Old Second Bancorp, Inc. Employees

401(k) Savings Plan and Trust

We have audited the accompanying statements of net assets available for benefits of Old Second Bancorp, Inc. Employees 401(k) Savings Plan and Trust as of December 31, 2002 and 2001, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2002 and 2001, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2002, is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

## **1. Description of the Plan**

The following is a brief description of the Old Second Bancorp, Inc. Employees 401(k) Savings Plan & Trust (the Plan). Participants should refer to the Plan document or the summary plan description for a more complete description of the Plan's provisions.

### **General**

The Plan is a defined-contribution plan established to provide deferred compensation benefits to eligible employees. Under the Plan, all nonunion employees of Old Second Bancorp, Inc. and certain of its affiliates (collectively, the Company) who have met certain eligibility requirements may elect to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 1997, the Plan was amended to permit participation by any employee, both salaried and nonsalaried, who meets the eligibility requirements, other than any employee who is a member of a collective bargaining unit under which retirement benefits were the subject of good faith bargaining. Eligible employees previously excluded from the Plan solely due to having been paid on a hourly basis rather than a salary basis, shall, effective January 1, 1997, be credited with eligible service, benefit service, and vesting service (as defined) to the extent the employee would have been credited for such services had his or her employment with an affiliated company (as defined) been as a salaried employee rather than as an employee paid on an hourly basis.

Effective January 1, 2002, the Old Second Bancorp, Inc. Employees Profit Sharing Plan and Trust merged into the Plan.

### **Contributions**

Effective January 1, 2002, under provisions of the Plan, participants enter into agreements wherein each participant may elect an unlimited reduction in compensation (subject to statutory wage limitations). Prior to January 1, 2002, participants could elect a reduction in compensation

Edgar Filing: OLD SECOND BANCORP INC - Form 11-K

from 1% to 12%, not to exceed the Internal Revenue Code (IRC) limit, representing the employee's pretax contribution to the Plan.

Maximum contribution limits of compensation may apply for certain highly compensated employees. In addition, each participant may elect to make additional voluntary after-tax contributions subject to certain limitations as specified by the Plan. Effective January 1, 2002, the Company contributes on behalf of each participant an amount equal to 100% of the participant's salary reduction contributions made in the Plan year (matching contribution), not to exceed 4% of the participant's compensation. Prior to January 1, 2002, the Company contributed an amount on behalf of each eligible participant equal to 66 2/3% of the salary reduction contributions made in the Plan year, not to exceed 3% of the participant's compensation.

Profit-sharing contributions are based on amounts determined by the Company's Board of Directors before the end of each year, and shall not exceed the maximum amount deductible for federal income tax purposes. Annual Company profit-sharing contributions, and forfeitures arising during the year, are allocated to participant accounts in the same proportion that each such participant's compensation bears to total compensation for all such participants.

### **Payment of Benefits**

Upon termination of service, disability, retirement, or death, each participant or beneficiary may elect to receive accumulated benefits. The benefit may be paid as a lump-sum amount or a series of installment payments, as determined by the participant or beneficiary. Under certain circumstances, participants may receive a hardship distribution prior to termination upon approval of the plan administrator.

### **Income Allocation**

Under provisions of the Plan, each participant must direct the trustee to invest the balance of their account in participation units in the Old Second Bancorp, Inc. Common Stock Fund, and/or in certain common trust funds established and maintained by the trustee for the collective investment of funds held in qualified employee benefit plans, and/or certain mutual funds, and/or certain money market fund vehicles. Income, gains, and losses realized from such directed investments are charged or credited to the account of the directing participant based on the proportionate value of all active accounts as of the last valuation date less withdrawals since the last valuation date.

### **Vesting**

Participants are always fully vested in their employee and rollover contributions and earnings thereon. Effective January 1, 2002, Company matching contributions and earnings thereon became 100%-vested immediately. Prior to January 1, 2002, Company matching contributions and earnings thereon became 100%-vested after two years of service.

Profit-sharing contributions and earnings thereon become 100%-vested after five years of service, as defined by the Plan.

### **Participant Loans**

Participants may borrow from their accounts a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, except in the case of a loan for the purpose of acquiring a primary residence. The term of such loan shall be determined by the Company. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Company. Principal and interest is paid ratably through semimonthly payroll deductions.

### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. Upon Plan termination, all participants become fully vested in their account balances.

## **2. Summary of Significant Accounting Policies**

The following is a summary of significant accounting policies followed by the Plan.

### **Valuation of Investments**

Investments in the Old Second National Bank of Aurora Common Trust Funds for Corporate Retirement Plans and the Money Market Fund are carried at the quoted market value of the underlying assets held in the funds. The registered investment companies are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. Common stock of Old Second Bancorp, Inc. is valued at the last reported bid price. Participant loans are valued at cost, which approximates fair value. Purchases and sales of investments are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

**Administrative Expenses**

Administrative expenses of the Plan are paid directly by the Company.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**3. Investments**

The fair value of the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) as follows:

**4. Income Tax Status**

The Plan has received a determination letter from the Internal Revenue Service dated February 19, 1992, stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving this determination letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.
