Other Events

On December 1, 2011, Worthington Industries, Inc. (the "Registrant"), through a wholly-owned subsidiary, acquired the propane cylinder business of The Coleman Company, Inc. ("Seller"). The purchase price was approximately \$23 million.

The addition of this facility to the Registrant's Pressure Cylinders (Worthington Cylinders) reportable segment, adds to Worthington Cylinders' core competency of pressure cylinder manufacturing and provides added flexibility in supplying its customers. Under a trademark license agreement with Seller, Worthington Cylinders will offer certain propane fuel cylinders under the Coleman® brand name and trademark.
