Proxies are being solicited by mail and may also be solicited in person or by telephone, telefacsimile, or other means of electronic transmission by directors, officers, and employees of the Company. It is contemplated that additional solicitation of proxies will be made by Transfer On-Line, 317 SW Alder Street, Second Floor, Portland, Oregon 97204 at an anticipated cost to the Company of approximately \$1,000, including reimbursement of out-of-pocket expenses.

At the Annual Meeting, stockholders will be asked to approve the following: (a) To elect a slate of director nominees to serve on the Board of Directors of the Company: Robert P. Atwell, Albert A. Edgar Filing: Camelot Entertainment Group, Inc. - Form DEF 14A

A copy of the Annual Report to Shareholders on Form 10-KSB filed with the Securities and Exchange Commission describing the Company's operations during the fiscal year ended December 31, 2003 and a copy of our Quarterly Reports to Shareholders on Form 10Q-SB can be viewed on our web site at www.Camelotfilms.com and copies of all our filings are available for viewing at www.sec.gov and are hereby incorporated by reference.

PROXIES AND VOTING AT THE MEETING

Record Date and Voting Rights

The Board of Directors has fixed the close of business on July 26, 2004 as the record date (the "Record Date") for the determination of the stockholders of record entitled to receive notice of, and to vote at, the Annual Meeting or any adjournment thereof. At the close of business on the Record Date, there were 61,783,638 shares of the Company's \$0.001 par value per share common stock ("Common Stock"), issued and outstanding, held by 105 shareholders. The Common Stock is the only class of voting securities outstanding entitled to vote at the Annual Meeting. Each share of Common Stock outstanding on the Record Date entitles the record holder to cast one vote with respect to each matter to be voted upon at the Annual Meeting. The presence of a majority of the Company's outstanding Common Stock as of the Record Date, in person or represented by proxy, will constitute a quorum at the Annual Meeting.

Under Delaware law, approval of the proposals to be submitted to the stockholders requires the affirmative vote of at least a majority of the Common Stock present at the meeting and entitled to vote on the subject matter.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by one or more inspectors of election appointed prior to the Annual Meeting, who also will determine whether a quorum is present. In the event of any abstentions or broker non-votes with respect to any proposal coming before the Annual Meeting, the proxy will be counted as present for purposes of determining the existence of a quorum; but since they are neither a vote cast in favor of, nor a vote cast against, a proposed action, abstentions and broker non-votes typically will not be counted as a vote cast on any routine matter. A broker non-vote generally occurs when a broker who holds shares in street name for a customer does not have authority to vote on certain non-routine matters because its customer has not provided any voting instructions on the matter. Therefore, abstentions and broker non-votes generally have no effect under Delaware law with respect to the election of directors or other matters requiring the approval of only a majority of the shares of Common Stock present and voting at the meeting.

Voting and Revocation of Proxies

All properly executed proxies received prior to or at the Annual Meeting will be voted in accordance with the instructions indicated on such proxies, if any. If no instructions are indicated with respect to any shares for which properly executed proxies have been received, such proxies will be voted FOR the election of five directors to serve on the Board of Directors of the Company: Robert P. Atwell, Albert A. Golusin, Jane Olmstead, Rounseville Schaum and H. K. Dyal III; FOR the ratification of the selection of the Company's auditors, Epstein Weber and Conover, PLC, of Scottsdale, Arizona; FOR the acquisition of Camelot Films, Inc., a Delaware

corporation, Camelot Films, Inc., a Nevada corporation, Camelot Films, Inc., a California corporation, and establishing Dstage.com, Inc., a Delaware corporation newly formed in April, 2004, each to serve as subsidiaries of the Company; FOR the ratification of all actions taking by the Company's directors since the last shareholder meeting; FOR authorizing the directors to commence with a SB-2 registration with the Securities and Exchange Commission; FOR authorizing the directors to amend the by-laws or adopt new by-laws; and FOR transacting such other business as may properly come before the meeting The Company is not aware of any matter to be presented at the Annual Meeting other than those matters described in the Notice of Annual Meeting. If, however, any other matters are properly brought before the Annual Meeting for consideration, the persons appointed as proxies will have the discretion to vote or act thereon according to their best judgment.

Any stockholder giving a proxy may revoke it at any time before it is exercised by duly executing and submitting a later-dated proxy, by delivering written notice of revocation to the Company which is received at or before the Annual Meeting, or by voting in person at the Annual Meeting (although attendance at the Annual Meeting will not, in and of itself, constitute a revocation of the proxy). Any written notice revoking a proxy should be sent to the Secretary of the Company at the Company's principal executive offices, located at the address set forth above.

In order to fully implement our new business model, we will need to begin the process of raising the funding necessary to begin production on our slate of pictures. Management has begun the process of preparing a SB-2 registration filing with the Securities and Exchange Commission. The Board of Directors is asking the shareholders to authorize management to proceed with the SB-2 Registration and to establish, with Board of Director approval, the parameters of the registration, including the amount of funds to be raised, the terms and conditions of the contemplated funding, and the preparation and completion of one or more private placements.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR AUTHORIZING MANAGEMENT TO PROCEED WITH THE SB-2 REGISTRATION.

