Overview

We develop and operate restaurant-brewpubs under the name Big Buck Brewery & Steakhouse. Until May 1995 when we opened our first unit in Gaylord, Michigan, we had no operations or revenues and our activities were devoted solely to development. In March 1997, we opened our second unit in Grand Rapids, Michigan, and in October 1997, we opened our third unit in Auburn Hills, Michigan, a suburb of Detroit. In August 2000, we opened our fourth unit in Grapevine, Texas, a suburb of Dallas. This unit is owned and operated by Buck & Bass pursuant to our joint venture agreement with Bass Pro.

We had planned, subject to obtaining adequate financing, to open our next unit in Nashville, Tennessee. In March 2002, following the recommendation of the landlord and after careful consideration of the marketplace and our limited capital resources, we determined to discontinue our plans to open this unit. For the foreseeable future, we plan to focus on the following objectives:

exploration of licensing and franchising opportunities,

refinancing of existing indebtedness,

continued implementation of cost controls, and

recapturing market share lost following the events of September 11, 2001.

Our future revenues and profits will depend upon various factors, including market acceptance of the Big Buck Brewery & Steakhouse concept and general economic conditions.

Three and Six Months Ended June 30, 2002 and July 1, 2001

Our operating results, expressed as a percentage of total revenue, were as follows:

Results of Operations for the Three and Six Months Ended June 30, 2002 and July 1, 2001**Revenues**

Revenues increased 1.3% to \$4,091,023 in the second quarter of 2002 from \$4,038,889 in the second quarter of 2001, and decreased 4.1% to \$8,438,543 for the first six months of 2002 from \$8,795,219 for the first six months of 2001. The decrease for the six-month period was mainly due to a weak economy and a decline in tourism following the events of September 11, 2001. We believe that an improved economy will increase revenues at our existing units.

Costs of Sales

Cost of sales, which consists of food, merchandise and brewing supplies, increased 2.1% to \$1,353,827 in the second quarter of 2002 compared to \$1,325,673 in the second quarter of 2001, and decreased 5.1% to \$2,775,745 for the first six months of 2002 compared to \$2,923,857 for the first six months of 2001. The increase for the quarter was primarily due to the purchase of a new bread product, the availability of liquor

in our units during 2002 and increased produce prices. The decrease for the six-month period was primarily due to lower sales.

Restaurant Salaries and Benefits

Restaurant salaries and benefits, which consist of restaurant management and hourly employee wages and benefits, payroll taxes and workers' compensation insurance, decreased 5.3% to \$1,059,013 in the second quarter of 2002 compared to \$1,118,567 in the second quarter of 2001, and decreased 9.5% to \$2,164,105 for the first six months of 2002 compared to \$2,391,303 for the first six months of 2001. As a percentage of revenues, restaurant salaries and benefits decreased to 25.9% in the second quarter of 2002 as compared to 27.7% in the second quarter of 2001, and decreased to 25.6% for the first six months of 2002 compared to 27.2% for the first six months of 2001. The decreases were primarily due to the implementation of lower staffing levels and more efficient scheduling.

Operating Expenses

Operating expenses, which include supplies, utilities, repairs and maintenance, advertising and occupancy costs, increased 13.1% to \$942,799 in the second quarter of 2002 compared to \$833,854 in the second quarter of 2001, and increased 7.5% to \$1,883,912 for the first six months of 2002 compared to \$1,752,174 for the first six months of 2001. As a percentage of revenues, operating expenses increased to 23.0% in the second quarter of 2002 as compared to 20.6% in the second quarter 2001, and increased to 22.3% for the first six months of 2002 compared to 19.9% for the first six months of 2001. The increases were due primarily to increased expenditures for advertising intended to attract additional customers, including our participation in an entertainment card program, as well as our implementation of an enhanced food plan for employees designed to improve employee retention.

Depreciation

Depreciation expenses decreased 5.4% to \$330,575 in the second quarter of 2002 compared to \$349,509 in the second quarter of 2001, and increased 3.3% to \$661,150 for the first six months of 2002 compared to \$640,128 for the first six months of 2001. As a percentage of revenues, these expenses decreased to 8.1% in the second quarter of 2002 from 8.7% in the second quarter of 2001, and increased to 7.8% for the first six months of 2002 from 7.3% for the first six months of 2001. Our depreciation expenses change as we acquire new assets and as our assets become fully depreciated.

