully vest; however, this currently represents no value as options have an exercise price that currently exceeds the closing price of the stock at year-end.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Sales and Financing Contracts

In August 2007, the Company entered into an agreement and plan of merger with Great Lakes Cooperative. We entered into various fixed-priced corn purchase contracts with Great Lakes subsequent to the execution of the original merger agreement. As of April 3, 2008 (the date the merger closed), we had contracted and paid Great Lakes for 5.1 million bushels at a total cost of \$18.3 million, and had contracted to purchase an additional 8.9 million bushels of corn from Great Lakes through February 2009 at a total cost of \$42.3 million. Following the merger, Great Lakes was renamed as Green Plains Grain Company LLC.

In April 2008, Green Plains Grain Company LLC executed the Green Plains Grain Equipment Financing Agreements with Axis Capital Inc. These agreements provide financing for designated vehicles, implements and machinery acquired as a result of the Great Lakes merger. In addition, in April 2008 and June 2008, Green Plains Grain executed two separate operating leases for equipment with Axis Capital. The President and Chief Executive Officer of Axis Capital, Gordon F. Glade, is a member of our Board of Directors. Payments totaling approximately \$457,000 were made on these contracts during the 2008 transition period. At December 31, 2008, Green Plains Grain owed a total of \$1.5 million under these financing arrangements. In March 2009, a capital lease was executed between Axis Capital and Green Plains Superior LLC for a mobile railcar mover.

Beginning in February 2008, the Company entered into fixed-price ethanol purchase and sales agreements with Center Oil Company. The President and Chief Executive Officer of Center Oil Company is Gary R. Parker, a member of our Board of Directors. The sales agreements were executed to hedge prices for approximately 13.1 million gallons of our expected ethanol production from May 2008 to December 2008 for approximately \$28.9 million. We entered into offsetting purchase agreements with Center Oil Company totaling 4.2 million gallons, valued at approximately \$10.1 million, rather than delivering the ethanol. During the 2008 transition period, cash receipts and payments totaled \$18.8 million and \$0.4 million, respectively, on these contracts. At December 31, 2008, the Company did not have any outstanding payables under these purchase agreements and an amount receivable of \$4.4 million under these sales agreements. Also outstanding were sales agreements totaling 12.5 million gallons, or \$21.2 million, and purchase agreements totaling 1.0 million gallons, or \$1.6 million.

The Company entered into fixed-price ethanol sales and distillers grains purchase agreements with VBV and/or its subsidiaries subsequent to execution of the definitive merger agreement in May 2008 and prior to the merger. The sales agreements were executed for future deliveries of 1.5 million gallons of ethanol for approximately \$4.1 million. The purchase agreements were executed for future receipts of 180,000 tons of dried distillers grains for approximately \$27.5 million. We executed comparable sales contracts with outside parties for these dried distillers grains. Prior to completion of the VBV merger transaction on October 15, 2008, no ethanol sales and \$2.0 million in distillers grains purchases were executed under these agreements.

Policies and Procedures Regarding Related Party Transactions

The Board has adopted a written Related Party Policy governing related party transactions. The Related Party Policy requires the Audit Committee to review each Related Party Transaction (defined below) and determine whether it will approve or ratify such transaction.

For purposes of the Related Party Policy, a Related Party Transaction is any transaction, arrangement or relationships with a Related Party (defined below) where the aggregate amount involved is expected to exceed \$120,000 in any calendar year. Related Party includes (a) any person who is or was (at any time during the last fiscal year) an executive officer, director or nominee for election as a director; (b) any person or group who is a beneficial owner of more than 5% of the Company's voting securities; (c) any immediate family member of a person described in provisions (a) or (b) of this sentence; or (d) any entity in which any of the foregoing persons is employed, is a partner or has a greater than 10% beneficial ownership interest. Certain specified transactions are deemed preapproved by the Audit Committee.

