**Item 1.01 Entry into a Material Definitive Agreement**

On September 18, 2006, The Blackhawk Fund (the “Company”) entered into an Investment Agreement with Dutchess Private Equities Fund, II, L.P. (the “Investor”). Pursuant to this Agreement, the Investor shall commit to purchase up to \$10,000,000 of the Company’s common stock over the course of thirty-six (36) months. The amount that the Company shall be entitled to request from each purchase (“Puts”) shall be equal to, at the Company’s election, either (i) \$250,000 or (ii) 200% of the average daily volume (U.S. market only) of the common stock for the ten (10) trading days prior to the applicable put notice date, multiplied by the average of the three (3) daily closing bid prices immediately preceding the put date. The put date shall be the date that the Investor receives a put notice of a draw down by the Company. The purchase price shall be set at ninety-three percent (93%) of the lowest closing Best Bid price of the common stock during the pricing period. The pricing period shall be the five (5) consecutive trading days immediately after the put notice date. There are put restrictions applied on days between the put date and the closing date with respect to that particular Put. During this time, the Company shall not be entitled to deliver another put notice. Further, the Company shall reserve the right to withdraw that portion of the Put that is below seventy-five percent (75%) of the lowest closing bid prices for the 10-trading day period immediately preceding each put notice.

The Company is obligated to file a registration statement with the Securities and Exchange Commission (“SEC”) covering the shares of common stock underlying the Investment Agreement within 21 days after the closing date. In addition, the Company is obligated to use all commercially reasonable efforts to have the registration statement declared effective by the SEC within 90 days after the closing date.

**Item 3.02 Unregistered Sales of Equity Securities**

See Item 1.01 above.

The Company claims an exemption from the registration requirements of the Securities Act of 1933, as amended (the “Act”) for the private placement of these securities pursuant to Section 4(2) of the Act and/or Rule 506 of Regulation D promulgated thereunder since, among other things, the transaction does not involve a public offering, the Investor is an “accredited investor” and/or qualified institutional buyer, the Investor has access to information about the Company and its investment, the Investor will take the securities for investment and not resale, and the Company is taking appropriate measures to restrict the transfer of the securities.