Preopening Expenses and Store Development Costs

Preopening expenses and store development costs consist of expenses incurred prior to the opening of a new unit, including but not limited to wages and benefits, relocation costs, supplies, advertising expenses and training costs. We incurred no preopening expenses and store development costs in the second quarter of 2002, the second quarter of 2001 or the first six months of 2001. We incurred preopening expenses and store development costs of \$19,930 for the first six months of 2002.

General and Administrative Expenses

General and administrative expenses decreased 9.8% to \$434,926 in the second quarter of 2002 compared to \$482,011 in the second quarter of 2001, and increased 3.6% to \$939,095 for the first six months of 2002 compared to \$906,408 for the first six months of 2001. As a percentage of revenue, these expenses decreased to 10.6% in the second quarter of 2002 as compared to 11.9% in the second quarter of 2001, and increased to 11.1% for the first six months of 2002 compared to 10.3% for the first six months of 2001. The changes in general and administrative expenses were primarily driven by changes in professional fees.

Interest Expense

Edgar Filing: BIG BUCK BREWERY & STEAKHOUSE INC - Form 10QSB

Interest expense increased 5.4% to \$438,638 in the second quarter of 2002 compared to \$416,259 in the second quarter of 2001, and increased 6.2% to \$880,599 for the first six months of 2002 compared to \$829,439 for the first six months of 2001. As a percentage of revenues, interest expense increased to 10.7% in the second quarter of 2002 from 10.3% in the second quarter of 2001, and increased to 10.4% for the first six months of 2002 compared to 9.4% for first six months of 2001. The increases reflected the interest paid on the loan we obtained from United Bank and Trust Company.

Other Income and Expense

Other income and expense includes miscellaneous income and amortization expense. Other expenses increased 12.8% to \$96,379 in the second quarter of 2002 compared to \$85,435 in the second quarter of 2001, and increased 12.7% to \$197,486 for the first six months of 2002 as compared to \$175,183 for the first six months of 2001.

Liquidity and Capital Resources

Overview

We used \$1,288,202 in cash for operating activities during the first six months of 2002, and used \$192,001 in cash for operating activities during the first six months of 2001. We had a working capital deficit of \$9,659,848 at June 30, 2002 and a working capital deficit of \$8,756,949 at July 1, 2001. The reclassification of our indebtedness to WCERS from a long-term obligation to a short-term obligation was responsible for the increase in our working capital deficit, partially offset by the loan we obtained for \$5,000,000 from United Bank and Trust Company during the first quarter of 2002. During the first six months of 2002, we spent \$571,229 for fixed assets and repaid \$1,840,681 in debt. We cannot assure you that we will have sufficient financial resources to repay existing indebtedness or to continue operations. As of August 9, 2002, we had defaulted on \$735,519 of principal and interest payments to WCERS, the holder of approximately \$8,900,000 of our secured debt, and \$550,000 of principal payments to certain holders of our convertible subordinated promissory notes.

In general, we have experienced operating losses in each quarterly and annual period since inception. We incurred net losses of \$560,776 for the second quarter of 2002 and \$563,092 for the second quarter of 2001. As of June 30, 2002, we had an accumulated deficit of \$10,858,296. We currently depend upon our existing units for all of our revenues. We expect to incur significant losses for the foreseeable future. We will need to generate significant increases in our revenues to achieve and maintain profitability. If our revenues fail to grow or grow more slowly than we anticipate, or our operating expenses exceed our expectations, our losses could significantly increase, which would harm our business, operating results, cash flows and financial condition. In addition, our failure to become and remain profitable may adversely affect the market price of our securities and our ability to raise capital and continue operations. The reports of our independent public accountants for the years ended December 30, 2001 and December 31, 2000 include explanatory paragraphs expressing doubt about our ability to continue as a going concern.

