**Item 1.01      Entry into Material Definitive Agreement.**

On January 19, 2005, Vista Gold Corp. announced that Luzon Minerals Ltd. has informed Vista that it wishes to exercise its option to purchase Vista's Amayapampa gold project in Bolivia.

In addition, the companies agreed, subject to regulatory approval, to further amend the terms of their original purchase option agreement with respect to the payments previously due on January 15, 2005 and January 1, 2006. The amended agreement calls for Vista to receive from Luzon, within 5 business days of receiving TSX Venture Exchange approval, a payment consisting of \$100,000 and 2,000,000 Luzon common shares. This will be followed, on the earlier of June 15, 2005 or the date of the next financing completed by Luzon after January 19, 2005, by a payment of \$850,000 in cash or, at Luzon's option, \$425,000 in cash and \$425,000 in units consisting of Luzon common shares and warrants to purchase common shares.

The final payment will be made at the earlier of the start of construction or June 15, 2006. This payment remains unchanged from the original agreement, as reported in December 2003, in that Luzon will pay Vista \$4,000,000 in cash, or at Vista's option, a combination of Luzon common shares and cash based on Luzon's share price. If Luzon completes the purchase, and when production commences, Vista will also receive a 3% net smelter type royalty on gold production at gold prices of \$450 per ounce or below and 4% at gold prices above \$450 per ounce. Other terms of the agreement remain unchanged. The preceding description of the terms of the amendment are qualified in their entirety by reference to the Amendment to Purchase Agreement, dated January 19, 2005, a copy of which has been filed herewith as Exhibit 10.1 and is incorporated herein by reference.

On January 19, 2005, Vista issued a press release relating to the above matters. The press release is furnished as Exhibit 99.1 and is attached hereto.
