The Board of Directors

Team Financial, Inc. Employees' Stock  
Ownership Plan:

We have audited the accompanying statements of net assets available for plan benefits of the Team Financial, Inc. Employees' Stock Ownership Plan (the Plan) as of December 31, 2004 and 2003 and the related statements of changes in net assets available for plan benefits for the years ended December 31, 2004, 2003, and 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Team Financial, Inc. Employees' Stock Ownership Plan as of December 31, 2004 and 2003 and the changes in net assets available for plan benefits for the years ended December 31, 2004, 2003, and 2002 in conformity with U.S. generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets held for investment purposes and reportable transactions are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

December 31, 2004 and 2003

**(1) Summary of Significant Accounting Policies**

*Organization*

Edgar Filing: TEAM FINANCIAL INC /KS - Form 11-K

The Team Financial, Inc. Employees Stock Ownership Plan (the Plan) has been adopted by Team Financial, Inc. and its affiliates: TeamBank N.A. and Colorado National Bank (collectively, the Company). The Plan is administered by the Company as plan administrator and Trustee.

*General*

Edgar Filing: TEAM FINANCIAL INC /KS - Form 11-K

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

*Basis of Presentation*

## Edgar Filing: TEAM FINANCIAL INC /KS - Form 11-K

The accompanying financial statements have been prepared on an accrual basis in conformity with U.S. generally accepted accounting principles and present net assets available for plan benefits and changes in those net assets. Dividend income is accrued on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the average-cost method.

### *Voting Rights*

Edgar Filing: TEAM FINANCIAL INC /KS - Form 11-K

Each participant is entitled to exercise voting rights attributable to the shares in his or her account and is notified by the Trustee prior to the time that such rights are to be exercised.

*Income Taxes*

## Edgar Filing: TEAM FINANCIAL INC /KS - Form 11-K

The Plan has received a favorable determination letter from the Internal Revenue Service dated August 30, 2001, indicating that it is qualified under Section 401(a) of the Internal Revenue Code and, therefore, the related trust is exempt from tax under Section 501(a) of the Internal Revenue Code. The plan administrator has submitted a request for a new determination letter from the Internal Revenue Service, but has not yet received a response. The plan administrator is not aware of any activity or transactions that may adversely affect the qualified status of the Plan, as amended.

### *Plan Termination*

## Edgar Filing: TEAM FINANCIAL INC /KS - Form 11-K

Although it has expressed no intention to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

### *Use of Estimates*

Edgar Filing: TEAM FINANCIAL INC /KS - Form 11-K

The Plan utilizes a number of estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with U.S. generally accepted accounting principles. Actual results could differ from those estimates.

(2) Investment Policy and Contributions

## Edgar Filing: TEAM FINANCIAL INC /KS - Form 11-K

Contributions to fund the Plan are determined by the Company's board of directors. Contributions may be made in cash, common stock, or other investments as determined by the board of directors. The Company may make a contribution up to 15% of the compensation paid to participating employees during the plan year. Pursuant to certain limitations set forth in the Internal Revenue Code, the Company may contribute additional amounts of up to 10% of the total compensation of all participants to apply to a principal repayment on the borrowings incurred for the purpose of acquiring common stock and/or an amount without limitation if it is to be applied to the repayment of interest on borrowings incurred for the purpose of acquiring common stock. Currently, the Plan has no outstanding borrowings.

The Plan does not permit contributions by participants.

### (3) Provisions of the Plan

## Edgar Filing: TEAM FINANCIAL INC /KS - Form 11-K

All employees are eligible to become participants of the Plan on the January 1 or July 1 following the later of six months of employment or age 19.

With limited exceptions, an employee must complete 1,000 hours of service during the plan year and must be employed by the employer on the last day of the plan year to be entitled to an allocation of company contributions. Participants' accounts vest as shown below:

<b>Years of service</b>	<b>Percentage of vested interest</b>	
Less than 3 years		%
3 years	20	
4 years	40	
5 years	60	
6 years	80	
7 years or more	100	

Participants are eligible for benefit distributions following death, disability, retirement, or other termination of employment. When a participant's employment is terminated because of retirement, permanent disability, or death, then, unless the participant elects otherwise, the distributions of the participant's account must commence not later than one year after the close of the plan year in which the event occurs. When a participant's employment is terminated for any other reason, the form of the distribution depends on the balance in the participant's account. If the vested balance is less than \$5,000, the Plan will distribute that amount, in a lump sum, in the plan year following the plan year in which the participant terminates. If the vested account balance exceeds \$5,000, then, unless the participant elects otherwise, the Plan will generally commence distributions of such amount in the plan year following the date of termination. Distributions may be in a lump sum or installments. Generally, the portion of a participant's account invested in company common stock will be distributed in the form of company common stock and the remaining portion of the participant's account will be distributed at the participant's election, either in the form of company common stock or cash. Additionally, vested benefits may be paid to a participant if the

participant reaches age 60 or if the participant reaches age 55 and has participated in the Plan for at least 10 years.

Forfeitures are allocated to the account of each participant in the same manner as company contributions. During 2004, the Plan had forfeitures in cash and stock of \$3,305 and \$44,246, respectively.
