Item 7.01 Regulation FD Disclosure.

As previously reported, Cleco Power LLC (“Cleco Power”), a wholly owned subsidiary of Cleco Corporation, has been taking steps since 2009 to join the Midcontinent Independent System Operator, Inc. (MISO), a multi-regional transmission organization, as a fully integrated transmission-owning member. On December 19, 2013, Cleco Power successfully integrated into the MISO market. MISO offers customers more reliable power through regional transmission planning and coordination. Cleco Power will retain ownership of its transmission system and maintain responsibility for local system reliability planning as a MISO member. A copy of the press release announcing the successful integration to MISO is furnished herewith as Exhibit 99.1.

Item 8.01 Other Events.

Please see the disclosure set forth under “Item 7.01 Regulation FD Disclosure”, which is incorporated by reference into this Item 8.01.

The information set forth in Exhibit 99.1 is being furnished, not filed, for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to liabilities under that section. Accordingly, the information in Exhibit 99.1 will not be incorporated by reference into any registration statement filed by Cleco Corporation or Cleco Power, under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference. The furnishing of the information in this report is not intended to, and does not, constitute a determination or admission by Cleco Corporation or Cleco Power that the information in this report is material or complete, or that investors should consider this information before making an investment decision with respect to any security of Cleco Corporation or of any of its subsidiaries, including Cleco Power.