In determining whether a Related Party Transaction will be approved or ratified, the Audit Committee may consider factors such as (a) the extent of the Related Party's interest in the transaction; (b) the availability of other sources of comparable products or services; (c) whether the terms are competitive with terms generally available in similar transactions with persons that are not Related Parties; (d) the benefit to the Company; and (e) the aggregate value of the transaction.

PROPOSAL 2

RATIFICATION AND APPROVAL OF THE

GREEN PLAINS RENEWABLE ENERGY, INC. 2009 EQUITY INCENTIVE PLAN

General Information

On March 10, 2009, the Board adopted, subject to shareholder approval, the Green Plains Renewable Energy, Inc. 2009 Equity Incentive Plan (the "2009 Equity Incentive Plan"). The purpose of the 2009 Equity Incentive Plan is to promote the interests of the Company and its shareholders by aligning the interests of participants with the interests of the Company's shareholders.

Equity awards are currently granted to employees, non-employee directors and consultants pursuant to the 2007 Equity Incentive Plan. As of April 6, 2009, approximately 132,000 shares remained available for awards under the 2007 Equity Incentive Plan. Additional awards may continue to be made under the 2007 Equity Incentive Plan until its termination.

The Board believes that equity incentive compensation is essential in attracting, retaining and motivating individuals. The flexibility of the 2009 Equity Incentive Plan in types and specific terms of awards will allow future awards to be based on then-current objectives for aligning compensation with shareholder value. Shareholder approval of the 2009 Equity Incentive Plan will permit the Company to award equity incentives that achieve these goals.

The following is a summary of the material terms of the 2009 Equity Incentive Plan and is qualified in its entirety by reference to the 2009 Equity Incentive Plan. A copy of the 2009 Equity Incentive Plan is included as Appendix A to this Proxy Statement and may also be obtained from us free of charge upon written request.

Summary of the 2009 Equity Incentive Plan

Administration

The Compensation Committee, which is comprised of four Independent Directors, will administer the 2009 Equity Incentive Plan and will have full power and authority to determine when and to whom awards will be granted, consistent with the provisions of the 2009 Equity Incentive Plan. Subject to the provisions of the 2009 Equity Incentive Plan, the Compensation Committee may amend or waive the terms and conditions, or accelerate the exercisability, of an outstanding award. The Compensation Committee has authority to interpret the 2009 Equity Incentive Plan, and establish rules and regulations for the administration of the 2009 Equity Incentive Plan.

Eligible Participants

Any employee, director or consultant of the Company or its subsidiaries, who is selected by the Compensation Committee, is eligible to receive an award under the 2009 Equity Incentive Plan. As of December 31, 2008, the Company had 308 employees and 8 non-employee Directors eligible to participate in the 2009 Equity Incentive Plan.

Shares and Amounts Available For Awards

The aggregate number of shares of Common Stock that may be issued under all stock-based awards made under the 2009 Equity Incentive Plan will be 1,000,000. Shares related to awards that are forfeited or expire unexercised shall be added back and shall be available again under the 2009 Equity Incentive Plan. Subject to adjustment for certain corporate transactions, no participant may be granted stock options or stock appreciation rights (SARs) in any year with respect to more than 500,000 shares, and no participant may be granted restricted stock, restricted stock units, performance shares and other stock-based awards in any year with respect to more than 500,000 shares. The maximum dollar value that may be earned by any participant in any 12-month period with respect to performance units that are intended to comply with the performance based exception under Section 162(m) of the Internal Revenue Code (the Code) and are denominated in cash is \$5,000,000.

Terms of Awards

General. Awards may be granted alone or in addition to any other award granted under the 2009 Equity Incentive Plan or any other compensation plan. Awards may be granted for no cash consideration or for cash or other consideration as determined by the Compensation Committee or as required by applicable law. Awards may provide that upon the grant or exercise thereof, the holder will receive cash, or shares of Common Stock, or any combination of these in a single payment. The exercise price per share under any stock option and the grant price of any SAR may not be less than the fair market value on the date of grant of such option or SAR. The fair market value of a share under the 2009 Equity Incentive Plan will be the closing price on any securities exchange or NASDAQ or other over-the-counter market on which the shares are listed on the date of determination. If the shares are not listed, the Compensation Committee will determine the fair market value of the shares. The term of awards will not be longer than 10 years.

