**Item 7.01. Regulation FD Disclosure**

On March 15, 2005, we filed Amendment No. 1 on Form 10-K/A to our annual report for the fiscal year ended June 30, 2004, originally filed with the U.S. Securities and Exchange Commission on September 13, 2004, for the purpose of restating our consolidated balance sheets as of June 30, 2003 and 2004 and consolidated statements of operations, statements of stockholders' equity and comprehensive income (loss), statements of cash flows and related disclosures for the years ended June 30, 2002, 2003 and 2004.

We are filing this current report on Form 8-K for the purpose of updating and revising our previously announced non-GAAP financial results for each quarter of our fiscal years ended June 30, 2003 and 2004 and for each of our fiscal years ended June 30, 2003 and 2004 to reflect the effects of the restatements. For the purposes of comparability, these non-GAAP financial results have been presented in the same manner as they have been previously presented. These non-GAAP financial results exclude certain non-operational, non-cash and other specified charges that our management generally does not consider in evaluating our ongoing operations. We provide these results as a complement to results provided in accordance with accounting principles generally accepted in the United States, known as GAAP. Our management believes these non-GAAP measures help indicate underlying trends in our business, and our management uses these measures to establish budgets and operational goals that are communicated internally and externally, to manage our business and to evaluate company performance. A reconciliation of our non-GAAP to our GAAP financial results for these periods, as previously reported and as updated to reflect the effects of the restatements, is set forth below.

We have not updated or revised any non-GAAP financials results that we may have previously reported for any periods prior to the first quarter of our fiscal year ended June 30, 2003, and any such results should not be relied upon.

The information in Item 7.01 of this Form 8-K shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 except as expressly set forth by specific reference in such a filing.