Section 16(a) Beneficial Ownership Reporting Compliance

Executive officers, directors and greater than 10 percent shareholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that, with respect to fiscal year 2003, all filing requirements applicable to its executive officers, directors and 10 percent shareholders were met.

RELATIONSHIP AMONG DIRECTORS OR EXECUTIVE OFFICERS

Edgar Filing: Camelot Entertainment Group, Inc. - Form DEF 14A

There are no family relationships between any director or executive officer and any other director or executive officer.

COMPENSATION OF DIRECTORS

At present, no directors are compensated for serving as members of the Board, although all directors are entitled to be reimbursed for certain expenses in connection with attendance at Board and committee meetings.

BOARD MEETINGS AND COMMITTEES

The Board held a total of six meetings (including regularly scheduled and special meetings) during fiscal 2003. With the exception of Mr. Schaum, each of the incumbent directors attended at least 75% of the aggregate of all meetings of the Board and any meetings of committees of the Board on which he or she served.

The Board has a standing Audit Committee and Compensation Committee. The Board does not currently have a formal nominating committee or a governance committee. The functions customarily performed by nominating and governance committees are performed by the independent members of the Board who make recommendations to the full Board regarding candidates for nomination and the size and composition of the Board. The independent members of the Board monitor the mix of skills, experience and background of the Board to ensure it maintains the necessary composition to effectively perform its oversight functions.

Page - 16

The independent members of the Board will from time to time solicit and receive recommendations for candidates from members of the Board, senior level executives, individuals personally known to the members of the Board, and third party search firms as appropriate. In order to be considered for membership on the Board, a candidate should possess, at a minimum, the following qualifications:

high personal and professional ethics and integrity;

commitment to representing the long-term interests of shareholders;

objectivity, practical and mature judgment; and

willingness to understand the business of the Company and to devote adequate time to carry out his or her duties.

The independent members of the Board believe that their processes effectively serve the functions of nominating and governance committees, and do not believe there is a need for a separate, formal nominating or governance committee. Although there is no formal policy regarding shareholder nominees, the independent members of the Board believe that shareholder nominees should be viewed in substantially the same manner as other nominees. The consideration of any candidate for director will be based on the independent members of the Board's assessment of the individual's background, skills and abilities, and if such characteristics qualify the individual to fulfill the needs of the Board at that time. Shareholders wishing to propose nominees for consideration for the Board should submit the candidate's name and qualifications to our Corporate Secretary prior to the deadlines set forth under *Deadline for Future Proposals of Shareholders* in this Proxy Statement.

The Audit Committee currently consists of Mr. Golusin and Mrs. Olmstead. The Audit Committee held two meetings (including regularly scheduled and special meetings) in fiscal 2003.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board is providing the following report on executive compensation in accordance with the rules and regulations of the SEC. This report outlines the policies of the Compensation Committee with respect to executive compensation, the various components of the Company's compensation program for executive officers, and the basis on which the 2003 compensation for the Company's Chief Executive Officer was determined.

The information contained in the following report shall not be deemed to be *soliciting material* or to be *filed* with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates it by reference into such filing.

General

The Compensation Committee's functions include:

determining all forms of compensation of the Company's Chief Executive Officer;

Edgar Filing: Camelot Entertainment Group, Inc. - Form DEF 14A

reviewing and approving all forms of compensation for the other executive officers, including salary, bonuses and stock options;

consulting with management regarding compensation and benefits for non-executive officers and other employees; and

overseeing our compensation and benefits policies generally.

Compensation Policies

The Company's executive compensation policies have two principal goals: (1) attracting, rewarding and retaining executives, and (2) motivating executives to achieve short-term and long-term corporate goals that enhance stockholder value. Accordingly, the Compensation Committee's objectives are to:

Page - 19

offer compensation opportunities that attract and retain executives whose abilities are critical to the Company's long-term success and motivate individuals to perform at their highest level;

tie in a significant portion of the executive's total compensation to achievement of financial, organizational, management and personal performance goals; and

reward outstanding individual performance by an executive officer that contributes to the Company's long-term success.

Compensation of Executive Officers Generally

The Company's compensation program for its executives will emphasize variable compensation, primarily through grants of short and long term performance based incentives. Executive compensation will generally consist of the following: (i) base salary; (ii) incentive bonuses; and (iii) long-term equity incentive awards in the form of stock option grants. Each executive officer's compensation package will be designed to provide an appropriately weighted mix of these elements. We expect to implement our compensation program during fiscal year 2004.

Base Salary. Base salary levels for each of the Company's executive officers, including the Chief Executive Officer, are expected to be set within a range of base salaries that the Board (through the Compensation Committee or in its entirety) believes reflect market salaries for similar executive officers at comparable companies. Commercially available compensation surveys are expected to be used to determine that such range is at or near the levels paid by comparable companies engaged in the motion picture industry and located within comparable geographical locations. The Board does not expect to use formulas but instead plans to exercise its judgment based on considerations including overall responsibilities and the importance of these responsibilities to the Company's success, experience and ability, past short-term and long-term job performance and salary history. In addition, in reviewing executive salaries generally and in setting the salary of the Chief Executive Officer, the Compensation Committee generally plans to take into account the Company's past financial performance and future expectations, as well as changes in the executives' responsibilities.