Awards other than options and SARs may be granted subject to the achievement of performance goals. The performance goals may be established by the Compensation Committee from time to time. In the case of awards intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code, the performance goals may be one or more of the following business criteria:

.

.

The measure of performance may be set by reference to an absolute standard or a comparison to specified companies or groups of companies, and may be established separately for the Company as a whole or for our various groups, divisions or subsidiaries. The Compensation Committee shall establish performance goals and target awards for participants within the time prescribed by, and otherwise shall comply with Section 162(m) of the Code.

Stock Options. The holder of an option will be entitled to purchase a number of shares of Common Stock at a specified exercise price during a specified time period, all as determined by the Compensation Committee. The option exercise price may be payable either in cash or in previously-acquired shares of Common Stock, or at the discretion of the Compensation Committee, by any other lawful means. Options will be either incentive stock options (ISOs) within the meaning of Section 421 of the Code or nonqualified stock options and will vest and become exercisable in accordance with a vesting schedule established by the Compensation Committee. The exercise price will be established by the Committee and cannot be less than the fair market value of a share on the date of grant; the exercise price of an incentive stock option granted to an employee who owns 10% or more of the combined voting power of our stock will not be less than 110% of the fair market value of a share on the date of grant. The aggregate fair market value of Common Stock for which ISOs are granted and which are first exercisable in any one calendar year by any

one employee may not exceed \$100,000 in fair market value, which is determined as of the date of the grant.

Stock Appreciation Rights. The holder of a SAR is entitled to receive the excess of the fair market value, calculated as of the exercise date, of a specified number of shares of Common Stock over the grant price of the SAR. Such amount shall be paid in shares of Common Stock or in cash, as specified in the award agreement. SARs shall vest and become exercisable in accordance with a vesting schedule established by the Compensation Committee.

Restricted Stock and Restricted Stock Units. The holder of restricted stock will own shares of Common Stock subject to restrictions imposed by the Compensation Committee for a specified time period determined by the Compensation Committee. The holder of restricted stock will be entitled to vote the shares and to receive any dividends declared on the shares; however, any dividends declared in shares will be subject to the same restrictions as the underlying shares. The holder of restricted stock units will have the right, subject to any restrictions imposed by the Compensation Committee, to receive shares of Common Stock, at some future date determined by the Compensation Committee. The holder of restricted stock units will not have voting rights but will receive dividends paid with respect to the underlying shares. The Compensation Committee may award restricted stock or restricted stock units subject to satisfaction of performance goals, which may include awards intended to qualify as performance-based compensation under Section 162(m) of the Code. If the participant's employment terminates during the vesting period for any other reason, the Restricted Stock and Restricted Stock Units will be forfeited, unless the Compensation Committee determines that it would be in the Company's best interest to waive any remaining time-based restrictions.

Performance Awards. Performance awards give participants the right to receive payments in cash, or shares based solely upon the achievement of certain performance goals during a specified performance period. Any shares granted may be subject to any restrictions as determined by the Compensation Committee. Performance awards granted under the 2009 Equity Incentive Plan may qualify as performance-based compensation within the meaning of Section 162(m) of the Code.

Stock-Based Awards. The Compensation Committee may grant other equity-based awards, including unrestricted shares of our Common Stock, subject to terms and conditions determined by the Compensation Committee and limitations imposed by the 2009 Equity Incentive Plan. The awards may be conditioned on meeting performance goals and may be structured to qualify as performance-based compensation within the meaning of Section 162(m) of the Code.

Duration, Termination and Amendment. Unless discontinued or terminated by the Board, the 2009 Equity Incentive Plan will expire on May 6, 2019. No awards may be made after that date. However, unless otherwise expressly provided in an applicable award agreement, any award granted under the 2009 Equity Incentive Plan prior to expiration may extend beyond the end of such period through the award's normal expiration date.