Since inception, our principal capital requirements have been the funding of (a) our operations and promotion of the Big Buck Brewery & Steakhouse format and (b) the construction of units and the acquisition of furniture, fixtures and equipment for such units. Total capital expenditures for the Gaylord, Grand Rapids and Auburn Hills units were approximately \$6.2 million, \$3.2 million and \$10.2 million, respectively. Total capital expenditures of Buck & Bass for the Grapevine unit were approximately \$7.6 million. Pursuant to our joint venture agreement with Bass Pro, we funded approximately \$6.4 million of that cost, including our \$1.5 million loan to Buck & Bass.

Financing activities during the first six months of 2002

In February 2002, we received a \$500,000 advance from WCERS to cover unpaid real estate taxes in Michigan. In March 2002, we obtained a loan from United Bank and Trust Company for \$5,000,000 which matures in March 2004. The collateral of this loan is a \$5,000,000 letter of credit from WCERS. Of the proceeds from such loan, we used \$200,000 to terminate our lease of the Nashville site, \$500,000 to repay the advance from WCERS and \$1,000,000 to repay our indebtedness to Crestmark Bank. We intend to use the remaining proceeds of such loan to settle the dispute between Buck & Bass and the general contractor of the Grapevine unit, to pay certain accounts payable and for various working capital purposes.

Financing activities during the first six months of 2001

In February 2001, we agreed with WCERS to extend the maturity dates of certain promissory notes held by WCERS, with an aggregate principal amount of approximately \$7,400,000, to February 2003. As a consequence, each of our outstanding promissory notes held by WCERS has a maturity date of February 1, 2003. On the same day, we also issued 323,406 shares of our common stock to WCERS in lieu of \$327,610 in principal and/or interest otherwise payable to WCERS in February, March, April and May 2001. In March 2001, we entered into a first amendment and acknowledgment of partial payment with the holder of one of our convertible subordinated promissory notes with a principal amount of \$250,000. Pursuant to such agreement, we repaid \$75,000 of principal, agreed to a repayment schedule involving monthly payments of principal and interest commencing May 1, 2001, and adjusted the conversion price on such note from \$1.4752 to \$0.73 per share. We repaid such note in full in March 2002. Also in March 2001, we entered into two amendments with Michael G. Eyde, one of our shareholders and the holder of two of our subordinated promissory notes. Pursuant to such agreements, we made his \$100,000 non-convertible note convertible into shares of our common stock at a conversion price of \$1.00, adjusted the conversion price of his \$100,000 convertible note from \$1.9188 to \$1.00 and extended the maturity date of both notes until October 2001. In April 2001, we entered into a first amendment with the holder of one of our convertible subordinated promissory notes with a principal amount of \$50,000. Pursuant to such agreement, the maturity date of such note was extended until January 2002 and the conversion price was adjusted from \$1.9125 to \$0.73 per share. In April 2001, we entered into a first amendment with the holder of one of our convertible subordinated promissory notes with a principal amount of \$250,000. Pursuant to such agreement, the maturity date of such note was extended until October 2001 and the conversion price was adjusted from \$1.4752 to \$0.73 per share. We subsequently agreed to a repayment schedule involving monthly payments of principal and interest on this note commencing November 1, 2001. In July 2001, we generated \$100,000 in net proceeds from the private placement of a \$100,000 principal amount convertible subordinated promissory note to Thomas E. Zuhl, who became one of our directors in January 2002. The note, which is convertible into 115,473 shares of common stock at a conversion price of \$0.866 per share, matured in July 2002. We used the funds provided by this subordinated debt financing for working capital purposes.

Additional financing is required for debt repayment

Without additional financing, our leveraged position and the requirements for payments to the holders of our secured and subordinated debt may require us to liquidate all or a portion of our assets. We had a working capital deficit of \$9,659,848 at June 30, 2002 and a working capital deficit of \$8,756,949 at July 1, 2001. As of August 9, 2002, we had outstanding (1) convertible secured debt aggregating \$7,409,271, (2) non-convertible secured debt aggregating \$6,204,014, and (3) convertible subordinated debt aggregating \$772,000. Of the outstanding convertible subordinated debt, \$100,000 matured in November 2000, \$300,000 matured in October 2001, \$50,000 matured in January 2002 and \$100,000 matured in July 2002. We cannot assure you that we will be able to extend the maturity dates of those, or any other, notes.