Incentive Bonuses. The Compensation Committee will recommend the payment of bonuses to provide an incentive to executive officers to be productive over the course of each fiscal year and to bring the total cash-based compensation to market levels. A portion of these bonuses will

be awarded if the Company achieves or exceeds certain corporate performance objectives and a portion of these bonuses will be awarded if the executive achieves or exceeds certain personal goals.

Page - 20

Equity Incentives. Stock options will be used by the Company as long-term compensation to provide a stock-based incentive to improve the Company's financial performance and to assist in the recruitment, retention and motivation of professional, managerial and other personnel. Generally, stock options will be granted to executive officers from time to time based primarily upon the individuals' actual and/or potential contributions to the Company and the Company's financial performance. Stock options will be designed to align the interests of the Company's executive officers with those of its shareholders by encouraging executive officers to enhance the value of the Company, the price of its Common Stock, and hence, the shareholders' return. In addition, the vesting of stock options over a period of time is designed to create an incentive for the individual to remain with the Company. The Company plans to grant options to the executives on an ongoing basis to provide continuing incentives to the executives to meet future performance goals and to remain with the Company.

Compensation of the Chief Executive Officer and Chief Financial Officer

The Compensation Committee annually reviews the performance and compensation of the Chief Executive Officer based on the assessment of his past performance, its expectation of his future contributions to the Company's performance and the compensation paid to chief executive officers of comparable companies. Robert P. Atwell served as the Company's Chief Executive Officer in 2003. In 2003, Mr. Atwell received a base salary of \$250,000, for which he accepted Common Stock in lieu of cash consideration. Albert Golusin served as the Company's Chief Financial Officer in 2003. Mr. Golusin received a base salary of \$100,000, for which he accepted Common Stock in lieu of cash consideration.

For 2004, the Compensation Committee recommended, and the Audit Committee and Board have approved, setting the base salary of Mr. Atwell to be \$250,000 and setting the base salary of Mr. Golusin to be \$100,000. The Compensation Committee believes the compensation to be paid to Mr. Atwell and Mr. Golusin for 2004 is reasonable.

Policy with Respect to Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code imposes a limit on tax deductions for annual compensation (other than performance-based compensation) in excess of one million dollars paid by a corporation to its chief executive officer or any of its other four most highly compensated executive officers in a single year. The Company has not established a policy with regard to Section 162(m) of the Code, since the Company has not and does not currently anticipate paying cash compensation in excess of one million dollars per annum to any employee. The Board of Directors will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, may be appropriate in the future.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Company's Board is providing the following report in accordance with the rules and regulations of the SEC. The information contained in the following report shall not be deemed to be *soliciting material* or to be *filed* with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates it by reference into such filing.

Audit Committee Membership

The Audit Committee of our Board of Directors consists of two members one of which is not our employee or an employee of our subsidiaries. One member of the Audit Committee, Jane Olmstead, qualifies as an *independent* director. The members of the Audit Committee for fiscal year 2003 were Al Golusin and Jane Olmstead. We expect Mr. Golusin and Mrs. Olmstead to continue on the Audit Committee for fiscal year 2004.

Role of the Audit Committee

The purpose of the Audit Committee is to assist the Board of Directors in its oversight of our accounting and financial reporting processes, the audits of our financial statements, and our system of internal controls. The Audit Committee's primary responsibilities are to:

appoint, compensate, and oversee the work of the independent auditor;

review the independent auditor's activities, performance, independence and fee arrangements;

request certain information from, and discuss certain matters with, the independent auditor as required by applicable accounting standards; and

review with management, before release, our audited annual financial statements and unaudited interim financial statements, including the Management's Discussion and Analysis of Financial Condition and Results of Operations section of our annual report on Form 10-KSB and quarterly reports on Form 10-QSB.

Management is responsible for: (i) the preparation and presentation of our financial statements; (ii) our accounting and disclosure principles; and (iii) our internal controls over financial reporting designed to ensure compliance with accounting standards, applicable laws and regulations. Epstein Weber and Conover, PLC, of Scottsdale, Arizona, our independent auditor for fiscal 2003, was responsible for performing an independent audit of the consolidated financial statements in accordance with auditing standards generally accepted in the United States.

Review of Audited Financial Statements for Fiscal Year ended December 31, 2003

Our Audit Committee has reviewed and discussed our audited financial statements with management. In addition, the Audit Committee has discussed with Epstein Weber and Conover, PLC, our independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

Edgar Filing: Camelot Entertainment Group, Inc. - Form DEF 14A

Based on the review and discussions referred to above, the Audit Committee recommended to our Board of Directors, and it approved and ratified, the inclusion of the audited consolidated financial statements in our Annual Report on Form 10-KSB for the year ended December 31, 2003, as filed with the SEC.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditor. Accordingly, the Audit Committee oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Epstein Weber and Conover, PLC, was in fact *independent*.