The Board may amend, alter or discontinue the 2009 Equity Incentive Plan at any time, although shareholder approval must be obtained if required to maintain compliance with the Code, by any applicable law or for any action that would, absent such approval, violate the rules and regulations of any securities exchange applicable to the Company.

Repricing Awards

The Compensation Committee may cancel outstanding options and SARs and replace them with either new options or SARs covering the same or a different number of shares but with an exercise price not less than fair market value on the new grant date, or with cash or shares, either vested or unvested, equal in value to the cancelled options or SARs. The Compensation Committee also may reduce the exercise price of options or SARs to a price not less than the then current fair market value of Common Stock on the date of adjustment.

Change in Control

Upon change in control, as defined in the 2009 Equity Incentive Plan, all outstanding options, SARs, restricted stock and restricted stock units that are not converted into similar awards with respect to the survivor or successor parent corporation shall become fully vested and, in the case of options and SARs, fully exercisable. Options, SARs, restricted stock and restricted stock units that are converted into similar awards with respect to the survivor or successor parent corporation upon a change in control shall vest and, in the case of options and SARs, become fully exercisable upon a qualifying termination, as defined in the 2009 Equity Incentive Plan.

Unless provided otherwise in an award agreement or employment agreement, performance shares will be converted into restricted stock upon a change in control. If the restricted stock is not converted into stock or units of the survivor or successor parent corporation, the restricted stock will vest upon a change in control, and if the restricted stock is converted into stock or units of the survivor or successor parent corporation, it will vest upon a qualifying termination.

Unless otherwise provided in an award agreement or employment agreement, performance units shall be converted into time-vesting restricted cash upon a change in control, and will vest upon a qualifying termination or in accordance with the vesting schedule under the original award if earlier.

Transferability of Awards

Unless otherwise provided by the Compensation Committee, awards under the 2009 Equity Incentive Plan may only be transferred by will or by the laws of descent and distribution. The Compensation Committee may permit a participant to transfer all or a portion of his awards to members of his immediate family, to trusts for the benefit of immediate family members, or to family limited partnerships in which the participant and his family members are the only partners.

Federal Income Tax Consequences

Grant of Stock Options and SARs. The grant of a stock option or SAR is not expected to result in any taxable income for the recipient.

Exercise of Options and SARs. Upon exercising a non-qualified stock option, the optionee must recognize ordinary income equal to the excess of the fair market value of the shares of Common Stock acquired on the date of exercise over the exercise price, and the Company will generally be entitled at that time to an income tax deduction for the same amount. The holder of an incentive stock option generally will have no taxable income upon exercising the option (except that an alternative minimum tax liability may arise), and the Company will not be entitled to an income tax deduction. Upon exercising a SAR, the amount of any cash received and the fair market value on the exercise date of any shares of Common Stock received are taxable to the recipient as ordinary income and generally deductible by the Company, subject to the limits of Section 162(m) of the Code if applicable.

Disposition of Shares Acquired Upon Exercise of Options and SARs. The tax consequence upon a disposition of shares acquired through the exercise of an option or SAR will depend on how long the shares have been held and whether the shares were acquired by exercising an incentive stock option, a non-qualified stock option or SAR. Generally, there will be no tax consequence to the Company in connection with the disposition of shares acquired under a non-qualified option or SAR. If shares purchased pursuant to the exercise of an ISO are not disposed of by the employee within two years from the date of grant of the option or within one year after the transfer of shares to him, the entire gain, if any, realized upon disposition will be taxable to the employee as long-term capital gain or loss and the Company will not be entitled to any federal income tax deduction. If an employee sells or exchanges the shares acquired under an ISO before the expiration of the required holding period, the employee will realize ordinary income in the year of such disposition in an amount equal to the difference between the option price and the lesser of the fair market value of the shares on the date of exercise (minus the exercise price) or the selling price (minus the exercise price). In such event, the Company will be entitled to a tax deduction in the year of disposition equal to the amount of ordinary income recognized by the employee, subject to the limits of Section 162(m) of the Code if applicable.