Our outstanding debt must be repaid in full as follows:

Type of Debt	Principal Amount	Maturity Date
Convertible Secured Debt	\$ 7,409,271	February 2003
Non-Convertible Secured Debt	\$ 1,500,000	February 2003
Non-Convertible Secured Debt	\$ 4,704,014	March 2004
Convertible Subordinated Debt	\$ 100,000	November 2000
Convertible Subordinated Debt	\$ 300,000	October 2001
Convertible Subordinated Debt	\$ 50,000	January 2002
Convertible Subordinated Debt	\$ 100,000	July 2002
Convertible Subordinated Debt	\$ 122,000	*
Convertible Subordinated Debt	\$ 100,000	December 2002

* We have agreed to make six additional monthly payments of \$18,000 (commencing September 1, 2002) and one monthly payment of \$14,000 (on March 1, 2003) to repay this note in full.

To fund the maturity of the outstanding debt, we will be required to obtain additional financing or refinance the debt. However, we cannot assure you that we will be able to obtain the required funds or refinance the debt, which could materially adversely affect our business, operating results, cash flows and financial condition.

WCERS payment and other defaults

Our agreements with WCERS require us to make the following payments to WCERS on the first day of each month:

\$53,396 in principal and interest on a convertible secured promissory note with a principal balance of approximately \$5.8 million,

\$14,756 in principal and interest on a convertible secured promissory note with a principal balance of approximately \$1.6 million, and

\$13,750 in interest only on a non-convertible secured promissory note with a principal balance of approximately \$1.5 million.

Edgar Filing: BIG BUCK BREWERY & STEAKHOUSE INC - Form 10QSB

As of August 9, 2002, we had defaulted on \$735,519 of principal and interest payments to WCERS. Such amount represents:

\$533,963 which became due and payable between September 2001 and May 2002 on the convertible secured promissory note with a principal balance of approximately \$5.8 million,

\$132,806 which became due and payable between November 2001 and May 2002 on the convertible secured promissory note with a principal balance of approximately \$1.6 million, and

\$68,750 which became due and payable between January 2002 and May 2002 on the non-convertible secured promissory note with a principal balance of approximately \$1.5 million.

As a result, WCERS may, by notice in writing to us, declare all amounts owing with respect to the agreements to be immediately due and payable without presentment, demand, protest or other notice of any kind, all of which we previously waived. Our assets are, as a consequence, subject to foreclosure by WCERS. In particular, we have granted the following security interests to WCERS:

a pledge of our limited partnership interest in Buck & Bass,

a pledge of our shares of the issued and outstanding common stock of BBBP Management Company, and

a security interest, assignment or mortgage, as applicable, in our interest in all assets now or hereafter owned, ownership interests, licenses, and permits, including, without limitation, a mortgage encumbering the Gaylord, Auburn Hills and Grand Rapids sites.

We also agreed with WCERS that (1) we would not create, incur or suffer to be created or incurred or to exist, any lien of any kind upon any of our property or assets of any character whether then owned or thereafter acquired, or upon the income or profits therefrom except for certain permitted liens, (2) we would keep and maintain tangible net worth plus subordinated debt in an amount not less than \$8.5 million, (3) we would keep and maintain a minimum debt coverage ratio of 1.25 to 1.0 (excluding Grapevine pre-opening and financing costs), (4) we would maintain our then current cash flow position, and (5) we would not permit the difference between our current assets and our current liabilities (other than subordinated debt) to be less than \$500,000. We have notified WCERS that we violated each of the foregoing covenants. On April 3, 2001, we entered into a letter agreement with WCERS pursuant to which the foregoing covenants were modified to provide that (1) we must maintain tangible net worth plus subordinated debt in an amount not less than \$6.25 million and (2) we have until January 1, 2002 to meet all other covenants set forth in the loan documents (unless modified by the parties in writing). We notified WCERS that we violated the amended covenants. On April 1, 2002, we entered into a letter agreement with WCERS pursuant to which the foregoing covenants were modified to provide that (1) we must maintain tangible net worth plus subordinated debt in an amount not less than \$4.5 million and (2) we have until January 1, 2003 to meet all other covenants set forth in the loan documents (unless modified by the parties in writing).