Awards Other than Options and SARs. As to other awards granted under the 2009 Equity Incentive Plan that are payable either in cash or shares of Common Stock that are either transferable or not subject to substantial risk of forfeiture, the holder of the award must recognize ordinary income equal to (a) the amount of cash received or, as applicable, (b) the excess of (i) the fair market value of the shares received (determined as of the date of receipt) over (ii) the amount (if any) paid for the shares by the holder of the award. The Company will generally be entitled at that time to an income tax deduction for the same amount.

As to an award that is payable in shares of Common Stock that are restricted from transfer and subject to a substantial risk of forfeiture, unless a special election is made by the holder of the award under the Code, the holder must recognize ordinary income equal to the excess of (i) the fair market value of the shares received (determined as of the first time the shares become transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (ii) the amount (if any) paid for the shares by the holder of the award. The Company will generally be entitled at that time to an income tax deduction for the same amount.

Tax Deductibility and Section 162(m). Section 162(m) places a \$1,000,000 annual limit on the deductible compensation of certain executives of publicly traded corporations. The limit, however, does not apply to qualified performance-based compensation. The 2009 Equity Incentive Plan is designed so that awards made thereunder may qualify for the performance-based compensation exception to the deductibility limit, assuming that the 2009 Equity Incentive Plan is approved by stockholders.

Application of Section 16. Special rules may apply to individuals subject to Section 16 of the Exchange Act. In particular, unless a special election is made pursuant to the Code, shares received through the exercise of a stock option or SAR may be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period of up to six months after the date of exercise. Accordingly, the amount of any ordinary income recognized and the amount of our income tax deduction will be determined as of the end of that period.

Delivery of Shares for Tax Obligation. Under the 2009 Equity Incentive Plan, the Compensation Committee may permit participants receiving or exercising awards, subject to the discretion of the Compensation Committee and upon such terms and conditions as it may impose, to deliver shares of Common Stock (either shares received upon the receipt or exercise of the award or shares previously owned by the holder of the option) to the Company to satisfy federal and state income tax obligations.

New Plan Benefits

Todd A. Becker and Wayne B. Hoovestol will be awarded 100,000 and 30,000 shares of restricted stock, respectively, subject to approval of the 2009 Equity Incentive Plan by stockholders. The Compensation Committee, in its sole discretion, will determine the number and types of other awards that will be granted. Thus, it is not possible to determine the benefits that will be received by eligible participants if the 2009 Equity Incentive Plan were to be approved by the shareholders. The closing price of a share of our Common Stock as reported on NASDAQ on April 6, 2009, was \$2.70.

Board Voting Recommendation

Upon the recommendation of management, the Board adopted the Green Plains Renewable Energy, Inc. 2009 Equity Incentive Plan and recommends to the shareholders that they vote FOR the approval of the plan. The affirmative vote of the holders of a majority of the voting power of the shares present, in person or by proxy, and entitled to vote (excluding broker non-votes) is required to approve the 2009 Equity Incentive Plan. It is intended that, unless otherwise instructed, the shares represented by the Proxy (other than broker non-votes) will be voted For the approval of the 2009 Equity Incentive Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION AND ADOPTION OF THE GREEN PLAINS RENEWABLE ENERGY, INC. 2009 EQUITY INCENTIVE PLAN.

The Company has adopted policies and procedures for pre-approval of all audit and non-audit services to be provided to the Company by its independent auditor. It is the Company's policy that the Audit Committee pre-approve all audit, tax and other non-audit services. A proposal for audit or non-audit services must include a description and purpose of the services, estimated fees and other terms of the services. To the extent a proposal relates to non-audit services, a determination that such services qualify as permitted non-audit services and an explanation as to why the provision of such services would not impair the independence of the independent auditor are also required.