We cannot assure you that we will be able to repay or refinance our indebtedness to WCERS or comply with the amended covenants. Our agreements with WCERS define an event of default to include our failure to perform any term, covenant or agreement contained in our agreement, including the payment of principal and interest. If our payment or other defaults are not waived by WCERS, our assets will remain subject to foreclosure by WCERS. Foreclosure by WCERS would force us to cease all operations.

We anticipate that funds will be required to resolve the Grapevine dispute

During the first quarter of 2001, certain contractors of Buck & Bass filed liens and made demands for payment of additional sums aggregating approximately \$1.4 million in connection with the construction of the Grapevine unit. In February 2001, as guarantor of the obligations of Buck & Bass, we arranged to have filed of record a bond with respect to each lien for which we had received notice. In March 2001, we obtained approximately \$1.0 million in debt financing from Crestmark Bank, guaranteed by WCERS, for working capital purposes including the payment of such contractors. Although we have satisfied our obligations to the subcontractors, we remain involved in litigation with the general contractor. We cannot assure you that we will be able to fully and finally discharge of record all outstanding liens and claims. If we fail to do so, we may be in material default under the limited partnership agreement and the commercial sublease agreement.

Grapevine covenant violations

Edgar Filing: BIG BUCK BREWERY & STEAKHOUSE INC - Form 10QSB

The existence of encumbrances on the Grapevine site, the failure of Buck & Bass to perform quarterly customer satisfaction surveys and the failure of Buck & Bass to achieve annual gross sales of \$7.0 million give Bass Pro the ability to declare an event of default under the sublease, terminate the sublease and demand all unpaid and reasonably calculable future rent over the balance of the sublease term. Pursuant to the limited partnership agreement, a material default under the sublease would also entitle Bass Pro to purchase our interest in the joint venture at 40% of book value, thereby eliminating our interest in the Grapevine unit. Further, Bass Pro has the right to purchase up to 15% of our interest in the joint venture, at 100% of our

original cost, on or before August 31, 2002; provided, however, that our interest in the joint venture may not be reduced below 51%. The termination of the sublease or the elimination of our interest in the Grapevine unit would have a material adverse effect on our business, operating results, cash flows and financial condition.

Limitations on ability to incur additional indebtedness

We granted WCERS a right of first refusal pursuant to which WCERS may, for so long as the approximately \$5.8 million promissory note is outstanding or WCERS owns more than 15% of our common stock, elect to purchase securities offered by us, within 45 days of the receipt of notice by WCERS, at the same price and on the same terms and conditions as are offered to a third party.

Our agreement with WCERS imposes limitations on our ability to incur additional indebtedness. We agreed that we would not create, incur, assume, guarantee or be or remain liable, contingently or otherwise, with respect to any indebtedness, except for indebtedness incurred in the ordinary course of business not to exceed at any time \$1.5 million in the aggregate. Any indebtedness not in the ordinary course of business or in excess of \$1.5 million requires the approval of WCERS. These restrictions may impede our ability to secure financing for continued operations. Our failure to raise capital when needed would have a material adverse effect on our business, operating results, cash flows and financial condition.

Liquidity plans

We intend to explore licensing and franchising arrangements. We are in discussions with several parties regarding the possible licensing of the Big Buck Brewery & Steakhouse concept in and outside the state of Michigan. We have entered into a license agreement with Up North Adventures, an entity owned by one of our directors, Thomas E. Zuhl, pursuant to which we hope to introduce our concept to various Asian markets. Our beers have already received awards for excellence at tradeshow in Japan.

We also seek to refinance our indebtedness to WCERS. We hope to refinance such indebtedness at lower interest rates. In the first quarter of 2002, WCERS engaged a consultant to evaluate restructuring our debt to WCERS. In the second quarter of 2002, we engaged the same consultant to assist our management in the development of a going-forward business strategy. Such assistance includes development of action items for critical financial and operational issues, analysis of immediate, near-term and long-term obstacles faced by our company, and assessment of strengths, weaknesses, opportunities and threats for the going-forward business plan.