All of the services provided by Bradford during our transition nine-month period ended December 31, 2008 were approved in advance by our Audit Committee. Based on these discussions, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Company's transition report on Form 10-K for the fiscal period ended on December 31, 2008.

4.4

Delegation by the Committee. The Committee, in its sole discretion and on such terms and conditions as it may provide, may delegate all or any part of its authority and powers under the Plan to one or more officers of the Company; provided, however, that the Committee may not delegate its authority and powers in any way which would jeopardize the Plan's qualification under Rule 16b-3 and may not delegate its authority and powers with respect to any Award that is intended to qualify as performance-based compensation.

SHARES SUBJECT TO THE PLAN

5.1

Number of Shares. Subject to adjustment as provided in Section 5.4, the total number of Shares available for grant under the Plan shall not exceed 1,000,000 Shares, plus any shares remaining available for grant under the Prior Plan on the effective date of the Plan. Shares granted under the Plan may be either authorized but unissued Shares or treasury Shares, or any combination thereof.

5.2

(a)

Lapsed Awards. Unless determined otherwise by the Committee, Shares related to Awards that are forfeited, terminated or expire unexercised, shall be available for grant under the Plan. Shares that are tendered by a Participant to the Company in connection with the exercise of an Award, withheld from issuance in connection with a Participant's payment of tax withholding liability, settled in cash in lieu of Shares, or settled in such other manner so that a portion or all of the Shares included in an Award are not issued to a Participant shall be available for grant under the Plan. Shares related to awards granted under the Prior Plan that are forfeited, terminated or expire unexercised, shall also be available for grant under the Plan. Shares that are tendered by a Participant to the Company in connection with the exercise of an award granted under the Prior Plan, withheld from issuance in connection with a Participant's payment of tax withholding liability, settled in cash in lieu of Shares, or settled in such other manner so that a portion or all of the Shares included in an award granted under the Prior Plan are not issued to a Participant shall also be available for grant under the Plan.

(b)

Substitute Awards. Substitute Awards shall not reduce the Shares authorized for grant under the Plan or authorized for grant to a Participant in any calendar year. Additionally, in the event that a company acquired by the Company or any Subsidiary or with which the Company or any Subsidiary combines has shares available under a pre-existing plan approved by shareholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan; provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Directors prior to such acquisition or combination.

5.3

Limitations on Grants to Individual Participants. Subject to adjustment as provided in Section 5.4, no Participant may be granted (i) Options or Stock Appreciation Rights during any Fiscal Year with respect to more than 500,000 Shares or (ii) Shares of Restricted Stock, Restricted Stock Units, Performance Shares and/or other Stock-Based Awards in any Fiscal Year that are intended to comply with the performance-based exception under Code Section 162(m) and are denominated in Shares with respect to more than 500,000 Shares (the Limitations). In addition to the foregoing, the maximum dollar value that may be earned by any Participant in any 12-month period with respect to Performance Units that are intended to comply with the performance-based exception under Code Section 162(m) and are denominated in cash is \$5,000,000. If an Award is cancelled, the cancelled Award shall continue to be counted toward the applicable Limitations.

5.4

Adjustments in Awards and Authorized Shares. In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split, reverse stock split, spin-off, separation, liquidation, combination, or other similar transaction or change in the corporate structure of the Company affecting the Shares or the value thereof, the Committee shall adjust the number and class of Shares which may be delivered under the Plan, the number, class and price of Shares subject to outstanding Awards, and the numerical limits of Sections 5.1 and 5.3 in such manner as the Committee shall determine to be advisable or appropriate, taking into consideration the accounting and tax consequences, to prevent the dilution or diminution of such Awards. Any such numerical limitations shall be subject to adjustment under this Section only to the extent such adjustment will not affect the status of any Award intended to qualify as performance-based compensation under section 162(m) of the Code or the ability to grant or the qualification of Incentive Stock Options under the Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on all Participants.