We also plan to continue searching for ways of reducing our operating costs. At the beginning of 2001, we set goals to equal or exceed the operating benchmarks of several of our competitors. We believe that we have attained those goals and we seek continued improvement. In July 2002, we implemented new short-term and long-term marketing campaigns pursuant to which we hope to regain revenues lost due to the decrease in tourism following the events of September 11, 2001.

Seasonality

Our operating results are expected to fluctuate based on seasonal patterns. Based on our existing units, we anticipate that our highest revenues will occur in the second and third calendar quarters due to the milder climate during those quarters in Michigan. Because of the effect of seasonality on our business, results for any quarter are not necessarily indicative of the results that may be achieved for a full fiscal year and cannot be used to indicate financial performance for a full fiscal year.

PART II OTHER INFORMATION

ITEM 1 Legal Proceedings

On May 3, 2001, Knoebel Construction, Inc., the general contractor of the Grapevine unit, sued Buck & Bass, L.P., BBBP Management Company, Bass Pro Outdoor World, L.L.C., St. Paul Fire & Marine Insurance Company, Grapevine II, L.P. and our company in the 352nd District Court of Tarrant County, Texas, for breach of contract and quantum meruit, as well as claims under the Texas Property Code for alleged failure to make prompt payment and alleged misapplication of statutory construction trust funds. Our company owns an 89.9% interest in Buck & Bass. The proceeding is a lawsuit that arises out of the construction of the Grapevine unit. Buck & Bass, as owner, and Knoebel, as construction manager, signed an AIA Standard Form of Agreement Between Owner and Construction Manager dated June 30, 2000. Under the agreement, Buck & Bass hired Knoebel to construct the Grapevine unit. Knoebel alleges that it performed its obligations under the agreement but is still owed \$1,174,516 that Buck & Bass has failed to pay. Buck & Bass disputes the amount of Knoebel's claims. Knoebel also seeks recovery under St. Paul's bond and foreclosure of a statutory lien. In addition to its alleged damages of \$1,174,516, Knoebel's petition asks for attorneys' fees, court costs, and pre-judgment and post-judgment interest. In accordance with the agreement, the parties agreed to abate the lawsuit and submitted the case to the American Arbitration Association.

On behalf of Buck & Bass, we have settled directly with and obtained releases from the subcontractors on the Grapevine unit, as well as the project's architect. Although we have entered into settlement discussions with Knoebel to terminate the lawsuit and the arbitration proceeding, we cannot assure you that we will be able to fully and finally discharge of record all outstanding liens and claims. We anticipate funding any settlement, on behalf of Buck & Bass, by using a portion of the proceeds of the loan we received in the first quarter of 2002 from United Bank.

In addition, we are involved in routine legal actions in the ordinary course of our business. Although the outcomes of any such legal actions cannot be predicted, in the opinion of management these routine legal proceedings are unlikely to have a material adverse effect upon our business, operating results, cash flows and financial condition.

ITEM 2 Changes in Securities and Use of Proceeds

ITEM 3 Defaults upon Senior Securities

As of August 9, 2002, we had defaulted on \$735,519 of principal and interest payments to WCERS. Such amount represents:

\$533,963 which became due and payable between September 2001 and May 2002 on the convertible secured promissory note with a principal balance of approximately \$5.8 million,

\$132,806 which became due and payable between November 2001 and May 2002 on the convertible secured promissory note with a principal balance of approximately \$1.6 million, and

\$68,750 which became due and payable between January 2002 and May 2002 on the non-convertible secured promissory note with a principal balance of approximately \$1.5 million.

As a result, WCERS may, by notice in writing to us, declare all amounts owing with respect to the agreements to be immediately due and payable without presentment, demand, protest or other notice of any

kind, all of which we previously waived. Our assets are, as a consequence, subject to foreclosure by WCERS. For more information regarding our payment and other defaults, please review [Management's Discussion and Analysis or Plan of Operation](#) [Liquidity and Capital Resources](#).