5.5

Restrictions on Share Transferability. Except as otherwise provided by the Committee or the Board, as the case may be, Awards granted under the Plan shall be non-transferable, and its terms shall state that it is non-transferable and that, during the lifetime of the Participant, shall be exercisable only by the Participant; notwithstanding the foregoing, Awards shall be transferable by will or the laws of descent and distribution. Notwithstanding the foregoing, the Committee may, in its discretion, permit a Participant to transfer all or a portion of his or her awards to members of his or her immediate family, to trusts established for the benefit of members of his or her immediate family, or to family limited partnerships in which the Participant and immediate family members are the only partners, provided that the Participant may receive no consideration for such transfers, and that such transferred award shall be subject to all of the terms and conditions of the Plan and the Award Agreement relating to the transferred award. The Committee may impose such restrictions on any Award of Shares or Shares acquired pursuant to the exercise of an Award as it may deem advisable or appropriate, including, but not limited to, restrictions related to applicable Federal securities laws, the requirements of any national securities exchange or system upon which Shares are then listed or traded, and any blue sky or state securities laws.

ARTICLE VI

The Committee may grant Incentive Stock Options, Nonqualified Stock Options, or any combination thereof. No more than 1,000,000 Shares may be issued as Incentive Stock Options under the Plan.

6.2

Award Agreement. Each Option shall be evidenced by an Award Agreement that shall specify the Exercise Price, the expiration date of the Option, the number of Shares to which the Option pertains, any conditions to exercise of the Option and such other terms and conditions as the Committee shall determine. The Award Agreement shall also specify whether the Option is intended to be an Incentive Stock Option or a Nonqualified Stock Option.

6.3

Exercise Price. Subject to the provisions of this Section 6.3, the Exercise Price for each Option shall be determined by the Committee and shall be provided in each Award Agreement.

(a)

Nonqualified Stock Options. In the case of a Nonqualified Stock Option, the Exercise Price shall not be less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date; provided, however, in no case shall the Exercise Price be less than the par value of such Share.

(b)

Incentive Stock Options. In the case of an Incentive Stock Option, the Exercise Price shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date; or one hundred ten percent (110%) of the Fair Market Value of a Share if the Participant (together with persons whose stock ownership is attributed to the Participant pursuant to section 424(d) of the Code) owns on the Grant Date stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries; provided, however, in no case shall the Exercise Price be less than the par value of such Share.

(c)

Substitute Options. Notwithstanding the provisions of Sections 6.3(a) and 6.3(b), in the event that the Company consummates a transaction described in section 424(a) of the Code, persons who become Participants on account of such transaction may be granted Options in substitution for options granted by such former employer or recipient of services. If such substitute Options are granted, the Committee, consistent with section 424(a) of the Code, may determine that such substitute Options shall have an exercise price less than one hundred (100%) of the Fair Market Value of the Shares on the Grant Date.

6.4

6.5

Exercisability of Options. Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall determine. After an Option is granted, the Committee may accelerate or waive any condition constituting a substantial risk of forfeiture applicable to the Option. The Committee may not, after an Option is granted, extend the maximum term of the Option.

6.6

Payment. Options shall be exercised by a Participant's delivery of a written notice of exercise to the Secretary of the Company (or its designee), setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

6.7

Upon the exercise of an Option, the Exercise Price shall be payable to the Company in full in cash or its equivalent. The Committee may also permit exercise (a) by tendering previously acquired Shares (either actually or by attestation) having an aggregate Fair Market Value at the time of exercise equal to the total Exercise Price, or (b) by any other means which the Committee determines to provide legal consideration for the Shares, and to be consistent with the purposes of the Plan.

6.8

As soon as practicable after receipt of a written notification of exercise and full payment for the Shares purchased, the Company shall deliver to the Participant, Share certificates representing such Shares. Until the issuance of the stock certificates, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Shares as to which the Option has been exercised. No adjustment will be made for a dividend or other rights for which a record date is established prior to the date the certificates are issued.
